

The World Reimagined is coming to SWANSEA!

This August to October, Swansea is a host city for The World Reimagined: a ground-breaking art education project that seeks to transform how UK society understands the Transatlantic Slave Trade and its impact on us all.

Join us for the launch of our Inspire Community programme to hear about how we will honour, showcase and support local communities who do the work of making racial justice a reality.

The World Reimagined

**Yn dod i
Abertawe!**

**Mae The World Reimagined
Yn dod i Abertawe**

Rhwng mis Awst a mis Hydref bydd dinas Abertawe'n cynnal The World Reimagined, prosiect addysg gelf arloesol sy'n ceisio trawsnewid y ffordd y mae Cymdeithas y DU yn deall y gaethfasnach drawsatlantig a'i heffaith ar bob un ohonom.

Ymunwch â ni ar gyfer lansiad ein rhaglen gymunedol Inspire i glywed sut byddwn yn anrhydeddu, yn arddangos ac yn cefnogi cymunedau lleol sy'n gwneud cyfiawnder hiliol yn realiti.
