The screenshot shows the Moodle interface for the Skills for the Workplace Outreach Program. The top navigation bar includes links to Moodle Home, Moodle Archives, My Modules, and English (EN). A blue banner at the top of the content area reads "Skills for the Workplace Outreach Homepage" with a breadcrumb trail: Home / My modules / SfWP Homepage. Below this, the "Introduction" section features a video player showing a presentation titled "CertHE Skills for the Workplace Outreach Program Overview 2017-2018". The video player includes a progress bar at 1 of 23 and social media icons. To the right of the video are three small thumbnail images: a group of graduates in gowns, a group of students in a classroom, and a group of graduates in gowns. Below the video and thumbnails, a text block states: "The sections below contain a wide range of information guides and videos designed to help you consistently produce high quality academic work. Introduction

All SfWP Outreach Program staff and students are automatically enrolled on the Skills for the Workplace Homepage when they enrol on Moodle for the first time.

The Homepage contains information and resources about the program in general, plus advice and guidance on a range of topics.

If any students can't see this page in their list of courses when they login, they should contact their tutor in the first instance who will then arrange with the relevant university staff for this omission to be rectified for them.

How to find the SfWP Homepage

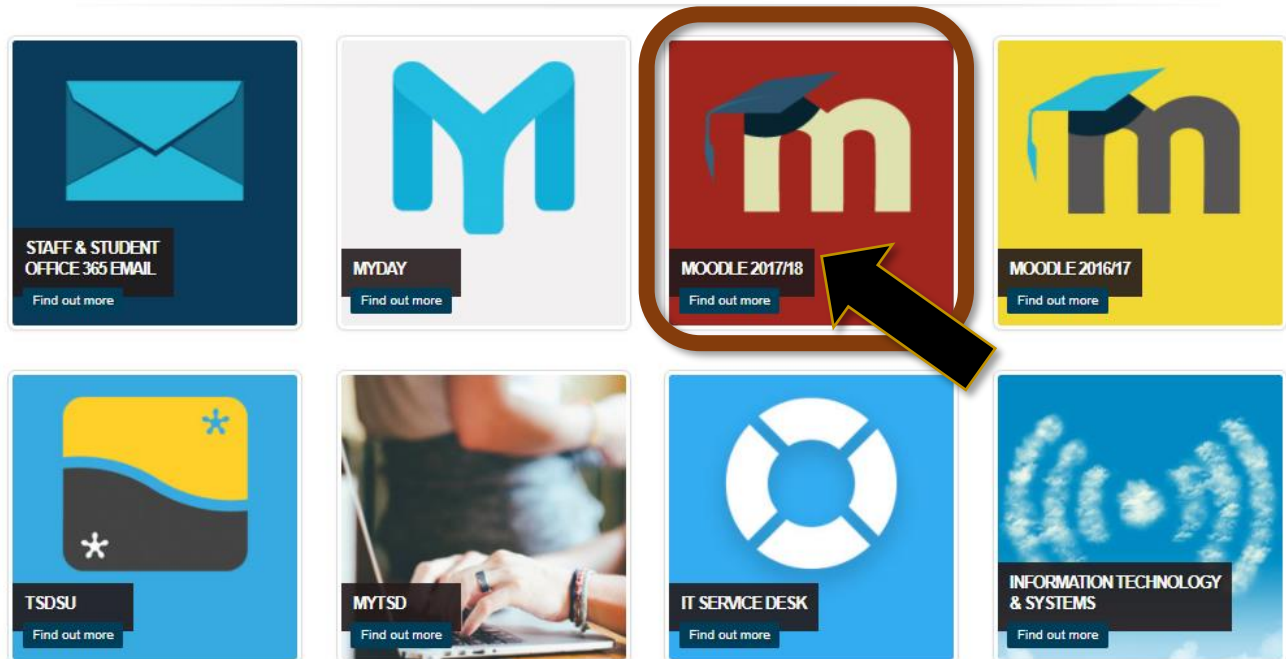

Go to the UWTSd homepage <http://www.uwtsd.ac.uk/> and click on Quick Links in grey at the top of the page.

Or go straight there with this link. <http://www.uwtsd.ac.uk/quick-links/>

Click on the **red tile** that says **Moodle 2017/18**

The screenshot shows the Moodle login interface for the University of Wales. At the top, the university's name is displayed in both Welsh and English, followed by the academic year '2017/18'. The login form includes fields for 'Username' and 'Password'. A red box with the text 'Type Student Number here' is overlaid on the 'Username' field, with a red arrow pointing to it. Below the password field is a checkbox for 'Remember username'. A 'Log in' button is at the bottom of the form. To the right of the form, there are links for 'Forgotten your username or password?' and a note about cookies: 'Cookies must be enabled in your browser' with a help icon. Below the login form, there is a section titled 'Is this your first time here?' with a sub-header 'How to log into Moodle'. This section contains two bullet points: one for returning Swansea-based students to use their P-number, and another for all other students to use their UWTSD student number. Below this is a section titled 'Missing Modules?' with a bullet point to contact the Registry. The final section is 'Problems logging in or technical issues?' with a bullet point to contact the IT Service Desk, including an email address and website URL.
