A new university

...with a long history

Since 2010. . .

Swansea Metropolitan University and Coleg Sir Gâr merged into the UWTSD Group in 2013, followed by Coleg Ceredigion in 2014. In 2015, Canolfan Berfformio Cymru opened in Cardiff. In 2016 the Academy of Sinology was established in Lampeter, work began on our new £350m SA1 Swansea Waterfront development and in 2017 construction commenced on Canolfan S4CYr Egin, an exciting creative and digital centre on our Carmarthen campus, with both opening in 2018.

The UWTSD Group

The University's Royal Charter is the oldest in Wales and England after the universities of Oxford and Cambridge. In 2011 HRH the Prince of Wales became its Royal Patron.

The UWTSD Group has almost 27,000 learners and together we deliver clear, tangible benefits for students, employers, industry and communities by offering a vocational approach from entry level to post-doctoral research. The group has been further strengthened with the merger of the University of Wales into UWTSD in 2017.

...and an exciting future
