Forward-Looking Statements

This Annual Report on Form 10-K contains forward-looking statements within the meaning of Section 27A of the Securities Act of 1933, as amended (the "Securities Act") and Section 21E of the Securities Exchange Act of 1934, as amended (the "Exchange Act"). These statements include, but are not limited to, statements related to our expectations regarding the recovery of the travel and hospitality industry from the coronavirus ("COVID-19") pandemic (the "COVID-19 pandemic" or the "pandemic"), the performance of our business, our future financial results, liquidity and capital resources and other non-historical statements. In some cases, you can identify these forward-looking statements by the use of words such as "outlook," "believes," "expects," "potential," "continues," "may," "will," "should," "could," "seeks," "projects," "predicts," "intends," "plans," "estimates," "anticipates" or the negative version of these words or other comparable words. Such forward-looking statements are subject to various risks and uncertainties that could cause actual outcomes or results to differ materially from those indicated in these statements, including, among others, those described under "Part I—Item 1A. Risk Factors" and under "Summary of Risk Factors" below. These factors should not be construed as exhaustive and should be read in conjunction with the other cautionary statements that are included in this Annual Report on Form 10-K. We undertake no obligation to publicly update or review any forward-looking statement, whether as a result of new information, future developments or otherwise, except as required by law.

Summary of Risk Factors

In addition to the other information in this Annual Report on Form 10-K, the following risk factors should be considered carefully in evaluating our company and our business. A summary of the principal factors that create risk in investing in our securities and might cause actual results to differ from expectations is set forth below:

- We are subject to the business, financial and operating risks inherent to the hospitality industry, any of which could reduce our revenues and limit opportunities for growth;
- Macroeconomic and other factors beyond our control can adversely affect and reduce demand for our products and services ;
- The COVID-19 pandemic negatively affected our business, financial condition and results of operations and COVID-19 or other outbreaks of contagious diseases or other adverse public health developments may negatively affect future results;
- Because we operate in a highly competitive industry, our revenues or profits could be harmed if we are unable to compete effectively ;
- Our business is subject to risks related to doing business with third-party property owners that could adversely affect our reputation, operational results or prospects for growth;
- Failures in, material damage to or interruptions in our information technology systems, software or websites, including as a result of cyber-attacks on our systems or systems operated by third parties that provide operational and technical services to us, costs associated with protecting the integrity and security of personal data and other sensitive information and difficulties in updating our existing software or developing or implementing new software could have a material adverse effect on our business or results of operations;
- The growth of internet reservation channels could adversely affect our business and profitability ;
- Because we derive a portion of our revenues from operations outside the United States ("U.S."), the risks of doing business internationally could lower our revenues, increase our costs, reduce our profits or disrupt our business;
- Labor shortages could restrict our ability to operate our properties or grow our business or result in increased labor costs that could adversely affect our results of operations;

- Our business is subject to evolving corporate governance and public disclosure regulations and expectations, including with respect to environmental, social and governance ("ESG") matters, that could expose us to numerous risks; and
- Our substantial indebtedness and other contractual obligations could adversely affect our financial condition, our ability to raise additional capital to fund our operations, our ability to operate our business, our ability to react to changes in the economy or our industry and our ability to pay our debts, and could require us to divert our cash flows from operations to make required debt or interest payments.

These risk factors do not identify all risks that we face, and our business, financial condition and results of operations could also be affected by factors, events or uncertainties that are not presently known to us or that we currently do not consider to present material risks.

Terms Used and Basis of Presentation in this Annual Report on Form 10-K

Except where the context requires otherwise, references in this Annual Report on Form 10-K to "Hilton," "the Company," "we," "us" and "our" refer to Hilton Worldwide Holdings Inc., together with all of its consolidated subsidiaries. Except where the context requires otherwise, references to our "properties" refer to the hotels, resorts and timeshare properties that are managed, franchised, owned or leased by us, while references to "hotels" exclude timeshare properties.

On January 3, 2017, we completed the spin-offs of a portfolio of hotels and resorts, as well as our timeshare business, into two independent, publicly traded companies: Park Hotels & Resorts Inc. ("Park") and Hilton Grand Vacations Inc. ("HGV"), respectively, (the "spin-offs"). Hilton did not retain any interest in Park or HGV, but did enter into long-term management and franchise contracts with Park for the portfolio of hotels and resorts that it held at the time of the spin-offs and a 100-year license agreement with HGV for the timeshare business.

Item 1. Business

Overview

Hilton is one of the largest hospitality companies in the world, with 7,165 properties comprising 1,127,430 rooms in 123 countries and territories as of December 31, 2022. Founded in 1919, Hilton has been an innovator in the industry for more than 100 years, driven by the vision of founder Conrad Hilton, "to fill the earth with the light and warmth of hospitality." Our premier brand portfolio includes: our luxury hotel brands, Waldorf Astoria Hotels & Resorts, LXR Hotels & Resorts and Conrad Hotels & Resorts; our lifestyle hotel brands, Canopy by Hilton, Curio Collection by Hilton, Tapestry Collection by Hilton, Tempo by Hilton and Motto by Hilton; our full service hotel brands, Signia by Hilton, Hilton Hotels & Resorts and DoubleTree by Hilton; our focused service hotel brands, Hilton Garden Inn, Hampton by Hilton and Tru by Hilton; our all-suites hotel brands, Embassy Suites by Hilton, Homewood Suites by Hilton and Home2 Suites by Hilton; our new premium economy brand, Spark by Hilton, launched in January 2023; and our timeshare brand, Hilton Grand Vacations. As of December 31, 2022, we had 152 million members in our award-winning guest loyalty program, Hilton Honors, a 19 percent increase from December 31, 2021; refer to "—Our Brand Portfolio" and "—Our Guest Loyalty Program" below for additional information on our brands, including Hilton Honors.

The COVID-19 pandemic significantly affected the global economy and strained the hospitality industry beginning in 2020. Since the beginning of the pandemic, the pervasiveness and severity of travel restrictions and stay-at-home directives have varied by country and state; however, as of December 31, 2022, most of the countries we operate in had eased or completely lifted such restrictions. While the pandemic negatively affected certain of our results for the years ended December 31, 2022 and 2021, we have experienced strong signs of recovery since early 2021, with comparable system-wide RevPAR in the third and fourth quarters of 2022 exceeding levels achieved in the same periods in 2019. Although all periods included in

our consolidated financial statements presented in this Form 10-K were impacted by the COVID-19 pandemic, none of these periods are considered comparable, and no periods affected by the pandemic are expected to be comparable to future periods.

We operate our business through: (i) a management and franchise segment; and (ii) an ownership segment, each of which is reported as a segment based on (a) delivering a similar set of products and services and (b) being managed separately given its distinct economic characteristics. The management and franchise segment includes all of the hotels we manage for third-party owners, as well as all franchised hotels that license our intellectual property ("IP"), including our brand names, trademarks and service marks, and where we provide other contracted services to third-party owners, but the day-to-day services of the hotels are operated or managed by someone other than us. Revenues from this segment include: (i) management and franchise fees charged to third-party hotel owners; (ii) licensing fees from our strategic partners, including co-branded credit card providers, and HGV for the right to use our IP; and (iii) fees for managing hotels in our ownership segment. The ownership segment primarily derives revenues from nightly hotel room sales, food and beverage sales and other services at our consolidated owned and leased hotels. For more information regarding our segments, refer to "—Our Business—Management and Franchise" and "—Our Business—Ownership" below.

In addition to our current hotel portfolio, we are focused on the growth of our business by expanding our global hotel network through our development pipeline, which represents hotels that we expect to add to our system in the future. The following table summarizes our development activity:

	As of or for the Year Ended December 31, 2022	
	Hotels	**Rooms[1]**
Hotel system		
Openings	355	58,20
Net additions[2]	308	48,30
Development pipeline[3]		
Additions	664	89,90
Count as of period end[4]	2,821	416,40

_____

(1) Rounded to the nearest hundred.
(2) Represents room additions, net of rooms removed from our system, during the period, which contributed to net unit growth for the year ended December 31, 2022 of 4.7 percent.
(3) Hotels in our system were under development throughout 118 countries and territories, including 30 countries and territories where we did not currently have any existing hotels.
(4) In our development pipeline, as of December 31, 2022, 205,400 of the rooms were under construction and 243,500 of the rooms were located outside of the U.S. Nearly all of the rooms in our development pipeline will be in our management and franchise segment. We do not consider any individual development project to be material to us.

Overall, we believe that our experience in the hospitality industry, which spans more than a century of customer service and entrepreneurship, and continues to evolve to meet the tastes, preferences and demands of our hotel guests; our strong, well-defined brands that operate throughout the hospitality industry chain scales; our diverse, inclusive workforce, built to focus on providing exceptional customer experiences; and our commercial service offerings will continue to drive customer loyalty, including participation in our Hilton Honors guest loyalty program. We believe that satisfied customers will generate additional business at our properties, yielding strong overall hotel performance for us and our hotel owners. Strong results at our existing properties will encourage further development of additional hotels under our brands and conversions of existing hotels to our brands with both (i) owners who currently have properties in our system and (ii) new owners who sign management or franchise contracts with us in the future, which further supports our growth and future financial performance. We believe that our existing hotel system and development pipeline, which will require minimal capital investment from us, positions us to further improve our business, allocate capital effectively and meet our customers' demands and preferences in the future.

Our Brand Portfolio

The goal of each of our brands is to deliver exceptional customer experiences and superior operating performance.

Hilton Honors members who book through preferred Hilton channels also have access to instant benefits, including a flexible payment slider that allows members to choose nearly any combination of points and money to book a stay, an exclusive member discount and free standard Wi-Fi. Members also have access to contactless technology exclusively through the Hilton Honors app, where members can check in, choose their room and access their room using Digital Key. The program provides targeted marketing, promotions and customized guest experiences to 152 million members. Affiliation with our loyalty program encourages members to allocate more of their travel spend to our hotels. The percentage of travel spend we capture from loyalty members increases as they move up the tiers of our program. The program is funded by contributions from eligible revenues generated by Hilton Honors members and collected from properties in our system, as well as our strategic partnerships. Management and Franchise

We manage hotels and license our brands through our management and franchise segment, which included 778 managed hotels and 6,255 franchised hotels consisting of 1,096,115 total rooms, as of December 31, 2022. This segment generates its revenue primarily from fees charged to hotel owners under management and franchise contracts, as well as from fees associated with license agreements. We grow our management and franchise business by attracting owners to become a part of our system and participate in our commercial services to support their properties. Our management and franchise contracts provide significant return on investment for us as fees are earned and paid.

Hotel Management

Our core management services consist of operating hotels under management contracts for the benefit of third parties who either own or lease the hotels and the associated personal property. Often, particularly in the U.S., we employ the individuals working at these locations. Terms of our management contracts vary, but our fees generally consist of a base management fee, which is generally based on a percentage of the hotel's monthly gross revenue, and, when applicable, an incentive management fee, which is generally based on a percentage of the hotel's operating profits, normally over a one-year calendar period, and, in some cases, may be subject to a stated return threshold to the hotel owner. In general, the owner pays all operating and other expenses and reimburses our out-of-pocket expenses. In turn, our managerial discretion typically is subject to approval by the owner in certain major areas, including the approval of annual operating and capital expenditure budgets and the appointment of certain key personnel. Additionally, the owners generally pay a monthly program fee based on the underlying hotel's sales or usage, as reimbursement for the costs related to our: (i) advertising and marketing programs; (ii) internet, technology and reservation systems; and (iii) quality assurance programs. Owners are also responsible for various other fees and charges, including payments for participation in our Hilton Honors guest loyalty program, training, consultation and procurement of certain goods and services. As of December 31, 2022, we managed 778 hotels with 244,037 rooms, which does not include hotels in our ownership segment.

The initial terms of our management contracts are typically 20 to 30 years. In certain cases, we are both the franchisor and manager of the hotel, when we enter into a franchise contract in addition to the management contract, and, in these cases, we classify the hotel as managed in our system. Extension options for our management contracts are negotiated and vary, but typically are more prevalent in full service hotels. Generally, these contracts contain one or two extension options that are for either five or 10 years and can be exercised at our or the hotel owner's option or by mutual agreement, as specified by the contract.

Some of our management contracts provide early termination rights to hotel owners upon certain events, including the failure to meet certain financial or performance criteria. Performance test measures typically are based upon the hotel's performance individually and/or in comparison to specified competitive hotels. We often have an optional cure right to pay an amount equal to the performance shortfall over a specified period, although in some cases our cure rights are limited.

Franchising

We license our IP, including our brand names, trademarks and service marks, and our operating systems to hotel owners under franchise contracts. We do not own, manage or operate franchised properties, do not employ the individuals working at these properties and do not have any legal responsibility for the employees or the liabilities associated with operating these properties. We conduct periodic inspections of our franchised hotels to ensure that brand standards that we establish are maintained. For newly franchised hotels, including both new construction and conversions of existing hotels outside of our system, we approve the location, as well as the plans for the facilities, to ensure the hotels meet our brand standards. For existing franchised hotels, we provide franchisees with property improvement plans that must be completed to keep the hotels in compliance with our brand standards, so that they can remain in our hotel system. We also earn license fees from license agreements with strategic partners, including co-branded credit card providers, and HGV for the use of our IP.

Each franchisee pays us an application, initiation or other fee in conjunction with the inception of a franchise contract. Franchisees also pay a royalty fee, generally based on a percentage of the hotel's monthly gross room revenue and, in some cases, may also include a percentage of gross food and beverage revenues and other revenues, as applicable. Additionally, the franchisees generally pay a monthly program fee based on the underlying hotel's sales or usage, as reimbursement for the costs related to our: (i) advertising and marketing programs; (ii) internet, technology and reservation systems; and (iii) quality assurance programs. Franchisees are also responsible for various other fees and charges, including payments for participation in our Hilton Honors guest loyalty program, training, consultation and procurement of certain goods and services. As of December 31, 2022, we franchised 6,335 hotels and resorts, including timeshare properties, with 865,781 rooms.

Our franchise contracts typically have initial terms of approximately 20 years for new hotels and approximately 10 to 20 years for hotels converting from hotels outside of our system. At the expiration of the initial term, we may have a contractual right or obligation to relicense the hotel to the franchisee for an additional term generally ranging from 10 to 15 years. We have the right to terminate a franchise contract upon specified events of default, including nonpayment of fees or noncompliance with brand standards. If a franchise contract is terminated by us because of a franchisee's default, the franchisee is contractually required to pay us liquidated damages.

Ownership

As a hotel owner and lessee, we focus on maximizing cost efficiency and profitability of the portfolio by, among other things, maximizing hotel revenues, implementing cost-effective labor management practices and systems and reducing fixed costs. Through our disciplined approach to hotel and asset management, we develop and execute on strategic plans for each of our hotels to enhance their competitive position and, at many of our hotels, we invest in renovating guest rooms and public spaces and adding or enhancing meeting and retail space to improve profitability. As of December 31, 2022, the segment included 52 hotels totaling 17,612 rooms, comprising 45 hotels that we leased, two hotels that were each leased by a consolidated variable interest entity ("VIE") and five hotels owned or leased by unconsolidated affiliates.

Environmental, Social and Governance

Hilton strives to create long-term value for all of our stakeholders through: (i) our resilient business model; (ii) our ESG efforts to support the long-term viability of our business; and (iii) our more than 100-year history of filling the earth with the light and warmth of hospitality and making the world a better place through travel and connection.

As one of the world's largest hospitality companies, we recognize Hilton has a responsibility to protect the planet and support the communities we serve to ensure our hotel destinations remain vibrant and resilient for generations of travelers to come. Hilton is committed to driving responsible travel and tourism globally and furthering positive environmental and social impact across our operations and communities through our ESG strategy, Travel with Purpose. We believe that the need for responsible leadership commensurate with our global scale will continue to be of great importance in the years to come. In 2022, Hilton was named to the Dow Jones Sustainability Indices ("DJSI") for the sixth consecutive year, scoring in the 100th percentile in our industry, reflecting Hilton's significant investment in building a leading ESG strategy.

We continue to make progress in our ESG commitments and, in 2022, refreshed our ESG strategic framework to focus and communicate our ESG strategy across all three ESG pillars: (i) environmental — aiming toward a net zero future with well-defined targets for watts (carbon and energy), water and waste; (ii) social — supporting and advancing careers, communities and responsible conduct; and (iii) governance — advancing and measuring our goals with a focus on integrity and transparency and leveraging our public affairs and advocacy work, our partnerships and our policies and reporting.

As part of the 2022 update to our ESG strategic framework, we launched new environmental and social impact goals, including updated emissions reduction targets. Our updated 2030 Goals align with the global Sustainable Development Goals ("SDGs") adopted by the United Nations in 2015 and are guided by our evaluation of the social and environmental issues that are critical to our business and our long-term success. Further, our ESG efforts are supported by a robust governance structure, designed to ensure our ESG objectives are an important part of our business and strategic priorities as we work towards our 2030 Goals. Our Chief ESG Officer reports directly to our Chief Executive Officer, and our executive committee receives at least quarterly updates on our ESG programs and progress towards our 2030 Goals. The Nominating & ESG Committee, one of the three standing committees of Hilton's board of directors, receives quarterly reports on progress toward our 2030 Goals, reviews and assesses our ESG strategy and makes recommendations to the board and management as appropriate. The board of directors also receives annual updates on progress towards our 2030 Goals.

Significant ESG risks, including risks related to climate change, natural disasters, supply chain disruption, health and safety and ethics, fraud and corruption are integrated in Hilton's Enterprise Risk Management program as part of Hilton's annual Enterprise Risk assessment process. The results of this process are reviewed by our executive committee and our board of directors, including the Audit Committee, to inform enterprise-wide strategic planning. We also engage with stakeholders on an ongoing basis to refine and enhance our strategy, to help align our programs with the issues that matter the most to our business and stakeholders.

As part of this effort, we completed a thorough ESG materiality assessment in 2020, leveraging guidance from the Global Reporting Initiative ("GRI"), Sustainability Accounting Standards Board ("SASB") and the World Economic Forum. Of the more than 200 ESG issues considered, our stakeholders were most focused on the following: climate action; employee development and well-being; diversity, equity and inclusion ("DE&I"); employee and guest health, safety and security; human rights; and ethical business practices and regulatory compliance. We used the results of this materiality assessment to advance our Travel with Purpose strategy in alignment with organizational priorities, inform management of ESG risks and drive long-term value for our business and our stakeholders.

We remain committed to reducing our carbon and other greenhouse gas emissions in line with climate science. We evaluate our climate change risks and report annually on our ESG performance, with our reporting prepared in accordance with the GRI

standards, while integrating the recommendations of the SASB and the Task Force on Climate-related Financial Disclosures ("TCFD").

LightStay, our proprietary and award-winning ESG management system, is aligned with the criteria of the Global Sustainable Tourism Council ("GSTC") and is used to measure, manage and report many of Hilton's key environmental and social performance metrics, including, but not limited to, carbon emissions, energy, water, waste, volunteer hours, in-kind donations and efficiency projects. Our hotels use LightStay to track and report environmental and social impact data, assess performance and recognize performance improvement opportunities and achievements.

We recognize that achieving meaningful progress towards our 2030 Goals and the SDGs requires collaboration across a wide range of partners and external stakeholders, including the Sustainable Hospitality Alliance ("SHA"), an organization that represents the hotel industry's collective efforts to support and protect destinations and communities for future generations. Hilton leaders continue to engage with SHA and its membership and have participated in recent efforts to advance the Hotel Carbon Measurement Initiative and the Hotel Water Measurement Initiative methodologies, which are designed to enable the industry to more consistently measure and report on carbon emissions and water consumption in hotels.

The Hilton Global Foundation (formerly known as the Hilton Effect Foundation), which was launched in 2019, supports nonprofits and local community organizations that serve as partners to amplify our environmental and social impact around the world. The Hilton Global Foundation is our primary international philanthropic arm and is registered as a U.S.-based 501(c)(3) charitable organization. In 2022, we launched the Hilton UK Foundation to support Hilton's mission to support a sustainable future in the UK. Hilton has a long history of partnering with organizations in the UK whose environmental and social priorities align with Hilton's, and we expect to continue these partnerships through the work of the Hilton UK Foundation. The Hilton Global Foundation and Hilton UK Foundation are collectively referred to as the Foundation.

In 2022, the Foundation awarded more than $2 million in grants to organizations supporting destination stewardship, climate action, career development and community resilience. Since 2019, the Foundation has awarded more than $8 million in grants to more than 130 nongovernmental and community-based organizations.

Environmental Impact

In 2022, we reevaluated our environmental impact 2030 Goals and set more ambitious targets. Hilton was the first major hospitality company to set science-based targets that were approved by the Science Based Targets initiative ("SBTi") and the first major hotel brand to obtain revalidation by SBTi. In June 2022, SBTi verified our near-term targets (1.5°C by 2030), which are in alignment with our updated environmental 2030 Goals to cut emissions intensity of our managed hotel portfolio by 75 percent and of our franchised hotel portfolio by 56 percent, with 2008 as our baseline. We continue to work toward our 2030 Goal of reducing water and waste intensity at the hotels we operate, including those that are owned, leased and managed, by 50 percent, with 2008 as our baseline. To achieve our reduction targets, we partnered with a global leader in the field of sustainability and energy procurement to help map out a phased implementation strategy to help us make informed decisions and chart a path to achieving our energy reduction goals. Although we believe that our environmental impact 2030 Goals are ambitious yet attainable, there can be no assurance that we will be able to meet them. As climate science continues to evolve we may further refine our environmental impact 2030 Goals.

In 2022, we continued the certification of our portfolio of hotels to ISO 9001 (Quality), ISO 14001 (Environmental) and ISO 50001 (Energy) standards, which marks 11 years of our properties certified to ISO 14001 and ISO 9001 and eight years for ISO 50001. Further, in alignment with our science-based targets, we continue to take steps to increase our sourcing of renewable energy at our hotels around the world. In the Europe, Middle East and Africa ("EMEA") region, one third of the hotels we operated, as well as our Watford and Glasgow corporate offices, were supplied with 100 percent renewable energy during 2022. In the U.S., we continue to have a renewable energy option for our managed hotels. Additionally, we provide our customers with the opportunity to make their meetings and events sustainable through our Meet with Purpose offering, a program launched to help customers gather responsibly, incorporate food donations into their programs and positively impact their destinations, or offset their meeting through our carbon neutral meeting offering at select participating hotels.

We continued our focus on our food waste reduction and food donation initiatives, with many of our managed hotels in the U.S. and EMEA piloting donation programs and analytical software to help reduce food waste and associated costs. We also operate a soap recycling program, with over 5,500 of our hotels partnered with soap recycling organizations to donate soap bars and other unused supplies from our hotels to those in need, consistent with our effort to reduce waste. We have made progress on our commitment to reduce single use plastics at our hotels, offering Digital Keys at more than 80 percent of our hotels and requiring all hotels to comply with the adoption of bulk amenities by 2023.

In 2022, the Foundation partnered with organizations, such as the Global Water Challenge, One Tree Planted and the Ocean Conservancy, that are making a positive impact in our communities and on the environment. Specifically, the Foundation works with partners that advance: (i) climate action with initiatives that combat urgent climate change and its impact, reducing carbon footprint, energy, water and waste; and (ii) destination stewardship with initiatives that improve travel destinations and positively impact the environment, including conducting clean up, conservation and preservation activities.

We primarily generate carbon emissions from the operation of our hotels. During 2022, our hotels continued to recover from the impact of the COVID-19 pandemic and occupancy at our owned, leased and managed properties exceeded 2021 levels, and, by the second half of 2022, it approached 2019 levels. As such, we experienced a year-over-year increase in consumption of energy, water and waste in 2022 in-line with the year-over-year increase in occupancy. However, this consumption, on both a per square meter and absolute basis, remained below 2019 levels, and we remain on track to achieve our updated 2030 Goals.

We have achieved the following reductions in environmental impact since 2008:

	Percent Reduction Achieved Since 2008[1]
Reduction in water consumption per square meter [2]	33
Reduction in landfilled waste per square meter [2]	65
Reduction in carbon dioxide emissions per square meter [2]	47
Energy consumption per square meter [2]	36

_____

(1) Reflects data as of December 31, 2022 that has been reviewed by an independent third party.

(2) Reflects performance across Hilton's owned, leased and managed properties, which totaled approximately 28.4 million square meters as of December 31, 2022. Although consumption and waste generation were higher in 2022 than in 2021 and 2020, correlated with the increase in occupancy resulting from our recovery from the COVID-19 pandemic, they remain below 2019 levels.

The data in the following tables, which have been reviewed by an independent third party, reflect the key sustainability metrics for our managed, owned and leased properties, as well as recommendations of the SASB within their Hotel & Lodging and Restaurant Standards:

	Year Ended December 31,			
Metric	**2022[1]**	**2021[1]**	**2020[1]**	**2019[1]**

Waste generated, in million metric tons	0.14	0.11	0.10	0.19

(1) The decreases in consumption reflected in these measures during the year ended December 31, 2020 and then the increases in consumption reflected in these measures, if applicable, during the years ended December 31, 2021 and 2022 were primarily attributable to the reduction in occupancy as a result of the COVID-19 pandemic during 2020, followed by Hilton's recovery from the impact of the pandemic during 2021 and 2022 and the related increases in occupancy. During the year ended December 31, 2020, the hotel operations at approximately 380 of our managed, owned and leased hotels were completely or partially suspended for some period of time, while only approximately 120 had suspended operations for some period of time during 2021. Substantially all of our hotels had re-opened by the end of 2021 and have remained open and operating since then. The changes in occupancy and the number of hotel suspensions were directly correlated with and impacted the consumption of energy, water and waste at our hotels around the world.

(2) Scope 2 market-based emissions as defined by The Greenhouse Gas Protocol: A Corporate Accounting and Reporting Standard (Revised Edition).

(3) Water stress as defined by the World Resources Institute ("WRI"). Represents the percentage (by square meter) of owned, leased and managed hotels, in regions with baseline water stress, that have high or extremely high baseline water stress.

(4) Amount of waste not diverted from landfills in metric tons per square meter was 0.0033, 0.0029, 0.0026 and 0.0052 for the years ended December 31, 2022, 2021, 2020 and 2019. Although the amount was higher in 2022 than in 2021 and 2020, correlated with the increase in the amount of waste generated resulting from our recovery from the COVID-19 pandemic, it remained below 2019 levels.

(5) Total floor area of Hilton's owned, leased and managed properties, for which absolute consumption is reflected, was 28.4 million square meters, 27.5 million square meters, 24.9 million square meters and 23.9 million square meters as of December 31, 2022, 2021, 2020 and 2019, respectively. Absolute consumption increased during the years ended December 31, 2022 and 2021 due to our increased floor area and increased occupancy, as described above.

Social Impact

With a presence in 123 countries and territories, we use our global scale to focus on creating learning and career growth opportunities, positively impacting our communities and promoting responsible, inclusive conduct across our value chain, all with consideration for human rights and DE&I.

As such, in 2022, we updated our social impact 2030 Goals to the following: (i) to provide 5 million learning and career growth opportunities for our employees and our communities with a focus on underrepresented groups; (ii) to meaningfully impact 20 million community members; and (iii) to promote responsible, inclusive conduct across 100 percent of our value chain operations. We used these goals to guide our social impact initiatives in 2022.

Through our Foundation, we partner with the International Youth Foundation by providing our Passport to Success Concierge program, an online course that is free to youth around the globe who are interested in building the core skills for a career in travel and tourism. Since its launch in August 2021, over 22,000 youth and Hilton employees have accessed the program through 2022. We partner with organizations around the globe supporting career development including Jobs for America's Graduates, Travis Early College High School Hospitality College, The Punlaan School and R.O.L.E. Foundation.

Hilton also remains committed to combating human trafficking, and we require all hotel-based employees to complete an annual training on identifying signs of trafficking. We partner with expert organizations, including Vital Voices, It's a Penalty and ECPAT, to help prevent and mitigate such risks, including at an industry level through the Sustainable Hospitality Alliance, World Travel and Tourism Council, American Hotel & Lodging Association and United Kingdom ("U.K.") Stop Slavery Hotel Industry Network. The Foundation furthered these efforts by committing to grant $500,000 in total over the next three years to the AHLA Foundation's No Room for Trafficking ("NRFT") Survivor Fund, starting in 2023. The NRFT Survivor Fund aims to equip community-based organizations with the resources to engage and support trafficking survivors – from direct financial support of their short-term, baseline needs to career-related support.

Further, we have reached more than 35,000 refugees since 2015 through volunteering, in-kind donations, purchasing, training, shelter and employment. In addition, in 2022, in partnership with #HospitalityHelps and the United Nations High Commissioner for Refugees (a UN Refugee Agency), we supported the Ukraine refugee crisis by providing accommodations to more than 42,000 refugees seeking shelter across our EMEA region. Further, Hilton is part of the Tent Coalition for Refugees ("Tent") in the U.S. and Canada, and in 2022, we expanded our hiring commitment in partnership with Tent to hire 1,500 refugees in the U.S. over the next three years.

During 2022, Hilton and the Foundation supported our hotel teams and surrounding communities through disasters and crises, including Hurricane Ian and the Ukraine refugee crisis. This approach included donating to organizations at the

frontlines of the crises, supporting the delivery of meals, medical care and other basic needs, as well as support for the families of impacted employees through Hilton's third-party operated Team Member Assistance Fund ("TMAF"). In August 2022, Hilton expanded its TMAF program to provide further assistance to its employees. In addition to continuing to support Team Members following disasters, the expanded program enables the TMAF to support employees experiencing undue financial hardship due to unexpected personal circumstances and larger crisis situations. Hilton employees, as well as individuals working at managed and franchised hotels who are not employed by Hilton, can apply for financial assistance when impacted by disaster and extreme hardship. In 2022, the TMAF provided assistance grants to more than 1,400 individuals.

In addition to collaboration across our industry and within the business community, we are focused on achieving change by leveraging the scale of our supply chain. We remain committed to embedding robust due diligence across our supply chain and partnering with suppliers to advance positive impact in our communities. Furthermore, by leveraging our size and scale, we also aim to expand local sourcing from small businesses and strengthen business with diverse suppliers. Through our award-winning Supplier Diversity Program, we engage women-, minority-, veteran-, disabled- and LGTBQ+ owned businesses in sourcing opportunities across Hilton in all categories.

During 2022, our employees around the world reported nearly 345,000 volunteer hours in their local communities, including during our Travel with Purpose Week, an annual week of volunteering focused on destination stewardship, including beach cleanups, tree planting, trash pickup and clothing donations.

Human Capital Management

As of December 31, 2022, we employed or managed approximately 159,000 individuals working at our owned, leased and managed properties and corporate offices. There were an additional 259,000 individuals employed by third-party owners working at our franchised properties.

