Story

My Favourite place to go is the park for a lot of reasons. One is that I get to leave my house and enjoy being outside. Another reason is that there are lots of things to do in the park. I can go for a walk, I can run and also exercise. If I am feeling tired I can sit anywhere I want to. I spent a lot of time in the park when I was younger, playing in the playground with my cousins. We used to see who could ~~swing~~ go the highest on the swings. We also used to see who could stay on the round-about for the longest."
