Advice whilst planning your portfolio

- **RELEVANT** evidence of your personal Welsh skills- the evidence submitted must be relevant to the level descriptions.
- **ENOUGH** evidence of the 4 skills and your ability regarding teaching and learning, but don't overload it. You shouldn't submit more than 5 resources for any individual skill. Think about WHY you have included each piece.
- Listening – if you submit listening tasks as evidence, you must submit the audio file along with your answers to the questions, or the evidence will not prove your listening ability.
- Writing – make sure you have sufficient evidence of your written work
- Teaching and Learning: You should submit your portfolio of teaching resources for the 10 credit module here including the video recording. You can also submit any additional teaching and learning evidence beyond the module assignment here if relevant.
- If you submit evidence which is relevant to more than one skill, please note this in the table above. You will only need to upload the file to the PLP once.
- Showcase yourself at your best in the portfolio – choose your evidence wisely!
