This work displays a good understanding

For completion by Marker 1 :

Comments:

of epistemological issues, problems of interpretation, metaphysical concepts, & of key arguments in the history of ideas. Ambitiously, you've discussed 3 of Descartes' Meditations as well as an article and a chapter from the Republic. But you strike quite a good balance between detail & conciseness. That said, your presentation needs closer attention, as there are some mistakes with regards to the punctuation & grammar. Try to proof read more carefully for your next assignment.
