Quality of Presentation	/10	/10	8/10	/10
TOTAL	/100	/100	82/100	/100

Comments:

Excellent presentation, it is evident that he has carried out relevant research to equip him to see his project to completion.

More lit review findings could be explained e.g. the practical implementation mentioned on rollout of health care.

The Gantt chart could be more visible.

Overall, it was very good and flew ~~at~~ excellently.

Next time remember to introduce yourself.

Signed:
