Mentor's report

With reference to the 3 learning outcomes please comment fully on the learner's development over the duration of the whole programme. Reflect on information provided by the learner at the outset of the programme in Task 1 (Part a) and the later perspective given in Task 1 (Part b). Where you have seen or discussed feedback from individuals in need of care and support and/or their carers with whom the learner has worked, you are encouraged to comment on this with regard to the learner's development and their future development.

I have had the pleasure of supervising the student in the absence of her usual supervisor and completing the direct observation as part of this portfolio which was extremely positive.

Since joining the team, the student has demonstrated her skills in working on the duty pod, assessment work and more recently completing safeguarding enquiries. The student has held a high and complex caseload at times and managed this incredibly well. The student has grown in confidence during her time with the team and this is evidenced within her assessments being submitted and quality of work being completed. She is able to make balanced judgements and assess risk proportionately. I enjoy supervision sessions and find the student incredibly insightful and reflective when discussing her assessments and ongoing work being completed.

The student strives to build positive relationships with both young people and parents alike and I have seen evidence of this first hand which, again shows the level of commitment the student has to the social work role and works in a person centred way, showing empathy to the difficulties faced by some individuals and manages challenges in a professional and calm manner, while maintaining a positive working relationship.

The student makes full use of supervision sessions and training made available to enhance her knowledge and skills which compliment her practice and promote creativity around the interventions and care plans being formulated.

The student is an absolute asset to the team, she is well liked and valued amongst her colleagues and her expertise enable her to be a source of information and support to both social work and support work colleagues. I have observed the student's organisational skills which assist her in keeping on top of the timescales which need to be adhered to when working with assessment, this not only benefits her in caseload management but also benefits the service users which receive a timely intervention.

The student shows resilience and pride in her work and is an integral part of the team she is based in which are all excellent social work qualities, I wish her all the very best in her career.

LEARNER AND EMPLOYER'S LEARNING AGREEMENT

Name of Learner	Eve-Marie Greenhalgh
Name of Team/Agency	Childcare Assessment Team, Pembrokeshire County Council

Study Duty

The learner will undertake all elements of the Graduate Certificate programme diligently, including mandatory attendance at induction, four Consolidation Workshops, and participation in an evaluation survey or focus group on completion of the programme.

The learner's full and effective participation on the Graduate Certificate is mandatory given that Social Care Wales has made completion of the programme a requirement within the first (three-year) period of registration as a Social Worker. This applies to social workers who qualified after April 2016.

Study Leave

The employer undertakes to support the learner by providing time within their normal contract of employment to attend all agreed mandatory elements of the programme which include; induction day and four Consolidation Workshops. Additional time may be provided for programme evaluation meetings and any training agreed as a requirement of the programme.

Three further study days will be provided by the employer as a contribution towards the time involved in personal research and developing the portfolio for submission. The study days can be taken on any week-day (or combination of days) as long this is (i) appropriate to the stage of portfolio preparation at the time, and (ii) agreed with the Team Manager who will take into account team and service needs. Where the learner works less than 37 hours a week, mandatory days and study leave will be approved in accordance with the employer's local policies.

Resources

Learners are able to access learning and library materials from their employer's existing resources or as described in the Programme Handbook, from the University. The employer understands that the Graduate Certificate is to be completed by newly qualified Social Workers in their first period of registration and will support this timescale. There is also an expectation that as it is a professional development programme, learners will take responsibility for their own learning and will also use their own time for personal study and portfolio preparation.

The employer's training department agrees to:

- Collect, process, store, analyse or disclose personal data in accordance with it's obligations under the UK GDPR and Data Protection Act 2018.
- arrange for eligible staff to join the programme;
- pay course fees directly to the University;
- pay Porth Agored partnership fees for each learner;
- provide additional guidance and support by:
 - a) facilitating access to existing learning materials or library resources;

 - c) providing programme induction and Consolidation Workshops;
 - d) providing learners with guidance and support about programme requirements and portfolio completion;
 - e) helping to resolve any programme difficulties encountered by the learner, mentor or service managers.