We strive to be the most hospitable company in the world, and we believe that an effective human capital management strategy is an essential component of that effort. Our strategy focuses on attracting, developing and retaining the best talent in the industry, and our executive committee reviews talent strategy and succession plans on a quarterly basis to assess current and future talent needs. We want to build a strong employee-centered culture that creates connectivity, camaraderie and trust among all employees, which then supports our employees to deliver positive experiences to guests at our hotels.

Attracting and retaining talent remains a leading area of focus, as competition for talent across industries remains strong. While our hiring levels in 2022 were higher than they were before the onset of the COVID-19 pandemic, we have been affected by global labor shortages, making it more difficult to recruit talent. In response, we continue to review our compensation policies to maintain competitiveness and we have invested in employee programs and offerings and enhanced our recruiting strategies to tap into new pools of talent.

DE&I

Our workforce should represent the communities where we live and work, which is why we are committed to achieving global gender parity and 25 percent U.S. ethnic representation at our corporate leadership levels by the end of 2027. Our leaders are committed to our diversity and inclusion efforts, and we hold them accountable through our organizational objectives that measure their performance against our commitments.

As of December 31, 2022, the global workforce that we employ or manage was 43 percent women. Globally, corporate leadership was 40 percent women and hotel leadership was 25 percent women. As of December 31, 2022, in the U.S., our workforce was 72 percent ethnically diverse, with U.S. corporate leadership being 19 percent ethnically diverse and U.S. hotel leadership being 23 percent ethnically diverse. As of December 31, 2022, our board of directors, excluding management directors, was 50 percent women and 25 percent ethnically diverse.

Hilton has a long legacy of supporting the military dating back to our founder, Conrad Hilton, a World War I veteran. Since the launch of our Operation Opportunity program in 2015, we have hired more than 35,000 veterans, spouses, caregivers and dependents. Veterans and their spouses are valuable assets for our company as they bring a unique set of highly transferable skills, experience and values.

As part of our commitment to an inclusive environment, we offer the following resources to our employees:

- Team Member Resource Groups ("TMRG") – Our nine TMRGs have global reach and each one is sponsored by an executive leader. They provide members with opportunities for career development and the chance to share their unique perspectives and viewpoints with leadership and other colleagues to drive important conversations about inclusion and equity across the enterprise.

- Courageous Conversations – Courageous Conversations is a global, virtual learning series featuring internal and external thought leaders who explore elements of DE&I to help drive greater awareness, understanding and a more inclusive workplace.

- Pathway Programs – Hilton helps foster economic mobility for historically underrepresented talent and supports diversity efforts across our organization. We have partnerships with racial and social justice organizations, university scholarship programs and a Pathways Program Office, which is focused on expanding our current pathways programs and stewarding the creation of new pathways for future employees to join Hilton.

- Annual trainings – We require all employees to complete training as part of our Inclusive and Respectful Workplace curriculum, which is based on the underlying principles of our Code of Conduct. This annual requirement includes training on unconscious bias, DE&I, preventing human trafficking and anti-harassment. Our Code of Conduct states that we do not tolerate any form of discrimination or harassment on the basis of any characteristic protected by applicable law. For our guest-facing employees, our mandatory DE&I training is scenario-driven training designed to promote positive, inclusive behaviors.

Thrive at Hilton

Thrive at Hilton is our value proposition designed to enable employees to grow and flourish in both their professional and personal lives. To make that happen, we offer programs designed to provide our employees with tools to excel in their roles.

We offer a range of benefits and programs to help our employees thrive at work and at home. Such benefits and programs include paid time off, parental leave, adoption assistance, subsidized health insurance, education assistance and flexible work arrangements, including remote work opportunities for our corporate employees, and Go Hilton Travel programs, which make discounted rooms available to hotel and corporate employees, as well as their families and friends.

We strive to provide medical and mental health care that is convenient, accessible and affordable for our employees. Our programs include:

- Care for All – a global platform launched in 2022 focused on caregiving that provides resources for employee self-care, as well as enabling employees to care for others, including sick, disabled or elderly family members, children and pets. This benefit is also extended to employees' families and friends.

- Wellthy – a caregiving concierge service which provides assistance to employees working through the logistical and administrative tasks related to care, such as finding the right in-home aide, contesting medical bills, evaluating care providers or finding care options for veterans for eligible employees in the U.S., U.K. and Ireland.

- Employee Assistance Program – offers free and confidential services, such as counseling and recommending resources to find services such as child and eldercare, legal advice and apartment hunting and relocation.

We regularly survey our employees to gauge the level of job satisfaction and effective relationships with management, among other things and use their feedback to inspire program enhancements and new offerings. We strive to maximize employee retention and minimize attrition with these and other measures. Approximately 35 percent of our U.S. employees have been with Hilton for at least 10 years.

Compensation and Benefits

Hilton offers competitive pay and benefits to its employees, including a variety of compensation programs and comprehensive benefit programs. Hilton has hired consulting firms to independently evaluate the effectiveness of executive compensation and benefit programs and utilized their feedback to further our commitment to deliver competitive levels of

compensation and benefits. We regularly review gender and diversity pay parity among our employees as part of our ongoing talent processes.

We also want our employees to share in our success and, as a result of employee feedback, we offer an employee stock purchase plan ("ESPP") for eligible employees in the U.S., U.K. and United Arab Emirates. Through our ESPP, eligible employees can purchase Hilton stock through after-tax payroll deductions at a 15 percent discount from the market stock price and benefit from the hard work they put into making Hilton a success.

As of December 31, 2022, approximately 30 percent of people employed or managed by us globally and approximately 40 percent of people working in the U.S. were covered by various collective bargaining agreements that generally address pay rates, working hours, other terms and conditions of employment, certain employee benefits and orderly settlement of labor disputes.

Development and Training

Our career development approach emphasizes customized experiences so that employees can follow a training and career path best suited to their goals. Hilton University, our global learning platform, gives employees access to a robust library of learning resources. We partner with leading educational institutions and content providers across the globe to deliver high-quality, relevant content to our employees, including a wide array of general business, industry or function-specific technical skills and leadership development courses and programs. Our Hilton University platform, Job Skills Hubs and LinkedIn Learnings Playlists provide flexible, accessible learning designed to help our employees learn and grow.

Our employees have the opportunity to grow their leadership skills and careers through our Lead@Hilton framework, which is designed to develop leaders throughout their careers and features the Hilton Leaders Teaching Leaders video series, as well as content from partners such as Cornell University and Harvard University. Curriculums curated for varying levels of experience aim to provide foundational tools, as well as coaching, mentoring and wellness resources.

Our GM Academy curriculum is centered on nine core General Manager ("GM") business capabilities, some of which include leadership and people management, asset management, customer engagement and commercial performance. Additionally, Hilton's Signature Leadership Development programs focus on building effective leaders across the enterprise to grow our leadership bench strength. These programs provide opportunities for participants to develop key capabilities, network with and learn from senior leaders and enhance leadership and business acumen.

In 2022, we launched our partnership with Guild Education to provide our U.S. employees with a continuing education platform to help them pursue and attain their educational goals debt-free. Through this partnership, employees have access to a wide variety of educational credentials from leading universities and learning providers including high school completion, English language learning, college degrees and professional certifications.

Awards and Recognition

We have consistently been recognized for our Hilton culture, and our awards for 2022 included: Following our placement as #1 in 2021, an induction into DiversityInc's Hall of Fame for the Top Companies for Diversity, Military Times Best for Vets #14 (Overall) and #1 (Hospitality), Military Friendly Employer with Gold distinction, Veteran Magazine Best of the Best Veteran Friendly Company, Great Place to Work Institute ("GPTW") #2 World’s Best Workplace, GPTW & Fortune #2 Best Place to Work in the U.S., GPTW & Fortune #1 Best Place to Work for Women in the U.S. (for the fourth consecutive year) and GPTW & Fortune #1 Best Place to Work in six countries (Austria, China, Ireland, Peru, Turkiye and Uruguay). Additionally, we received a 100 percent rating in the Corporate Equality Index from the Human Rights Campaign for our commitment to corporate policies, practices and benefits pertinent to LGBTQ+ employees for the ninth consecutive year.

Governance, Ethics and Regulatory Compliance

As a core underpinning of our entire organization, our ethics and compliance program is overseen by our board of directors, which expects all Hilton employees to conduct themselves at high standards with respect to all ethics and compliance matters. Our Code of Conduct establishes a set of global business principles, with our compliance organization, training, risk management and monitoring activities tailored to address unique risks by geography, business line, function and level. Our Code of Conduct is supported by a robust set of compliance policies addressing risk areas such as corruption, trade sanctions, insider trading, privacy, confidential information, antitrust and escalation of concerns. Our legal and compliance training program, which is an annual requirement for all of our employees, provides the ability to convey a consistent set of compliance

standards across the organization in formats designed to target different knowledge levels, learning styles and functional needs. Our annual training calendar includes mandatory training and supplemental training that is supported by company-wide awareness campaigns highlighting Hilton-specific risks and scenarios. We also use passive communication channels, including electronic bulletin board screens in the employee break room areas of our hotels, and internal newsletters, including a publication that highlights real Hilton Hotline matters and their resolutions.

In governing the physical safety of our properties and teams, to help ensure the safety and security of our employees and guests, we constantly monitor threats and incidents around the world through online tools and external networks and partnerships; support our properties globally with crisis alert communications, crisis plans and area crisis teams; provide employees with safety and security training resources; and conduct safety and security audits annually using a risk-based approach.

Our legal compliance team administers a third-party risk management program so that we understand the qualifications, reputation and associations of third parties with whom we transact, particularly third parties who interface with government officials and third parties who act in Hilton's name, such as owners of our hotels. The third-party risk management program includes due diligence, education materials for third parties, ongoing monitoring of relationships and appropriate contract audit and termination rights. Our legal compliance team also monitors EthicsPoint, a comprehensive and confidential reporting tool to assist management and employees address fraud, abuse and other misconduct in the workplace. The Audit Committee of our board of directors receives regular updates from our legal compliance team.

Competition

We encounter active and robust competition as a hotel and resort manager, franchisor, owner and lessee. Competition in the hospitality industry is based on several criteria, generally including: the attractiveness of the facility; location; level of service; quality of accommodations; amenities; food and beverage options and outlets; public and meeting spaces and other guest services; consistency of service; room rate; brand reputation; and the ability to earn and redeem loyalty program points through a global system. Our properties and brands compete with other hotels, resorts, motels, inns and other accommodation rental services in their respective geographic markets or customer segments, including facilities owned by local interests, individuals, national and international chains, institutions, investment and pension funds and real estate investment trusts ("REITs"). We believe that our position as a multi-branded manager, franchisor, owner and lessee of hotels with an associated global, system-wide guest loyalty and commercial platform helps us continue to maintain our position as one of the largest and most geographically diverse hospitality companies in the world.

Our principal competitors include other branded and independent hotel operating companies, national and international hotel brands and ownership companies. While local and independent brand competitors vary, on a global scale, our primary competitors are Accor S.A., Choice Hotels International, Hongkong and Shanghai Hotels, Hyatt Hotels Corporation, Intercontinental Hotel Group, Marriott International, Radisson Hotel Group and Wyndham Hotels & Resorts.

Seasonality

The hospitality industry is seasonal in nature. The periods during which our properties experience higher or lower levels of demand vary from property to property, depending principally upon their location, type of property and competitive mix within the specific location. While results were less predictable as a result of COVID-19 and related travel restrictions, based on historical results, we generally expect our revenues to be lower in the first quarter of each year than in each of the three subsequent quarters.

Cyclicality

The hospitality industry is cyclical, and demand generally follows, on a lagged basis, key macroeconomic indicators. There is a history of increases and decreases in the development and supply of and demand for hotel rooms, occupancy levels and room rates realized by hotel owners through economic cycles. The combination of changes in economic conditions and in the supply of hotel rooms can result in significant volatility in results for owners and managers of hotel properties. The costs of running a hotel, including personnel costs, rent, property taxes, insurance and utilities, tend to be more fixed than variable. As a result of such fixed costs, in a negative economic environment, the rate of decline in earnings can be higher than the rate of decline in revenues. In 2020, we and our hotel owners experienced a downturn in the current industry cycle driven by the COVID-19 pandemic, which continued into the beginning of 2021. However, the level of travel in 2021 and 2022 recovered substantially when compared to that of 2020, and in the third and fourth quarters of 2022, such performance exceeded performance for the same periods in 2019.

Intellectual Property

In the highly competitive hospitality industry in which we operate, trademarks, service marks, trade names, logos and patents are very important to the success of our business. We have a significant number of trademarks, service marks, trade names, logos, patents and pending registrations and expend significant resources each year on surveillance, registration and protection of our IP, which we believe has become synonymous in the hospitality industry with a reputation for excellence in service and authentic hospitality.

Government Regulation

Our business is subject to various foreign and U.S. federal and state laws and regulations, including laws and regulations that govern the offer and sale of franchises, many of which impose substantive requirements on franchise contracts and require that certain materials be registered before franchises can be offered or sold in a particular jurisdiction.

In addition, a number of states regulate the activities of hospitality properties and restaurants, including safety and health standards, as well as the sale of liquor at such properties, by requiring licensing, registration, disclosure statements and compliance with specific standards of conduct. Operators of hospitality properties also are subject to laws governing their relationship with employees, including minimum wage requirements, overtime, working conditions and work permit requirements. Our franchisees are responsible for their own compliance with laws, including with respect to their employees, minimum wage requirements, overtime, working conditions and work permit requirements. Compliance with, or changes in, these laws could reduce the revenue and profitability of our properties and could otherwise adversely affect our operations.

We also manage hotels with casino gaming operations as part of or adjacent to the hotels. However, with the exception of casinos at certain properties in Puerto Rico and Egypt, third parties manage and operate the casinos. We hold and maintain the casino gaming license and manage the casinos located in Puerto Rico and Egypt and employ third-party compliance consultants and service providers. As a result, our business operations at these facilities are subject to the licensing and regulatory control of the local regulatory agency responsible for gaming licenses and operations in those jurisdictions.

For additional information on government regulation, including environmental regulations and requirements, refer to "Part I—Item 1A. Risk Factors."

Insurance

U.S. hotels that we manage are permitted to participate in certain of our insurance programs by mutual agreement with our hotel owners. If not participating in our programs, hotel owners must purchase insurance programs consistent with our requirements. Generally, U.S. franchised hotels are not permitted to participate in our insurance programs, but rather must purchase insurance programs consistent with our requirements. Foreign managed and franchised hotels are generally required to participate in certain of our insurance programs. In addition, our management and franchise contracts typically include provisions requiring the owner of any hotel to indemnify us against losses arising from the design, development and operation of such hotel.

Most of our insurance policies are written with self-insured retentions or deductibles that are common in the insurance market for similar risks, and we believe such risks are prudent for us to assume. Our third-party insurance policies provide coverage for claim amounts that exceed our self-insurance retentions or deductible obligations. We maintain insurance coverage for general liability, property, business interruption, terrorism and other risks with respect to our business for all of our owned and leased hotels, and we maintain workers' compensation or equivalent coverage for all of our employees. We also are self-insured for health coverages for some of our U.S. and Puerto Rico employees, which include those working at our corporate operations and managed hotels, with purchased insurance protection for costs over specified thresholds. In general, our insurance provides coverage related to any claims or losses arising out of the design, development and operation of our hotels.

Where You Can Find More Information

We file annual, quarterly and current reports, proxy statements and other information with the SEC. Our SEC filings are available to the public over the internet at the SEC's website at www.sec.gov. Our SEC filings are also available free of charge on our website at ir.hilton.com as soon as reasonably practicable after they are filed with or furnished to the SEC. Our website and the information contained on or connected to that site are not incorporated into this Annual Report on Form 10-K.

Item 1A. Risk Factors

In addition to the other information in this Annual Report on Form 10-K, the following risk factors should be considered carefully in evaluating our company and our business.

Risks Related to Our Industry

We are subject to the business, financial and operating risks inherent to the hospitality industry, any of which could reduce our revenues and limit opportunities for growth.

Our business is subject to a number of business, financial and operating risks inherent to the hospitality industry, including:

- significant competition from multiple hospitality providers in all parts of the world;
- the financial condition of third-party property owners, developers and joint venture partners;
- relationships with third-party property owners, developers and joint venture partners, including the risk that owners may terminate our management, franchise or joint venture contracts;
- decreases in the frequency of business travel that may result from alternatives to in-person meetings, including virtual meetings hosted online or over private teleconferencing networks;
- decreases in the availability and/or increases in the cost of capital necessary for us and third-party hotel owners to fund investments, capital expenditures and service debt obligations;
- changes in operating costs, including employee compensation and benefits, energy, insurance, food and beverage and other supplies;
- increases in costs due to inflation or other factors that may not be fully offset by increases in revenues in our business, as well as increases in overall prices and the prices of our offerings due to inflation, which could weaken consumer demand for travel and the other products we offer and adversely affect our revenues;
- changes in taxes and governmental regulations that influence or set wages, prices, interest rates or construction and maintenance procedures and costs;
- the costs and administrative burdens associated with complying with applicable laws and regulations;
- the costs or desirability of complying with local practices and customs;
- significant increases in cost for health care coverage for employees and potential government regulation with respect to health care coverage;
- shortages of labor or labor disruptions;
- the ability of third-party internet and other travel intermediaries who sell our hotel rooms to guests to attract and retain customers;
- the quality of services provided by franchisees, including ability to comply with relevant regulations and contractual requirements relating to a variety of issues including environment, human rights and labor;
- delays in or cancellations of planned or future development or refurbishment projects;
- cyclical over-building in the hospitality industry;
- changes in desirability of geographic regions of the hotels in our business, geographic concentration of our operations and customers and shortages of desirable locations for development;

- changes in the supply and demand for hotel services, including rooms, food and beverage and other products and services; and

- the costs required for climate change initiatives, including those resulting from regulatory changes or stakeholder or customer expectations.

Any of these factors could increase our costs or limit or reduce the prices we are able to charge third-party hotel owners for providing management and franchise services or hotel customers for hospitality products and services, or otherwise affect our ability to maintain existing properties or develop new properties. As a result, any of these factors can reduce our revenues and limit opportunities for growth.

Macroeconomic and other factors beyond our control can adversely affect and reduce demand for our products and services.

Macroeconomic and other factors beyond our control can reduce demand for hospitality products and services, including demand for rooms at our hotels. These factors include, but are not limited to:

- changes in general economic conditions, including inflation, supply chain disruptions, low consumer confidence, increases in unemployment levels and depressed real estate prices resulting from the severity and duration of any downturn in the U.S. or global economy and financial markets;

- conditions that negatively shape public perception of travel or result in temporary closures or other disruption at our hotel properties, including travel-related accidents, outbreaks of pandemic or contagious diseases, such as COVID-19, Ebola, Zika, avian flu, severe acute respiratory syndrome (SARS), H1N1 (swine flu) and Middle East Respiratory Syndrome (MERS);

- geo-political activity, political and social unrest and governmental action and uncertainty resulting from U.S. and global political and social trends and policies, including potential barriers to travel, trade and immigration;

- wars, such as Russia's invasion of Ukraine, political instability or civil unrest, terrorist activities or threats and resulting heightened travel security measures, any of which may foreclose travel to certain locales or decrease the appeal of travel among the general population;

- the impact of U.S. Federal government shutdowns and other similar governmental budgetary impasses or reductions;

- decreased corporate or government travel-related budgets and spending, as well as cancellations, deferrals or renegotiations of group business, such as industry conventions;

- statements, actions or interventions by governmental officials related to travel and corporate travel-related activities and the resulting negative public perception of such travel and activities;

- the financial and general business condition of the airline, automotive and other transportation-related industries and its effect on travel, including decreased airline capacity and routes and increased travel costs;

- perceived negative impacts of tourism on local cultures, human rights and the environment;

- cyber-attacks;

- the impact of climate change or availability of natural resources;

- natural, climate-related or man-made disasters and extreme weather conditions, including earthquakes, tsunamis, tornadoes, hurricanes, typhoons, floods, wildfires, volcanic eruptions, oil spills and nuclear incidents;

- labor shortages, which could restrict our ability to efficiently operate or grow our business and/or increase our costs;

- organized labor activities, which could cause a diversion of business from hotels involved in labor negotiations and loss of business for our hotels generally as a result of certain labor tactics; and

- other changes in the overall demand for what we offer, including the desirability of particular locations or travel patterns of customers.

Any one or more of these factors could limit or reduce overall demand for our products and services or could negatively affect our revenue sources, which could adversely affect our business, financial condition and results of operations.

Contraction in the global economy or low levels of economic growth could adversely affect our revenues and profitability, as well as limit or slow our future growth.

Consumer demand for our services is closely linked to the performance of the general economy and is sensitive to business and personal discretionary spending levels. Decreased global or regional demand for hospitality products and services can be especially pronounced during periods of economic contraction or low levels of economic growth, and the recovery period in our industry may lag overall economic improvement. Declines in demand for our products and services due to general economic conditions could negatively affect our business by limiting the amount of fee revenues we are able to generate from our managed and franchised properties and decreasing the revenues and profitability of our owned and leased properties. In addition, many of the expenses associated with our business, including personnel costs, interest, rent, property taxes, insurance and utilities, are relatively fixed. During a period of overall economic weakness, if we are unable to meaningfully decrease these costs as demand for our hotels decreases, our business operations and financial performance and results may be adversely affected.

The COVID-19 pandemic negatively affected our business, financial condition and results of operations and COVID-19 or other outbreaks of contagious diseases or other adverse public health developments may negatively affect future results.

The COVID-19 pandemic significantly affected the global economy and strained the hospitality industry due to travel restrictions and advisories, stay-at-home directives, limitations on public gatherings and modified work arrangements, all of which resulted in cancellations and reduced travel around the world, as well as complete and partial suspensions of certain hotel operations. Although distribution of approved vaccines for COVID-19 continued throughout 2022, access to and acceptance of vaccines has varied across regions and within individual countries. In addition, new strains of the virus have had increased transmissibility, complicating treatment and vaccination programs. As such, the COVID-19 pandemic had an adverse impact on certain of our results for the year ended December 31, 2022, when compared to prior years, and COVID-19 or outbreaks of other contagious diseases or other adverse public health developments may continue to negatively affect future results. In particular, the continued impact of COVID-19 and the related restrictions in China have limited demand in that market. The long-term effects of the pandemic on our business and the travel industry at large remain uncertain and will depend on future developments, including, but not limited to, the duration and severity of potential future serious illnesses, if any, the availability and public acceptance of vaccinations and other treatments to combat COVID-19 and the length of time it takes for demand to stabilize and normal economic and operating conditions to fully resume. The current and uncertain future impact of the COVID-19 pandemic, including its effect on the ability or desire of people to travel and use our hotel properties for lodging, food and beverage and other services, may negatively affect our results, operations, outlook, plans, growth, cash flows and liquidity.

The steps we took in 2020 to reduce operating costs for us and our owners, including temporarily reducing compensation, reducing our workforce and furloughing a substantial number of our employees, negatively affected our ability to attract and retain employees. Some hotels have faced challenges restaffing to pre-pandemic levels, which in some cases negatively affected guest experience and loyalty and, in turn, certain hotel results. We could still experience long-term impacts on our operating costs as a result of attempts to counteract future outbreaks of COVID-19 or other viruses through, for example, enhanced health and hygiene requirements or other such measures in one or more regions.

The COVID-19 pandemic had a negative impact on our partners, including third-party owners of our properties, third-party service providers, travel agencies, suppliers and other vendors. In particular, third-party owners of our hotels experienced financing difficulties and significant declines in revenues during the pandemic, thereby making it more difficult for them to maintain their hotels and service their indebtedness.

Risks Related to Operating Our Business

Because we operate in a highly competitive industry, our revenues or profits could be harmed if we are unable to compete effectively.

The segments of the hospitality industry in which we operate are subject to intense competition. Our principal competitors are other operators of luxury, full-service and focused-service hotels, including other major hospitality chains with well-established and recognized brands. We also compete against smaller hotel chains, independent and local hotel owners and operators, home and apartment sharing services and timeshare operators. If we are unable to compete successfully, our revenues or profits may decline.

Competition for hotel guests

We face competition for individual guests, group reservations and conference business at our hotels. We compete for these customers based primarily on brand name recognition and reputation, as well as location, rates for hotel rooms, food and beverage and other services, property size and availability of rooms and conference and meeting space, accommodations and technology, quality of the accommodations, customer satisfaction, amenities and the ability to earn and redeem loyalty program points. Our competitors may have greater commercial, financial and marketing resources and more efficient technology platforms, which could allow them to improve their properties and expand and improve their marketing efforts in ways that could affect our ability to compete for guests effectively, or they could offer a type of lodging product that customers find attractive but that we do not offer.

Competition for management and franchise contracts

We compete to enter into management and franchise contracts. Our ability to compete effectively is based primarily on the value and quality of our management services, brand name recognition and reputation, our access to and willingness to invest capital, availability of suitable properties in certain geographic areas, the overall economic terms of our contracts and the economic advantages to the third-party hotel owner of retaining our management services and/or using our brands. If the properties that we manage or franchise perform less successfully than those of our competitors, if we are unable to offer terms as favorable as those offered by our competitors or if the availability of suitable properties is limited, we may not be able to compete effectively for new management or franchise contracts.

Any deterioration in the quality or reputation of our brands could have an adverse effect on our reputation, business, financial condition or results of operations.

Our brands are among our most important assets. Our ability to attract and retain guests depends, in part, on the public recognition of our brands and their associated reputation. In addition, the success of our hotel owners' businesses and the amount of payments to us for the assets and services we provide them may depend on the strength and reputation of our brands. If our brands become obsolete or consumers view them as unfashionable, unsustainable or lacking in consistency and quality, we may be unable to attract guests to our hotels and may further be unable to attract or retain our hotel owners.

Changes in ownership or management practices, perceptions of our ESG practices, perception of guest or employee health or safety, the occurrence of accidents or injuries, cyber-attacks, security breaches, natural disasters, crime, failure of suppliers, franchisees or business partners to comply with relevant regulations and contractual requirements relating to a variety of issues including environmental, human rights and labor, individual guest, owner or employee notoriety or similar events at our hotels and resorts can harm our reputation, create adverse publicity and cause a loss of consumer confidence in our business. Because of the global nature of our brands and the broad expanse of our business and hotel locations, events occurring in one location could negatively affect the reputation and operations of otherwise successful individual locations. In addition, the expansion of social media has compounded the potential scope of negative publicity by increasing the speed and expanse of information dissemination. Many social media platforms publish content immediately and without filtering or verifying the accuracy of that content. A negative incident or the perception of occurrence of a negative incident at one hotel could have far-reaching effects, including lost sales, customer boycotts, loss of development opportunities and employee difficulties. Such incidents have in the past and could in the future subject us to legal actions, including litigation, governmental investigations or penalties, along with the resulting additional adverse publicity. A perceived decline in the quality of our brands or damage to our reputation could adversely affect our business, financial condition and results of operations.

Our business is subject to risks related to doing business with third-party property owners that could adversely affect our reputation, operational results or prospects for growth.

Unless we maintain good relationships with third-party hotel owners and renew or enter into new management and franchise contracts, we may be unable to maintain or expand our presence and our business, financial condition and results of operations may suffer.

Our business depends on our ability to: (i) establish and maintain long-term, positive relationships with third-party hotel owners; and (ii) enter into new, and renew, management and franchise contracts. Although our management and franchise contracts are typically long-term arrangements, hotel owners may be able to terminate the contracts under certain circumstances, including the failure to meet specified financial or performance criteria. Our ability to meet these financial and performance criteria is subject to, among other things, risks common to the overall hospitality industry, including factors outside of our control. In addition, negative management and franchise pricing trends in the industry more broadly could adversely affect our ability to negotiate with hotel owners. If we fail to maintain and renew existing management and franchise contracts or enter into new contracts on favorable terms, we may be unable to expand our presence and our business, and our financial condition and results of operations may suffer.

Our business is subject to real estate investment risks for third-party hotel owners that could adversely affect our operational results and our prospects for growth.

Growth of our business is affected, and may potentially be limited, by factors influencing real estate development generally, including site availability, financing availability and cost, planning, zoning and other local approvals. In addition, market factors such as projected room occupancy, changes in growth in demand for customers compared to projected supply, geographic area restrictions in management and franchise contracts, costs and availability of construction labor and materials and anticipated room rate structure, if not managed effectively by our third-party hotel owners could adversely affect the growth of our management and franchise business.

If our third-party hotel owners are unable to repay or refinance loans secured by properties, or to obtain financing adequate to fund current operations or growth plans, our revenues, profits and capital resources could be reduced and our business could be harmed.

Many of our third-party hotel owners pledged their properties as collateral for loans entered into at the time of development, purchase or refinancing. If our third-party hotel owners are unable to repay or refinance maturing indebtedness on favorable terms or at all, which could be more difficult in the current interest rate environment, their lenders could declare a default, accelerate the related debt and repossess the property and we could also be required to make cash payments for any debt that we guarantee. While we maintain certain contractual protections, repossession could result in the termination of our management or franchise contract or eliminate revenues and cash flows from the property. In addition, the owners of managed and franchised hotels depend on financing to develop or buy and improve hotels and, in some cases, fund operations during down cycles. Our hotel owners' inability to obtain adequate funding or to do so at interest rates that they are willing to accept could materially adversely affect the operation, maintenance and improvement plans of existing hotels, result in the delay or stoppage of the development of our existing development pipeline and limit additional development to further expand our hotel portfolio.

Hotel owners with financial difficulties have been and may continue to be unable or unwilling to pay us amounts that we are entitled to under our existing contracts on a timely basis or at all. Unfavorable economic conditions also could affect our ability to enter into management and franchise contracts with potential third-party owners of our hotels, who may be unable to obtain financing or face other delays or cost pressures in developing hotel projects. As a result, some properties in our development pipeline have entered our system later than we anticipated, and new hotels have entered our pipeline at a slower rate than in the past, thereby negatively affecting our overall growth. Likewise, if we or our hotel owners or franchisees are unable to access capital to make physical improvements to our hotels, the quality of our hotels may suffer, which may negatively impact our reputation and guest loyalty, and our performance may suffer as a result.

If our third-party property owners fail to make investments necessary to maintain or improve their properties, guest preference for Hilton brands, Hilton's reputation and performance results could suffer.

