Engagement with Literature Skills	15
Feedback	Marks
In this section to do well, you need to do in-text referencing from credible, relevant and diverse academic and industry sources for the 3 recent attacks discussing its key concepts. Where possible you will be expected to critically appraise and summarise the literature engaged and to apply appropriate referencing conventions. You did well in this section. In-text citations done. Could have referred to more academic credible literatures. Recent Attacks discussed. More discussion on the attacks could have added value. Critical appraisal and summaries of the literature required.	12.3

Knowledge and Understanding Skills	10
Feedback	Mark
To score high marks you need to demonstrate systematic understanding on how the attacks could have been prevented. The strength of statements need to reflect clearly the countermeasures and recommendations. The quality, structure of your report is also considered for marking here. You did well in this section. Demonstrated systematic understanding on the attacks. However, more reflection on your understanding is required. Eg: In one of your statement, you mentioned that CPS categorization is the benchmark. This needs more strong arguments and analysis. The quality and structure of the report is very good.	7.8

Cognitive and Intellectual Skills	40
Feedback	Mark
To do well in this section you need to demonstrate cognitive and intellectual skills by critically analysing and evaluating the given scenario and proposing feasible configuration changes, adding/ removing softwares/ hardwares, defense strategy, its associated implementation cost. There was also a need to address with adequate arguments and judgements, Critical reviews and analysis of your findings and your contingency plans (if any) Could have critically analysed and evaluated the scenario in a more detailed manner. New software/hardware implementation, defense strategy etc needs more detailed discussion.	24.5

Practical Application Skills	30
Feedback	Mark
In this section, you need to address the choice of pen testing, applications, protocols, tools used along with adequate evidences of demonstrating the attack. Restrictions placed in the network, access control systems are also considered. You did well. Addressed Pen Testing details, evidences of attack demo shown. Time stamp captured. Could have considered placing access control systems/ restrictions and recorded the impact of the attacks.	24

Transferable Skills for Life and Professional Practice	5
Feedback	Mark
To score high you need to ensure that the document is of high quality and professionally done. There should be a good flow of ideas , with evidence of proper use of the spelling and grammar tool and a complete and neat presentation of work.	

Marks for the structure of the document were also considered in this section. You did well in this section. The report should be written in passive speech and not in 1st person. Rather than, using I did this, it could be the report was done like this.	4.5
Overall Mark	73
