

STUDENT SURVEYS AT UWTSd

NSS

The National Student Survey (NSS) is a national survey focussing on the satisfaction of undergraduate students in their final year of study.

Who is eligible?

Primarily undergraduate students in their final year of study.

Prizes for completing the survey

A £4 supermarket e-voucher

UKES

The UK Engagement Survey (UKES) is a national survey focussing on undergraduate student engagement.

Who is eligible?

All current undergraduate students not eligible for the NSS

Prizes for completing the survey

A £4 supermarket e-voucher

PTES

The Postgraduate Taught Experience Survey (PTES) is a national survey focussing on postgraduate taught student experience.

Who is eligible?

All current postgraduate taught students

Prizes for completing the survey

A £4 supermarket e-voucher

Why should I take part?

Only you and your fellow students have the experience of studying on your course.

Your responses will help provide useful information to prospective students who want to study on your course.

It enables the University to better understand what your learning experience has been like this year.

It takes just 10 minutes and you will receive a £4 supermarket voucher for taking part. To claim the voucher visit, www.uwtsd.ac.uk/feedback

The surveys are open until 30th April

How will the results be used?

Enables staff to better understand what you enjoyed about your course and what improvements can be made.

The NSS results are made available through the **Discover Uni** website which helps prospective students choose which course is right for them.

Your responses are **confidential** and **anonymous**.