Substantially all of our management and franchise contracts, as well as our license agreement with HGV, require third-party property owners to comply with quality and reputation standards of our brands, which include requirements related to the physical condition, use of technology, safety standards and appearance of the properties, as well as the service levels provided

by hotel employees. These standards may evolve with customer preference, or we may introduce new requirements over time. If our property owners fail to make investments necessary to maintain or improve the properties in accordance with our standards, or based on customer demand more broadly, guest preference for our brands could diminish. In addition, if third-party property owners fail to observe standards or meet their contractual requirements, we may elect to exercise our termination rights, which would eliminate revenues from these properties and cause us to incur expenses related to terminating these contracts. We may be unable to find suitable or offsetting replacements for any individually terminated hotels or broader third-party owner relationships.

Contractual and other disagreements with third-party property owners could make us liable to them or result in litigation costs or other expenses or termination of existing management or franchise contracts.

Our management and franchise contracts require us and our hotel owners to comply with operational and performance conditions that are subject to interpretation and could result in disagreements. Any dispute with a property owner could be very expensive for us, even if the outcome is ultimately in our favor. We cannot predict the outcome of any arbitration or litigation, the effect of any negative judgment against us or the amount of any settlement that we may enter into with any third party. Furthermore, specific to our industry, some courts have applied principles of agency law and related fiduciary standards to managers of third-party hotel properties, which means that property owners may assert the right to terminate contracts even where the contracts do not expressly provide for termination. Our fees from any property permitted to be terminated would be eliminated, and accordingly, may negatively affect our results of operations.

Some of our existing development pipeline may not be developed into new hotels, which could materially adversely affect our growth prospects.

As of December 31, 2022, we had 2,821 hotels in our development pipeline, which we define as hotels under construction or approved for development under one of our brands. The commitments of owners and developers with whom we have contracts are subject to numerous conditions, and the eventual development and construction of our development pipeline, in particular for hotels not currently under construction, is subject to numerous risks, including, in certain cases, the owner's or developer's ability to obtain adequate financing and governmental or regulatory approvals. As a result, not every hotel in our development pipeline may develop into a new hotel that enters our system.

New hotel brands or non-hotel branded concepts that we launch in the future may not be as successful as we anticipate, which could have a material adverse effect on our business, financial condition or results of operations.

Since 2011, we have launched ten new brands: Home2 Suites by Hilton; Curio Collection by Hilton; Canopy by Hilton; Tru by Hilton; Tapestry Collection by Hilton; Motto by Hilton; LXR Hotels & Resorts; Signia by Hilton; Tempo by Hilton; and, most recently, Spark by Hilton. We may continue to build our portfolio by launching new hotel and non-hotel brands in the future. In addition, the Hilton Garden Inn, DoubleTree by Hilton and Hampton by Hilton brands have been expanding into new jurisdictions outside the U.S. over the past several years. We may continue to expand existing brands into new international markets. New hotel products or concepts or brand expansions may not be accepted by hotel owners, franchisees or customers and we cannot guarantee the level of acceptance any new brand will have in the development and consumer marketplaces. If new branded hotel products, non-hotel branded concepts or brand expansions are not as successful as we anticipate, we may not recover the costs we incurred in their development or expansion, which could have a material adverse effect on our business, financial condition and results of operations.

The risks resulting from investments in owned and leased real estate could increase our costs, reduce our profits and limit our ability to respond to market conditions.

Our investments in owned and leased real property (including through joint ventures) subject us to various risks that may not be applicable to managed or franchised properties, including:

- governmental regulations relating to real estate ownership or operations, including tax, environmental, zoning and eminent domain laws;
- fluctuations or loss in value of real estate or potential impairments in the value of our assets due to changes in market conditions and expectations of future hotels revenues and costs of operations in the area in which real estate or assets are located;
- increased potential civil liability for accidents or other occurrences on owned or leased properties;

- the ongoing need for capital improvements and expenditures funded by us to maintain or upgrade properties, some of which were constructed many years ago, and contractual requirements to deliver properties back to landlords in a particular state of repair and condition at the end of a lease term;
- construction delays, lack of availability of required construction materials or cost overruns (including labor and materials) related to necessary capital improvements of owned and leased properties;
- periodic total or partial closures due to renovations and facility improvements;
- risks associated with any mortgage debt, including the possibility of default, fluctuating interest rate levels, particularly in the current interest rate environment, and uncertainties in the availability of replacement financing;
- the inability to rebuild a property that has been damaged or destroyed by casualty, including a climate-related weather event, as a result of governmental regulations or other restrictions;
- the inability to renew our leases on favorable terms or at all;
- our limited ability to influence the decisions and operations of joint ventures in which we have a minority interest;
- force majeure events, including earthquakes, tornadoes, hurricanes, wildfires, floods, tsunamis, climate-related weather events, outbreaks of pandemic or contagious diseases or acts of terrorism;
- contingent liabilities that exist after we have exited a property;
- costs linked to the employment and management of staff to run and operate an owned or leased property;
- increased operating costs including energy, insurance, food and beverage, supplies and other operating costs; and
- the relative illiquidity of real estate compared to some other assets.

The negative effect on profitability and cash flow from declines in revenues is more pronounced in owned and leased properties because we, as the owner or lessee, bear the risk of the costs required to own and operate a hotel. Further, during times of economic distress, declining demand and declining earnings often result in declining asset values, and we or our joint ventures may not be able to sell properties or exit leasing arrangements on favorable terms or at all. Accordingly, we may not be able to adjust our owned and leased property portfolio promptly in response to changes in economic or other conditions.

Failures in, material damage to or interruptions in our information technology systems, software or websites, including as a result of cyber-attacks on our systems or systems operated by third parties that provide operational and technical services to us, costs associated with protecting the integrity and security of personal data and other sensitive information and difficulties in updating our existing software or developing or implementing new software could have a material adverse effect on our business or results of operations.

We depend heavily upon our information technology systems in the conduct of our business. We develop, own and license or otherwise contract for sophisticated technology systems and services for property management, procurement, finance, human resources, reservations, distribution and the operation of the Hilton Honors guest loyalty program. Such systems are subject to, among other things, damage or interruption from power outages, computer and telecommunications failures, computer viruses, third-party criminal activity including "ransomware" or other malware and natural and man-made disasters. Although we have a cold disaster recovery site in a separate location and cloud backup processes to back up our core reservation, property management, distribution and financial systems, certain of our data center operations are currently located in a single facility or with a single cloud-based provider. Although we continue to renovate and migrate portions of our operations to cloud-based providers while simultaneously building and operating new applications and services with those cloud-based providers, any loss or damage to our primary physical or cloud-based facilities could result in operational disruption and data loss as we transfer production operations to our disaster recovery site or cloud providers. Damage or interruption to our information systems may require a significant investment to update, remediate or replace with alternate systems, and we may suffer interruptions in our operations as a result. In addition, costs and potential problems or interruptions associated with the implementation of new or upgraded systems and technology or with maintenance or support of existing systems could also disrupt or reduce the efficiency of our operations. Any material interruptions or failures in our systems, including those that may result from our failure to adequately develop, implement and maintain a robust disaster recovery plan and backup systems could severely affect our

ability to conduct normal business operations and, as a result, have a material adverse effect on our business operations and financial performance.

We rely on third parties for the performance of a significant portion of our information technology functions worldwide. In particular, our loyalty platform, property management, reservation and distribution systems rely on data communications networks and systems operated by unaffiliated third parties and cloud providers. The success of our business depends in part on maintaining our relationships with these third parties and their continuing ability to perform these functions and services in a timely and satisfactory manner. If we experience a loss or disruption in the provision of any of these functions or services, or they are not performed in a satisfactory manner, we may have difficulty in finding alternate providers on terms favorable to us, in a timely manner or at all, and our business could be adversely affected.

We rely on certain vendors for traditional software and cloud/software-as-a-service operations to maintain and periodically upgrade many of these systems and applications so that they can continue to support our business. The software programs supporting many of our systems were licensed to us by independent software developers. The inability of these developers or us to continue to maintain and upgrade these information systems and software programs would disrupt or reduce the efficiency of our operations if we were unable to convert to alternate systems in an efficient and timely manner.

We are vulnerable to various risks and uncertainties associated with our websites and mobile applications, including changes in required technology interfaces, website and mobile application downtime and other technical failures, unexpected costs and changes and issues as we upgrade our website software and mobile applications. Additional risks include computer malware, changes in applicable federal, state and international regulations, security breaches, legal claims related to our website operations, e-commerce fulfillment and other consumer privacy concerns. Our failure to successfully respond to these risks and uncertainties could reduce website and mobile application sales and have a material adverse effect on our business or results of operations.

Cyber-attacks could have a disruptive effect on our business.

From time to time we and our third-party service providers experience cyber-attacks, attempted and actual breaches of our or their information technology systems and networks or similar events, which could result in a loss of sensitive business or customer information, systems interruption or the disruption of our operations. The techniques that are used to obtain unauthorized access, disable or degrade service or sabotage systems change frequently and may be difficult to detect for long periods of time, and despite our deployment of cyber-attack prevention and detection techniques, we are accordingly unable to anticipate and prevent all data security incidents. We have in the past been subject to cyber-attacks and expect that we will be subject to additional cyber-attacks in the future and may experience data breaches.

Even if we are fully compliant with legal standards and contractual or other requirements, we still may not be able to prevent security breaches involving sensitive data. The sophistication of efforts by hackers to gain unauthorized access to information systems has continued to increase in recent years and may continue to do so. Breaches, thefts, losses or fraudulent uses of customer, employee or company data could cause consumers to lose confidence in the security of our websites, mobile applications, point of sale systems and other information technology systems and, as a result of this loss in confidence, choose not to purchase from us. Such security breaches also could expose us to risks of data loss, business disruption, litigation, fines, regulatory charges and other costs or liabilities, any of which could adversely affect our business.

We are exposed to risks and costs associated with protecting the integrity and security of personal data and other sensitive information.

We are subject to various risks and costs associated with the collection, handling, storage and transmission of sensitive information, including costs related to compliance with U.S. and foreign data collection and privacy laws and other contractual obligations, as well as risks associated with the compromise of our systems collecting such information. Many jurisdictions, including the European Union ("E.U."), the U.K., China and certain states within the U.S., have passed laws that require companies to meet specific requirements regarding the handling of personal data. We collect internal and customer data, including credit card numbers and other personally identifiable information for a variety of important business purposes, including managing our workforce, providing requested products and services and maintaining guest preferences to enhance customer service and for marketing and promotion purposes. We could be exposed to fines, penalties, restrictions, litigation, reputational harm or other expenses, or other adverse effects on our business, due to failure to protect personal data and other sensitive information or failure to maintain compliance with the various U.S. and foreign data collection and privacy laws or with credit card industry standards or other applicable data security standards.

In addition, U.S. states and the federal government have enacted additional laws and regulations to protect consumers against identity theft. These laws and similar laws in other jurisdictions have increased the costs of doing business, and failure on our part to implement appropriate safeguards or to detect and provide prompt notice of unauthorized access as required by some of these laws could subject us to potential claims for damages and other remedies. If we were required to pay any significant amounts in satisfaction of claims under these laws, or if we were forced to cease our business operations for any length of time as a result of our inability to comply fully with any such law, our business, operating results and financial condition could be adversely affected.

Failure to keep pace with developments in technology could adversely affect our operations or competitive position.

The hospitality industry demands the use of sophisticated technology and systems for property management, brand assurance and compliance, procurement, reservation systems, operation of our guest loyalty programs, distribution of hotel resources to current and future customers and guest amenities. These technologies may require refinements and upgrades, and third parties may cease support of systems that are currently in use. The development and maintenance of these technologies may require significant investment by us. As various systems and technologies become outdated or new technology is required, we may not be able to replace or introduce them as quickly as needed or in a cost-effective and timely manner. In some cases, hotel owners may refuse to upgrade systems or deploy new technology to replace aging or end-of-life software and/or hardware. As a result, our business operations could be disrupted and our competitive position could decline, adversely affecting our financial performance, or we may not achieve the benefits we may have been anticipating from any new technology or system.

Because third parties provide us with a number of operational and technical services, third-party security incidents could expose us to liability, harm our reputation, damage our competitiveness and adversely affect our financial performance.

Third parties provide us with certain operational and technical services. These third parties may have access to our systems, provide hosting services, or otherwise process data about us or our guests, employees or partners. Any third-party security incident could compromise the integrity or availability of or result in the theft of confidential or otherwise sensitive data, which could negatively impact our operations. Unauthorized access to data and other confidential or proprietary information may be obtained through break-ins, network breaches by unauthorized parties, employee theft or misuse or other misconduct. We rely on the internal processes and controls of third-party software and application vendors to maintain the security of all software code provided to or used by Hilton. Should those vendors fail to secure their products then we are at risk of unintentionally injecting malware into our systems via compromised software code they provide. The occurrence of any of the foregoing could negatively affect our reputation, our competitive position and our financial performance, and we could face lawsuits and potential liability.

Delays in service from third-party service providers could expose us to liability, harm our reputation, damage our competitiveness and adversely affect our financial performance.

From time to time, we may rely on a single or limited number of suppliers for the provision of various goods or services that we use in the operation of our business. The inability of such third parties to satisfy our or our guests' requirements could disrupt our business operations or make it more difficult for us to implement our business strategy. If any of these situations were to occur, our reputation could be harmed, we could be subject to third-party liability, including under data protection and privacy laws in certain jurisdictions, and our financial performance could be negatively affected.

Failure to comply with marketing and advertising laws, including with regard to direct marketing, could result in fines or place restrictions on our business.

We rely on a variety of direct marketing techniques, including telemarketing, email and social media marketing and postal mailings, and we are subject to various laws and regulations in the U.S. and internationally that govern marketing and advertising practices. Any further restrictions in laws and court or agency interpretations of such laws, such as the Telephone Consumer Protection Act of 1991, the Telemarketing Sales Rule, the CAN-SPAM Act of 2003, various U.S. state laws, such as the California Privacy Rights Act, international data protection laws, such as the E.U. General Data Protection Regulation ("GDPR"), and laws limiting the cross-border transfer of data that govern these activities or new laws that become effective in the future could adversely affect current or planned marketing activities and cause us to change our marketing strategy. If this occurs, we may not be able to develop adequate alternative marketing strategies, which could affect our ability to maintain relationships with our customers and acquire new customers. We also obtain access to names of potential customers from travel service providers or other companies, and we market to some individuals on these lists directly or through other companies' marketing materials. If access to these lists were prohibited or otherwise restricted, our ability to develop new customers and introduce them to products could be impaired.

The growth of internet reservation channels could adversely affect our business and profitability.

A significant percentage of hotel rooms for individual guests are booked through internet travel intermediaries, to whom we commit to pay various commissions and transaction fees for sales of our rooms through their systems. Search engines and peer-to-peer inventory sources also provide online travel services that compete with our business. If these bookings increase, these hospitality intermediaries may be able to obtain higher commissions or other significant concessions from us or our franchisees. These hospitality intermediaries also may reduce bookings at our hotel properties by de-ranking our hotels in search results on their platforms, and other online providers may divert business away from our hotels. Although our contracts with many hospitality intermediaries limit transaction fees for hotels, there can be no assurance that we will be able to renegotiate these contracts upon their expiration with terms as favorable as the provisions that existed before the expiration, replacement or renegotiation. Moreover, hospitality intermediaries generally employ aggressive marketing strategies, including expending significant resources for online and television advertising campaigns to drive consumers to their websites. As a result, consumers may develop brand loyalties to the intermediaries' brands, websites and reservations systems rather than to the Hilton brands and systems. If this happens, our business and profitability may be significantly affected over time as shifting customer loyalties divert bookings away from our websites, which increases costs to hotels in our system. Internet travel intermediaries also have been subject to regulatory scrutiny, particularly in Europe. The outcome of this regulatory activity may affect our ability to compete for direct bookings through our own internet channels.

In addition, although internet travel intermediaries have traditionally competed to attract individual leisure consumers or transient business rather than group business for meetings and events, in recent years they have expanded their business to include marketing to group business and also to corporate transient business. If that growth continues, it could both divert group and corporate transient business away from our hotels and also increase our cost of sales for group and corporate transient business. Consolidation of internet travel intermediaries, or the entry of major internet companies into the internet travel bookings business, also could divert bookings away from our websites and increase our hotels' cost of sales.

Our reservation system is an important component of our business operations and a disruption to its functioning could have an adverse effect on our performance and results.

We manage a global reservation system that communicates reservations to our branded hotels when made by individuals directly, either online, by telephone to our call centers, through devices via our mobile application, or through intermediaries like travel agents, internet travel websites and other distribution channels. The cost, speed, efficacy and efficiency of the reservation system are important aspects of our business and are important considerations of hotel owners in choosing to affiliate with our brands. Any disruption to the continuity of our reservation system, including any failure to maintain or upgrade such system, may adversely affect our ability to serve customers effectively and support reservations at our hotels.

The cessation, reduction or taxation of program benefits of our Hilton Honors guest loyalty program could adversely affect the Hilton brands and guest loyalty.

We manage the Hilton Honors guest loyalty program for all of the brands that we operate. Program members accumulate points primarily based on eligible stays and hotel charges and redeem the points for a range of benefits including free rooms and other items of value. The program is an important aspect of our business and of the affiliation value for hotel owners under management and franchise contracts. System hotels, including, without limitation, third-party hotels under management and franchise contracts, contribute a percentage of the charges incurred by members of the loyalty program for each stay of a program member. In addition to the accumulation of points for future hotel stays at our brands, Hilton Honors arranges with third parties, such as airlines, other transportation services, online vendors, retailers and credit card companies, to sell Hilton Honors points for the use of their customers and/or to allow Hilton Honors members to use or exchange points for products or services made available to loyalty program members by those third parties. Currently, the program benefits are not taxed as income to members. If the program awards and benefits are materially altered, curtailed or taxed such that a material number of Hilton Honors members choose to no longer participate in the program, our business could be adversely affected.

Because we derive a portion of our revenues from operations outside the U.S., the risks of doing business internationally could lower our revenues, increase our costs, reduce our profits or disrupt our business.

We currently manage, franchise, own or lease hotels and resorts in 123 countries and territories around the world. Our rooms outside the U.S. represented approximately 31 percent, 30 percent and 28 percent of our system-wide rooms for the years ended December 31, 2022, 2021 and 2020, respectively. We expect that our international operations will continue to account for a material portion of our results. As a result, we are subject to the risks of doing business outside the U.S., including:

- rapid changes in governmental, economic or political policy, wars, political or civil unrest, acts of terrorism or the threat of international boycotts or U.S. anti-boycott legislation;
- increases in anti-American sentiment and the identification of our licensed brands as an American brand;
- recessionary trends or economic instability in international markets;
- changes in foreign currency exchange rates or currency restructurings and hyperinflation or deflation in the countries in which we operate;
- the effect of disruptions, including the temporary closure of hotel properties, caused by severe weather or climate-related events, natural disasters (including as a result of climate change), outbreak of disease, such as COVID-19, or other events that make travel to a particular region less attractive or more difficult;
- the presence and acceptance of varying levels of business corruption in international markets and the effect of various anti-corruption and other laws;
- the imposition of restrictions on currency conversion or the transfer of funds or limitations on our ability to repatriate non-U.S. earnings in a tax-efficient manner;
- the ability to comply with or the effect of complying with complex and changing laws, sanctions, regulations and policies of foreign governments that may affect investments or operations, including foreign ownership restrictions, import and export controls, tariffs, embargoes, increases in taxes paid and other changes in applicable tax laws;
- the ability to comply with or the effect of complying with developing laws, regulations and policies of foreign governments with respect to human rights, including in the supply chain;
- instability or changes in a country's or region's economic, regulatory or political conditions, including inflation, recession, interest rate fluctuations and actual or anticipated military or political conflicts or any other change;
- political, economic and other uncertainty resulting from the U.K.'s exit from the E.U. (commonly known as "Brexit"), the terms of which could adversely affect our business;
- uncertainties as to local laws regarding, and enforcement of, contract and IP rights;
- forced nationalization of our properties by local, state or national governments; and
- the difficulties involved in managing an organization doing business in many different countries.

These factors may adversely affect the revenues earned from our hotels and resorts (as well as the market value of properties that we own or lease) located in international markets. While these factors and the effect of these factors are difficult to predict, any one or more of them could lower our revenues, increase our costs, reduce our profits or disrupt our business operations.

Failure to comply with laws and regulations applicable to our international operations may increase costs, reduce profits, limit growth or subject us to broader liability.

Our business operations in countries outside the U.S. are subject to a number of laws and regulations, including restrictions imposed by the Foreign Corrupt Practices Act ("FCPA"), as well as trade sanctions administered by the Office of Foreign Assets Control ("OFAC"). Although we have policies in place designed to comply with applicable sanctions, rules and

regulations, it is possible that hotels we manage, own or lease in the countries and territories in which we operate may provide services to or receive funds from persons subject to sanctions. Where we have identified potential violations in the past, we have taken appropriate remedial action including filing voluntary disclosures to OFAC. In addition, some of our operations may be subject to the laws and regulations of non-U.S. jurisdictions, including the U.K.'s Bribery Act 2010, which contains significant prohibitions on bribery and other corrupt business activities, and other local anti-corruption laws in the countries and territories in which we conduct operations.

If we fail to comply with these laws and regulations, we could be exposed to claims for damages, financial penalties, reputational harm and incarceration of employees or restrictions on our operation or ownership of hotels and other properties, including the termination of management, franchising and ownership rights. In addition, in certain circumstances, the actions of parties affiliated with us (including our owners, joint venture partners, employees and agents) may expose us to liability under the FCPA, U.S. sanctions or other laws. These restrictions could increase costs of operations, reduce profits or cause us to forgo development opportunities that would otherwise support growth.

In addition, we are subject to a number of modern slavery, human trafficking and forced labor reporting, training and mandatory due diligence laws in various jurisdictions and expect additional statutory regimes to combat these crimes to be enacted in the future. The impact of these laws, such as the U.K's Modern Slavery Act 2015 and the German Supply Chain Due Diligence Act, and similar legislation on hotel operations could increase costs of operations and reduce our profits.

Collective bargaining activity could disrupt our operations, increase our labor costs or interfere with the ability of our management to focus on executing our business strategies.

A significant number of our employees and employees of our hotel owners are covered by collective bargaining agreements and similar agreements, including approximately 30 percent of people employed or managed by us globally. If relationships with our employees or employees of our hotel owners or the unions that represent them become adverse, the properties we manage, franchise, own or lease could experience labor disruptions such as strikes, lockouts, boycotts and public demonstrations. A number of our collective bargaining agreements are in the process of being renegotiated, and, if more employees become unionized, we may be required to negotiate additional collective bargaining agreements in the future. Labor disputes, which may be more likely when collective bargaining agreements are being negotiated, could harm our relationship with our employees or employees of our hotel owners, result in increased regulatory inquiries and enforcement by governmental authorities and deter guests. Further, adverse publicity related to a labor dispute could harm our reputation and reduce customer demand for our services. Labor regulation and the negotiation of new or existing collective bargaining agreements could lead to higher wage and benefit costs, changes in work rules that raise operating expenses, legal costs and limitations on our ability or the ability of our third-party property owners to take cost saving measures during economic downturns. We do not have the ability to influence the negotiations of collective bargaining agreements covering unionized labor employed by third-party property owners. Increased unionization of our workforce, new labor legislation or changes in regulations could disrupt our operations and our ability to promote services expected by customers, reduce our profitability or interfere with the ability of our management to focus on executing our business strategies.

Labor shortages could restrict our ability to operate our properties or grow our business or result in increased labor costs that could adversely affect our results of operations.

Our success depends in large part on our ability to attract, retain, train, manage and engage employees. The COVID-19 pandemic has negatively affected the labor market for employers. Labor shortages have affected the ability of our hotels to hire or re-hire employees during the ongoing recovery from the downturn caused by the pandemic. Among the factors that caused the labor shortages are the relative reduced appeal of working in the hospitality industry in a downturn, alternatives available in other industries and perceived health and safety concerns. As of December 31, 2022, we employed or managed approximately 159,000 individuals at our managed, owned and leased hotels and corporate offices around the world. If we are unable to attract, retain, train, manage and engage skilled individuals, our ability to staff and operate the hotels that we manage, own and lease could be diminished, which could reduce customer satisfaction, and our ability to manage our corporate business could be adversely affected. In addition, the inability of our franchisees to attract, retain, train, manage and engage skilled employees for the franchised hotels could adversely affect the reputation of our brands. Staffing shortages in various parts of the world also could hinder our ability to grow and expand our businesses. Because payroll costs are a major component of the operating expenses at our owned, leased and managed hotels, as well as our franchised hotels, a shortage of skilled labor could also require higher wages that would increase labor costs, which could adversely affect our results of operations and the results of hotels that we manage on behalf of third-party owners. Additionally, an increase in minimum wage rates could increase costs and reduce profits for us and our franchisees, which could, in turn, lower demand from third-party owners to add hotels to our system. We also face challenges with respect to retaining corporate employees. If we lost the services of one or more senior

executives, this could adversely affect strategic relationships, including relationships with third-party hotel owners, significant customers, joint venture partners and vendors, and limit our ability to execute our business strategies.

Any failure to protect our trademarks and other IP could reduce the value of the Hilton brands and harm our business.

The recognition and reputation of our brands are important to our success. We have a significant number of trademark registrations in jurisdictions around the world for use in connection with our services, plus at any given time, a number of pending applications for trademarks and other IP. However, those trademark or other IP registrations may not be granted or the steps we take to use, control or protect our trademarks or other IP in the U.S. and other jurisdictions may not always be adequate to prevent third parties from copying or using the trademarks or other IP without authorization. We may also fail to obtain and maintain trademark protection for all of our brands in all jurisdictions. For example, in certain jurisdictions, third parties have registered or otherwise have the right to use certain trademarks that are the same as or similar to our trademarks, which could prevent us from registering trademarks and opening hotels in those jurisdictions. Third parties may also challenge our rights to certain trademarks or oppose our trademark applications. Defending against any such proceedings may be costly, and if unsuccessful, could result in the loss of important IP rights. Obtaining and maintaining trademark protection for multiple brands in multiple jurisdictions is also expensive, and we may therefore elect not to apply for or to maintain certain trademarks.

Our IP is also vulnerable to unauthorized copying or use where local law, or lax enforcement of law, may not provide adequate protection. If our trademarks or other IP are improperly used, the value and reputation of the Hilton brands could be harmed. There are times where we may need to resort to litigation to enforce our IP rights. Litigation of this type could be unsuccessful, costly, force us to divert our resources, lead to counterclaims or other claims against us or otherwise harm our business or reputation. In addition, we license certain of our trademarks to third parties. For example, we have granted HGV the right to use certain of our IP in its timeshare business and we grant our franchisees a right to use certain of our IP in connection with their operation of the licensed hotel property. If HGV, a franchisee or other licensee fails to maintain the quality of the goods and services used in connection with the licensed trademarks, our rights to, and the value of, our trademarks could be harmed. Failure to maintain, control and protect our trademarks and other IP could likely adversely affect our ability to attract guests or third-party owners, and could adversely affect our results.

In addition, we license the right to use certain IP from unaffiliated third parties, including the right to grant sublicenses to franchisees. If we are unable to use this IP, our ability to generate revenue from such properties may be diminished.

Third-party claims that we infringe IP rights of others could subject us to damages and other costs and expenses.

Third parties may make claims against us for infringing their patent, trademark, copyright or other IP rights or for misappropriating their trade secrets. We have been and are currently party to a number of such claims and may receive additional claims in the future. Any such claims, even those without merit, could:

- be expensive and time consuming to defend, and result in significant damages;
- force us to stop using the IP that is being challenged or to stop providing products or services that use the challenged IP;
- force us to redesign or rebrand our products or services;
- require us to enter into royalty, licensing, co-existence or other contracts to obtain the right to use a third party's IP;
- limit our ability to develop new IP; and
- limit the use or the scope of our IP or other rights.

In addition, we may be required to indemnify third-party owners of the hotels that we manage for any losses they incur as a result of any infringement claims against them. All necessary royalty, licensing or other contracts may not be available to us on acceptable terms. Any adverse results associated with third-party IP claims could negatively affect our business.

Exchange rate fluctuations and foreign exchange hedging arrangements could result in significant foreign currency gains and losses that affect our business results.

Conducting business in currencies other than the U.S. dollar ("USD") subjects us to fluctuations in foreign currency exchange rates that could have a negative effect on our financial results. We earn revenues and incur expenses in foreign currencies as part of our operations outside of the U.S. As a result, fluctuations in foreign currency exchange rates may significantly increase the amount of USD required for foreign currency denominated expenses or significantly decrease the USD received from foreign currency denominated revenues. We also have exposure to currency translation risk because, generally, the results of our business outside of the U.S. are reported in local currencies and then translated to USD for inclusion in our consolidated financial statements. As a result, changes between the foreign currency exchange rates and the USD will affect the recorded amounts of our foreign assets, liabilities, revenues and expenses and could have a negative effect on our financial results. Our exposure to foreign currency exchange rate fluctuations will grow if the relative contribution of our operations outside the U.S. increases.

To mitigate foreign currency exposure, we may enter into foreign exchange derivatives with financial institutions. However, these derivatives may not eliminate foreign currency exchange rate risk entirely and involve costs and risks of their own in the form of transaction costs, credit requirements, interest rate differentials and counterparty risk.

If the insurance that we or our owners carry does not sufficiently cover damage or other potential losses or liabilities to third parties involving properties that we manage, franchise, own or lease, our profits could be reduced.

We operate in certain areas where the risk of natural or climate-related disaster or other catastrophic losses exists, and the occasional incidence of such an event could cause substantial damage to us, our owners or the surrounding area. We carry, and/or we require our owners to carry, insurance from solvent insurance carriers that we believe is adequate for foreseeable first-party and third-party losses and with terms and conditions that are reasonable and customary. Nevertheless, market forces beyond our control, such as the natural, climate-related and man-made disasters that occurred in recent years, could limit the scope of the insurance coverage that we and our owners can obtain or may otherwise restrict our or our owners' ability to buy insurance coverage at reasonable rates. We anticipate increased costs of property, general liability and excess liability insurance across the portfolio in 2023 due to the significant losses that insurers suffered globally in recent years. In the event of a substantial loss, the insurance coverage that we and/or our owners carry may not be sufficient to pay the full value of our financial obligations, our liabilities or the replacement cost of any lost investment or property. Additionally, certain types of losses may be uninsurable or prohibitively expensive to insure. In addition, other types of losses or risks that we may face could fall outside of the general coverage terms and limits of our policies.

The U.S. Terrorism Risk Insurance Program (the "Program") provides insurance capacity for terrorist acts and is currently authorized through December 31, 2027. If the Program is not extended or renewed upon its expiration in 2027, or if there are changes to the Program that would negatively affect insurance carriers, premiums for terrorism insurance coverage will likely increase and/or the terms of such insurance may be materially amended to increase stated exclusions or to otherwise effectively decrease the scope of coverage available, perhaps to the point where it is effectively unavailable.

