

VÄHN

22 year-old Music Producer, Composer and Artist.

Although being around music from an early age, his interest for a personal creative realization started with the discovery of Electronic Dance Music (EDM). From passion, It eventually grew out to be a profession, with a start in 2014.

Throughout the years of playing with different styles and genres he had learned & is continuously exploring the essentials of Music Production and the creative ways music is made.

In March 2019 he signed a record deal with Spinnin' Records/Warner Music Group for a release on their sub label, Fonk Recordings. In May 2019 his debut single 'Trompeta' was released. It was supported in the radio shows led by the biggest names of the music industry including :

Hardwell, Disciples, Bassjackers, Maurice West, Dannic, Blasterjaxx, Fedde Le Grand, Afrojack, KURA, Mike Williams, Dada Life, R3HAB, Bingo Players, Promise Land, Swanky Tunes, Morgan Page, Futuristic Polar Bears, Showtek, Tigerlily, Mariana Bo, and many more.

As of live supports, two of the most significant ones were Laidback Luke's spin at Tomorrowland Mainstage as well as Tiësto's at EDC Las Vegas, Club Hakkasan.

When it comes to performances, VÄHN has performed on various festivals & nightclubs including Europe's first major festival - Exit Festival and many more. He has shared decks with some of the biggest names in the music industry such as Dannic, etc...
