

Risk Assessment Form – Part A

Production Name: Which Assessment?	Skomer Island	Module:	NA
Emergency Services Contact: E.g Police, Fire service etc	999/101 Member of staff.		
Start date	8:00am 19/06/19	End date	20/06/20 5.30pm
Distribution <i>Who gets a copy of the assessment</i>	film crew		
Outline of risk assessment <i>Summary of what is proposed in terms of sequences and set ups.</i>			
Team members / experts / contractors / contributors etc. <i>List those involved</i>	Film crew.		
Locations <i>Outline locations involved – indicate any which are hostile environments</i>	Skomer Island		
Assessor	Name Signature	Liam O'Hara <i>Lharz</i>	Date completed
Authoriser (if not Assessor)	Name Signature		Date authorised

Hazard list – select your hazards from the list below and use these to complete Part B

Situational hazards	Tick	Physical / chemical hazards	Tick	Health hazards	Tick
Assault by person	X	Contact with cold liquid / vapour	X	Disease causative agent	X
Attack by animal	X	Contact with cold surface		Infection	
Breathing compressed gas		Contact with hot liquid / vapour		Allergic reaction	X
Cold environment	X	Contact with hot surface		Lack of food / water	X
Crush by load		Electric shock		Lack of oxygen	
Drowning	X	Explosive blast		Physical fatigue	X
Entanglement in moving machinery		Explosive release of stored pressure		Repetitive action	
High atmospheric pressure		Fire	X	Static body posture	X
Hot environment	X	Hazardous substance		Stress / anxiety	
Manual handling	X	Ionizing radiation		Venom poisoning	
Object falling, moving or flying	X	Laser light			
Obstruction / exposed feature		Lightning strike		Environmental hazards	
Sharp object / material		Noise		Litter	
Shot by firearm		Non-ionizing radiation		Nuisance noise / vibration	x
Slippery surface	X	Stroboscopic light		Physical damage	
Trap in moving machinery		Vibration		Waste substance released into air	
Trip hazard	X			Waste substance released into soil / water	
Vehicle impact / collision		Managerial / organisational hazards			
Falls from height	X	Management factors (lack of communication, co-operation, co-ordination and competence)	X		

Risk matrix – use this to determine risk for each hazard i.e. 'how bad and how likely'

Severity of Harm	Likelihood of Harm				
	Remote <i>e.g. <1 in 1000 chance</i>	Very unlikely <i>e.g. 1 in 200 chance</i>	Unlikely <i>e.g. 1 in 50 chance</i>	Possible <i>e.g. 1 in 10 chance</i>	Likely <i>e.g. >1 in 3 chance</i>
Negligible <i>e.g. small bruise</i>	Trivial	Trivial	Trivial	Low	Low

Slight e.g. small cut, deep bruise	Trivial	Trivial	Low	Low	Medium
Moderate e.g. deep cut, torn muscle	Trivial	Low	Medium	Medium	High
Severe e.g. fracture, loss of consciousness	Low	Medium	High	High	Extremely high
Very Severe e.g. death, permanent disability	Low	Medium	High	Extremely high	Extremely high

Risk Assessment Form – Part B

Activity¹ – Each individual activity you are proposing:			Location –skomer island- Pembrokeshire, Wales		Dates / times:
Hazards² List what could cause harm from this activity e.g. falls from height, trip hazard, fire, etc.	Who exposed List who might be harmed from this activity e.g. staff, contractors, contributors, public, etc.	Risk³ For each hazard, decide level of risk as if you were to do the activity without your controls	Control measures For each hazard, list the measures you will be taking to minimise the risk identified e.g. appointing competent persons, training received, planning and rehearsals, use of personal protective equipment, provision of first aid, etc.	Risk³ For each hazard, decide level of risk once all your controls are in place	
Assault by person	Staff, Public	Trivial	Staff will receive a safety briefing prior to the event and guided on safe use of the equipment.	Trivial	
Cold environment	Staff	Trivial	Staff will receive a safety briefing prior to the event. And warm clothing to be provided if the day is cold.	Trivial	
Manual handling	Staff	Low	Staff will receive a safety briefing prior to the event and guided on safe use of the equipment. Most equipment is suitable for single person lifting.	Trivial	
Object falling, moving or flying	Staff	Low	Birds will be flying around staff will be warned to keep vigilant during stay on island.	Trivial	
Slippery surface	Staff	High	While near the waters edge possibility of slipping on wet rocks good footwear to be worn by all staff.	Low	
Attack by animal	Staff	Low	Staff will be warned to stay on path and avoid getting in the way of the wildlife.	Trivial	
Trip hazard	Staff, Public	Low	Staff will receive a safety briefing prior to the event and guided on safe use of the equipment around bumpy and unstable terrain.	Low	
Falls from hight	Staff	High	Staff will be told to keep on the footpath away from any cliff edges and wear good footwear	Medium	
Contact with cold liquid / vapour	Staff	Medium	Staff to keep away from any water or steep cliff faces as falling in cold water could be dangerous during travel on boat buoyancy aids will be available.	Low	
Drowning	Staff	Medium	Staff will be warned to stay away from any edges and stay on the footpath at all times, as well as stay seated while on the boat boat is professionally controlled and has buoyancy aids on board.	Low	
Hot environment	Staff	Medium	Chance the weather could be very hot with areas of little or no cover. Staff will be warned to drink regularly and seek shelter if any signs of heat stroke appear.	Trivial	

Fire	Staff, Public	Medium	Staff and public will receive a safety briefing on how best to avoid causing a fire and what to do in the event of a fire.	Low
Management factors (lack of communication, co-operation, co-ordination and competence)	Staff, Public	Trivial	Staff will have a safety briefing before filming starts and be made aware of how to look after the property correctly.	Trivial
Static body posture	Staff	Low	During wildlife filming may be sat in one position for a while Staff will receive instruction before filming.	Trivial
Nuisance noise / vibration	Staff	Trivial	Staff will be warned about making too much noise and the usage of the camera equipment and sound prior to filming.	Trivial
Disease causative agent	Staff	Trivial	Staff to not touch any animal droppings and if they do will be told to make sure to wash their hands before continuing using the equipment.	Trivial
Allergic reaction	Staff	Medium	Staff to bring any medication they may need for anything they may be allergic to while on the island and to stop any disease to the ecosystem.	Trivial
Physical fatigue	Staff	High	Staff to make sure not to over exert themselves and not bring too much heavy equipment while walking around the island and to take regular breaks if needed.	Low
