

University of Wales Trinity Saint David

Prepared by Beatris Gelkova , Ashfaq
Ahmed, Mohammed Samad and Monika
Aujla

Introduction

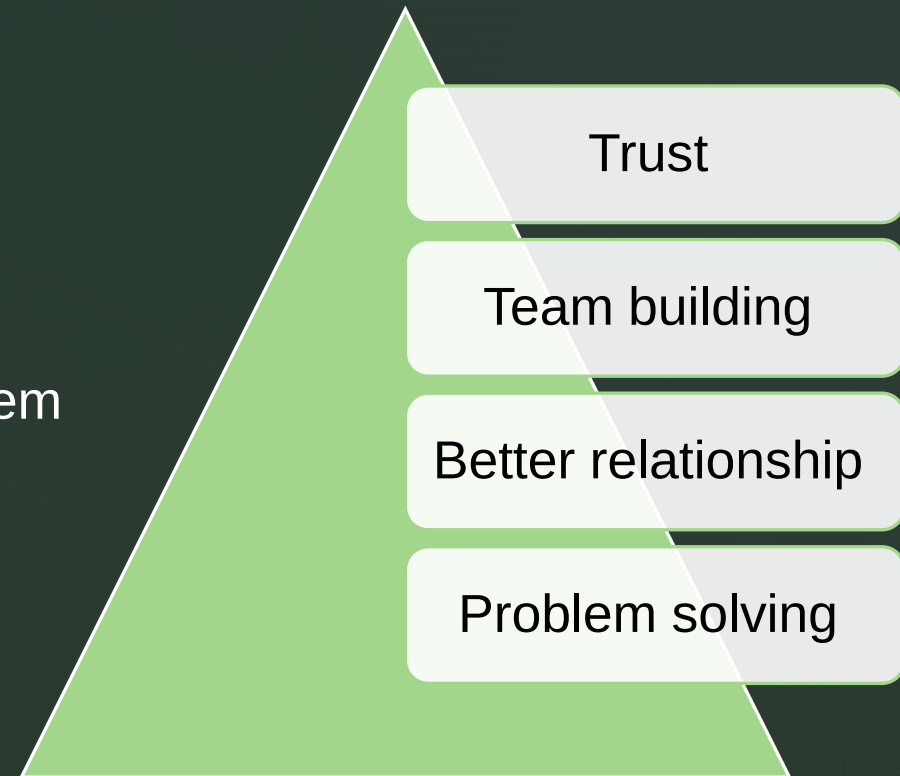

In this group project we are going to talk about different types of barriers that can prevent effective communication, communications benefits, we are going to use theories relating to models of communications and what are the channels of communications at UWTSD

Pictures of UWTSD

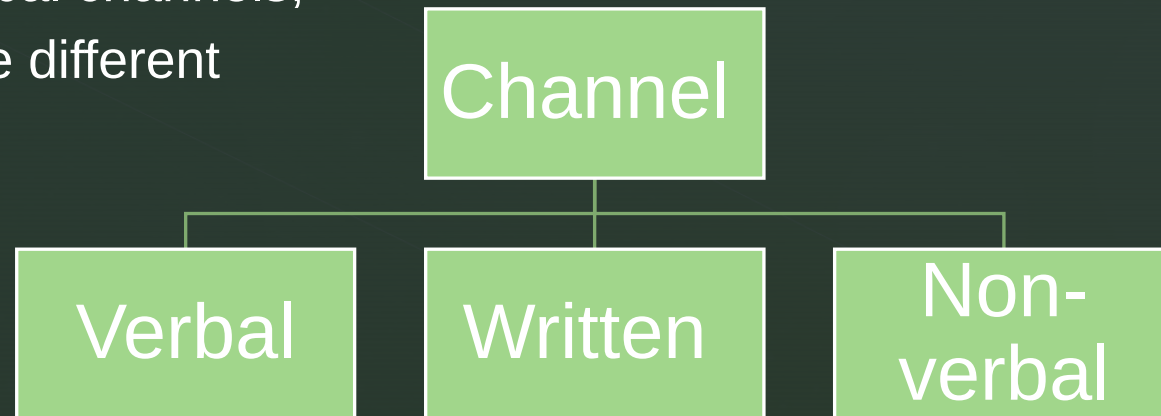

Benefits of effective communication

- Increased access to job opportunity
- Preparations for a specialized career
- Increased marketability
- Personal growth and improved self-esteem
- Networking opportunities

