My Short Reflection

I use digital tools every day for communication, learning, and entertainment. I often use Gmail, WhatsApp, YouTube, and Facebook. These tools help me stay connected with family and friends. I feel confident using my smartphone and online applications. I want to improve my digital skills and learn more about technology. Sometimes I worry about online privacy and security. I hope this module will help me develop better digital skills. Digital skills are important because they help me in my studies and daily life.
