HEALTH AND SOCIAL CARE

OVERVIEW;

- INTRODUCTION
- EARLY YEARS OF NURSING CARE HOMES
- WHAT IS DONE IN NURSING CARE HOMES
- WHAT HAS CHANGED SINCE 1948
- CONCLUSION
- REFERENCES.

INTRODUCTION

-
- NURSING CARE HOME; "a home which always have a qualified nurse on site to provide medical care.
- Cater for individuals with higher level needs, such as immediate care following being in hospital.
- Mostly these are elderly people.

Early years in nursing homes

- The first care home began in 936.
- It was known as ALM HOUSE built in York.
- Funding was provided by king AETHLSTAN in the nineteenth century.

Students taking notes around a patient's bed on how to use an oxygen mask .

WHAT IS DONE IN A NURSING CARE HOME

FEEDING RESIDENTS,
DRESSING,
TOILETING,
SOCIAL INTERACTION FOR EXAMPLE,
SINGING, PLAYING GAMES.

WHAT HAS CHANGED SINCE 1948;

- ❖ 1980, Nursing care homes became a big sector under the conservative leadership.
- ❖ 1990, Individual needs and care plans were implemented.
- ❖ 2000, Standards risen as care homes were now nursing care homes with a registered nurse.
- ❖ 2020, Staff had to live on site to avoid spreading covid to residents.

Signature Senior Lifestyle unveils Beckenham luxury home

APR 27, 2021

- These Luxury homes today have;
- Fine dinning
- Facilities like, salons ,spas and even cinema.
