

Unseen Aen. 2.270-286

in somnis, ecce, ante oculos maestissimus Hector 270
uisus adesse mihi largosque effundere fletus,
raptatus bigis ut quondam, aterque cruento
pulvere perque pedes traiectus lora tumentis.
ei mihi, qualis erat, quantum mutatus ab illo
Hectore qui redit exuvias indutus Achilli 275
uel Danaum Phrygios iaculatus puppibus ignis!
squalentem barbam et concretos sanguine crinis
uulneraque illa gerens, quae circum plurima muros
accepit patrios. ultro flens ipse uidebar
compellare uirum et maestas expromere uoces: 280
'o lux Dardaniae, spes o fidissima Teucrum,
quae tantae tenuere morae? quibus Hector ab oris
exspectate uenis? ut te post multa tuorum
funera, post uarios hominumque urbisque labores
defessi aspiciamus! quae causa indigna serenos 285
foedauit uultus? aut cur haec uulnera cerno?'

vocab

adsum, esse: to be present
largus, a, um: abundant, plentiful
rapto (1): to drag
bigae, arum (f pl): pair of horses, two horse chariot
