

Childcare worker

Salary per annum

£18500-20000

We are looking for Residential Childcare Workers to work in our Children's Homes across South Nottinghamshire and Leicestershire.

About the Role: You will be a member of a responsible team in charge of the day to day care of young people with Emotional and Behavioral difficulties within a Children's home. You would be expected to act as a positive role model in ensuring their physical, social and emotional needs are being met whilst being flexible, dynamic and engaged in supporting the young people in our care. You will be expected to proactively encourage young people to participate in a variety of opportunities that are healthy, meaningful, give them a sense of achievement, and that help build their self-esteem. You will actively contribute to care plans, share in report writing and monitoring and participate in housekeeping duties. You will also work directly with families, social workers and other relevant people where appropriate. You will be expected to work in line with policies and procedures, and The Children's Homes Regulations and maintain high professional standards at all times. About you:

- We are looking for someone who is caring, committed, friendly and mature in outlook. You will need to be able to work well under pressure and adapt to quickly changing circumstances.
- You should have excellent communication skills, both written and verbal, and the resilience to manage challenging behavior.
- You will either already have or be willing to undertake a QCF Level 3 Diploma for the Children and Young People's Workforce or equivalent. You will need a full UK driving license.

Would you like to make a difference to a young person's life?

Are you looking to take a first or perhaps next step in your career?

Do you want to work in an organization that provides a unique service by combining care, education and therapy for its young people?

If that sounds like you then there is an opportunity to join United Children's Services.

For this role you will need to be over the age of 21. We want you to develop both as a Childcare Worker and in your career generally, so we provide a range of Training and Development opportunities to support you. Apply now

To,

The HR Manager,

United children's services careers

I take immense pleasure in applying to the post that has been posted for the designation of childcare worker. I find myself most suitable for the given job description as I have more than 1 year experience in working with children as I have been working as a primary teacher in the past. Moreover, I had attended numerous courses on self-grooming and currently I am enrolled in diploma course in University of Wales Trinity Saint David. Apart from the as mentioned in the job advertisement I am very much happy to take QCF diploma Level 3, I already have Entry level examination in spoken English B1.1 of the CEFR Grade 5.

I have been into numerous training session which elaborates the environment in which children nurture the most. Even in the current diploma course im enrolled in with University of Wales Trinity Saint David has a module which teaches about the life span development of child. In this very course I am learning about the social, cognitive, motor and sensorimotor development of a child from birth up till 5 years. The aforementioned skills make me suitable for the children of young age.

I have worked with children before also and I am willing to take the responsibility of children in your daycare. My communicative, kind hearted, empathetic and creative and these qualities of mine are pretty much appreciated by my colleagues. The above mentioned qualities make me a perfect candidate for the said position as childcare worker. I am looking forward for working in your organization for further discussion I am available at **07576367672** or through email, this is my email ambreen2980@gmail.com for arranging a meeting for discussing about my potential more I am just a call away.

I'll be looking forward for your kind reply and thank you for the consideration
