

It's a Christmas Cracker

**6th December 2018 4.30pm Coedcae School,
Trostre Road, Llanelli. SA15 1JF**

Join primary and secondary teachers to share ideas about projects and ideas and lots of top tips that can be used in the Science Classroom . Ideas for STEM Clubs as well as plenty of resources for you to take away.

Everybody who takes part will receive a free Book at the event. You can offer a 5 or 10 min presentation - it's the taking part that matters! Sue Quirk, Ysgol Glan y Mor - Curriculum Pioneer School will introduce ideas about some current STEM opportunities including "The Problem with Plastic"- a look at how to build an authentic learning experience within the Science and Technology AoLE whilst still meeting the requirements of the current curriculum at FP, KS2 and KS3

Tea, coffee and refreshments will be provided free of charge. To book go to <https://asecymruchristmascracker.eventbrite.co.uk>