In some cases, these factors could result in certain losses being completely uninsured. As a result, we or owners of hotels that we manage or franchise could lose some or all of the capital we or they have invested in a property, as well as the anticipated future revenues, profits, management fees or franchise fees from the property.

Climate change could adversely affect our business.

As an operator and franchisor of hotel properties in 123 countries, we are subject to the physical effects of climate change, including sea level rise, droughts and intensified storms and other weather events. Damage to our hotels resulting from the physical effects of climate change could lower demand for travel to certain locales and affect the performance of certain of our hotels, which could in turn have a negative impact on our results of operations.

Our business is subject to evolving corporate governance and public disclosure regulations and expectations, including with respect to ESG matters, that could expose us to numerous risks.

We are subject to the evolving rules and regulations with respect to ESG matters of a number of governmental and self-regulatory bodies and organizations, including the SEC, the New York Stock Exchange ("NYSE") and the Financial Accounting Standards Board, that could make compliance more difficult and uncertain. In addition, regulators, guests, investors, employees and other stakeholders are increasingly focused on ESG matters and related disclosures. These changing

rules, regulations and stakeholder expectations have resulted in, and are likely to continue to result in, increased general and administrative expenses and increased management time and attention to comply with or meet those regulations and expectations. Developing and acting on ESG initiatives and collecting, measuring and reporting ESG related information and metrics can be costly, difficult and time consuming. Further, ESG related information is subject to evolving reporting standards, including the SEC's proposed climate-related reporting requirements. Our ESG initiatives and goals could be difficult and expensive to implement, and we could be criticized for the accuracy, adequacy or completeness of our ESG disclosures. Further, statements about our ESG related initiatives and goals, and progress against those goals, may be based on standards for measuring progress that are still developing, internal controls and processes that continue to evolve and assumptions that are subject to change in the future. In addition, we could be criticized for the scope or nature of such initiatives or goals, or for revisions to these goals. If our ESG-related data, processes and reporting are incomplete or inaccurate, or if we fail to achieve progress with respect to our ESG goals on a timely basis, or at all, our reputation and financial results could be adversely affected.

Legal and Regulatory Risks

Governmental regulation may adversely affect the operation of our properties.

In many jurisdictions, the hospitality industry is subject to extensive foreign or U.S. federal, state and local governmental regulations, including those relating to the service of alcoholic beverages, the preparation and sale of food and those relating to building and zoning requirements. We are also subject to licensing and regulation by foreign or U.S. state and local departments relating to health, sanitation, fire and safety standards, and to laws governing our relationships with employees, including minimum wage requirements, overtime, working conditions status and citizenship requirements. These requirements are complex and subject to frequent revision, with changes at the U.S. federal level often accompanying new U.S. presidential administrations. We or our third-party owners may be required to expend funds to meet foreign or U.S. federal, state and local regulations in connection with the construction, continued operation or remodeling of certain of our properties. The failure to meet the requirements of applicable regulations and licensing requirements, or publicity resulting from actual or alleged failures, could have an adverse effect on our results of operations. For instance, in 2010, we entered into a settlement with the U.S. Department of Justice related to compliance with the Americans with Disabilities Act ("ADA"). Although the bulk of our obligations under this settlement expired in 2015, certain managed and franchised hotels remain under an obligation to remove architectural barriers at their facilities. We have an obligation to have an independent consultant to monitor those barrier removal efforts. If we fail to comply with any of the requirements of the ADA, we could be subject to fines, penalties, injunctive action, reputational harm, guest, advocacy group or employee lawsuits, and other business effects that could materially and negatively affect our performance and results of operations.

Changes in U.S. federal, state and local or foreign tax law, interpretations of existing tax law or adverse determinations by tax authorities, could increase our tax burden or otherwise adversely affect our financial condition or results of operations.

We are subject to taxation at the federal, state or provincial and local levels in the U.S. and various other countries and jurisdictions. Our future effective tax rate could be affected by changes in the composition of earnings in jurisdictions with differing tax rates, changes in statutory rates and other legislative changes, changes in the valuation of our deferred tax assets and liabilities, or changes in determinations regarding the jurisdictions in which we are subject to tax. From time to time, the U.S. federal, state and local and foreign governments make substantive changes to tax rules and their application, which could result in materially higher corporate taxes than would be incurred under existing tax law and could adversely affect our financial condition or results of operations.

We are subject to ongoing and periodic tax audits and disputes in U.S. federal and various state, local and foreign jurisdictions. In particular, our consolidated U.S. federal income tax returns for the fiscal years ended December 31, 2011 through December 31, 2018 are actively under audit by the Internal Revenue Service ("IRS"). The IRS previously proposed material increases to our income tax liability related to our Hilton Honors guest loyalty program through the tax year ended December 31, 2013, which we resolved through a settlement. The taxation of the Hilton Honors program continues to be subject to audit. We may in the future be assessed tax on issues similar to those which were resolved through the 2013 tax year, and the amounts of any such future assessments may be material. An unfavorable outcome from any tax audit could result in higher tax costs, penalties and interest, thereby adversely affecting our financial condition or results of operations.

Foreign or U.S. environmental laws and regulations may cause us to incur substantial costs or subject us to potential liabilities.

We are subject to certain compliance costs and potential liabilities under various foreign and U.S. federal, state and local environmental, health and safety laws and regulations. These laws and regulations govern actions including air emissions, the use, storage and disposal of hazardous and toxic substances and wastewater disposal. Our failure to comply with such laws, including obtaining and maintaining any required permits or licenses, could result in substantial fines or possible revocation of our authority to conduct some of our operations. We could also be liable under such laws for the costs of investigation, removal or remediation of hazardous or toxic substances at our currently or formerly owned, leased or operated real property (including managed and franchised properties) or at third-party locations in connection with our waste disposal operations, regardless of whether or not we knew of, or caused, the presence or release of such substances. From time to time, we may be required to remediate such substances or remove, abate or manage asbestos, mold, radon gas, lead or other hazardous conditions at our properties. The presence or release of such toxic or hazardous substances could result in third-party claims for personal injury, property or natural resource damages, business interruption or other losses. Such claims and the need to investigate, remediate or otherwise address hazardous, toxic or unsafe conditions could adversely affect our operations, the value of any affected real property, or our ability to sell, lease or assign our rights in any such property, or could otherwise harm our business or reputation. Environmental, health and safety requirements have also become increasingly stringent, and our costs to comply with such requirements may increase as a result. New or revised laws and regulations or new interpretations of existing laws and regulations, such as those intended to lessen the impact of climate change, could affect the operation of our properties or result in significant additional expense and operating restrictions on us.

Risks Related to Our Spin-offs

The spin-offs could result in substantial tax liability to us and our stockholders.

We received a private letter ruling from the IRS on certain issues relevant to qualification of the spin-offs as tax-free distributions under Section 355 of the Internal Revenue Code of 1986, as amended (the "Code"). Although the private letter ruling generally is binding on the IRS, the continued validity of the private letter ruling will be based upon and subject to the accuracy of factual statements and representations made to the IRS by us. Further, the private letter ruling is limited to specified aspects of the spin-offs under Section 355 of the Code and does not represent a determination by the IRS that all of the requirements necessary to obtain tax-free treatment to holders of our common stock and to us have been satisfied. Moreover, if any statement or representation upon which the private letter ruling was based was incorrect or untrue in any material respect, or if the facts upon which the private letter ruling was based were materially different from the facts that prevailed at the time of the spin-offs, the private letter ruling could be invalidated. The opinion of tax counsel we received in connection with the spin-offs regarding the qualification of the spin-offs as tax-free distributions under Section 355 of the Code similarly relied on, among other things, the continuing validity of the private letter ruling and various assumptions and representations as to factual matters made by each of the spun-off companies and us which, if inaccurate or incomplete in any material respect, would jeopardize the conclusions reached by counsel in its opinion. The opinion is not binding on the IRS or the courts, and there can be no assurance that the IRS or the courts will not challenge the conclusions stated in the opinion or that any such challenge would not prevail. Additionally, recently enacted legislation denies tax-free treatment to a spin-off in which either the distributing corporation or the spun-off corporation is a REIT and prevents a distributing corporation or a spun-off corporation from electing REIT status for a 10-year period following a tax-free spin-off. Under an effective date provision, the legislation does not apply to distributions described in a ruling request initially submitted to the IRS before December 7, 2015. Because our initial request for the private letter ruling was submitted before that date and because we believe the distribution has been described in that initial request, we believe the legislation does not apply to the spin-off of Park. However, no ruling was obtained on that issue and thus no assurance can be given in that regard. In particular, the IRS or a court could disagree with our view regarding the effective date provision based on any differences that exist between the description in the ruling request and the actual facts relating to the spin-offs. If the legislation applied to the spin-off of Park, either the spin-off would not qualify for tax-free treatment or Park would not be eligible to elect REIT status for a 10-year period following the spin-off.

If the spin-offs and certain related transactions were determined to be taxable, the Company would be subject to a substantial tax liability that would have a material adverse effect on our financial condition, results of operations and cash flows. In addition, if the spin-offs were taxable, each holder of our common stock who received shares of Park and HGV would generally be treated as receiving a taxable distribution of property in an amount equal to the fair market value of the shares received.

Park or HGV may fail to perform under various transaction agreements that we executed as part of the spin-offs.

In connection with the spin-offs, we, Park and HGV entered into a distribution agreement and various other agreements, including a tax matters agreement, and, as to Park, management agreements, and, as to HGV, a license agreement. We are relying on Park and HGV to satisfy their performance and payment obligations under these agreements. In addition, it is possible that a court would disregard the allocation agreed to between us, Park and HGV and require that we assume responsibility for certain obligations allocated to Park and to HGV, particularly if Park or HGV were to refuse or were unable to pay or perform such obligations. In connection with the spin-offs, each of Park and HGV indemnified us with respect to such parties' assumed or retained liabilities pursuant to the distribution agreement and breaches of the distribution agreement or other agreements related to the spin-offs. There can be no assurance that the indemnities from each of Park and HGV will be sufficient to protect us against the full amount of these and other liabilities. Third parties also could seek to hold us responsible for any of the liabilities that Park and HGV have agreed to assume. Even if we ultimately succeed in recovering from Park or HGV any amounts for which we are held liable, we may be temporarily required to bear those losses ourselves. Each of these risks could negatively affect our business, financial condition, results of operations and cash flows. In addition, we agreed to indemnify each of Park and HGV from certain liabilities. Indemnities that we may be required to provide Park and/or HGV may be significant and could negatively affect our business.

Risks Related to Our Indebtedness

Our substantial indebtedness and other contractual obligations could adversely affect our financial condition, our ability to raise additional capital to fund our operations, our ability to operate our business, our ability to react to changes in the economy or our industry and our ability to pay our debts, and could require us to divert our cash flows from operations to make required debt or interest payments.

We have a significant amount of indebtedness. As of December 31, 2022, our total indebtedness, excluding the deduction for unamortized deferred financing costs and discount, was approximately $8.8 billion, and our contractual debt maturities of our long-term debt for the years ending December 31, 2023, 2024 and 2025 are $39 million, $33 million and $526 million, respectively. Our substantial debt and other contractual obligations could have important consequences, including:

- requiring a substantial portion of cash flow from operations to be dedicated to the payment of principal and interest on our indebtedness, thereby reducing our ability to use our cash flow to fund our operations, capital expenditures or dividends to stockholders and to pursue future business opportunities;
- increasing our vulnerability to adverse economic, industry or competitive developments;
- exposing us to increased interest expense, as our degree of leverage may cause the interest rates of any future indebtedness (whether fixed or floating rate interest) to be higher than they would be otherwise;
- exposing us to the risk of increased interest rates because certain of our indebtedness is at variable rates of interest;
- making it more difficult for us to satisfy our obligations with respect to our indebtedness, and any failure to comply with the obligations of any of our debt instruments, including restrictive covenants, could result in an event of default that accelerates our obligation to repay indebtedness;
- restricting us from making strategic acquisitions or causing us to make non-strategic divestitures;
- limiting our ability to obtain additional financing for working capital, capital expenditures, product development, satisfaction of existing debt service requirements, acquisitions and general corporate or other purposes; and
- limiting our flexibility in planning for, or reacting to, changes in our business or market conditions and placing us at a competitive disadvantage compared to our competitors who may be better positioned to take advantage of opportunities that our leverage prevents us from exploiting.

In December 2022, we amended the credit agreement that governs our senior secured credit facilities to reference the Secured Overnight Financing Rate ("SOFR") as the primary benchmark rate for our variable-rate indebtedness under this agreement in lieu of the London Interbank Offered Rate ("LIBOR"). SOFR is a relatively new reference rate with a limited history, and changes in SOFR have, on occasion, been more volatile than changes in other benchmark or market rates. As a result, the amount of interest we may pay on our variable-rate indebtedness may be difficult to predict.

We are a holding company, and substantially all of our consolidated assets are owned by, and most of our business is conducted through, our subsidiaries. Revenues from these subsidiaries are our primary source of funds for debt payments and operating expenses. If our subsidiaries are restricted from making distributions to us, that may impair our ability to meet our debt service obligations or otherwise fund our operations. Moreover, there may be restrictions on payments by subsidiaries to their parent companies under applicable laws, including laws that require companies to maintain minimum amounts of capital and to make payments to stockholders only from profits. As a result, although a subsidiary of ours may have cash, we may not be able to obtain that cash to satisfy our obligation to service our outstanding debt or fund our operations.

Servicing our indebtedness will require a significant amount of cash. Our ability to generate sufficient cash depends on many factors, some of which are not within our control.

Our ability to make payments on our indebtedness, to fund planned capital expenditures, to pay future dividends, if any, to our stockholders and repurchase our common stock will depend on our ability to generate cash in the future. To a certain extent, this is subject to general economic, financial, competitive, legislative, regulatory and other factors that are beyond our control. If we are unable to generate sufficient cash flow to service our debt and meet our other commitments, we may need to restructure or refinance all or a portion of our debt, sell material assets or operations or raise additional debt or equity capital. We may not be able to effect any of these actions on a timely basis, on commercially reasonable terms or at all, and these actions may not be sufficient to meet our capital requirements. In addition, the terms of our existing or future debt arrangements may restrict us from effecting any of these alternatives.

Certain of our debt agreements impose significant operating and financial restrictions on us and our subsidiaries, which may prevent us from capitalizing on business opportunities.

The indentures that govern our senior notes and the credit agreement that governs our senior secured credit facilities impose significant operating and financial restrictions on us. These restrictions limit our ability and/or the ability of our subsidiaries to, among other things:

- incur or guarantee additional debt or issue disqualified stock or preferred stock;
- pay dividends, including our subsidiaries paying dividends to us, and make other distributions on, or redeem or repurchase, capital stock;
- make certain investments;
- incur certain liens;
- enter into transactions with affiliates;
- merge or consolidate;
- enter into agreements that restrict the ability of restricted subsidiaries to make dividends or other payments to us;
- designate restricted subsidiaries as unrestricted subsidiaries; and
- transfer or sell assets.

In addition, the credit agreement requires us to maintain a consolidated secured net leverage ratio not to exceed 5.0 to 1.0 as of the last day of any period of four consecutive quarters.

As a result of these restrictions, we are limited as to how we conduct our business and we may be unable to raise additional debt or equity financing to compete effectively or to take advantage of new business opportunities. The terms of any future indebtedness we may incur could include more restrictive covenants. We may not be able to maintain compliance with these covenants in the future and, if we fail to do so, we may not be able to obtain waivers from the lenders and/or amend the covenants.

Our failure to comply with the restrictive covenants described above, as well as other terms of our other indebtedness and/or the terms of any future indebtedness from time to time, could result in an event of default, which, if not cured or waived, could result in our being required to repay these borrowings before their due date. If we are forced to refinance these

borrowings on less favorable terms or are unable to refinance these borrowings, our results of operations and financial condition could be adversely affected.

Despite our current level of indebtedness, we may be able to incur substantially more debt and enter into other transactions, which could further exacerbate the risks to our financial condition described above.

We may be able to incur significant additional indebtedness, including secured debt, in the future. Although the credit agreements and indentures that govern substantially all of our indebtedness contain restrictions on the incurrence of additional indebtedness and entering into certain types of other transactions, these restrictions are subject to a number of qualifications and exceptions. Additional indebtedness incurred in compliance with these restrictions could be substantial. These restrictions also do not prevent us from incurring obligations, such as trade payables, that do not constitute indebtedness as defined under our debt instruments. To the extent new debt is added to our current debt levels, the substantial leverage risks described in the preceding three risk factors would increase.

Risks Related to Ownership of Our Common Stock

Although we currently pay a quarterly cash dividend to holders of our common stock, we may change our dividend policy at any time.

Our dividend policy may change at any time without notice to our stockholders. As a result of the COVID-19 pandemic, we suspended payment of our quarterly cash dividend to holders of our common stock beginning in 2020, but resumed our quarterly dividend payments in June 2022. The declaration and payment of any future dividends is at the discretion of our board of directors in accordance with applicable law after taking into account various factors, including our financial condition, operating results, current and anticipated cash needs, limitations imposed by our indebtedness, legal requirements and other factors that our board of directors deems relevant. If we were to cease dividend payments, you may not receive any return on an investment in our common stock unless you sell your common stock for a price greater than that which you paid for it.

Anti-takeover provisions in our organizational documents and Delaware law might discourage or delay acquisition attempts for us that one might consider favorable.

Our amended and restated certificate of incorporation and amended and restated by-laws contain provisions that may make the merger or acquisition of our company more difficult without the approval of our board of directors. Among other things:

- although we do not have a stockholder rights plan, and would either submit any such plan to stockholders for ratification or cause such plan to expire within a year, these provisions would allow us to authorize the issuance of undesignated preferred stock in connection with a stockholder rights plan or otherwise, the terms of which may be established and the shares of which may be issued without stockholder approval, and which may include super voting, special approval, dividend or other rights or preferences superior to the rights of the holders of common stock;

- these provisions prohibit stockholder action by written consent unless such action is recommended by all directors then in office;

- these provisions provide that our board of directors is expressly authorized to make, alter or repeal our by-laws and that our stockholders may only amend our by-laws with the approval of 80 percent or more of all the outstanding shares of our capital stock entitled to vote; and

- these provisions establish advance notice requirements for nominations for elections to our board or for proposing matters that can be acted upon by stockholders at stockholder meetings.

Further, as a Delaware corporation, we are subject to provisions of Delaware law, which may impair a takeover attempt that our stockholders may find beneficial. These anti-takeover provisions and other provisions under Delaware law could discourage, delay or prevent a transaction involving a change in control of our company, including actions that our stockholders may deem advantageous, or negatively affect the trading price of our common stock. These provisions could also discourage proxy contests and make it more difficult for our stockholders to elect directors of their choosing and to cause us to take other corporate actions they desire.

(1) We own a controlling financial interest, but less than a 100 percent interest, in the entity that leases the property.

Corporate Headquarters and Regional Offices

Our corporate headquarters is located at 7930 Jones Branch Drive, McLean, Virginia 22102, which is under a lease agreement that expires in April 2037. We also own or lease corporate offices or centralized operations centers in Memphis, Tennessee; Glasgow, Scotland (Europe); Watford, England (Europe); Dubai, United Arab Emirates (Middle East and Africa); Singapore (Asia Pacific); Tokyo, Japan; Shanghai, China; and Mexico City, Mexico. Additionally, we have support operations and other commercial services at a leased office in Addison, Texas. We believe that our existing office properties are in good condition and are sufficient and suitable for the conduct of our business. In the event we need to expand our operations, or upon expiration of our current leases, we believe that suitable space will be available on commercially reasonable terms.

Item 3. Legal Proceedings

We are involved in various claims and lawsuits arising in the ordinary course of business, some of which include claims for substantial sums, including proceedings involving tort and other general liability claims, employee claims, consumer protection claims and claims related to our management of certain hotels. We recognize a liability when we believe the loss is probable and can be reasonably estimated. Most occurrences involving liability, claims of negligence and employees are covered by policies that we hold with solvent insurance carriers. The ultimate results of claims and litigation cannot be predicted with certainty. We believe we have adequate reserves against such matters. We currently believe that the ultimate outcome of such lawsuits and proceedings will not, individually or in the aggregate, have a material adverse effect on our consolidated financial position, results of operations or cash flows. However, depending on the amount and timing, an unfavorable resolution of some or all of these matters could materially affect our future results of operations in a particular period.

Item 5. Market for Registrant's Common Equity, Related Stockholder Matters and Issuer Purchases of Equity Securities

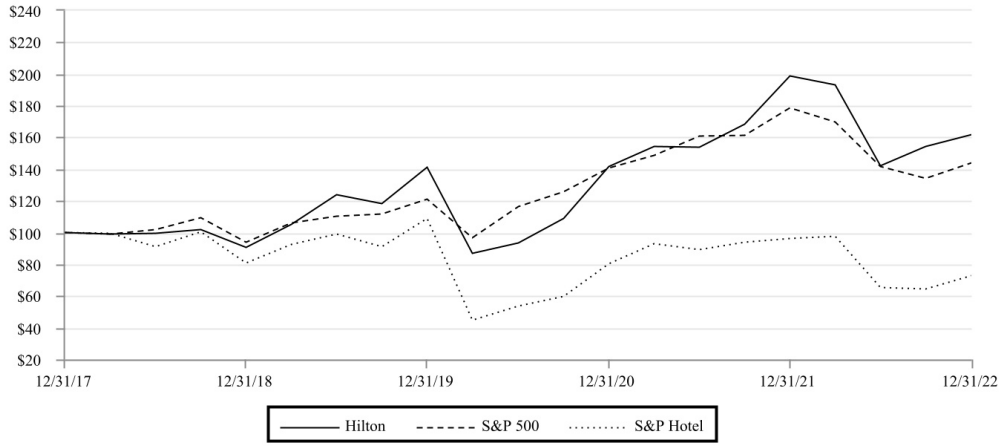

Market Information and Dividends

Our common stock is listed for trading on the NYSE under the symbol "HLT." As of December 31, 2022, there were seven holders of record of our common stock, which does not include a substantially greater number of beneficial holders whose shares are held of record by banks, brokers and other financial institutions.

In June 2022, we resumed payment of our regular quarterly cash dividends, which we had suspended in 2020 as a result of the COVID-19 pandemic, and we expect to continue paying regular cash dividends on a quarterly basis. Any decision to declare and pay dividends in the future will be made at the sole discretion of our board of directors, whose decision will depend on, among other things, our results of operations, cash requirements, financial condition, contractual restrictions and other factors that our board of directors may deem relevant. Because we are a holding company and have no direct operations, we will only be able to pay dividends from funds we receive from our subsidiaries.

Performance Graph

The following graph compares Hilton's cumulative total stockholder return since December 31, 2017 with the Standard and Poor's ("S&P") 500 Index ("S&P 500") and the S&P Hotels, Resorts & Cruise Lines Index ("S&P Hotel"). The graph assumes that the value of the investment in our common stock and each index was $100 on December 31, 2017 and that all dividends and other distributions were reinvested. The comparisons in the graph below are based on historical data and are not indicative of, or intended to forecast, future performance of our common stock.

Item 7. Management's Discussion and Analysis of Financial Condition and Results of Operations

The following discussion and analysis of our financial condition and results of operations should be read in conjunction with our consolidated financial statements and related notes included elsewhere in this Annual Report on Form 10-K.

For the discussion of the financial condition and results of operations for the year ended December 31, 2021 compared to the year ended December 31, 2020, refer to "Part II—Item 7. Management's Discussion and Analysis of Financial Condition and Results of Operations" in our Annual Report on Form 10-K for the fiscal year ended December 31, 2021 filed with the SEC on February 16, 2022, which is incorporated herein by reference.

COVID-19 Pandemic

The COVID-19 pandemic significantly affected the global economy and strained the hospitality industry beginning in 2020. Since the beginning of the pandemic, the pervasiveness and severity of travel restrictions and stay-at-home directives have varied by country and state; however, as of December 31, 2022, most of the countries we operate in had eased or completely lifted such restrictions. While the pandemic negatively affected certain of our results for the years ended December 31, 2022 and 2021, we have experienced strong signs of recovery since early 2021, with comparable system-wide RevPAR in the third and fourth quarters of 2022 exceeding levels achieved in the same periods in 2019. Although all periods included in our consolidated financial statements presented in this Form 10-K were impacted by the COVID-19 pandemic, none of these periods are considered comparable, and no periods affected by the pandemic are expected to be comparable to future periods.

Our premier brand portfolio includes: our luxury hotel brands, Waldorf Astoria Hotels & Resorts, LXR Hotels & Resorts and Conrad Hotels & Resorts; our lifestyle hotel brands, Canopy by Hilton, Curio Collection by Hilton, Tapestry Collection by Hilton, Tempo by Hilton and Motto by Hilton; our full service hotel brands, Signia by Hilton, Hilton Hotels & Resorts and DoubleTree by Hilton; our focused service hotel brands, Hilton Garden Inn, Hampton by Hilton and Tru by Hilton; our all-suites hotel brands, Embassy Suites by Hilton, Homewood Suites by Hilton and Home2 Suites by Hilton; our new premium economy brand, Spark by Hilton, launched in January 2023; and our timeshare brand, Hilton Grand Vacations. As of December 31, 2022, we had 152 million members in our award-winning guest loyalty program, Hilton Honors, a 19 percent increase from December 31, 2021.

Segments and Regions

We analyze our operations and business by both operating segments and geographic regions. Our operations consist of two reportable segments that are based on similar products and services: (i) management and franchise; and (ii) ownership. The management and franchise segment provides services, including hotel management and licensing of our IP. Revenues from this segment include: (i) management and franchise fees charged to third-party hotel owners; (ii) licensing fees from our strategic partners, including co-branded credit card providers, and HGV for the right to use our IP; and (iii) fees for managing hotels in our ownership segment. As a manager of hotels, we typically are responsible for supervising or operating the hotel in exchange for management fees. As a franchisor of hotels, we charge franchise fees in exchange for the use of one of our brand names and related commercial services, such as our reservation system, marketing and information technology services, while a third party manages or operates such franchised hotels. The ownership segment primarily derives revenues from nightly hotel room sales, food and beverage sales and other services at our consolidated owned and leased hotels.

Geographically, we conduct business through three distinct geographic regions: (i) the Americas; (ii) EMEA; and (iii) Asia Pacific. The Americas region includes North America, South America and Central America, including all Caribbean nations. Although the U.S., which represented 69 percent of our system-wide hotel rooms as of December 31, 2022, is included in the Americas region, it is often analyzed separately and apart from the Americas region and, as such, it is presented separately within the analysis herein. The EMEA region includes Europe, which represents the western-most peninsula of Eurasia stretching from Iceland in the west to Russia in the east, and the Middle East and Africa ("MEA"), which represents the Middle East region and all African nations, including the Indian Ocean island nations. Europe and MEA are often analyzed separately and, as such, are presented separately within the analysis herein. The Asia Pacific region includes the eastern and southeastern nations of Asia, as well as India, Australia, New Zealand and the Pacific Island nations.

System Growth and Development Pipeline

Our strategic objectives include the continued expansion of our global hotel network, as well as of our fee-based business. As we enter into new management and franchise contracts, we expand our business with limited or no capital investment by us as the manager or franchisor, since the capital required to build and maintain hotels is typically provided by the third-party owner of the hotel with whom we contract to provide management services or license our IP. Prior to approving the addition of new hotels to our management and franchise development pipeline, we evaluate the economic viability of the hotel based on its geographic location, the credit quality of the third-party owner and other factors. By increasing the number of management and franchise contracts with third-party owners, over time we expect to increase revenues, overall return on invested capital and cash available to support our business needs. See further discussion on our cash management policy, as detailed in "—Liquidity and Capital Resources." While these objectives have not changed as a result of the COVID-19 pandemic, the current economic environment has posed certain challenges to the execution of our growth strategy, which have included and may continue to include delays in openings and new development.

In addition to our current hotel portfolio, we are focused on the growth of our business by expanding our global hotel network through our development pipeline, which represents hotels that we expect to add to our system in the future. The following table summarizes our development activity:

	As of or for the Year Ended December 31, 2022	
	Hotels	**Rooms[1]**
Hotel system		
Openings	355	58,20
Net additions[2]	308	48,30
Development pipeline[3]		
Additions	664	89,90
Count as of period end[4]	2,821	416,40

_____

(1) Rounded to the nearest hundred.
(2) Represents room additions, net of rooms removed from our system, during the period, which contributed to net unit growth for the year ended December 31, 2022 of 4.7 percent.
(3) Hotels in our system were under development throughout 118 countries and territories, including 30 countries and territories where we did not currently have any existing hotels.
(4) In our development pipeline, as of December 31, 2022, 205,400 of the rooms were under construction and 243,500 of the rooms were located outside of the U.S. Nearly all of the rooms in our development pipeline will be in our management and franchise segment. We do not consider any individual development project to be material to us.

Principal Components and Factors Affecting our Results of Operations

Revenues

Principal Components

We primarily derive our revenues from the following sources:

- *Franchise and licensing fees*. Represents fees earned in connection with the licensing of one of our brands, as well as fees from licensing agreements to use our IP. Under our long-term franchise contracts with hotel owners, franchisees typically pay us franchise fees that include: (i) monthly royalty fees, generally based on a percentage of the hotel's monthly gross room revenue, and, in some cases, may also include a percentage of gross food and beverage revenues and other revenues, as applicable; and (ii) application, initiation and other fees for when new hotels enter the system, when there is a change of ownership of a hotel or when contracts with properties already in our system are extended. Consideration provided to incentivize hotel owners to enter into franchise contracts with us is amortized over the life of the applicable contract as a reduction to franchise and licensing fees. Our non-hotel licensing agreements, for which we receive licensing fees, are predominantly with strategic partners, including co-branded credit card providers, and HGV.

- *Base and incentive management fees.* Represents fees earned in connection with the management of hotels. Terms of our management contracts vary, but our fees generally consist of a base fee, which is typically based on a percentage

of the hotel's monthly gross revenue and, when applicable, an incentive fee, which is typically based on a percentage of the hotel's operating profits, normally over a one-calendar year period, and, in some cases, may be subject to a stated return threshold to the hotel owner. Outside of the U.S., our fees are often more dependent on hotel profitability measures, either because of a single management fee structure where the entire fee is an incentive fee, or because our two-tier fee structure is more heavily weighted toward the incentive fee than the base fee. Consideration provided to incentivize hotel owners to enter into management contracts with us is amortized over the life of the applicable contract as a reduction to base and other management fees.

