Introduction

- My academic and employability skills and my intended career which is Children's Nurse

My own Skills & intended career (CHILDREN'S NURSE)

My own skills:

- I'm empathetic and resilient
- Very hard working person
- I'm able to work under pressure
- I do have the ability for problem solving
- Good communication
- Honest and reliable person

Skills for career:

- The ability to work with families and kids from any background
- A good-team player
- You'll need clinical skills
- Computer knowledge
- Good written and spoken English

Skills for CHILDREN'S NURSE

Academic qualifications for Nurse degrees are at least 2 but more often 3. Also A levels or equivalent qualifications are very important and a minimum of 5 GCSEs at grade 4 including English, math's and a science, Pediatric First Aid and DBS check

Communication skills

Time management

Working in team

Organizational skills

SWOT ANALYSIS

STRENGTHS	WEAKNESSES	OPPORTUNITIES	THREATS
Honest and Trusrestworthy	Emotional challenge	Always obtain a job within healthcare	Degree may not be focalized enough for most industries
Caring and Kind	No experience within the healthcare	New legislation	Economical changes could affect job availability
I accept personal responsibility for actions (good or bad)	Increase the cost of staffing nurse	Research into effective nurse staffing	Cost of legislation

MY GOAL IS TO BECOME A CHILDREN'S NURSE	PLAN OF ACHIEVING
Step 1: Volunteering in Children's Nurse Clinics	2021
Step 2: Obtain the degree in Health and Social Care level 4	2022/2021
Also to study level 5 and level 6	2021/2022/2023
Step3:	
To obtain the degree required for my future career	2023/2024
Step4: Finally obtaining the job	2024/2025

PDP

Conclusion

By working as Children's Nurse it will always give the opportunities, stable job, satisfaction.

In conclusion, as I mentioned in the other slides, I'll need to improve my skills and knowledges to determinate my weaknesses to improve them in the strengths way
