

SUSTAINABILITY

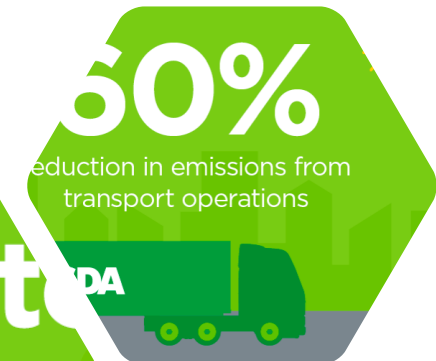

30%

energy intensity reduction by

2025

(vs. a 2010 base)

The graphic features a green cloud-like shape containing the text '30% energy intensity reduction by' and an orange cloud-like shape containing '2025 (vs. a 2010 base)'. A small grey smokestack icon is at the bottom of the orange cloud.

60%

reduction in emissions from
transport operations

DA

The graphic shows a green hexagon with the text '60% reduction in emissions from transport operations' and an illustration of a green truck.

TARGET

Zero waste

Reuse, recycle, redistribute
or recover. No waste to landfill

Inspire
change

We serve 18 million
people each week...

...imagine the impact
this could have!

SUSTAINABILITY

ECONOMIC

Reduce Costs

Reduce Waste

Recycle, Reuse

Invest Savings