- *Owned and leased hotels.* Represents revenues derived from the operations of our consolidated owned and leased hotels, including hotel room sales, accommodations sold in conjunction with other services, food and beverage sales and other ancillary goods and services. These revenues are primarily derived from two categories of customers: transient and group. Transient guests are individual travelers who are traveling for business or leisure. Group guests are traveling for group events that reserve rooms for meetings, conferences or social functions, which may be sponsored by corporate, social, military, educational, religious or other organizations or associations. Group business usually includes a block of room accommodations, as well as other ancillary services, such as meetings facilities and catering and banquet services. A majority of our food and beverage sales and other ancillary goods and services are provided to customers who are also occupying rooms at our hotels. As a result, occupancy affects all components of our owned and leased hotels revenues.

- *Other revenues.* Represents revenues generated by the incidental support of hotel operations for owned, leased, managed and franchised hotels, including our purchasing operations, and other operating income.

- *Other revenues from managed and franchised properties.* Represents amounts that are contractually reimbursed to us by hotel owners, either directly as costs are incurred or indirectly through monthly program fees related to certain costs and expenses supporting the operations of the related properties. The direct reimbursements by hotel owners are primarily for payroll and related costs if the property employees are legally employed by us and certain other operating costs of the managed properties' operations. We have no legal responsibility for the employees or the liabilities associated with operating franchised properties or certain of our managed properties, predominately those located outside of the U.S. Revenues and expenses for these direct reimbursements have no net effect on operating income (loss) or net income (loss). The monthly program fee that is paid by hotel franchisees and property owners of hotels that we manage is based on the underlying hotel's sales or usage, as reimbursement for the costs related to our: (i) advertising and marketing programs; (ii) internet, technology and reservation systems; and (iii) quality assurance programs. Other revenues from managed and franchised properties also includes revenues related to our Hilton Honors guest loyalty program, which are primarily derived from payments from hotel franchisees and third-party owners of hotels we manage that participate in the program, as well as co-branded credit card providers. We are contractually required to use these fees that we collect solely for these programs.

Factors Affecting our Revenues

The following factors affect the revenues we derive from our operations:

- *Consumer demand and global economic conditions* . Consumer demand for our products and services, as well as the products and services of the third parties from which we earn licensing fees, is closely linked to the performance of the general economy and is sensitive to business and personal discretionary spending levels. Among other factors, declines in consumer demand due to adverse general economic conditions, risks reducing or otherwise negatively affecting travel patterns, lower consumer confidence and adverse political conditions can reduce the amount of management and franchise fee revenues we are able to generate and/or reduce the revenues and profitability of the operations of our owned and leased hotels. Further, competition for hotel guests and the supply of hotel services affect our ability to sustain or increase rates charged to customers of our hotels. As a result of the COVID-19 pandemic, several of these factors, as well as health and safety concerns, had a significant effect on global economic conditions and consumer demand for our products and services; however, we have experienced significant recovery in demand during 2022. Also, declines in hotel profitability during an economic downturn directly affect the incentive portion of our management fees, which is based on hotel profitability measures. As a result, changes in consumer demand and general business cycles have historically subjected, are currently subjecting and could in the future subject our revenues to significant volatility.

- *Contracts with third-party hotel owners and franchisees and relationships with developers* . We depend on our long-term management and franchise contracts with third-party hotel owners and hotel franchisees for our management and

franchise fee revenues. The success and sustainability of our management and franchise business depends on our ability to perform under our management and franchise contracts and maintain good relationships with third-party hotel owners and franchisees. Our relationships with these third parties allow us to maintain our current presence as contracts mature and also generate new incremental opportunities for property development that can support our growth. Growth and maintenance of our hotel system and earning fees related to hotels in development are dependent on the ability of developers and owners to access capital for the development, maintenance and renovation of properties. We believe that we generally have good relationships with our third-party hotel owners, franchisees and developers and are committed to the continued growth and development of these relationships. These relationships exist with a diverse group of owners, franchisees and developers and are not significantly concentrated with any one particular third party.

Expenses

Principal Components

We primarily incur the following expenses:

- *Owned and leased hotels.* Reflects the operating expenses of our consolidated owned and leased hotels, including room expenses, food and beverage costs, other support costs and property expenses. Room expenses include compensation costs for housekeeping, laundry and front desk staff, as well as supply costs for guest room amenities and laundry. Food and beverage costs include costs for wait and kitchen staff and food and beverage inventory. Other support expenses include: costs associated with property-level management; utilities; sales and marketing; operating hotel spas; operating telephones, parking and other guest recreation; entertainment; and other services. Property expenses include property taxes, repairs and maintenance, rent and insurance.

- *Depreciation and amortization.* These are non-cash expenses that primarily consist of: (i) amortization of intangible assets that were recorded at their fair value at the time of the 2007 transaction whereby we became a wholly owned subsidiary of affiliates of Blackstone Inc. (the "Merger"), which primarily include values assigned to management contracts, leases and our Hilton Honors guest loyalty program intangible asset; (ii) amortization of capitalized software costs; and (iii) depreciation and amortization of property and equipment, including our finance lease right-of-use ("ROU") assets, such as buildings and furniture and equipment that are used in corporate operations or at our consolidated owned and leased hotels.

- *General and administrative.* Consists primarily of compensation costs for our corporate employees, including share-based compensation; professional fees, including consulting, audit and legal fees; travel and entertainment expenses; bad debt expenses for uncollectible management, franchise and other fees; and administrative and related expenses.

- *Other expenses.* Consists of expenses incurred by our purchasing operations and other ancillary businesses, along with other operating expenses of the business.

- *Other expenses from managed and franchised properties.* Represents certain costs and expenses that are contractually reimbursed to us by hotel owners for payroll and related costs for properties that we manage where the property employees are legally employed by us, or paid from program fees collected from properties for certain other operating costs of the managed properties' operations, including those related to our brands and shared services programs. We are contractually required to use these fees solely for these programs. We have no legal responsibility for the employees or the liabilities associated with operating franchised properties or certain of our managed hotels, predominately those located outside of the U.S. Other expenses from managed and franchised properties also includes expenses for the operation of our Hilton Honors guest loyalty program.

Factors Affecting our Costs and Expenses

The following are principal factors that affect the costs and expenses we incur in the course of our operations:

- *Fixed expenses.* Many of the expenses associated with owning and leasing hotels are relatively fixed. These expenses include personnel costs, rent, property taxes, insurance and utilities. If we are unable to decrease these costs significantly or rapidly when demand for our hotels decreases, the resulting decline in our revenues can have an adverse effect on our net cash flows, margins and profits. This effect can be especially pronounced during periods of economic contraction or slow economic growth, including that which resulted from the COVID-19 pandemic.

Economic downturns generally affect the results of our ownership segment more significantly than the results of our management and franchise segment due to the high fixed costs associated with operating an owned or leased hotel. Employees at some of our owned and leased hotels are parties to collective bargaining agreements that may also limit our ability to make timely staffing or labor changes in response to declining revenues. In addition, any efforts to reduce costs, including the deferral or cancellation of capital improvements, could adversely affect the economic value of our hotels and brands. Additionally, the general and administrative expenses of operating a global business also include fixed personnel costs, rent, property taxes, insurance and utilities. The effectiveness of any cost-cutting efforts related to owning and leasing hotels or corporate operations is limited by the amount of inherent fixed costs. However, we have taken steps to reduce our fixed costs to levels we believe are appropriate to maximize profitability and respond to expected future market conditions, while continuing to optimize value for the experiences of our customers, owners and Hilton employees, supporting the long-term sustainability of our brands and business.

- *Changes in depreciation and amortization expenses.* We capitalize costs associated with certain software development projects and, as those projects are completed and placed into service, amortization expense will increase. As the finite-lived intangible assets that were recorded at the Merger become fully amortized, amortization expense will decrease. Additionally, changes in depreciation expense may be driven by renovations of existing hotels, acquisition or development of new hotels, the disposition of existing hotels or corporate facilities through sale, closure or lease termination, lease renewals, expenditures related to our corporate facilities or changes in estimates of the useful lives of our assets. As we place new assets into service, we will be required to recognize additional depreciation expense on those assets. If we are required to recognize impairment losses related to our depreciable assets or finite-lived intangible assets, the related depreciation or amortization expense, respectively, will decrease.

Other Items

Effect of foreign currency exchange rate fluctuations

Significant portions of our operations are conducted in functional currencies other than our reporting currency, which is USD, and we have assets and liabilities, including those that are payable or receivable by consolidated subsidiaries, denominated in a variety of foreign currencies. As a result, we are required to translate the results of those operations, assets and liabilities from their functional currency into USD at market-based foreign currency exchange rates for each reporting period. When comparing our results of operations between periods, there may be material portions of the changes in our revenues or expenses that are derived from fluctuations in foreign currency exchange rates experienced between those periods. We hedge foreign currency exchange-based cash flow variability of certain of our fees using forward contracts designated as hedging instruments. We also hold short-term forward contracts to offset exposure to fluctuations in certain of our foreign currency denominated cash balances and intercompany financing arrangements, and we have not currently elected to designate these forward contracts as hedging instruments.

Seasonality

The hospitality industry is seasonal in nature. The periods during which our properties experience higher or lower levels of demand vary from property to property, depending principally upon their location, type of property and competitive mix within the specific location. While results were less predictable as a result of COVID-19 and related travel restrictions, based on historical results, we generally expect our revenues to be lower in the first quarter of each year than in each of the three subsequent quarters.

Key Business and Financial Metrics Used by Management

Comparable Hotels

We define our comparable hotels as those that: (i) were active and operating in our system for at least one full calendar year as of the end of the current period, and open January 1st of the previous year; (ii) have not undergone a change in brand or ownership type during the current or comparable periods reported; and (iii) have not sustained substantial property damage, business interruption, undergone large-scale capital projects or for which comparable results were not available. Of the 7,085 hotels in our system as of December 31, 2022, 5,797 hotels were classified as comparable hotels. Our 1,288 non-comparable hotels included 272 hotels, or less than four percent of the total hotels in our system, that were removed from the comparable group during the last twelve months because they sustained substantial property damage, business interruption, underwent large-scale capital projects or comparable results were otherwise not available.

When considering business interruption in the context of our definition of comparable hotels, no hotel that had completely or partially suspended operations on a temporary basis at any time as a result of the COVID-19 pandemic was excluded from the definition of comparable hotels on that basis alone. Despite these temporary suspensions of hotel operations, we believe that including these hotels within our hotel operating statistics of occupancy, average daily rate ("ADR") and revenue per available room ("RevPAR"), if they would have otherwise been included, reflects the underlying results of our business for the years ended December 31, 2022 and 2021.

Occupancy

Occupancy represents the total number of room nights sold divided by the total number of room nights available at a hotel or group of hotels for a given period. Occupancy measures the utilization of available capacity at a hotel or group of hotels. Management uses occupancy to gauge demand at a specific hotel or group of hotels in a given period. Occupancy levels also help management determine achievable ADR pricing levels as demand for hotel rooms increases or decreases.

ADR

ADR represents hotel room revenue divided by the total number of room nights sold for a given period. ADR measures the average room price attained by a hotel, and ADR trends provide useful information concerning the pricing environment and the nature of the customer base of a hotel or group of hotels. ADR is a commonly used performance measure in the industry, and we use ADR to assess pricing levels that we are able to generate by type of customer, as changes in rates charged to customers have different effects on overall revenues and incremental profitability than changes in occupancy, as described above.

RevPAR

RevPAR is calculated by dividing hotel room revenue by the total number of room nights available to guests for a given period. We consider RevPAR to be a meaningful indicator of our performance as it provides a metric correlated to two primary and key drivers of operations at a hotel or group of hotels, as previously described: occupancy and ADR. RevPAR is also a useful indicator in measuring performance over comparable periods for comparable hotels.

References to occupancy, ADR and RevPAR are presented on a comparable basis, based on the comparable hotels as of December 31, 2022, and references to ADR and RevPAR are presented on a currency neutral basis, unless otherwise noted. As such, comparisons of these hotel operating statistics for the years ended December 31, 2022 and 2021 or 2019 use the foreign currency exchange rates used to translate the results of the Company's foreign operations within its consolidated financial statements for the year ended December 31, 2022.

EBITDA and Adjusted EBITDA

EBITDA reflects net income (loss), excluding interest expense, a provision for income tax benefit (expense) and depreciation and amortization expenses. Adjusted EBITDA is calculated as EBITDA, as previously defined, further adjusted to exclude certain items, including gains, losses, revenues and expenses in connection with: (i) asset dispositions for both consolidated and unconsolidated investments; (ii) foreign currency transactions; (iii) debt restructurings and retirements; (iv) furniture, fixtures and equipment ("FF&E") replacement reserves required under certain lease agreements; (v) share-based compensation; (vi) reorganization, severance, relocation and other expenses; (vii) non-cash impairment; (viii) amortization of contract acquisition costs; (ix) the net effect of reimbursable costs included in other revenues and other expenses from managed and franchised properties; and (x) other items.

We believe that EBITDA and Adjusted EBITDA provide useful information to investors about us and our financial condition and results of operations for the following reasons: (i) these measures are among the measures used by our management team to evaluate our operating performance and make day-to-day operating decisions; and (ii) these measures are frequently used by securities analysts, investors and other interested parties as a common performance measure to compare results or estimate valuations across companies in our industry. Additionally, these measures exclude certain items that can vary widely across different industries and among competitors within our industry. For instance, interest expense and income taxes are dependent on company specifics, including, among other things, capital structure and operating jurisdictions, respectively, and, therefore, could vary significantly across companies. Depreciation and amortization expenses, as well as amortization of contract acquisition costs, are dependent upon company policies, including the method of acquiring and depreciating assets and the useful lives that are assigned to those depreciating or amortizing assets for accounting purposes. For Adjusted EBITDA, we also exclude items such as: (i) FF&E replacement reserves for leased hotels to be consistent with the treatment of capital expenditures for property and equipment, where depreciation of such capitalized assets is reported within depreciation and

amortization expenses; (ii) share-based compensation, as this could vary widely among companies due to the different plans in place and the usage of them; (iii) the net effect of our cost reimbursement revenues and reimbursed expenses, as we contractually do not operate the related programs to generate a profit over the terms of the respective contracts; and (iv) other items, such as amounts related to debt restructurings and debt retirements and reorganization and related severance costs, that are not core to our operations and are not reflective of our operating performance.

EBITDA and Adjusted EBITDA are not recognized terms under U.S. generally accepted accounting principles ("GAAP") and should not be considered as alternatives, either in isolation or as a substitute, for net income (loss) or other measures of financial performance or liquidity, including cash flows, derived in accordance with GAAP. Further, EBITDA and Adjusted EBITDA have limitations as analytical tools, including:

- EBITDA and Adjusted EBITDA do not reflect changes in, or cash requirements for, our working capital needs;
- EBITDA and Adjusted EBITDA do not reflect our interest expense, or the cash requirements necessary to service interest or principal payments, on our indebtedness;
- EBITDA and Adjusted EBITDA do not reflect income tax expenses or the cash requirements to pay our taxes;
- EBITDA and Adjusted EBITDA do not reflect historical cash expenditures or future requirements for capital expenditures or contractual commitments;
- EBITDA and Adjusted EBITDA do not reflect the effect on earnings or changes resulting from matters that we consider not to be indicative of our future operations;
- although depreciation and amortization are non-cash charges, the assets being depreciated and amortized will often have to be replaced in the future, and EBITDA and Adjusted EBITDA do not reflect any cash requirements for such replacements; and
- other companies in our industry may calculate EBITDA and Adjusted EBITDA differently, limiting their usefulness as comparative measures.

Because of these limitations, EBITDA and Adjusted EBITDA should not be considered as discretionary cash available to us to reinvest in the growth of our business or as measures of cash that will be available to us to meet our obligations.

Results of Operations

The hotel operating statistics by region for our system-wide comparable hotels were as follows:

	Year Ended December 31, 2022		Change 2022 vs. 2021		
U.S.					
Occupancy		69.9 %	8.8	%	pts
ADR	$	157.44	19.3	%	
RevPAR	$	110.09	36.5	%	
Americas (excluding U.S.)					
Occupancy		63.8 %	20.6	%	pts
ADR	$	138.55	28.5	%	
RevPAR	$	88.44	89.8	%	
Europe					
Occupancy		67.0 %	25.6	%	pts
ADR	$	147.00	43.8	%	
RevPAR	$	98.51	132.5	%	
MEA					
Occupancy		66.6 %	14.6	%	pts
ADR	$	154.57	21.7	%	
RevPAR	$	102.99	56.0	%	
Asia Pacific					
Occupancy		53.2 %	2.4	%	pts
ADR	$	103.73	13.8	%	
RevPAR	$	55.17	19.1	%	
System-wide					
Occupancy		67.5 %	10.3	%	pts.
ADR	$	151.01	20.6	%	
RevPAR	$	101.90	42.5	%	

We experienced significant improvement in our results during the year ended December 31, 2022 with the continued recovery of the travel and hospitality industry from the COVID-19 pandemic and the rebound of cross-border international travel. On a regional basis, the Europe region had the most significant improvement when compared to 2021, with continental Europe leading the region with meaningful increases in both ADR and occupancy. Further, despite the impact of the limited demand in China due to prolonged travel restrictions, the remainder of the APAC region demonstrated a strong recovery, particularly during the second half of the year. Overall, leisure transient was the primary driver of improved performance during the year, but all customer segments, including business and group travel, contributed to our recovery.

On a system-wide basis, our recovery was particularly strong during the second half of 2022, driven by an upward trend in both ADR and occupancy. The third quarter of 2022 was the first period since the beginning of the pandemic that system-wide RevPAR on a comparable and currency neutral basis exceeded system-wide RevPAR for the same period in 2019, and system-wide RevPAR for the fourth quarter of 2022 also exceeded the same period in 2019. During the year ended December 31, 2022 as compared to 2019, RevPAR was down 1.3 percent due to a decrease in occupancy of 6.2 percentage points, partially offset by an increase in ADR of 7.8 percent. All regions showed improvement in ADR during the year ended December 31, 2022 when compared to 2019, with the exception of Asia Pacific, primarily as a result of limitations on travel in China.

The table below provides a reconciliation of net income to EBITDA and Adjusted EBITDA:

	Year Ended December 31,	
	2022	2021
	(in millions)	
Net income	$ 1,257	$ 40
Interest expense	415	39
Income tax expense	477	15
Depreciation and amortization expenses	162	18
EBITDA	2,311	1,14
Loss on sales of assets, net	—	
Loss (gain) on foreign currency transactions	(5)	
Loss on debt extinguishment	—	6
FF&E replacement reserves	54	4
Share-based compensation expense	162	19
Amortization of contract acquisition costs	38	3
Net other expenses from managed and franchised properties	39	11
Other adjustments[1]	—	1
Adjusted EBITDA	$ 2,599	$ 1,62

(1) Amount for the year ended December 31, 2022 was less than $1 million and includes net losses (gains) related to certain of Hilton's investments in unconsolidated affiliates. Amount for the year ended December 31, 2021 includes costs recognized for certain legal settlements. All periods include severance and other items.

Revenues

	Year Ended December 31,		Percent Change
	2022	2021	2022 vs. 2021
	(in millions)		
Franchise and licensing fees	$ 2,068	$ 1,493	38.5
Base and other management fees	$ 294	$ 176	67.0
Incentive management fees	196	98	100.0
Total management fees	$ 490	$ 274	78.8

During the year ended December 31, 2022, revenue recognized from fees increased primarily as a result of improved demand for travel and tourism, including the ability and desire of our customers to travel, due to the ongoing recovery that began in early 2021 from the negative impacts of the COVID-19 pandemic.

Accordingly, on a comparable basis, franchise and management fees increased as a result of increases in RevPAR of 34.8 percent and 69.0 percent at our comparable franchised and managed properties, respectively. These increases were a result of increased occupancy of 8.7 percentage points and 15.0 percentage points, respectively, and increased ADR of 18.0 percent and 27.1 percent, respectively.

Further, as new hotels enter our system, we expect such hotels to increase our franchise and management fees. Including new development and ownership type transfers, from January 1, 2021 to December 31, 2022, we added over 670 franchised and managed properties on a net basis, providing an additional 105,300 rooms to our management and franchise segment, which also contributed to the increases in franchise and management fees.

The rise in travel and tourism and increased overall consumer spending during the year ended December 31, 2022 also contributed to a significant increase in licensing and other fees from our strategic partnerships and HGV. Increased fees from our strategic partnerships resulted from new cardholder acquisitions, as well as increased cardholder spend under our co-branded credit card arrangements and increased fees from HGV resulted from increased timeshare revenues, which, in addition to the recovery from the pandemic, were attributable to the increase in timeshare properties in our system during the period.

Incentive management fees increased as they are based on hotels' operating profits, which have improved from the prior year as a result of increased demand in line with the recovery from the COVID-19 pandemic and higher revenues driving higher managed hotel profits.

	Year Ended December 31,		Percent Change
	2022	2021	2022 vs. 2021
	(in millions)		
Owned and leased hotels revenues	$ 1,076	$ 598	79.9

The increase in owned and leased hotels revenues included increases of $489 million and $74 million, on a currency neutral basis, from our comparable and non-comparable owned and leased hotels, respectively, which were partially offset by an $85 million decrease as a result of unfavorable fluctuations in foreign currency exchange rates. The currency neutral increase in revenues from our comparable leased hotels was primarily the result of increased RevPAR of 168.2 percent, due to increases in occupancy of 30.8 percentage points and ADR of 34.1 percent, reflective of the ongoing recovery from the COVID-19 pandemic, which was particularly strong during 2022 in Europe where the majority of our leased properties are located. The currency neutral increase in revenues from our non-comparable owned and leased hotels, which also benefited from an increase in RevPAR, was partially offset by a $35 million decrease, on a currency neutral basis, from properties which were sold or for which the lease agreements were terminated during 2021.

	2022	2021	2022 vs. 2021
	(in millions)		
Other revenues	$ 102	$ 79	29.1

The increase in other revenues was primarily due to increased revenues from our purchasing operations related to improved hotel demand resulting from the rise in travel and tourism during 2022.

Operating Expenses

	Year Ended December 31,		Percent Change
	2022	2021	2022 vs. 2021
	(in millions)		
Owned and leased hotels expenses	$ 999	$ 679	47.1

The increase in owned and leased hotels expenses included increases of $358 million and $49 million, on a currency neutral basis, from our comparable and non-comparable owned and leased hotels, respectively, which were partially offset by a $87 million decrease as a result of favorable fluctuations in foreign currency exchange rates. The currency neutral increase in expenses from our non-comparable owned and leased hotels was net of a $30 million currency neutral decrease from properties which were sold or for which the lease agreements were terminated during 2021.

Our owned and leased hotels had currency neutral increases in certain operating expenses as a result of increased occupancy, including labor costs, utilities and variable rent, which is generally based on a percentage of hotel revenues or profits, which increased in line with the recovery from the COVID-19 pandemic. Additionally, we incurred increased expenses related to FF&E replacement reserves, which are generally computed as a percentage of hotel revenues.

	Year Ended December 31,		Percent Change
	2022	2021	2022 vs. 2021
	(in millions)		
Depreciation and amortization expenses	$ 162	$ 188	(13.8)
General and administrative expenses	382	405	(5.7)
Other expenses	60	45	33.3

The decrease in depreciation and amortization expenses was primarily due to a decrease in amortization expense, driven by the full amortization of certain software project costs during 2021 and 2022.

The decrease in general and administrative expenses was primarily due to continued cost control and decreased share-based compensation expense, as well as costs recognized during the year ended December 31, 2021 for certain legal settlements, for which no such expenses were recognized during 2022.

The increase in other expenses was primarily due to higher volume in our purchasing operations related to improved hotel demand.

Income tax expense	(477)	(153)	NM[1]

[1] Fluctuation in terms of percentage change is not meaningful.

The increase in interest expense included increases related to the interest rate increase on the variable rate senior secured term loan facility (the "Term Loan") during the period and the amortization of previously dedesignated interest rate swaps. These increases were partially offset by a decrease related to our senior secured revolving credit facility (the "Revolving Credit Facility"), which was partially drawn during 2021, but was fully repaid as of June 30, 2021 with no outstanding balance for the remainder of 2021 or at all during 2022, as well as a decrease resulting from the February 2021 issuance of new senior unsecured notes and the use of such proceeds for the redemption of previously outstanding senior unsecured notes, which reduced the weighted average interest rate on our outstanding senior unsecured notes. See Note 8: "Debt" in our consolidated financial statements for additional information on our indebtedness and the associated interest rates.

The gains and losses on foreign currency transactions included the impact of changes in foreign currency exchange rates on certain intercompany financing arrangements, including short-term cross-currency intercompany loans, and other transactions denominated in foreign currencies.

Loss on debt extinguishment related to the February 2021 redemption of senior unsecured notes and included a redemption premium of $55 million and the accelerated recognition of unamortized deferred financing costs on those senior unsecured notes of $14 million.

Other non-operating income, net consists of interest income, equity in earnings (losses) from unconsolidated affiliates, certain components of net periodic pension cost or credit related to our employee defined benefit pension plans and other non-operating gains and losses. The increase in other non-operating income, net was primarily due to an $11 million gain recognized during the year ended December 31, 2022 resulting from the remeasurement of certain investments in unconsolidated affiliates, as well as an increase in interest income due to increases in interest rates during the period.

The increase in income tax expense was primarily attributable to the increase in income before income taxes. Further, during the year ended December 31, 2021, we recognized tax benefits as a result of the change in tax rate implemented as part of the United Kingdom's Finance Act 2021. For additional information, see Note 12: "Income Taxes" in our consolidated financial statements.

Liquidity and Capital Resources

Overview

As of December 31, 2022, we had total cash and cash equivalents of $1,286 million, including $77 million of restricted cash and cash equivalents. The majority of our restricted cash and cash equivalents is related to cash collateral and cash held for FF&E reserves.

Our known short-term liquidity requirements primarily consist of funds necessary to pay for operating and other expenditures, including:

- costs associated with the management and franchising of hotels;
- corporate expenses;
- payroll and compensation costs;
- taxes and compliance costs;
- scheduled debt maturities and interest payments on our outstanding indebtedness, which, excluding finance lease liabilities, are estimated to be approximately $427 million in 2023;
- lease payments under our finance and operating leases, which include minimum lease payments that are estimated to be approximately $47 million and $147 million, respectively, in 2023;
- costs, other than compensation and rent as noted separately, associated with the operations of owned and leased hotels, including, but not limited to, utilities and operating supplies;
- committed contract acquisition costs;
- capital and maintenance expenditures for required renovations and maintenance at the hotels within our ownership segment;
- dividends as declared; and
- share repurchases.

Our known long-term liquidity requirements primarily consist of funds necessary to pay for:

- scheduled debt maturities and interest payments on our outstanding indebtedness, which, excluding finance lease liabilities, are estimated to total an aggregate of $10.5 billion after December 31, 2023;
- lease payments under our finance and operating leases, which include minimum lease payments that are estimated to total an aggregate of $150 million and $1,068 million, respectively, after December 31, 2023;
- committed contract acquisition costs;
- capital improvements to the hotels within our ownership segment;
- corporate capital and information technology expenditures;
- dividends as declared;

- share repurchases; and

- commitments to owners in our management and franchise segment made in the normal course of business for which we are reimbursed by these owners through program fees to operate our marketing, sales and brands programs.

In March 2022, we resumed share repurchases, which we had previously suspended in an effort to preserve cash during the COVID-19 pandemic. Since they were resumed, as of December 31, 2022, we had repurchased approximately 12.3 million shares of our common stock for $1,608 million. As of December 31, 2022, approximately $3.1 billion remained available for share repurchases under our stock repurchase program. In June 2022, we resumed payment of regular quarterly cash dividends, which we had also previously suspended in an effort to preserve cash during the pandemic.

In circumstances where we have the opportunity to support our strategic objective of growing our global hotel network, we may provide performance or debt guarantees or loan commitments, as necessary, to owners of certain hotels that we currently or in the future will manage or franchise, as applicable, as well as letters of credit that support hotel financing or other obligations of hotel owners. See Note 18: "Commitments and Contingencies" in our consolidated financial statements for additional information on these commitments that were outstanding as of December 31, 2022.

We have a long-term investment policy that is focused on the preservation of capital and maximizing the return on new and existing investments and returning available capital to stockholders through dividends and share repurchases. Within the framework of our investment policy, we currently intend to continue to finance our business activities primarily with cash on our balance sheet as of December 31, 2022, cash generated from our operations and, as needed, the use of the available capacity of our Revolving Credit Facility. Additionally, we have continued access to debt markets and expect to be able to obtain financing as a source of liquidity as required and to extend maturities of existing borrowings, as necessary.

After considering our approach to liquidity and our available sources of cash, we believe that our cash position and sources of liquidity will meet anticipated requirements for operating and other expenditures, including corporate expenses, payroll and other compensation costs, taxes and compliance costs and other commitments for the foreseeable future based on current conditions. The objectives of our cash management policy are maintaining the availability of liquidity and minimizing operational costs.

We may from time to time issue or incur or increase our capacity to incur new debt and/or purchase our outstanding debt through underwritten offerings, open market transactions, privately negotiated transactions or otherwise. Issuances or incurrence of new debt (or an increase in our capacity to incur new debt) and/or purchases or retirements of outstanding debt, if any, will depend on prevailing market conditions, liquidity requirements, contractual restrictions and other factors. The amounts involved may be material.

Sources and Uses of Our Cash and Cash Equivalents

The following table summarizes our net cash flows:

	Year Ended December 31,		Percent Change
	2022	2021	2022 vs. 2021
	(in millions)		
Net cash provided by operating activities	$ 1,681	$ 109	NM[1]
Net cash used in investing activities	(123)	(57)	NM[1]
Net cash used in financing activities	(1,765)	(1,793)	(1.6)

[1] Fluctuation in terms of percentage change is not meaningful; see additional details below.

Operating Activities

The increase in cash provided by operating activities was primarily due to the increase in cash inflows generated from our management and franchise segment, largely as a result of an increase in RevPAR at our comparable managed and franchised properties of 41.2 percent. Additionally, there was a $119 million decrease in payments of contract acquisition costs based on the timing of certain strategic hotel developments supporting our net unit growth. The increase in cash provided by operating activities was partially offset by a $208 million increase in cash paid for income taxes primarily due to the increase in income before income taxes.

In April 2020, we pre-sold Hilton Honors points to American Express and, before the end of the second quarter of 2022, all of those points had been used by American Express. As such, American Express resumed purchasing Hilton Honors points with cash in connection with a co-branded credit card arrangement with them, which contributed approximately $400 million to the increase in our operating cash flows during the year ended December 31, 2022. We expect American Express to continue to purchase points with cash under the co-branded credit card arrangement in future periods.

