

Presentation Timetable 25th May 2022 – HG05 or online.

Presentations are 10 mins in length.

You will prepare an answer/presentation for each of the **following 3 questions**. This presentation will take **10 mins in total**.

The allocation of the time for each question is up to the student. The students can use visual aids, slides, power point etc as desired.

1. Critically reflect on the positives and negatives of working within the context of a Studio performance/production.
2. Evaluate and reflect on your personal challenges and contribution to your allocated Studio role and company.
3. Critically reflect on your personal progress and development throughout your time on your particular programme.
