Looking for a piece of music for film to evoke the emotion of sadness and intensity, please include rainfall as the scene will have rain and a thunderstorm, around 3mins please scale back the track with rain and strings before coming back in with the piano melody. We are looking for a melodic piano rift like in the film Cruel Intentions - reference track from Cruel Intentions. <https://youtu.be/RjuSVp8XrOw>, please incorporate the vocal file to include the spoken word. Use of thunder, rain as atmosphere.