Investing Activities

Net cash used in investing activities primarily included: (i) capitalized software costs that were related to various systems initiatives for the benefit of both our hotel owners and our overall corporate operations; (ii) capital expenditures for property and equipment related to our corporate facilities and the renovation of certain hotels in our ownership segment; and (iii) equity and debt financing that we provided to unconsolidated affiliates and owners of hotels that we currently or in the future will manage or franchise to support our strategic objectives. During the year ended December 31, 2022, net cash used in investing activities was partially offset by the net cash inflows resulting from our undesignated derivative financial instruments that we have in place to hedge against changes in foreign currency exchange rates, primarily as a result of the British pound depreciating against the USD during the year ended December 31, 2022.

Financing Activities

Net cash used in financing activities during the year ended December 31, 2022 primarily related to the return of capital to shareholders, including share repurchases, which resumed in March 2022, and quarterly dividend payments, which resumed in June 2022, after both programs were suspended in 2020. Net cash used in financing activities during the year ended December 31, 2021 primarily comprised the full repayment of the $1.69 billion outstanding debt balance on our Revolving Credit Facility, as well as the debt issuance costs and redemption premiums associated with the issuance of new senior unsecured notes and the use of such proceeds for the redemption of previously outstanding senior unsecured notes.

Debt and Borrowing Capacity

As of December 31, 2022, our total indebtedness, excluding the deduction for unamortized deferred financing costs and discount, was approximately $8.8 billion, and we had $60 million of letters of credit outstanding under our Revolving Credit Facility, resulting in an available borrowing capacity of $1,690 million. In January 2023, we amended the credit agreement governing our Revolving Credit Facility to increase the borrowing capacity from $1.75 billion to $2.0 billion, $250 million of which is available in the form of letters of credit, and, based on the terms of the agreement, we expect the extended maturity date to be January 2028. As of February 3, 2023, after considering $60 million letters of credit outstanding and no borrowings outstanding, we had an available borrowing capacity on the Revolving Credit Facility of $1,940 million. For additional information on our total indebtedness, including any applicable guarantees, refer to Note 8: "Debt" in our consolidated financial statements.

If we are unable to generate sufficient cash flow from operations in the future to service our debt, we may be required to reduce capital expenditures or issue additional equity securities. However, we do not have any material indebtedness outstanding that matures prior to May 2025. Our ability to make scheduled principal payments and to pay interest on our debt depends on our future operating performance, which is subject to general conditions in or affecting the hospitality industry that may be beyond our control.

Critical Accounting Estimates

The preparation of our consolidated financial statements in accordance with GAAP requires us to make estimates and assumptions that affect the reported amounts of assets and liabilities as of the date of the consolidated financial statements, the reported amounts of revenues and expenses during the reporting periods and the related disclosures in the consolidated financial statements and accompanying footnotes. On an ongoing basis, we evaluate these estimates and judgments based on historical experiences and various other factors that we believe reflect the current circumstances. While we believe our estimates, assumptions and judgments are reasonable, they are based on information presently available. Actual results may differ significantly from these estimates due to changes in judgments, assumptions and conditions as a result of unforeseen events or otherwise, which could have a material effect on our financial position or results of operations.

We believe that the following estimates, which are used in conjunction with our significant accounting policies, are critical because they involve a higher degree of judgment and are based on information that is inherently uncertain; refer to Note 2: "Basis of Presentation and Summary of Significant Accounting Policies" in our consolidated financial statements for

information on our significant accounting policies. Management has discussed the development and selection of the following critical accounting estimates with the Audit Committee of the board of directors:

Impairment of Goodwill and Brands Intangible Assets

We evaluate goodwill and brands intangible assets for potential impairment on an annual basis or at other times during the year if indicators of impairment exist. Our reporting units are the same as our operating segments as described in Note 17: "Business Segments" in our consolidated financial statements.

As part of the evaluation of goodwill and brands intangible assets for potential impairment, we exercise judgment to:

- perform a qualitative assessment to determine whether it is more likely than not that the fair value of a reporting unit or brand intangible asset is less than its carrying value. Factors we consider when making this determination include assessing the overall effect of trends in the hospitality industry and the general economy, regional performance and expectations and historical experience;

- decide whether to bypass the qualitative assessment and perform a quantitative assessment. Factors we consider when making this determination include changes in the Company or general economic conditions since the previous quantitative assessment was performed, the amount by which the fair value exceeded the carrying value at that time and the period of time that has passed since such quantitative assessment; and

- perform a quantitative analysis to identify both the existence of impairment and the amount of the impairment loss. The estimated fair value is based on internal projections of expected future cash flows and operating plans, as well as market conditions relative to the operations of the reporting unit or brand, as applicable.

Changes in the estimates and assumptions used in our impairment analysis, or changes in the factors that we consider that would affect these estimates and assumptions, such as those described above, could result in impairment losses, which could be material.

Impairment of Certain Finite-Lived Assets

We evaluate the carrying value of our specifically identifiable lease intangible assets, operating and finance lease ROU assets and property and equipment for indicators of impairment, and, if such indicators exist, we perform an analysis to determine the recoverability of the determined asset group, by comparing the expected undiscounted future cash flows to the net carrying value of the asset group.

As part of the process, we exercise judgment to:

- determine if there are indicators of impairment present. Factors we consider when making this determination include assessing the overall effect of trends in the hospitality industry and the general economy, regional performance and expectations, historical experience, capital costs and other asset-specific information;

- determine the projected undiscounted future cash flows when indicators of impairment are present. Judgment is required when developing projections of future revenues and expenses based on estimated performance over the expected useful life of the asset group. Forward-looking estimates of future performance are based on historical operating results, adjusted for current and expected future market conditions, as well as various internal projections and external sources; and

- determine the asset group fair value when required. In determining the fair value, we often use internally-developed discounted cash flow models, appraisals, recent similar transactions in the market and, if appropriate and available for a specific asset group, current estimated net sales proceeds from pending offers. Assumptions used in the discounted cash flow models include estimating cash flows, which may require us to adjust for specific market conditions, as well as capitalization rates, which are based on location, property or asset type, market-specific dynamics and overall economic performance. The discount rate applied to forward-looking projections takes into account market-specific considerations.

Changes in the estimates and assumptions used in our impairment analysis, or changes in the factors that we consider that would affect these estimates and assumptions, such as those described above, could result in impairment losses, which could be material.

Hilton Honors

We record a point redemption liability for amounts received from properties participating in our Hilton Honors guest loyalty program and from strategic partners affiliated with the loyalty program, in an amount equal to the estimated cost per point of the future redemption obligation. We engage third-party actuaries annually to assist in determining the fair value of the future reward redemption obligation using a discount rate and statistical formulas that project future point redemptions based on factors that require judgment, including: (i) an estimate of points that will eventually be redeemed, which includes an estimate of breakage (i.e., points that will never be redeemed); (ii) the expectation of when such points will be redeemed; and (iii) the cost of reimbursing properties and other third parties when points are redeemed. The cost of the points expected to be redeemed includes further estimates of available room nights, occupancy rates, room rates and any changes to the Hilton Honors program, including devaluation or appreciation of points based on changes in the number of points required to redeem a reward. Any amounts received related to the issuance of points that are in excess of the actuarial determined cost per point are recorded as deferred revenue in our consolidated balance sheets and recognized as revenue upon point redemption. We recognize revenue for point redemptions in the amount we expect to retain in excess of the cost per point, inclusive of estimated breakage, and limit the revenue recognized to an amount that is probable to not result in a significant reversal in the cumulative revenue recognized when breakage occurs.

In addition to the Hilton Honors fees we receive from hotel owners to operate the program, we earn fees from strategic partnerships, including co-branded credit card arrangements, for a license to use our IP and the issuance of Hilton Honors points. The allocation of the overall fees from the strategic partnerships between the IP license and the Hilton Honors points is based on their estimated standalone selling prices. The estimated standalone selling price of the IP license is determined using a relief-from-royalty valuation method incorporating statistical formulas based on factors that require significant judgment, including estimates of the usage of the strategic partner's goods or services, an appropriate royalty rate and a discount rate applied to the projected cash flows. The estimated standalone selling price of the future reward redemptions of Hilton Honors points under the strategic partnerships is calculated using a discounted cash flow analysis with the same assumptions as the point redemption liability discussed above, adjusted for an appropriate margin.

Changes in our estimates and assumptions that are used to determine our estimated cost per point and the allocation of fees from strategic partnerships between the IP license fee and the Hilton Honors points could result in material changes in the balances of our liability for guest loyalty program and deferred revenues in our consolidated balance sheets. Further, the estimates and assumptions used for the allocation of fees could result in material changes to our licensing fees and other revenues from managed and franchised properties recognized in our consolidated statements of operations.

Income Taxes

We recognize deferred tax assets and liabilities based on the differences between the financial statement carrying values and the tax basis of assets and liabilities using currently enacted tax rates. We regularly review our deferred tax assets to assess their potential realization and establish a valuation allowance for portions of such assets that we believe will not be ultimately realized. In performing this review, we make estimates and assumptions regarding projected future taxable income, the expected timing of reversals of existing temporary differences and the implementation of tax planning strategies. A change in these assumptions may increase or decrease our valuation allowance resulting in an increase or decrease in our effective tax rate, which could materially affect our consolidated financial statements. Refer to Note 12: "Income Taxes" for information on the balances of our deferred tax assets and respective valuation allowances as of December 31, 2022.

We use a prescribed more-likely-than-not recognition threshold for the financial statement recognition and measurement of a tax position taken or expected to be taken in a tax return if there is uncertainty in income taxes recognized in the consolidated financial statements. When determining the amount of tax benefit to be recognized, we assume, among other items, the position will be examined, the examiner will have all relevant information and the evaluation of the position will be based on its technical merits. Further, estimates based on the technical merits of each evaluated tax position and the amounts we would ultimately accept in a negotiated settlement with the tax authorities are used to measure the largest amount of benefit that is greater than 50 percent likely of being realized upon settlement. Changes to these assumptions and estimates can lead to an additional income tax benefit (expense), which could materially affect our consolidated financial statements.

Legal Contingencies

We are subject to various legal proceedings and claims, the outcomes of which are subject to significant uncertainty. An estimated loss from a loss contingency will be accrued as a charge to income if it is probable and the amount of the loss can be reasonably estimated. Significant judgment is required when we evaluate, among other factors, the degree of probability of an unfavorable outcome and the ability to make a reasonable estimate of the amount of loss in determining whether an accrual of an estimated loss is appropriate. Changes in these factors could materially affect our consolidated financial statements.

Item 7A. Quantitative and Qualitative Disclosures About Market Risk

We are exposed to market risk primarily from changes in interest rates and foreign currency exchange rates. These rate changes may affect future income, cash flows and the fair value of the Company, its assets and its liabilities. In certain situations, we may seek to reduce volatility associated with changes in interest rates and foreign currency exchange rates by entering into derivative financial instruments intended to provide a hedge against a portion of the risks associated with such volatility. We continue to have exposure to such risks to the extent they are not hedged. We enter into derivative financial instruments to the extent they meet the objectives described above, and we do not use derivatives for speculative purposes.

Interest Rate Risk

We are exposed to interest rate risk on our variable-rate indebtedness. Our primary sensitivity in 2022 was to changes in one-month LIBOR, as the interest rate on our Term Loan, which represents the majority of our variable-rate indebtedness, was based on this benchmark rate until we amended the credit agreement that governs our Term Loan in December 2022 to adjust our LIBOR-based variable rate to a SOFR-based variable rate. We use an interest rate swap in order to maintain what we believe to be an appropriate level of exposure to interest rate variability. As of December 31, 2022, we held an interest rate swap for a portion of the Term Loan, for which we executed an amendment concurrent with the amendment for our Term Loan, through which we receive one-month term SOFR and pay a fixed rate. We elected to designate this interest rate swap as a cash flow hedge for accounting purposes and applied the practical expedient as prescribed in ASU No. 2020-04, *Reference Rate Reform (Topic 848): Facilitation of the Effects of Reference Rate Reform on Financial Reporting* that allowed us to maintain hedge accounting with the transition to SOFR.

The following table sets forth the current carrying values of our contractual maturities, total fair values and interest rates as of December 31, 2022 for our financial instruments that are materially affected by interest rate risk, including long-term debt and our interest rate swap:

	Maturities by Period																					
	2023		2024		2025		2026		2027		Thereafter		Carrying Value				Fair Valu

Variable-rate long-term debt	$	—	$	—	$	—	$	2,619	$	—	$	—	$	2,619			$	2,6				
Variable interest rate[2][3]														6.17	%

Variable interest rate receivable[3]														4.32	%							
Fixed interest rate payable														1.76	%							

(1) The carrying values exclude the deduction for unamortized deferred financing costs and any applicable discounts, as well as all finance lease liabilities and other debt of consolidated VIEs totaling $164 million and $37 million, respectively, as of December 31, 2022.
(2) The fixed interest rate is the weighted average of actual rates, and the variable interest rate is based on the market rate prevailing as of December 31, 2022.
(3) The variable interest rate receivable on the interest rate swap does not include fixed components of the overall variable interest rate, including applicable spreads.
(4) The carrying value reflects the notional amount and the variable interest rate receivable is based on the market rate prevailing as of December 31, 2022. We measure our derivative instruments at fair value and, as of December 31, 2022, our interest rate swap was in an asset position.

Refer to Note 10: "Fair Value Measurements" in our consolidated financial statements for additional information on the fair value measurements of our long-term debt and interest rate swap.

Foreign Currency Exchange Rate Risk

We conduct business in various currencies and are exposed to earnings and cash flow volatility associated with changes in foreign currency exchange rates. Our principal exposure results from management and franchise fees earned in foreign currencies, as well as revenues and expenses from our international leased hotels. The value of these revenues and expenses could change materially in relation to the functional currencies of the exposed entities and to our reporting currency, USD. We also have exposure from our international financial assets and liabilities, including certain intercompany financing arrangements

not deemed to be permanently invested, the value of which could change materially in relation to the functional currencies of the exposed entities. As of December 31, 2022, our largest net exposures were to GBP and EUR.

We use forward contracts designated as cash flow hedges to offset exposure from foreign currency exchange rate risks associated with certain of our management, franchise and other fees denominated in certain foreign currencies. We use forward contracts not designated as hedging instruments to offset exposure to foreign currency exchange rate fluctuations in certain cash and intercompany loan balances. We do not consider the fair value or earnings effect of these forward contracts to be material to our consolidated financial statements.

Management's Report on Internal Control Over Financial Reporting

Management of Hilton Worldwide Holdings Inc. (the "Company") is responsible for establishing and maintaining adequate internal control over financial reporting as such term is defined in Rules 13a-15(f) and 15d-15(f) under the Securities Exchange Act of 1934, as amended. The Company's internal control over financial reporting is designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with United States generally accepted accounting principles ("GAAP"). The Company's internal control over financial reporting includes those policies and procedures that: (i) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company; (ii) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with GAAP, and that receipts and expenditures of the Company are being made only in accordance with authorizations of the Company's management and directors; and (iii) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use or disposition of assets of the Company that could have a material effect on the financial statements.

Because of its inherent limitations, internal control over financial reporting may not prevent or detect misstatements. Also, projections of any evaluation of effectiveness to future periods are subject to the risk that controls may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Management has assessed the effectiveness of the Company's internal control over financial reporting as of December 31, 2022. In making this assessment, management used the criteria established in the Internal Control-Integrated Framework issued by the Committee of Sponsoring Organizations of the Treadway Commission (2013 framework). Based on this assessment, management determined that the Company maintained effective internal control over financial reporting as of December 31, 2022.

Ernst & Young LLP (PCAOB ID: 42), the independent registered public accounting firm that has audited the consolidated financial statements included in this Annual Report on Form 10-K, has issued an attestation report on the Company's internal control over financial reporting as of December 31, 2022. The report is included herein.

Report of Independent Registered Public Accounting Firm

To the Stockholders and the Board of Directors of
Hilton Worldwide Holdings Inc.

Opinion on Internal Control Over Financial Reporting

We have audited Hilton Worldwide Holdings Inc.'s internal control over financial reporting as of December 31, 2022, based on criteria established in Internal Control—Integrated Framework issued by the Committee of Sponsoring Organizations of the Treadway Commission (2013 framework) (the COSO criteria). In our opinion, Hilton Worldwide Holdings Inc. (the Company) maintained, in all material respects, effective internal control over financial reporting as of December 31, 2022, based on the COSO criteria.

We also have audited, in accordance with the standards of the Public Company Accounting Oversight Board (United States) (PCAOB), the consolidated balance sheets of the Company as of December 31, 2022 and 2021, the related consolidated statements of operations, comprehensive income (loss), cash flows and stockholders' equity (deficit) for each of the three years in the period ended December 31, 2022 and the related notes, and our report dated February 9, 2023 expressed an unqualified opinion thereon.

Basis for Opinion

The Company's management is responsible for maintaining effective internal control over financial reporting and for its assessment of the effectiveness of internal control over financial reporting included in the accompanying Management's Report on Internal Control Over Financial Reporting. Our responsibility is to express an opinion on the Company's internal control over financial reporting based on our audit. We are a public accounting firm registered with the PCAOB and are required to be independent with respect to the Company in accordance with the U.S. federal securities laws and the applicable rules and regulations of the Securities and Exchange Commission and the PCAOB.

We conducted our audit in accordance with the standards of the PCAOB. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether effective internal control over financial reporting was maintained in all material respects.

Our audit included obtaining an understanding of internal control over financial reporting, assessing the risk that a material weakness exists, testing and evaluating the design and operating effectiveness of internal control based on the assessed risk, and performing such other procedures as we considered necessary in the circumstances. We believe that our audit provides a reasonable basis for our opinion.

Definition and Limitations of Internal Control Over Financial Reporting

A company's internal control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company’s assets that could have a material effect on the financial statements.

Because of its inherent limitations, internal control over financial reporting may not prevent or detect misstatements. Also, projections of any evaluation of effectiveness to future periods are subject to the risk that controls may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Report of Independent Registered Public Accounting Firm

To the Stockholders and the Board of Directors of
Hilton Worldwide Holdings Inc.

Opinion on the Financial Statements

We have audited the accompanying consolidated balance sheets of Hilton Worldwide Holdings Inc. (the Company) as of December 31, 2022 and 2021, the related consolidated statements of operations, comprehensive income (loss), cash flows and stockholders' equity (deficit) for each of the three years in the period ended December 31, 2022, and the related notes (collectively referred to as the "consolidated financial statements"). In our opinion, the consolidated financial statements present fairly, in all material respects, the financial position of the Company at December 31, 2022 and 2021, and the results of its operations and its cash flows for each of the three years in the period ended December 31, 2022, in conformity with U.S. generally accepted accounting principles.

We also have audited, in accordance with the standards of the Public Company Accounting Oversight Board (United States) (PCAOB), the Company's internal control over financial reporting as of December 31, 2022, based on criteria established in Internal Control-Integrated Framework issued by the Committee of Sponsoring Organizations of the Treadway Commission (2013 framework), and our report dated February 9, 2023 expressed an unqualified opinion thereon.

Basis for Opinion

These financial statements are the responsibility of the Company's management. Our responsibility is to express an opinion on the Company's financial statements based on our audits. We are a public accounting firm registered with the PCAOB and are required to be independent with respect to the Company in accordance with the U.S. federal securities laws and the applicable rules and regulations of the Securities and Exchange Commission and the PCAOB.

We conducted our audits in accordance with the standards of the PCAOB. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement, whether due to error or fraud. Our audits included performing procedures to assess the risks of material misstatement of the financial statements, whether due to error or fraud, and performing procedures that respond to those risks. Such procedures included examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements. Our audits also included evaluating the accounting principles used and significant estimates made by management, as well as evaluating the overall presentation of the financial statements. We believe that our audits provide a reasonable basis for our opinion.

Critical Audit Matters

The critical audit matters communicated below are matters arising from the current period audit of the financial statements that were communicated or required to be communicated to the audit committee and that: (1) relate to accounts or disclosures that are material to the financial statements and (2) involved our especially challenging, subjective or complex judgments. The communication of critical audit matters does not alter in any way our opinion on the consolidated financial statements, taken as a whole, and we are not, by communicating the critical audit matters below, providing separate opinions on the critical audit matters or on the accounts or disclosures to which they relate.

Accounting for the Loyalty Program

Description of the Matter

The Company recognized $457 million of revenues during the year ended December 31, 2022 and had deferred revenues of $631 million and a liability for guest loyalty program of $2,395 million as of December 31, 2022 associated with the Hilton Honors guest loyalty and marketing program (the "Loyalty Program"). As discussed in Note 2 to the consolidated financial statements, the Company has a performance obligation to provide or arrange for the provision of goods or services, for free or at a discount, to Hilton Honors members in exchange for the redemption of points earned through participation in the Loyalty Program. The consideration for the Loyalty Program is received from hotel properties or other program partners at the time points are earned by Hilton Honors members. Such amounts are recognized as revenue when the related point obligation is satisfied based upon the estimated standalone selling price per point in excess of the related cost per point.

Auditing Loyalty Program results is complex due to: (1) the complexity of models and high volume of data used to monitor and account for the Loyalty Program results, and (2) the complexity of estimating the standalone selling price per Loyalty Program point, including the estimated breakage rate of Loyalty Program points. Such estimates are complex given the significant estimation associated with expected future redemption activity.

How We Addressed the Matter in Our Audit

We obtained an understanding, evaluated the design and tested the operating effectiveness of controls over the Company's process of accounting for the Loyalty Program during the year. For example, we tested controls over management's review of the assumptions and data inputs utilized by third-party actuaries to assist the Company in determining the fair value of the future award redemption obligation and breakage rate of Loyalty Program points and management's review of activity and data inputs to their accounting model.

To test the recognition of revenues and costs associated with the Loyalty Program, we involved specialists on our team and performed audit procedures that included, among others, testing the clerical accuracy and consistency with U.S. generally accepted accounting principles of the accounting model developed by the Company to recognize revenue and costs associated with the Loyalty Program. We tested significant inputs into the accounting model, including the estimated standalone selling price and recognition of points earned and redeemed during the period. We involved our actuarial professionals to assist in our testing procedures with respect to the estimate of the breakage of Loyalty Program points and the ultimate estimated redemption cost. We evaluated management's methodology for estimating the breakage of Loyalty Program points, as well as tested underlying data and assumptions used in estimating the breakage rate.

Accounting for Income Taxes

Description of the Matter

The Company recognized income tax expense of $477 million during the year ended December 31, 2022, and unrecognized tax benefits of $337 million as of December 31, 2022. As discussed in Note 2 to the consolidated financial statements, for all tax positions taken in a tax return, the Company will first determine whether it is more likely than not that a tax position will be sustained upon examination. If the Company determines that a position meets the more-likely-than-not recognition threshold, the benefit recognized in the financial statements is measured as the largest amount of benefit that is greater than 50 percent likely of being realized upon settlement.

Auditing the accounting for income taxes is complex as a result of: (1) operations in multiple foreign tax jurisdictions and international restructuring transactions, (2) the judgment and estimation associated with both the identification and measurement of the Company's unrecognized tax benefits, including its evaluation of the technical merits related to matters for which no reserves or partial reserves have been recorded, and (3) the significant estimation associated with the measurement of unrecognized tax benefits outstanding as of the balance sheet date.

How We Addressed the Matter in Our Audit

We obtained an understanding, evaluated the design and tested the operating effectiveness of controls over the Company's process of accounting for income taxes, including unrecognized tax benefits, during the year. For example, we tested management's controls over the review of tax positions taken by the Company to determine whether they met the threshold for recognition within the consolidated financial statements.

To test the recognition of the Company's unrecognized tax benefits and measurement of unrecognized tax benefits, we involved tax professionals with specialized skills and knowledge to assess the technical merits of the Company's tax positions and performed audit procedures that included, among others, evaluation of communications with relevant taxing authorities, evaluation of whether management appropriately considered new information that could significantly change the recognition, measurement or disclosure of the unrecognized tax benefits, and testing the assumptions used by management in estimating the valuation of any associated liability.

Accounting for Other Expenses from Managed and Franchised Properties and General and Administrative Expenses

Description of the Matter

The Company recognized Other expenses from managed and franchised properties of $5,076 million and General and administrative expenses of $382 million during the year ended December 31, 2022. As discussed in Note 2 to the consolidated financial statements, the Company incurs certain direct and indirect expenses that are for the benefit of, and contractually reimbursable from, hotel owners. Such amounts ("Cost Reimbursements") are recorded in the period in which the expense is incurred as Other expenses from managed and franchised properties, and the accounting for indirect cost reimbursements includes judgment with respect to the allocation of certain costs between reimbursable and non-reimbursable.

Auditing the classification of indirect reimbursements recognized within Other expenses from managed and franchised properties and General and administrative expenses is complex as a result of: (1) judgment associated with testing management's conclusions regarding the allocation of costs between reimbursable and non-reimbursable expenses, presented as Other expenses from managed and franchised properties and General and administrative expenses, respectively, and (2) the complexity associated with allocating indirect expenses due to the high volume of data utilized by management in establishing and maintaining allocations for indirect expenses.

How We Addressed the Matter in Our Audit

We obtained an understanding, evaluated the design and tested the operating effectiveness of controls over the Company's process of accounting for Cost Reimbursements, General and administrative expenses, and the process for allocating indirect reimbursement expenses during the year. For example, we tested management's controls over the review of the allocation of certain indirect costs to determine if they were appropriately classified.

To test the recognition of Cost Reimbursements for appropriate classification, we performed audit procedures that included, among others: testing a sample of transactions that were classified within Other expenses from managed and franchised properties in order to evaluate the appropriate accounting treatment and reasonableness of classification; comparing budgeted amounts and initial allocations to actual activity and evaluating the reasonableness of any resulting material changes to allocations of indirect expenses; performing analytical procedures over Other expenses from managed and franchised properties and General and administrative expenses in order to identify indicators of material errors in the classification of expenses based on established trends and expectations; and testing material manual journal entries made to Other expenses from managed and franchised properties and General and administrative expenses.

Note 2: Basis of Presentation and Summary of Significant Accounting Policies

Basis of Presentation

These consolidated financial statements present the consolidated financial position of Hilton as of December 31, 2022 and 2021 and the results of operations for the years ended December 31, 2022, 2021 and 2020.

Principles of Consolidation

Our consolidated financial statements include the accounts of our wholly owned subsidiaries and other non-wholly owned entities in which we have a controlling financial interest, including variable interest entities ("VIEs") for which we are the primary beneficiary. Non-wholly owned entities in which we have a controlling financial interest generally comprise majority owned entities that own or lease real estate.

The determination of a controlling financial interest is based upon the terms of the governing agreements of the respective entities, including the evaluation of rights held by third-party ownership interests. If the entity is considered to be a VIE, we evaluate whether we are the primary beneficiary and then consolidate those VIEs for which we have determined we are the primary beneficiary. If the entity in which we hold an interest does not meet the definition of a VIE, we evaluate whether we have a controlling financial interest through our voting shares in the entity, and, if we do, we consolidate the entity.

We hold interests in VIEs, for which we are not the primary beneficiary, that may provide us with the option to acquire an additional interest in such an entity at a predetermined amount, if certain contingent events occur. In a circumstance that we exercise or have the ability to exercise our option to acquire an additional interest in a VIE, we would reassess whether we are the primary beneficiary of the VIE. If we determine that we are the primary beneficiary of the VIE, we would be required to consolidate the total assets, liabilities and results of operations of the VIE on the date that we became the primary beneficiary. If such consolidation is required, the amounts may be material.

All material intercompany transactions and balances have been eliminated in consolidation. References in these financial statements to net income (loss) attributable to Hilton stockholders and Hilton stockholders' equity (deficit) do not include noncontrolling interests, which represent the third-party ownership interests of our consolidated, non-wholly owned entities and are reported separately.

Use of Estimates

The preparation of financial statements in conformity with United States ("U.S.") generally accepted accounting principles requires management to make estimates and assumptions that affect the amounts reported and, accordingly, ultimate results could differ from those estimates. In particular, the coronavirus ("COVID-19") pandemic (the "COVID-19 pandemic" or the "pandemic") had an adverse impact on certain of our results for the years ended December 31, 2022, 2021 and 2020; however, our results experienced significant recovery during the years ended December 31, 2022 and 2021 when compared to the year ended December 31, 2020, the period most impacted by the pandemic. The years ended December 31, 2022, 2021 and 2020, as well as upcoming periods, may not be comparable to periods prior to the onset of the COVID-19 pandemic or to other periods affected by the pandemic, and are not indicative of future performance. Management has made estimates and judgments in light of these circumstances.

Summary of Significant Accounting Policies

Revenue Recognition

Revenues are primarily derived from: (i) fees earned from management and franchise contracts with third-party hotel owners; (ii) fees earned from license agreements with strategic partners, including co-branded credit card providers, and Hilton Grand Vacations Inc. ("HGV"); and (iii) our owned and leased hotels. The majority of our performance obligations are promises to provide a series of distinct goods or services, for which we receive variable consideration through our management and franchise fees or fixed consideration through our owned and leased hotels. We allocate the variable fees to the distinct services to which they relate applying the prescribed variable consideration allocation guidance, and we allocate fixed consideration to the related performance obligations based on their estimated standalone selling prices.

We do not adjust the promised amount of consideration for the effects of a significant financing component when we expect, at contract inception, that the period between our transfer of a promised good or service to a customer and when the customer pays for that good or service will be twelve months or less. Additionally, we do not typically include extended payment terms in our contracts with customers. However, in response to cash flow deficiencies experienced by certain hotel owners, such as those resulting from the COVID-19 pandemic, we may amend certain contracts with customers to provide short-term payment relief, expecting that we will collect most amounts outstanding in twelve months or less.

Management and franchise revenues

We identified the following performance obligations in connection with our management and franchise contracts:

- *IP licenses* grant the right to access our hotel system IP, including brand IP, reservations systems and property management systems.
- *Hotel management services* include providing day-to-day management services in the operation of the hotels for the hotel owners.
- *Development services* include providing consultative services (e.g., design assistance and contractor selection) to the third-party hotel owner to assist with the construction of the hotel prior to the hotel opening.
- *Pre-opening services* include providing services (e.g., advertising, budgeting, e-commerce strategies and food and beverage testing) to the third-party hotel owner to assist in preparing for the hotel opening.
- *Rewards from Hilton Honors, our guest loyalty program,* provide substantive rights for free or discounted goods or services to Hilton Honors members.

Each of the identified performance obligations is considered to be a series of distinct services transferred over time, except for the performance obligation related to Hilton Honors rewards, which is satisfied at the point in time when the Hilton Honors point is redeemed by the Hilton Honors member. While the underlying activities may vary from day to day, the nature of the commitments are the same each day, and the property owner can independently benefit from each day's services. Management and franchise fees are typically based on the sales or usage of the underlying hotel, with the exception of fixed upfront fees, which usually represent an insignificant portion of the transaction price.