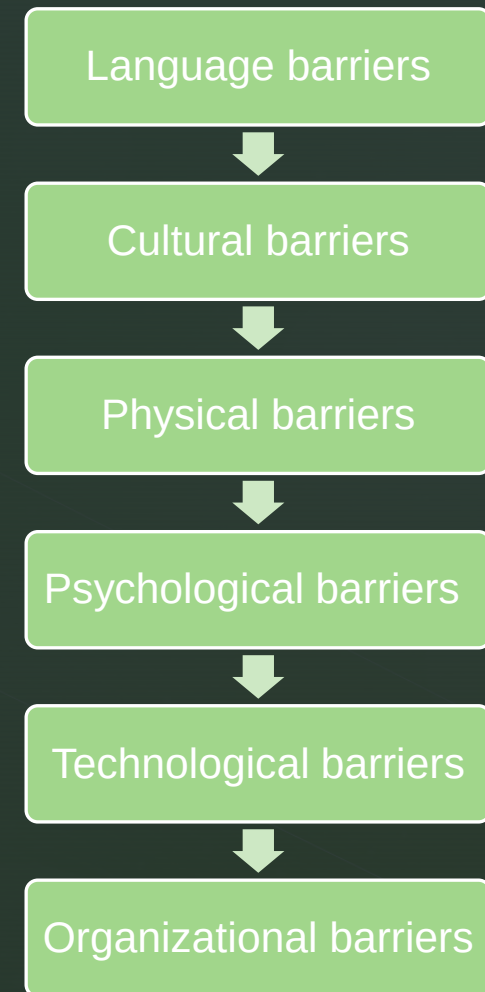

Channels that can be used to improve communications

- Communication channels can be categorized into three principal channels, each of these channels have different strengths and weaknesses

