MY QUALITIES & SKILLS

THE NEW CURRICULUM FOR WALES 4 PURPOSES

- To help children become ambitious and capable by challenging themselves and giving them the knowledge and skills needed to learn throughout their lives.
- Providing children with resources to have secure values and build upon their mental and emotional well-being to become healthy and confident individuals.
- Ensuring all children understand that all actions have consequences, how to respect needs and rights of others and become ethical and informed in order to be citizens of Wales and the world.
- Allowing children to develop their creativity by solving problems, taking risks and making the most of opportunities in order to be enterprising, creative contributors who are ready to play a full part in life and work.
