

MAJOR PROJECT - Final Report – 68%

Student Name:	Ben Lawrence
Title of Project:	How software can help with personal budgeting and financial stress
Supervisor:	John Williams
2nd marker:	Andrew Green
Course:	BSc Applied Computing
Project Type:	Development

	Mark %
<u>First Marker's General Comments and Original Mark</u> A clear Abstract which provides a good summary of the report. The introduction provides the project aims and objectives. A clear introduction to the Lit review. The structure is very good and relevant topics have been covered. The concluding paragraph sums up the important points covered and how the project will progress. A simple yet affective application, which works well and meets the project objectives. The project report is written to a good standard. The app is simple but well written, robust and meets all objectives set from the findings from the literature review.	68
<u>Second Marker's General Comments and Original Mark</u> A very detailed and well written report. The program met all objectives set by the study.	67
<u>Comment After Consultation With Other Marker & Final Agreed Mark</u> Mark agreed	68
