

Modern Day Maya

The Maya

- Beginning around ca. 2000 the Mayan culture has been influential and is still progressing in modern day.
- A lot of modern Mayans still live in their ancestral lands, while others are migrating to different modern day communities.
- It is a common myth that they disappeared!
- The Spanish had not wiped out the culture, but fragmented it.

The Mayan Ritualistic Evolution - Key Examples

- How can recent history and modern fieldwork show medicinal evolution and cultural importance?
- The Quiche of the Momostenango and public ritual.

The progression and Groups

- How is Mayan culture being fought for, who are the Zapatista? and what was the Caste War?
- The cult of the talking cross and it's importance to some modern Mayan's.