Franchise and licensing fees represent fees earned in connection with the licensing of one of our brands, usually under long-term contracts with the hotel owner, and may also include fees from licensing agreements for the use of our IP, and include the following:

- *Royalty fees* are generally based on a percentage of the hotel's monthly gross room revenue and, in some cases, may also include a percentage of gross food and beverage revenues and other revenues, as applicable. These fees are typically billed and collected monthly, and revenue is generally recognized as services are provided.
- *Application, initiation and other fees* are charged when: (i) new hotels enter our system; (ii) there is a change of ownership of a hotel; or (iii) contracts with hotels already in our system are extended. These fees are typically fixed and collected upfront and are recognized as revenue over the term of the franchise contract. We do not consider this advance consideration to include a significant financing component, since it is used to protect us from the hotel owner

failing to adequately complete some or all of its obligations under the contract, including establishing and maintaining the hotel in accordance with our standards.

- *Licensing fees* are earned from: (i) strategic partnerships, including from co-branded credit card arrangements, which are recognized as revenue when points for Hilton Honors are issued, generally as spend with the strategic partner or co-branded credit card provider occurs (see further discussion below under "Hilton Honors") and (ii) a license agreement with HGV to use our IP in its timeshare business, which are typically billed monthly, and revenue is generally recognized at the same time the fees are billed.

Management fees represent fees earned from hotels that we manage, usually under long-term contracts with the hotel owner, and include the following:

- *Base management fees* are generally based on a percentage of the hotel's monthly gross revenue. Base fees are typically billed and collected monthly, and revenue is generally recognized as services are provided.

- *Incentive management fees* are generally based on a percentage of the hotel's operating profits, normally over a one-calendar year period (the "incentive period"), and, in some cases, may be subject to a stated return threshold to the hotel owner. Incentive fee revenue is recognized on a monthly basis, but only to the extent the cumulative fee earned does not exceed the probable fee for the incentive period. Incentive fee payment terms vary, but they are generally billed and collected monthly or annually upon completion of the incentive period.

Consideration paid or anticipated to be paid to incentivize hotel owners to enter into management and franchise contracts with us is amortized over the life of the applicable contract, generally including any extension periods that are at our sole option, as a reduction to base and other management fees and franchise and licensing fees, respectively.

We do not estimate revenues expected to be recognized related to our unsatisfied performance obligations for our:
(i) royalty fees, since they are considered sales-based royalty fees recognized as hotel room sales occur in exchange for licenses of our IP over the terms of the franchise contracts and (ii) other licensing fees and base management fees and incentive management fees since they are allocated entirely to the wholly unsatisfied promise to transfer IP or provide management services, respectively, which form part of a single performance obligation in a series, over the term of the individual contract.

Other revenues from managed and franchised properties represent amounts that are contractually reimbursed to us by property owners, either directly as costs are incurred or indirectly through monthly program fees related to certain costs and expenses supporting the operations of the related properties, and include the following:

- *Direct reimbursements* include payroll and related costs and certain other operating costs of the managed and franchised properties' operations, which are contractually reimbursed to us by the property owners as expenses are incurred. Revenue is recognized based on the amount of expenses incurred by Hilton, which are presented as other expenses from managed and franchised properties in our consolidated statement of operations, that are then reimbursed to us by the property owner typically on a monthly basis, which results in no net effect on operating income (loss) or net income (loss).

- *Indirect reimbursements* include marketing expenses and other expenses associated with our brand programs and shared services, which are paid from program fees collected by Hilton from our managed and franchised properties. Indirect reimbursements are typically billed and collected monthly, based on the underlying hotel's sales or usage (such as gross room revenue or number of reservations processed), and revenue is generally recognized as services are provided. System implementation fees charged to property owners are deferred and recognized as revenue over the term of the management or franchise contract. The expenses incurred by Hilton to operate the marketing and brand programs and shared services are recognized as incurred and presented as other expenses from managed and franchised properties in our consolidated statement of operations and are expected to equal the revenues earned from indirect reimbursements over time.

The management and franchise fees and reimbursements from third-party property owners are allocated to the performance obligations and the distinct services to which they relate using their estimated standalone selling prices. The terms of the fees earned under the contract relate to a specific outcome of providing the services (e.g., hotel room sales) or to Hilton's efforts (e.g., costs) to satisfy the performance obligations. Using time as the measure of progress, we recognize fee revenue and indirect reimbursements in the period earned per the terms of the contract and revenue related to direct reimbursements in the period in which the cost is incurred.

Owned and leased hotels revenues

We identified the following performance obligations in connection with our owned and leased hotels revenues, with such revenues recognized as the respective performance obligations are satisfied, which results in recognizing the amount we expect to be entitled to for providing the goods or services:

- *Cancellable room reservations or ancillary services* are typically satisfied as the good or service is transferred to the hotel guest, which is generally when the room stay occurs.

- *Noncancellable room reservations and banquet or conference reservations* represent a series of distinct goods or services provided over time and satisfied as each distinct good or service is provided, which is reflected by the duration of the reservation.

- *Substantive rights for free or discounted goods or services* are satisfied when the underlying free or discounted good or service is provided to the hotel guest.

- *Other ancillary goods and services* are purchased independently of the room reservation at standalone selling prices and are considered separate performance obligations, which are satisfied when the related good or service is provided to the hotel guest.

- *Components of package reservations* for which each component could be sold separately to other hotel guests are considered separate performance obligations and are satisfied as set forth above.

Owned and leased hotels revenues primarily consist of hotel room sales, revenue from accommodations sold in conjunction with other services (e.g., package reservations), food and beverage sales and sales of other ancillary goods and services (e.g., parking) related to consolidated owned and leased hotels. Revenue is recognized when rooms are occupied or goods and services have been delivered or rendered, respectively. Payment terms typically align with when the goods and services are provided. Owned and leased hotels revenues are reduced upon issuance of Hilton Honors points for Hilton Honors members' paid stay transactions and are recognized when Hilton Honors points are redeemed for a free or discounted stay at an owned or leased hotel (see the "Hilton Honors" section below for additional information).

Although the transaction prices of hotel room sales, goods and other services are generally fixed and based on the respective room reservation or other agreement, an estimate to reduce the transaction price is required if a discount is expected to be provided to the customer. For package reservations, the transaction price is allocated to the performance obligations within the package based on the estimated standalone selling prices of each component. On occasion, the hotel may also provide the customer with a substantive right to a free or discounted good or service in conjunction with a room reservation or banquet contract (e.g., free breakfast or free room night for every four room nights reserved). This substantive right is considered a separate performance obligation to which a portion of the transaction price is allocated based on the estimated standalone selling price of the good or service, adjusted for the likelihood the hotel guest will exercise such right, and it is recognized as revenue when the good or service is redeemed.

Other revenues

Other revenues include revenues generated by the incidental support of hotel operations for owned, leased, managed and franchised hotels, including purchasing operations, and other operating income. Purchasing revenues include any amounts received for vendor rebate arrangements that we participate in on behalf of the hotels in our system.

Taxes and fees collected on behalf of governmental agencies

We are required to collect certain taxes and fees from customers on behalf of governmental agencies and remit these back to the applicable governmental agencies on a periodic basis. We have a legal obligation to act as a collection agent. We do not retain these taxes and fees, and, therefore, they are not included in our measurement of transaction prices. We have elected to present revenue net of sales taxes and other similar taxes. We record a liability when the amounts are collected and relieve the liability when payments are made to the applicable taxing authority or other appropriate governmental agency.

Cash and Cash Equivalents

Cash and cash equivalents include all highly liquid investments with original maturities, when purchased, of three months or less.

Restricted Cash and Cash Equivalents

Restricted cash and cash equivalents include cash balances established as collateral for certain guarantees and insurance, including self-insurance and furniture, fixtures and equipment replacement ("FF&E") reserves required under certain lease agreements.

Allowance for Credit Losses

An allowance for credit losses is provided on our financial instruments, primarily accounts receivable. Our expected credit losses are based on historical collection activity, the nature of the financial instrument, geographic considerations and current and forecasted business conditions.

Goodwill

Goodwill represents the future economic benefits arising from other assets acquired in a business combination that are not individually identified and separately recognized. In connection with the 2007 transaction whereby we became a wholly owned subsidiary of affiliates of Blackstone Inc. (the "Merger"), we recorded goodwill representing the excess purchase price over the fair value of the other identified assets and liabilities.

We do not amortize goodwill, but rather evaluate goodwill for potential impairment on an annual basis or at other times during the year if indicators of impairment exist. Our reporting units are the same as our operating segments as described in Note 17: "Business Segments." We evaluate goodwill for potential impairment by comparing the carrying value of the reporting unit to its fair value. When we evaluate goodwill for potential impairment, generally, we first perform a qualitative assessment to determine whether it is more likely than not that the fair value of a reporting unit is less than its carrying value. If we determine qualitatively that it is more likely than not that the fair value of a reporting unit is less than its carrying value, or if we decide to bypass the qualitative assessment, we perform a quantitative analysis. The quantitative analysis is used to identify both the existence of impairment and the amount of the impairment loss by comparing the estimated fair value of a reporting unit to its carrying value, including goodwill. The estimated fair value is based on internal projections of expected future cash flows and operating plans, as well as market conditions relative to the operations of our reporting units. If the carrying value of the reporting unit exceeds its estimated fair value, an impairment loss would be recognized in our consolidated statement of operations in an amount equal to the excess of the carrying value over the fair value, limited to the total amount of goodwill allocated to that reporting unit.

Brands

Certain brand intangible assets were initially recorded at their fair value at the time of the Merger, using the relief-from-royalty valuation approach or the excess earnings method, depending on the contract type. At the time of the Merger, our portfolio of brands, and those for which we recorded intangible assets, consisted of Waldorf Astoria Hotels & Resorts, Conrad Hotels & Resorts, Hilton Hotels & Resorts, DoubleTree by Hilton, Embassy Suites by Hilton, Hilton Garden Inn, Hampton by Hilton, Homewood Suites by Hilton and our timeshare brand, Hilton Grand Vacations. There are no legal, regulatory, contractual, competitive, economic or other factors that limit the useful lives of these brands, and, accordingly, the useful lives of these brands are considered to be indefinite. A portion of our brands intangible assets are denominated in foreign currencies and, as such, a period over period change in these assets is attributable to fluctuations in foreign currency exchange rates.

All brands that were launched subsequent to the Merger, which, as of December 31, 2022, included LXR Hotels & Resorts, Canopy by Hilton, Signia by Hilton, Curio Collection by Hilton, Tapestry Collection by Hilton, Tempo by Hilton, Motto by Hilton, Tru by Hilton and Home2 Suites by Hilton, were not assigned fair values, and we do not have any intangible assets for these brands recorded in our consolidated balance sheets.

We evaluate our indefinite-lived brands intangible assets for impairment on an annual basis or at other times during the year if indicators of impairment exist. When we evaluate our brands intangible assets for potential impairment, generally, we first perform a qualitative assessment to determine whether it is more likely than not that the fair value of the asset is less than its carrying value. If we determine qualitatively that the fair value of an asset is more likely than not less than its carrying value,

or if we decide to bypass the qualitative assessment, we perform a quantitative analysis. The estimated fair value of the brand is based on internal projections of expected future cash flows. If a brand intangible asset's estimated fair value is less than its respective carrying value, the excess of the carrying value over the estimated fair value is recognized in our consolidated statement of operations as an impairment loss.

Intangible Assets with Finite Useful Lives

Certain finite-lived intangible assets were initially recorded at their fair value at the time of the Merger. These intangible assets consisted of management contracts, franchise contracts, leases, certain proprietary technologies and our Hilton Honors guest loyalty program. The intangible assets related to the franchise contracts, U.S. management contracts and certain proprietary technologies were fully amortized as of December 31, 2020. Additionally, we capitalize consideration paid to incentivize hotel owners to enter into management and franchise contracts with us as contract acquisition costs and the incremental costs to obtain the contracts as development commissions and other, both of which are generally fixed. We also capitalize costs incurred to develop internal-use computer software and costs to acquire software licenses, as well as internal and external costs incurred in connection with the development of upgrades or enhancements that result in additional information technology functionality.

Intangible assets with finite useful lives are amortized using the straight-line method over their respective estimated useful lives, which for contract acquisition costs and development commissions and other is the contract term, generally including any extension periods that are at our sole option. These estimated useful lives are generally as follows: international management contracts recorded at the Merger (16 years); management contract acquisition costs and development commissions and other (20 to 30 years); franchise contract acquisition costs and development commissions and other (10 to 20 years); leases (16 to 35 years); Hilton Honors (16 years); and capitalized software costs (3 years). In our consolidated statement of operations, the amortization of these intangible assets, excluding contract acquisition costs, is included in depreciation and amortization expenses, and the amortization of contract acquisition costs is recognized as a reduction to franchise and licensing fees or base and other management fees, depending on the contract type. Costs incurred prior to the acquisition of a contract, such as external legal costs, are expensed as incurred and included in general and administrative expenses in our consolidated statement of operations. Cash flows for contract acquisition costs and development commissions and other are included as operating activities in our consolidated statement of cash flows, and cash flows for capitalized software costs are included as investing activities.

We evaluate the carrying value of all finite-lived intangible assets for indicators of impairment, and, if such indicators exist, we perform an analysis to determine the recoverability of the asset group by comparing the expected undiscounted future cash flows to the net carrying value of the asset group. If the carrying value of the asset group is not recoverable and it exceeds the estimated fair value of the asset group, we recognize an impairment loss in our consolidated statement of operations for the amount by which the carrying value exceeds the estimated fair value. We allocate the impairment loss related to the asset group among the various assets within the asset group pro rata based on the relative carrying values of the respective assets.

Property and Equipment

Property and equipment are recorded at cost. Costs of improvements that extend the economic life or improve service potential are also capitalized. Capitalized costs are depreciated over their estimated useful lives. Costs for normal repairs and maintenance are expensed as incurred. Right-of-use ("ROU") assets of finance leases are included in property and equipment, net in our consolidated balance sheets; refer to "Leases" below for additional information.

Depreciation is recorded using the straight-line method over the assets' estimated useful lives, which are generally: (i) 8 to 40 years for buildings and improvements; (ii) 3 to 8 years for furniture and equipment; and (iii) 3 to 5 years for computer equipment. Leasehold improvements are depreciated over the shorter of the estimated useful life, based on the estimates above, or the remaining lease term.

We evaluate the carrying value of our property and equipment for indicators of impairment, and, if such indicators exist, we perform an analysis to determine the recoverability of the asset group by comparing the estimated undiscounted future cash flows to the net carrying value of the asset group. If the carrying value of the asset group is not recoverable and it exceeds the estimated fair value of the asset group, we recognize an impairment loss in our consolidated statement of operations for the amount by which the carrying value exceeds the estimated fair value. We allocate the impairment loss related to the asset group among the various assets within the asset group pro rata based on the relative carrying values of the respective assets.

If sufficient information exists to reasonably estimate the fair value of a conditional asset retirement obligation, including environmental remediation liabilities, we recognize the fair value of the obligation when the obligation is incurred, which is generally upon acquisition, construction or development or through the normal operation of the asset.

Leases

We determine if a contract is or contains a lease at the inception of the contract, and we classify that lease as a finance lease if it meets certain criteria or as an operating lease when it does not. We reassess if a contract is or contains a lease upon modification of the contract. We have elected to account for the components in contracts in which we are the lessee, that contain fixed payments for both lease and non-lease components, as a single lease component.

At the commencement date of a lease, we recognize a lease liability for future fixed lease payments and a ROU asset representing our right to use the underlying asset during the lease term. The lease liability is initially measured as the present value of the future fixed lease payments that will be made over the lease term. The lease term includes lessor options to renew the lease within the lessor's control and lessee options to extend the lease and periods occurring after a lessee early termination option, only to the extent it is reasonably certain that we will exercise such extension options and not exercise such early termination options, respectively. The future fixed lease payments are discounted using the rate implicit in the lease, if available, or our incremental borrowing rate. Current and long-term portions of operating lease liabilities are classified as accounts payable, accrued expenses and other and operating lease liabilities, respectively, and current and long-term portions of finance lease liabilities are classified as current maturities of long-term debt and long-term debt, respectively, in our consolidated balance sheets.

The ROU asset is measured as the amount of the lease liability with adjustments, if applicable, for lease prepayments made prior to or at lease commencement, initial direct costs incurred by us, deferred rent and lease incentives. In our consolidated balance sheets, ROU assets of operating leases are included in operating lease right-of-use assets and ROU assets of finance leases are included in property and equipment, net. We evaluate the carrying value of our ROU assets for indicators of impairment, and, if such indicators exist, we perform an analysis to determine the recoverability of the asset group by comparing the estimated undiscounted future cash flows to the net carrying value of the asset group. If the carrying value of the asset group is not recoverable and it exceeds the estimated fair value of the asset group, we recognize an impairment loss in our consolidated statement of operations for the amount by which the carrying value exceeds the estimated fair value. We allocate the impairment loss related to an asset group among the various assets within the asset group pro rata based on the relative carrying values of the respective assets.

Depending on the individual agreement, our operating leases may require: (i) fixed lease payments, or minimum payments, as contractually stated in the lease agreement; (ii) variable lease payments, which, for our hotels, are generally based on a percentage of the underlying asset's revenues or profits or result from changes in inflationary indices; and/or (iii) lease payments equal to the greater of the fixed or variable lease payments. In addition, during the term of our hotel leases, we may be required to pay some, or all, of the capital costs for FF&E and leasehold improvements in the hotel property. For operating leases, lease expense relating to fixed payments is recognized on a straight-line basis over the lease term, and lease expense related to variable payments is expensed as incurred, with amounts recognized in owned and leased hotels expenses, general and administrative expenses and other expenses from managed and franchised properties in our consolidated statement of operations. For operating leases for which the ROU asset has been impaired, the lease expense is determined as the sum of the amortization of the ROU asset remaining after impairment, if any, on a straight-line basis over the remaining term of the lease and the accretion of the lease liability based on the discount rate applied to the lease liability. For finance leases, the amortization of the asset is recognized over the shorter of the lease term or useful life of the underlying asset within depreciation and amortization expenses and other expenses from managed and franchised properties in our consolidated statement of operations. The interest expense related to finance leases, including any variable lease payments, is recognized in interest expense in our consolidated statement of operations.

Contract Liabilities

Contract liabilities relate to: (i) advance consideration received from hotel owners at contract inception for services considered to be part of the contract's performance obligations, such as application, initiation and other fees; (ii) advance consideration received for certain indirect reimbursements, such as system implementation fees; (iii) amounts received when points are issued under Hilton Honors, but for which revenue is not yet recognized, since the related points are not yet redeemed; and (iv) as of December 31, 2021, a portion of the consideration received for the pre-sale of Hilton Honors points. Contract liabilities related to advance consideration received for fees and certain indirect reimbursements are recognized ratably as revenue over the term of the related contract. Contract liabilities related to amounts received for Hilton Honors, excluding the

pre-sale of Hilton Honors points, are recognized as revenue when the points are redeemed for a free or discounted good or service by the Hilton Honors member. For the contract liabilities related to the pre-sale of Hilton Honors points, a portion is recognized as revenue from licensing fees when the related points are awarded to customers, and the remainder is recognized when customers redeem the Hilton Honors points. Contract liabilities are included in current and long-term deferred revenues in our consolidated balance sheets, with the current portion based on our estimates of the amounts that will be recognized in the next twelve months.

Hilton Honors

Hilton Honors is our guest loyalty program provided to our hotel and resort properties. All of our managed, franchised, owned and leased properties participate in the Hilton Honors program. Hilton Honors members earn points based on their spend at our participating properties and through participation in affiliated strategic partner programs, including co-branded credit card arrangements. When points are earned by Hilton Honors members, they are provided with a substantive right to free or discounted goods or services in the future upon accumulation of the required level of Hilton Honors points. Points may be redeemed for the right to stay at participating properties, as well as for other goods and services from third parties, including, but not limited to, airlines, car rentals, cruises, vacation packages, shopping and dining.

As points are issued to a Hilton Honors member, the property or strategic partner pays Hilton Honors based on an estimated cost per point equal to the cost of operating the program, which includes marketing, promotion, communication and administrative expenses, as well as the estimated cost of reward redemptions. When the payments that are related to the issuance of points are received, we record amounts equal to the estimated cost per point of the future redemption obligation within liability for guest loyalty program and any amounts received in excess of the estimated cost per point within deferred revenues in our consolidated balance sheets. For the Hilton Honors fees that are charged to the participating properties, we allocate such fees to the substantive right created by the Hilton Honors points that are issued using the variable consideration allocation guidance, since the fees are directly related to the issuance of Hilton Honors points to the Hilton Honors member and Hilton's efforts to satisfy the future redemption of those Hilton Honors points. We engage third-party actuaries annually to assist in determining the fair value of the future reward redemption obligation using a discount rate and statistical formulas that project future point redemptions based on factors that include historical experience, an estimate of points that will eventually be redeemed, which includes an estimate of breakage (i.e., points that will never be redeemed), an expectation of when such points are expected to be redeemed and the cost of reimbursing properties and other third parties with respect to other redemption opportunities available to Hilton Honors members. When points are issued as a result of a stay by a Hilton Honors member at an owned or leased hotel, we recognize a reduction in owned and leased hotels revenues, since we are also the program sponsor. We estimate the current portions of our liability for guest loyalty program and Hilton Honors deferred revenues based on the total point redemptions and breakage expected to occur within the next 12 months; these amounts are presented as current portion of liability for guest loyalty program and current portion of deferred revenues in our consolidated balance sheets.

The transaction prices for the Hilton Honors points issued are reduced by the expected payments to the properties and other third parties that will provide the free or discounted good or service using the actuarial projection of the cost per point. The remaining transaction price is then further allocated to the points that are expected to be redeemed, adjusting the points that are issued for estimated breakage, and recognized when those points are redeemed. While the points are outstanding, both the estimate of the expected payments to third parties (i.e., cost per point redeemed) and the estimated breakage are reevaluated. The combined estimate that yields the amount of revenue recognized when our point obligation is satisfied is adjusted so that the final amount allocated to the substantive right of the Hilton Honors member to redeem their points for free or discounted goods and services is reflective of the amount retained by Hilton after the cost of providing the free or discounted goods and services. As a result of the COVID-19 pandemic, we temporarily suspended the expiration of Hilton Honors points, and, as a result, our estimates of breakage for both the determination of our liability for guest loyalty program and the amount of revenue
recognized when our point obligation is satisfied included the anticipated point expirations that occurred at the end of the suspension, which was December 31, 2022.

We also earn licensing fees from strategic partnerships, including co-branded credit card arrangements (see "Management and franchise revenues" within the "Revenue Recognition" section above). The consideration received is allocated between two performance obligations based on their estimated standalone selling prices: (i) an IP license using the relief-from-royalty valuation method; and (ii) substantive rights for free or discounted goods or services to the Hilton Honors members using a cost plus method based on an evaluation of other third-party administrators.

We satisfy our performance obligation related to points issued under Hilton Honors when points are redeemed for a free or discounted good or service by the Hilton Honors member, and we satisfy our performance obligation related to the IP license over time as the strategic partner simultaneously receives and consumes the benefits of the goods or services provided. Hilton reimburses participating properties and applicable third parties when points are redeemed by Hilton Honors members for stays

at the participating properties or for other goods or services from the third-party providers, at which time the redemption obligation is reduced and the related deferred revenue is recognized in other revenues from managed and franchised properties in our consolidated statement of operations. Additionally, when Hilton Honors members redeem points for a free or discounted stay at our owned and leased hotels, we recognize room revenue, included in owned and leased hotels revenues in our consolidated statement of operations. During the year ended December 31, 2022, we recognized an aggregate of $457 million of revenue related to Hilton Honors, including amounts related to point redemptions, which were recognized in other revenues from managed and franchised properties, and amounts related to licensing fees, which were recognized in franchise and licensing fees.

Fair Value Measurements – Valuation Hierarchy

Fair value is defined as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants on the measurement date (i.e., an exit price). We use the three-level valuation hierarchy for classification of fair value measurements. The valuation hierarchy is based upon the transparency of inputs to the valuation of an asset or liability as of the measurement date. Inputs refer broadly to the assumptions that market participants would use in pricing an asset or liability. Inputs may be observable or unobservable. Observable inputs are inputs that reflect the assumptions market participants would use in pricing the asset or liability developed based on market data obtained from independent sources. Unobservable inputs are inputs that reflect our own assumptions about the data market participants would use in pricing the asset or liability developed based on the best information available in the circumstances. The three-tier hierarchy of inputs is summarized below:

- Level 1 – Valuation is based upon quoted prices (unadjusted) for identical assets or liabilities in active markets.
- Level 2 – Valuation is based upon quoted prices for similar assets and liabilities in active markets, or other inputs that are observable for the asset or liability, either directly or indirectly, for substantially the full term of the instrument.
- Level 3 – Valuation is based upon other unobservable inputs that are significant to the fair value measurement.

The classification of assets and liabilities within the valuation hierarchy is based upon the lowest level of input that is significant to the fair value measurement in its entirety. Proper classification of fair value measurements within the valuation hierarchy is considered each reporting period. The use of different market assumptions or estimation methods may have a material effect on the estimated fair value amounts.

Estimates of the fair values of our financial instruments and nonfinancial assets are determined using available market information and appropriate valuation methods. Considerable judgment is necessary to interpret market data and develop the estimated fair values and the classification within the valuation hierarchy. We have not elected the fair value measurement option for any of our financial assets or liabilities.

Derivative Instruments

We use derivative instruments as part of our overall strategy to manage our exposure to market risks associated with fluctuations in interest rates and foreign currency exchange rates. We regularly monitor the financial stability and credit standing of the counterparties to our derivative instruments. We do not enter into derivative financial instruments for speculative purposes.

We record all derivatives at fair value. On the date the derivative contract is entered into, we may designate the derivative as a hedging instrument, and, if so, we formally document all relationships between hedging activities, including the risk management objective and strategy for undertaking various hedge transactions. We generally enter into cash flow hedges (i.e., a hedge of a specific forecasted transaction or the variability of cash flows to be paid), and, in the past, we entered into net investment hedges (i.e., a hedge of an investment in a foreign operation). Changes in the fair value of a derivative that is qualified and designated as a cash flow hedge or net investment hedge are recorded in other comprehensive income (loss) in our consolidated statement of comprehensive income (loss) until they are reclassified into earnings in the same period or periods during which the hedged transaction affects earnings. If we do not specifically designate the derivative as a cash flow hedge or another type of hedging instrument, changes in the fair value of the undesignated derivative instrument are reported in current period earnings. Cash flows from designated derivative financial instruments are classified within the same category as the item being hedged in the consolidated statement of cash flows, while cash flows from undesignated derivative financial instruments are included as an investing activity.

We perform an initial prospective assessment of hedge effectiveness on a quantitative basis between the inception date and the earlier of the first quarterly hedge effectiveness date or the issuance of the financial statements that include the hedged transaction. On a quarterly basis, we assess the effectiveness of our designated hedges in offsetting the variability in the cash flows using a statistical method. This method compares the cumulative change in fair value of each hedging instrument to the cumulative change in fair value of a hypothetical hedging instrument, which has terms that identically match the critical terms of the respective hedged transactions. Thus, the hypothetical hedging instrument is presumed to perfectly offset the hedged cash flows. Ineffectiveness results when the cumulative change in the fair value of the hedging instrument exceeds the cumulative change in the fair value of the hypothetical hedging instrument. We discontinue hedge accounting prospectively when the derivative is no longer highly effective as a hedge, the underlying hedged transaction is no longer probable or the hedging instrument expires, is sold, terminated or exercised.

Currency Translation

The U.S. dollar ("USD") is our reporting currency and is the functional currency of our entities operating in the U.S. The functional currency for our entities operating outside of the U.S. is the currency of the primary economic environment in which the respective entity operates, unless it is considered a highly inflationary economy in which case the functional currency of that entity is USD. Assets and liabilities measured in foreign currencies are translated into USD at the prevailing foreign currency exchange rates in effect as of the financial statement date and the related gains and losses, net of applicable deferred income taxes, are reflected in accumulated other comprehensive income (loss) in our consolidated balance sheets. Income and expense accounts are translated at the average foreign currency exchange rate for the period. Gains and losses from foreign currency exchange rate changes related to transactions denominated in a currency other than an entity's functional currency or intercompany receivables and payables denominated in a currency other than an entity’s functional currency that are not of a long-term investment nature are recognized within gain (loss) on foreign currency transactions in our consolidated statement of operations. Where certain specific evidence indicates intercompany receivables and payables will not be settled in the foreseeable future and are of a long-term nature, gains and losses from foreign currency exchange rate changes are recognized as currency translation adjustment within other comprehensive income (loss) in our consolidated statement of comprehensive income (loss).

Insurance

We are self-insured for losses up to our third-party insurance deductibles for domestic general liability, auto liability, workers' compensation, employment practices liability and crime insurance at our leased and managed hotels that participate in our insurance programs, in addition to other corporate related coverages. We are also self-insured for health coverages for some of our U.S. and Puerto Rico employees, which include those working at our corporate operations and managed hotels, with purchased insurance protection for costs over specified thresholds. In addition, through our captive insurance subsidiary, we participate in reinsurance arrangements that provide coverage and/or act as a financial intermediary for claim payments on our self-insurance program. These obligations and reinsurance arrangements can cause timing differences in the recognition of assets, liabilities, gains and losses between reporting periods, although we expect these amounts to ultimately offset when the related claims are settled. Our insurance reserves are accrued based on our deductibles related to the estimated ultimate cost of claims that occurred during the covered period, which includes claims incurred but not reported, for which we will be responsible. These estimates are prepared with the assistance of third-party actuaries and consultants. The ultimate cost of claims for a covered period are reviewed at least annually, or more frequently as circumstances dictate, and are adjusted based on the latest information available to us, which may differ from our original estimates.

Share-Based Compensation

Under the Hilton 2017 Omnibus Incentive Plan (the "2017 Plan"), we award time-vesting restricted stock units ("RSUs"), nonqualified stock options ("options") and performance-vesting RSUs ("performance shares") to our eligible employees:

- *RSUs* vest in equal annual installments over two or three years from the date of grant. Vested RSUs generally will be settled for the Company's common stock, with the exception of certain awards that will be settled in cash. The grant date fair value per share is equal to the closing stock price on the date of grant.

- *Options* vest over three years from the date of grant in equal annual installments and terminate 10 years from the date of grant or earlier if the individual’s service terminates under certain circumstances. The exercise price is equal to the closing stock price on the date of grant. The grant date fair value per share is estimated using the Black-Scholes-Merton option-pricing model.

- *Performance shares* vest three years from the date of grant based on a set of specified performance measures over a defined performance period. The grant date fair value is equal to the closing stock price on the date of grant. The total number of performance shares that vest related to each performance measure is based on an achievement factor that ranges from zero percent to 200 percent, with 100 percent being the target.

