

Who We Are

- Oxfam are a Global Organization that Work hard to end the injustice of Hunger and Poverty.
- Oxfam are Independent and Impartial, our Humanitarian work follows International guidelines, this includes the Sphere Humanitarian Charter.
- Code of Conduct for the Red Cross and Red Crescent Movement and NGOs in Disaster Relief
- The Principles of the Humanitarian Accountability Partnership
- The People In Aid Code of Practice
- The Referees And Human Rights Law (Cairns,2013)

What We Believe

Oxfam believe that all people have the right to life and security, Oxfam uphold a full list of rights for people to have a decent livelihood, food and shelter, a good health and education. A voice in decision making and to help people be free from discrimination. (Cairns,2013)

End Poverty And Hunger

By spending £336.9m altogether....

we helped 100 communities in the Philippines and Zimbabwe have better pay conditions and teach men to live a fuller role in family life
In Lebanon we helped young women to gain social change
In Bangladesh, Tajikistan and Zambia we helped men and women sell their goods and cope With the profit
We helped 700.000 people in DRC with better water facilities and hygiene packs
In Kenya and Vietnam we have brought together communities and governments to better healthcare services
We set up over 500 water points 3000 emergency pumps and gave food vouchers for over 50.000 Refugee's in Rohingya to by food in local markets
Over 1.3 million drought affected family's in Ethiopia, and helped with climate change
The people of Congo have had emergency Aid
Helped 1.35 million Yemen people with better hygiene facilities and helped with the cholera outbreak
Helped 1.5 million people in Syria with food and hygiene
In the UK helped set up food banks and push for tax transparency and reform up the political agenda
We tackled inequality and poverty for the people who pack the food so they don't go hungry themselves
Help refer gee families be reunited (Oxfam Annual Report &Accounts,2018)