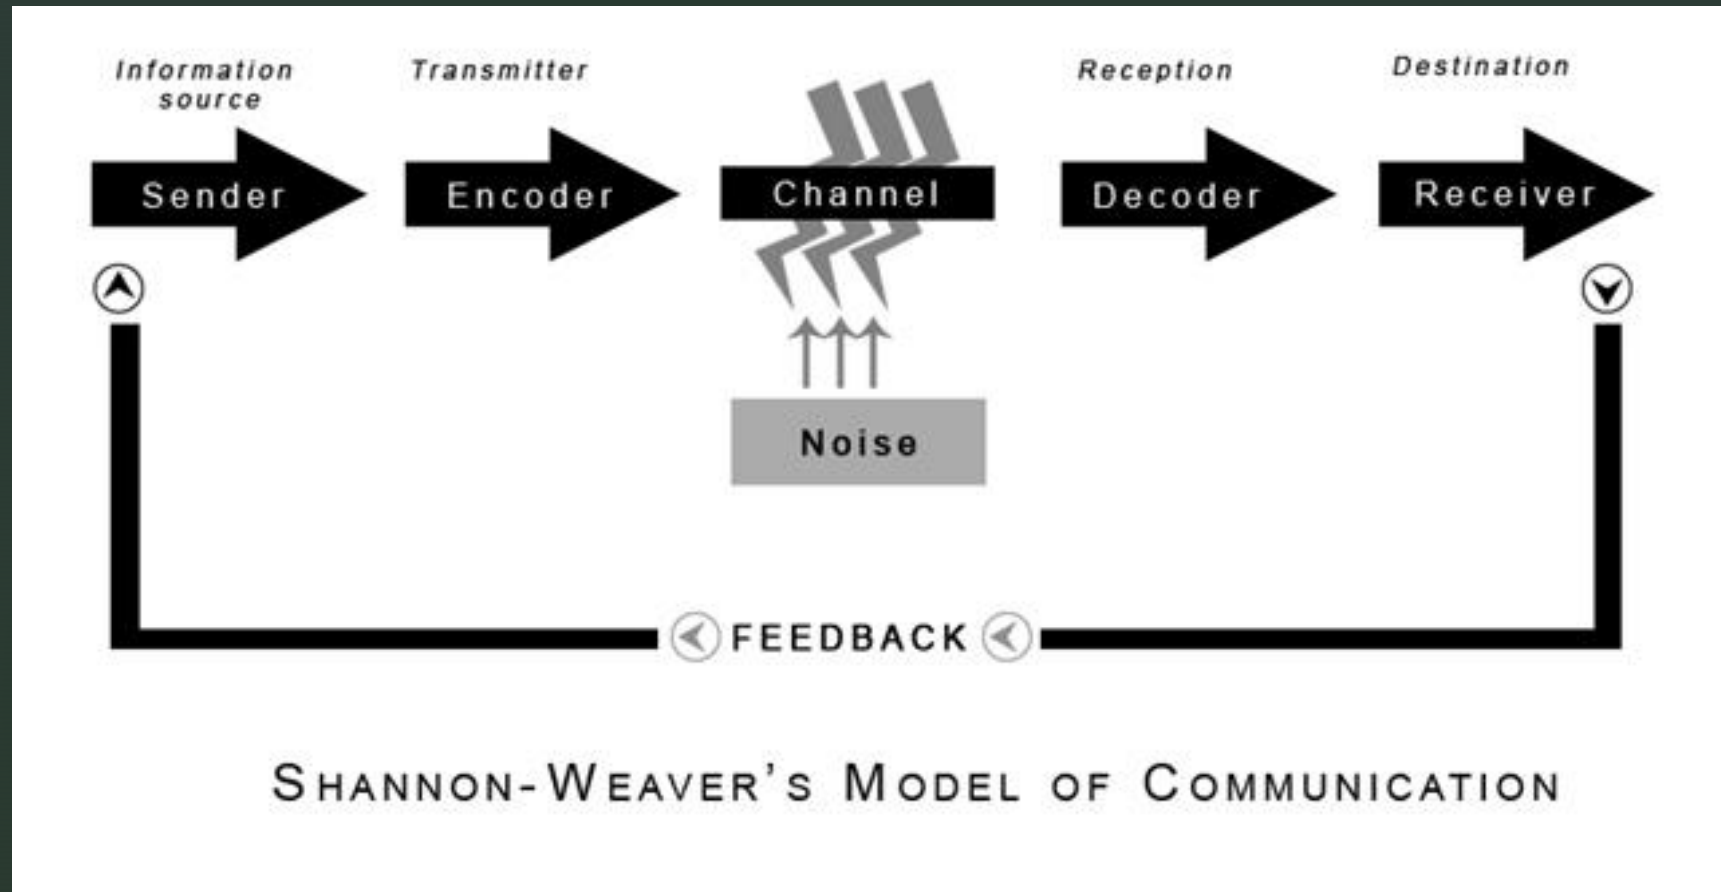

The types of barriers for effective communications

- Common barriers to effective communication are verbal, non-verbal, written, listening or visual. If we do not communicate effectively we put ourself and others at risk

Model of communication

Conclusion

- Good communications skills can play an important role in positive work experiences for your team.
- Effective communication involves how to trust your team, handle conflict, problem-solving or better relationships.
- Communication channels can be categorized into three principal channels verbal, non-verbal and written.
- Common barriers to effective communication are Language barriers, Cultural barriers or Organizational barriers

Teamwork Evaluation	Team responses.
Who was in your team?	In my team was Ashfaq Ahmed, Mohammed Samad and Monika <u>Aujla</u>
What were the key strengths of your team?	The key strengths was problem solving, decision making, motivations and strategic thinking
What were the challenges that you overcame as a team?	Challenges that we overcome as a team is: communication and leaderships
What would you do differently if you worked as a team again?	If I work as a team again I will set clear team goals, know who does what, have a clear organizational purpose, create teamwork recognition program
How would you rate your team working? Out of 10?	I will rate my team working 7-10 because communication is missing sometimes