The learner agrees to:

- work actively towards completing the qualification within the agreed timescale of 12 months from the date of registration on the programme;
- identify with manager/mentor appropriate internal training and arrange to attend these courses;
- seek support from UWTSD Student Services when appropriate in relation to matters of learning support.
- attend induction and four Consolidation Workshops. These are mandatory components of the programme;
- produce work and evidence appropriate to the portfolio and learning outcomes within agreed timescales;
- make and keep agreed appointments with mentor/line manager;
- ensure they are prepared adequately and obtain all necessary consent for observed practice;
- inform mentor/line manager and training department immediately of any problems or changes in circumstances while undertaking the programme, especially where this may

affect completion of the programme by the agreed deadline or ability to attend a mandatory workshop;

- liaise with their line manager/mentor to confirm study days and use their own time in addition for self-directed study, research and portfolio preparation;
- take personal responsibility for preparing and completing all work necessary to submit their portfolio;
- act at all times in accordance with the Code of Professional Practice and the employer's and University's policies, procedures and processes;
- ensure that they understand the need to complete the programme within the first (three year) period of registration with Social Care Wales. (Qualifying after April 2016).
- allow their employer and Porth Agored (or any of their commissioned providers), the University of Wales, Trinity St David and Social Care Wales (or any of their commissioned providers) to share with each other, any and all information that comprises the application form or any other data provided as and when appropriate, including, but not limited to, information about progress on the programme, results or comments about the portfolio. Such data may be processed, stored, shared, analysed and reported for administration, monitoring, review and quality assurance of the Graduate Certificate programme or ongoing professional registration purposes.

NB. Data Protection: We need to process your personal data because gaining this qualification is a mandatory part of maintaining your registration with Social Care Wales. Employers have linked this to your contract of employment. Using and sharing your data between your employer, Porth Agored and the University of Wales Trinity Saint David is therefore necessary for performance of the contract between you and your employer. We will not disclose your data to any other organisation other than those mentioned above without your permission, unless we are required by law, or Social Care Wales regulations to do so. We will tell you if this happens, unless we are legally prevented from doing so. - attend an induction meeting to become familiar with the requirements of the programme;
- provide or arrange to provide sufficient assessment opportunities in order for the learner to evidence competency and undertake required observations. Where opportunities may not be immediately available within the team arrange to provide these elsewhere within the Service;

- guide and support the learner for the duration of the programme;
- release the learner for the programme induction and the four Consolidation Workshops, and any internal training courses agreed as being appropriate to meet agreed learning needs;
- agree with the learner, use of up to 3 additional study days over the whole duration of the programme, as an employer contribution towards time needed for personal study, research or portfolio development;
- ensure that regular formal supervision is provided to the learner by their line manager in line with organisational policy (line-manager);
- ensure that mentoring sessions are provided in line with Social Care Wales First 3 Three Years in Practice guidelines. Mentoring sessions, where possible, should be arranged as a separate event from supervision. A full record of when mentoring sessions are undertaken must be kept.

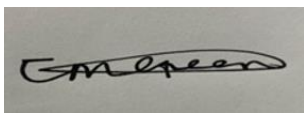

Completion and submission of portfolio

Learners are expected to complete the Graduate Certificate and will normally submit their portfolio within 12 months of attending induction to the programme. Any learner anticipating any difficulty in meeting this requirement should immediately discuss the matter with their Training Manager/Co-ordinator. It is the learner's responsibility to inform the university if they are not going to meet the submission deadlines.

The portfolio submission process and dates for each programme cohort will be published on Moodle. Once registered on a programme, **learners CANNOT change the due submission date without gaining agreement from the employer and University.**

Pressure of work is not regarded as a reason for non-attendance at any Consolidation Workshop.

I understand and accept the terms and conditions of this learning agreement as stated above.
