TEITL Y PROSIECT: / PROJECT TITLE: ANALYSING FEMALE FOOTBALL
PARTICIPATION FACTORS

***THIS FORM IS TO BE AMENDED AND ADAPTED AS NECESSARY**

Dear Participant:

My name is Aaron Williams and I am studying in the School of Business Management

I would like to invite you to participate in my research project. This project will analyse the internal and external factors that affect female participation in football and aims to discover whether certain theories are relevant in today's society

*Attached to this letter is a short questionnaire developed by myself which will assess the factors affecting participation. I believe your opinions will be extremely helpful to me.

Through your participation in the questionnaire and/or interviews, I hope to ascertain why your team began playing football and what continues to influence them.

All questionnaires will be kept strictly confidential to the researchers involved and at **NO** time will individual questionnaires be released to the general public. This gives you a chance to express your views on your programme a confidential and anonymous forum and still be able to make a difference. Your participation in this study is completely voluntary so you can withdraw from the questionnaire at any stage.

Our questionnaire should take about **5** minutes to complete, but there is no time constraint. There are also no right or wrong answers. Attached to this letter along with the questionnaire is **XXX** (e.g. an instruction sheet / a consent form / a feedback sheet). As this is a new project, your feedback is also important to us and we would be much obliged if you could also complete the feedback sheet along with the questionnaire. We understand that your time is at a premium but your opinions are very valuable to us.

After careful and precise analysis of the data obtained from this questionnaire, I will be happy to provide you with a copy of the findings at your request. The results of this questionnaire will hopefully enhance my understanding of XXXX and will be stored on XXX. The results of the research will be fed back to **XXX**.

We thank you in advance for your time and participation. If any questions do arise, feel free to contact me at your convenience.