We recognize these share-based payment transactions when services from the employees are rendered and recognize either a corresponding increase in additional paid-in capital or accounts payable, accrued expenses and other in our consolidated balance sheets, depending on whether the instruments granted satisfy the equity or liability classification criteria, respectively. The measurement objective for these equity awards is the estimated fair value at the date of grant of the equity instruments that we are obligated to issue when employees have rendered the requisite service and satisfied any other conditions necessary to earn the right to benefit from the instruments. The compensation expense for an award classified as an equity instrument is recognized ratably over the requisite service period, which is the period during which an employee is required to provide service in exchange for an award. Liability awards are measured based on the award's fair value, and the fair value is remeasured at each reporting date until the date of settlement. Compensation expense for each period until settlement is based on the change (or a portion of the change, depending on the percentage of the requisite service that has been rendered as of the reporting date) in the fair value of the instrument for each reporting period for such liability awards. Compensation expense for awards with a performance condition is dependent on the expected achievement percentage of such awards, which is reassessed each reporting period from the date of grant through the vesting of such performance awards, and is recognized over the requisite service period if it is probable that the performance condition will be satisfied. If such performance conditions are not or are no longer considered probable, no compensation expense for these awards is recognized, and any previously recognized expense related to awards that are determined to be improbable of achievement is reversed. Additionally, we have a retirement provision whereby we recognize total compensation expense of the awards for eligible participants through the date their awards are fully vested. We recognize forfeitures of share-based compensation awards as they occur. Share-based compensation expense is recognized in owned and leased hotels expenses, general and administrative expenses and other expenses from managed and franchised properties in our consolidated statement of operations.

Income Taxes

We account for income taxes using the asset and liability method. The objectives of accounting for income taxes are to recognize the amount of taxes payable or refundable for the current year and to recognize the deferred tax assets and liabilities that relate to tax consequences in future years, which result from differences between the respective tax basis of assets and liabilities and their financial reporting amounts and tax attribute carryforwards. Deferred tax assets and liabilities are measured using the enacted tax rates in effect for the year in which the respective temporary differences or operating loss or tax credit carryforwards are expected to be recovered or settled. The realization of deferred tax assets and tax loss and tax credit carryforwards is contingent upon the generation of future taxable income and other restrictions that may exist under the tax laws of the jurisdiction in which a deferred tax asset exists. Valuation allowances are provided to reduce such deferred tax assets to amounts more likely than not to be ultimately realized.

We are taxed on global intangible low-tax income ("GILTI") earned by certain foreign subsidiaries, and our foreign derived intangible income ("FDII") is taxed at a lower effective rate than the statutory rate by allowing a tax deduction against the income. We recognize the current tax on GILTI as an expense in the period the tax is incurred. We include the current tax impact of both GILTI and the FDII deduction in our effective tax rate.

We use a prescribed recognition threshold for the financial statement recognition and measurement of a tax position taken in a tax return. For all income tax positions, we first determine whether it is more likely than not that a tax position will be sustained upon examination, including resolution of any related appeals or litigation processes, based on the technical merits of each evaluated tax position and the amounts we would ultimately accept in a negotiated settlement with tax authorities. If it is determined that a position meets the more-likely-than-not recognition threshold, the benefit recognized in the financial statements is measured as the largest amount of benefit that is greater than 50 percent likely of being realized upon settlement.

In August 2022, the Inflation Reduction Act of 2022 (the "IRA") was signed into law in the U.S. We do not expect the IRA to have a material impact on our consolidated financial statements, including our annual estimated effective tax rate during interim periods.

Loss Contingencies

We are involved in various claims and lawsuits arising in the ordinary course of business, the outcomes of which are subject to significant uncertainty. We also provide various types of guarantees and other assistance in the form of letters of

credit and financing to owners of certain hotels that we currently or in the future will manage or franchise, with varying degrees of certainty with respect to the ultimate timing and amount of cash flows that might be expended under such agreements. An estimated loss from a loss contingency will be accrued as a charge to income if it is probable a loss has been incurred and the amount of the loss can be reasonably estimated.

Recently Issued Accounting Pronouncements

In November 2021, the Financial Accounting Standards Board issued ASU No. 2021-10 ("ASU 2021-10"), *Government Assistance (Topic 832): Disclosures by Business Entities about Government Assistance*, which requires entities to provide annual disclosures about the nature of material existing government assistance agreements and the impact of such agreements on the entity's financial statements. The provisions of ASU 2021-10 are effective for fiscal years beginning after December 15, 2021 and the amendments should be applied either: (i) prospectively to all in scope transactions that are reflected in the financial statements at the date of initial application and new transactions that are entered into after that date; or (ii) retrospectively to those transactions. Hilton adopted this ASU on January 1, 2022 on a prospective basis and it had no material impact on our consolidated financial statements as of and for the year ended December 31, 2022. If, at any point in time, such amounts are deemed to be material, we will present the required disclosures as applicable.

Note 3: Revenues from Contracts with Customers

Contract Liabilities

The following table summarizes the activity of our contract liabilities during the year ended December 31, 2022:

		(in millions)
Balance as of December 31, 2021	$	1,16
Cash received in advance and not recognized as revenue		44
Revenue recognized[1][2]		(53
Other[3]		25
Balance as of December 31, 2022	$	1,33

(1) Primarily related to Hilton Honors, including co-branded credit card arrangements.
(2) Revenue recognized during the year ended December 31, 2022 included a net increase in revenue of $11 million for Hilton Honors points redeemed in prior periods, as a result of a change to the estimated breakage of Hilton Honors points for which point expirations were temporarily suspended through December 31, 2022.
(3) Represents changes in estimated transaction prices for our performance obligations related to the issuance of Hilton Honors points, which had no effect on revenues during the period, and was primarily due to the expiration of Hilton Honors points on December 31, 2022 following the program's temporary suspension of such points.

Performance Obligations

As of December 31, 2022, we had deferred revenues for unsatisfied performance obligations consisting of: (i) $ 631 million related to Hilton Honors that will be recognized as revenue over approximately the next two years; (ii) $674 million related to advance consideration received from hotel owners for application, initiation and other fees and certain indirect reimbursements; and (iii) $26 million related to other obligations.

Note 4: Consolidated Variable Interest Entities

As of December 31, 2022 and 2021, we consolidated two VIEs that each lease one hotel property, both of which are located in Japan. We consolidated these VIEs since we are the primary beneficiary, having the power to direct the activities that most significantly affect their economic performance. Additionally, we have the obligation to absorb losses and the right to receive benefits that could be significant to each of the VIEs individually. The assets of our consolidated VIEs are only available to settle the obligations of the respective entities, and the liabilities of the consolidated VIEs are non-recourse to us.

Our consolidated balance sheets include the assets and liabilities of these entities, including the effect of foreign currency translation, which primarily comprised the following:

	December 31,	
	2022	2021
	(in millions)	
Cash and cash equivalents	$ 29	$ 1
Property and equipment, net	45	6

Other long-term liabilities	14	1

(1) Includes finance lease liabilities of $115 million and $153 million as of December 31, 2022 and 2021, respectively.

During the year ended December 31, 2022, our consolidated VIEs borrowed an aggregate of 2.7 billion Japanese yen ("JPY"), of which 0.3 billion JPY was repaid during the year ended December 31, 2022, resulting in 2.4 billion JPY (equivalent to $ 18 million) of those borrowings remaining outstanding as of December 31, 2022. As of December 31, 2022, these remaining borrowings were included in long-term debt in our consolidated balance sheet and had a weighted average interest rate of 1.04 percent and maturity dates ranging from August 2025 to February 2029.

As of December 31, 2021, one of our consolidated VIEs had drawn 500 million JPY (equivalent to $ 4 million) under a revolving credit facility, which was fully repaid by July 2022; these borrowings were included in long-term debt in our consolidated balance sheet as of December 31, 2021.

Note 5: Goodwill and Intangible Assets

Goodwill

During the year ended December 31, 2020, we fully impaired the goodwill attributable to our ownership reporting unit, recognizing impairment losses of $104 million in our consolidated statement of operations; see Note 10: "Fair Value Measurements" for additional information. As such, as of December 31, 2022 and 2021, our goodwill balance was only attributable to our management and franchise reporting unit, which had no accumulated impairment losses as of either date. The changes in our goodwill balances during the years ended December 31, 2022 and 2021 were due to foreign currency translation.

_____

(1) These notes are collectively referred to as the Senior Notes and are jointly and severally guaranteed on a senior unsecured basis by the Parent and substantially all of its direct and indirect wholly owned domestic restricted subsidiaries, except for Hilton Domestic Operating Company Inc. ("HOC"), an indirect wholly owned subsidiary of the Parent and the issuer of all of the series of Senior Notes.

(2) Long-term debt of our consolidated variable interest entities is included in finance lease liabilities and other debt of consolidated VIEs as applicable; refer to Note 4: "Consolidated Variable Interest Entities" for additional information.

(3) Represents current maturities of finance lease liabilities and borrowings of one consolidated VIE.

Senior Secured Credit Facilities

Our senior secured credit facilities consist of a senior secured revolving credit facility (the "Revolving Credit Facility") and a senior secured term loan facility. The obligations of our senior secured credit facilities are unconditionally and irrevocably guaranteed by the Parent and substantially all of its direct and indirect wholly owned domestic restricted subsidiaries, except for HOC, the named borrower on the senior secured credit facilities.

In December 2022, we amended the credit agreement that governs our senior secured credit facilities to reference the Secured Overnight Financing Rate as the primary benchmark rate for our variable-rate indebtedness under this agreement in lieu of the London Interbank Offered Rate. We applied the practical expedient as prescribed in ASU No. 2020-04, *Reference Rate Reform (Topic 848): Facilitation of the Effects of Reference Rate Reform on Financial Reporting* that allowed us to consider this amendment as though the modification was not substantial.

As of December 31, 2022, our Revolving Credit Facility had a total borrowing capacity of $ 1.75 billion and, of the $250 million available in the form of letters of credit, $60 million letters of credit were outstanding, resulting in an available borrowing capacity of $ 1,690 million. No borrowings were outstanding under the Revolving Credit Facility as of December 31, 2022 and 2021. In January 2023, we amended the credit agreement governing our Revolving Credit Facility to increase the borrowing capacity to $2.0 billion, $250 million of which is available in the form of letters of credit, and, based on the terms of the agreement, we expect the extended maturity date to be January 2028. In connection with this amendment, we incurred approximately $9 million of debt issuance costs. As of February 3, 2023, after considering $60 million letters of credit outstanding and no borrowings outstanding, we had an available borrowing capacity on the Revolving Credit Facility of $1,940 million.

Senior Notes

During 2021 and 2020, we completed financing transactions, whereby we issued senior unsecured notes and used the net proceeds from those issuances, together with available cash, to redeem outstanding senior unsecured notes. In connection with

the redemptions, we paid redemption premiums of $ 55 million and $31 million during the years ended December 31, 2021 and 2020, respectively, and accelerated the recognition of the unamortized deferred financing costs on the redeemed notes of $14 million and $17 million, respectively. These amounts were included in loss on debt extinguishments in our consolidated statements of operations for the years ended December 31, 2021 and 2020. During 2020, we also issued in aggregate $1.0 billion of senior unsecured notes.

Debt Maturities

The contractual maturities of our long-term debt as of December 31, 2022 were as follows:

Year	(in millions)
2023	$ 39
2024	33
2025	526
2026	2,658
2027	617

Note 10: Fair Value Measurements

The fair values of certain financial instruments and the hierarchy level we used to estimate the fair values are shown below:

	December 31, 2022			
		Hierarchy Level		
	Carrying Value[1]	Level 1	Level 2	Level 3
	(in millions)			
Assets:				
Cash equivalents	$ 338	$ —	$ 338	$ -
Interest rate swap[2]	108	—	108	-
Liabilities:				
Long-term debt[3]	8,619	5,292	—	2,61

	December 31, 2021			
		Hierarchy Level		
	Carrying Value[1]	Level 1	Level 2	Level 3
	(in millions)			
Assets:				
Cash equivalents	$ 622	$ —	$ 622	$ —
Liabilities:				
Long-term debt[3]	8,619	6,180	—	2,599
Interest rate swaps[2]	41	—	41	—

(1) The fair values of financial instruments not included in these tables are estimated to be equal to their carrying values.
(2) Interest rate swaps are included in other non-current assets or other long-term liabilities in our consolidated balance sheet depending on their value to us as of the balance sheet date. During the year ended December 31, 2022, one of the interest rate swaps that was outstanding as of December 31, 2021 matured. The remaining interest rate swap outstanding as of December 31, 2022 will mature in March 2026.
(3) The carrying value and fair values exclude the deduction for unamortized deferred financing costs and any applicable discounts, as well as all finance lease liabilities and other debt of consolidated VIEs; refer to Note 8: Debt for additional information.

We measure our interest rate swaps at fair value, which was determined using a discounted cash flow analysis that reflects the contractual terms of the interest rate swaps, including the period to maturity, and uses observable market-based inputs of similar instruments, including interest rate curves, as applicable.

Our nonfinancial assets that were measured at fair value on a non-recurring basis during the year ended December 31, 2020, and for which we recorded impairment losses as a result of the COVID-19 pandemic, were primarily related to certain hotel properties under operating and finance leases and goodwill, all of which were part of our ownership reporting unit. See Note 5: "Goodwill and Intangible Assets," Note 6: "Property and Equipment" and Note 11: "Leases" for additional information on these impairment losses.

For the quantitative analysis of goodwill that was performed during the year ended December 31, 2020, we estimated the fair value of the ownership reporting unit using discounted cash flow analyses and significant level 3 unobservable inputs, which included an estimate of the impact of the COVID-19 pandemic on the reporting unit's expected future cash flows, a stabilized growth rate after recovery and the present value of the reporting unit's terminal value. The expected future cash flows were discounted using a discount rate that reflected the market rate of return. As a result of the non-recurring fair value measurement, we fully impaired the goodwill attributable to our ownership reporting unit, recognizing impairment losses of $104 million in our consolidated statement of operations for the year ended December 31, 2020.

During the year ended December 31, 2020, we estimated the fair value of assets related to certain hotel properties under operating and finance leases, including related lease intangible assets, operating and finance lease ROU assets and property and equipment, using discounted cash flow analyses and significant level 3 unobservable inputs, which included an estimate of the impact of the COVID-19 pandemic on each leased property based on the expected recovery term, stabilized growth rates after recovery and discount rates reflecting the risk profile of the underlying cash flows and the individual markets where the assets are located. As a result of these non-recurring fair value measurements, we recognized impairment losses on these assets of $139 million in our consolidated statement of operations during the year ended December 31, 2020.

Note 11: Leases

We lease hotel properties, land, corporate office space and equipment used at hotels and corporate offices, with our most significant lease liabilities related to hotel properties. As of December 31, 2022, we leased 42 hotels under operating leases and five hotels under finance leases, two of which were the liabilities of consolidated VIEs, which are non-recourse to us. Our hotel leases expire at various dates, with varying renewal and termination options.

During the year ended December 31, 2020, we recognized $ 65 million and $4 million of impairment losses related to certain operating lease and finance lease ROU assets, respectively; see Note 10: "Fair Value Measurements" for additional information.

Deferred Income Taxes

Deferred income taxes represent the tax effect of the differences between the book and tax bases of assets and liabilities plus carryforward items. The tax effects of the temporary differences and carryforwards that give rise to our net deferred taxes were as follows:

	December 31,

As of December 31, 2022, we had gross U.S. separate return limitation year loss carryforwards and foreign operating loss carryforwards of $ 2.6 billion, resulting in deferred tax assets of $641 million. Approximately $41 million of our deferred tax assets as of December 31, 2022 related to loss carryforwards that will expire between 2023 and 2042 with less than $1 million of that amount expiring in 2023. Approximately $600 million of our deferred tax assets as of December 31, 2022 resulted from loss carryforwards that are not subject to expiration. We believe that it is more likely than not that the benefit from certain U.S. and foreign loss carryforwards will not be realized. In recognition of this assessment, we provided valuation allowances totaling $494 million as of December 31, 2022 on the deferred tax assets relating to these loss carryforwards. As of December 31, 2022, we also had deferred tax assets for U.S. tax credit carryforwards of $49 million that will expire between 2029 and 2032, for which we have provided valuation allowances.

Tax Uncertainties

We file income tax returns, including returns for our subsidiaries, with federal, state, local and foreign tax jurisdictions. We are under regular and recurring audit by the Internal Revenue Service ("IRS") and other taxing authorities on open tax positions. The timing of the resolution of tax audits is highly uncertain, as are the amounts, if any, that may ultimately be paid upon such resolution. Changes may result from the conclusion of ongoing audits, appeals or litigation in federal, state, local and foreign tax jurisdictions or from the resolution of various proceedings between the U.S. and foreign tax authorities. As of December 31, 2022, the Company's federal income tax returns remain subject to examination by the IRS for tax years from 2005 through 2022. Various income tax returns filed with state, local and foreign jurisdictions remain subject to examination by the applicable taxing authorities.

Reconciliations of the beginning and ending amounts of unrecognized tax benefits were as follows:

	Year Ended December 31,		
	2022	2021	2020
		(in millions)	
Balance at beginning of year	$ 375	$ 451	$ 39
Additions for tax positions related to prior years	1	33	4
Additions for tax positions related to the current year	3	2	5

Settlements	—	(66)	(3
Lapse of statute of limitations	(5)	(2)	(
Currency translation adjustment	(5)	(4)	
Balance at end of year	$ 337	$ 375	$ 45

As of December 31, 2021, we had entered into a tentative agreement with the IRS, subject to approval by the Joint Committee on Taxation, to settle our federal examination through the 2010 tax year, and the settlement was approved by the Joint Committee on Taxation during the year ended December 31, 2022. As a result, the extended federal statute of limitations for tax years from 2005 through 2010 is set to expire in 2023. The assets and liabilities relating to the settlement were previously recognized as of December 31, 2021, and no adjustments were necessary as a result of the settlement approval.

We recognize interest and penalties accrued related to uncertain tax positions in income tax benefit (expense) in our consolidated statements of operations. During the years ended December 31, 2022, 2021 and 2020, we recognized income tax expense related to interest and penalties of $17 million, $16 million and $13 million, respectively, in our consolidated statements of operations. As of December 31, 2022 and 2021, we had accrued approximately $79 million and $65 million, respectively, for interest and penalties related to our unrecognized tax benefits in our consolidated balance sheets. Included in the balances of unrecognized tax benefits as of December 31, 2022 and 2021 were $337 million and $343 million, respectively, associated with positions that, if favorably resolved, would provide a benefit to our effective income tax rate. As a result of the expected resolution of examination issues with foreign tax authorities, we believe it is reasonably possible that during the next 12 months, the amount of unrecognized tax benefits will decrease by up to $32 million.

Note 13: Employee Benefit Plans

We sponsor multiple domestic and international employee benefit plans (the "pension plans"), and the benefits are based upon years of service and compensation.

The employee benefit plan in the U.S. (the "Domestic Plan") covers certain employees not earning union benefits. This plan was frozen for participant benefit accruals in 1996; therefore, the projected benefit obligation is equal to the accumulated benefit obligation. The plan assets will be used to pay benefits due to employees for service through December 31, 1996. Since employees have not accrued additional benefits from that time, we do not utilize salary or pension inflation assumptions in calculating our benefit obligation for the Domestic Plan.

The employee benefit plans covering certain of our international employees include: (i) a plan that covers employees in the U.K. (the "U.K. Plan"), which was frozen to further service accruals in 2013 and (ii) a number of smaller plans that cover employees in various countries around the world (the "International Plans").

The annual measurement date for all of our plans is December 31. We are required to recognize the funded status of our pension plans, which is the difference between the fair value of plan assets and the projected benefit obligations, in our

consolidated balance sheets and make corresponding adjustment s for changes in the difference between the fair value of plan assets and the projected benefit obligations through accumulated other comprehensive income (loss), net of taxes.

The following table presents the projected benefit obligation, fair value of plan assets, funded status and accumulated benefit obligation for the Domestic Plan, the U.K. Plan and the International Plans:

The investment objectives for the various plans are preservation of capital, current income and long-term growth of capital. All plan assets are managed by third-party investment managers and do not include investments in Hilton stock. Asset allocations are reviewed periodically by the investment managers.

Expected long-term returns on plan assets are determined using historical performance for debt and equity securities held by our plans, actual performance of plan assets and current and expected market conditions. Expected returns are formulated based on the target asset allocation. As of December 31, 2022 and 2021, the target asset allocation, as a percentage of total plan assets, for the Domestic Plan was 70 percent and 75 percent, respectively, in funds that invest in equity securities and 30 percent and 25 percent, respectively, in funds that invest in debt securities. As of December 31, 2022 and 2021, the target asset allocation, as a percentage of total plan assets, for the U.K. Plan and International Plans was 75 percent in funds that invest in equity and debt securities and 25 percent in bond funds.

In 2007, the Domestic Plan and plans maintained for certain domestic hotels currently or formerly managed by us were merged into a multiple employer plan. As of December 31, 2022 and 2021, the multiple employer plan had combined plan assets of $294 million and $405 million, respectively, and a projected benefit obligation of $303 million and $395 million, respectively.

Note 14: Share-Based Compensation

We recognized share-based compensation expense of $162 million, $193 million and $97 million during the years ended December 31, 2022, 2021 and 2020, respectively, which included amounts reimbursed by hotel owners, and the related tax benefit recognized was $ 48 million, $54 million and $35 million, respectively. Share-based compensation expense recognized during the year ended December 31, 2020 included the reversal of expense recognized in prior years as a result of the determination that the performance conditions of our then-outstanding performance shares were no longer probable of achievement. Further, in December 2020, we modified our then-outstanding performance shares in response to the COVID-19 pandemic to reward for results achieved prior to the pandemic and incentivize our recovery efforts, with a portion of the awards modified to vest based on continued service and the remaining portion of the awards to vest based on new performance measures. As a result of this modification, our share-based compensation expense for the years ended December 31, 2022, 2021 and 2020 includes incremental share-based compensation of $25 million, $70 million and $44 million, respectively.

As of December 31, 2022, unrecognized compensation costs for unvested awards under the 2017 Plan were approximately $ 119 million, which are expected to be recognized over a weighted average period of 1.6 years on a straight-line basis. As of December 31, 2022, there were 11.4 million remaining shares authorized for awards under the 2017 Plan, including any shares subject to awards outstanding under the 2013 Omnibus Incentive Plan that will become available for issuance under the 2017 Plan if such outstanding awards expire or are terminated or are canceled or forfeited.

Options

The following table provides information about our option grants:

Number of options granted (in thousands)	318	361	755

Weighted average grant date fair value per share	$ 51.15	$ 41.15	$ 21.47

The weighted average grant date fair value per share of the option grants for each year was determined using the Black-Scholes-Merton option-pricing model with the following assumptions:

	Year Ended December 31,		
	2022	2021	2020
Expected volatility[1]	33.28 %	33.13 %	23.69
Dividend yield[2]	0.41 %	— %	0.55
Risk-free rate[3]	1.93 %	0.92 %	0.96
Expected term (in years)[4]	6.0	6.0	6

(1) Estimated using a blended approach of historical and implied volatility. Historical volatility is based on the historical movement of Hilton's stock price for a look back period that corresponds to the expected term of the option.
(2) For options granted during the year ended December 31, 2020, dividend yield was estimated based on our historical quarterly dividends. However, after the 2020 options were granted, we suspended the declaration and payment of dividends, and, at the time of grant for the 2021 options, we could not estimate when the payment of dividends would resume. For the options granted during the year ended December 31, 2022, dividend yield was estimated based on the expectation, at the date of grant, of the resumption of a quarterly $0.15 per share dividend, which occurred in the second quarter of 2022. For option grants made during the years ended December 31, 2022 and 2020, the three month average stock price at the date of grant was also utilized in the dividend yield calculation.
(3) Based on the yields of U.S. Department of Treasury instruments with similar expected terms at the date of grant.
(4) Estimated using the midpoint of the vesting period and the contractual term of the options.

The following table summarizes the activity of our options during the year ended December 31, 2022:

	Number of Shares	Weighted Average Exercise Price per Shar

Outstanding as of December 31, 2022 [1]	3,021	87.6
Exercisable as of December 31, 2022 [2]	2,246	74.3

(1) The aggregate intrinsic value was $125 million and the weighted average remaining contractual term was 5.9 years.
(2) The aggregate intrinsic value was $117 million and the weighted average remaining contractual term was 5.1 years.

Note 17: Business Segments

We are a hospitality company with operations organized in two distinct operating segments: (i) management and franchise and (ii) ownership, each of which is reported as a segment based on (a) delivering a similar set of products and services; and (b) being managed separately given its distinct economic characteristics.

The management and franchise segment includes all of the hotels we manage for third-party owners, as well as all franchised hotels that license our IP and where we provide other contracted services to third-party owners, but the day-to-day services of the hotels are operated or managed by someone other than us. Revenues from this segment include: (i) management and franchise fees charged to third-party hotel owners; (ii) licensing fees from our strategic partners, including co-branded credit card providers, and HGV for the right to use our IP; and (iii) fees for managing hotels in our ownership segment. As of December 31, 2022, this segment included 778 managed hotels and 6,255 franchised hotels consisting of 1,096,115 total rooms.

As of December 31, 2022, our ownership segment included 52 properties totaling 17,612 rooms. The segment comprised 45 hotels that we leased, two hotels that were each leased by a consolidated VIE and five hotels owned or leased by unconsolidated affiliates. In December 2022, one non-wholly owned consolidated hotel and one of our leased hotels exited our system, and, therefore, they are not included in the number of owned and leased hotels as of December 31, 2022, although the results of operations of the hotels are consolidated in our financial statements for the year ended December 31, 2022 for the period prior to their exit.

As a result of the COVID-19 pandemic, the operations of certain of our hotels were suspended for some period of time. However, substantially all of the hotels in our management and franchise segment had re-opened by the end of 2021 and have remained open and operating since then. All of the hotels in our ownership segment that had suspended operations at some point in time as a result of the pandemic were open as of December 31, 2021.

The performance of our operating segments is evaluated primarily on operating income (loss), without allocating amortization of contract acquisition costs, other revenues and other expenses, other revenues and other expenses from managed and franchised properties, depreciation and amortization expenses or general and administrative expenses, and does not include equity in earnings (losses) from unconsolidated affiliates. Our chief operating decision maker does not use assets by operating segment when assessing performance or making operating segment resource allocations.

The following table presents revenues for our reportable segments, reconciled to consolidated amounts:

Note 18: Commitments and Contingencies

We provide performance guarantees to certain owners of hotels that we operate under management contracts. Most of these guarantees do not require us to fund shortfalls, but allow for termination of the contract, if specified operating performance levels are not achieved. However, in limited cases, we are obligated to fund performance shortfalls, creating variable interests in the ownership entities of the hotels, of which we are not the primary beneficiary. As of December 31, 2022, we had performance guarantees with expirations ranging from 2025 to 2043 and possible cash outlays totaling approximately $ 7 million. Our obligations under these guarantees in future periods are dependent on the operating performance level of the related hotel over the remaining term of the performance guarantee for that particular hotel.

As of December 31, 2022, we had extended debt guarantees and letters of credit with expirations ranging from 2023 to 2031 and potential cash outlays totaling $124 million to owners of certain hotels that we currently or in the future will manage or franchise.

We receive fees from managed and franchised properties that we are contractually required to use to operate our marketing, sales and brand programs on behalf of hotel owners. If we collect amounts in excess of amounts expended, we have a commitment to spend these amounts on the related programs. As of December 31, 2022 and 2021, amounts expended on behalf of these programs exceeded the amounts collected.

We are involved in various claims and lawsuits arising in the ordinary course of business, some of which include claims for substantial sums. While the ultimate results of claims and litigation cannot be predicted with certainty, we expect that the ultimate resolution of all pending or threatened claims and litigation as of December 31, 2022 will not have a material adverse effect on our consolidated financial position, results of operations or cash flows.

Item 9A. Controls and Procedures

Disclosure Controls and Procedures

The Company maintains a set of disclosure controls and procedures as that term is defined in Rules 13a-15(e) and 15d-15(e) under the Exchange Act, that are designed to ensure that information required to be disclosed by the Company in reports that it files or submits under the Exchange Act, is recorded, processed, summarized and reported within the time periods specified in SEC rules and forms, and that such information is accumulated and communicated to the Company's management, including its Chief Executive Officer and Chief Financial Officer, as appropriate, to allow timely decisions regarding required disclosures. The design of any disclosure controls and procedures is based in part upon certain assumptions about the likelihood of future events, and there can be no assurance that any design will succeed in achieving its stated goals under all potential future conditions. Any controls and procedures, no matter how well designed and operated, can provide only reasonable, not absolute, assurance of achieving the desired control objectives. In accordance with Rule 13a-15(b) of the Exchange Act, as of the end of the period covered by this annual report, an evaluation was carried out under the supervision and with the participation of the Company's management, including its Chief Executive Officer and Chief Financial Officer, of the effectiveness of its disclosure controls and procedures. Based on that evaluation, the Company's Chief Executive Officer and Chief Financial Officer concluded that the Company's disclosure controls and procedures, as of the end of the period covered by this annual report, were effective to provide reasonable assurance that information required to be disclosed by the Company in reports that it files or submits under the Exchange Act is recorded, processed, summarized and reported within the time periods specified in SEC rules and forms and is accumulated and communicated to the Company's management, including the Chief Executive Officer and Chief Financial Officer, as appropriate to allow timely decisions regarding required disclosure.

accordingly the Borrower may, during the foregoing period, obtain Letters of Credit to replace Letters of Credit that have expired or that have been drawn upon and reimbursed.

(i) An L/C Issuer shall be under no obligation to issue any Letter of Credit if:

(A) any order, judgment or decree of any Governmental Authority or arbitrator shall by its terms purport to enjoin or restrain such L/C Issuer from issuing such Letter of Credit, or any Law applicable to such L/C Issuer or any directive (whether or not having the force of law) from any Governmental Authority with jurisdiction over such L/C Issuer shall prohibit, or direct that such L/C Issuer refrain from, the issuance of letters of credit generally or such Letter of Credit in particular or shall impose upon such L/C Issuer with respect to such Letter of Credit any restriction, reserve or capital requirement (for which such L/C Issuer is not otherwise compensated hereunder) not in effect on the Closing Date, or shall impose upon such L/C Issuer any unreimbursed loss, cost or expense which was not applicable on the Closing Date (for which such L/C Issuer is not otherwise compensated hereunder);

(B) subject to Section 2.03(b)(iii), the expiry date of such requested Letter of Credit would occur more than twelve months after the date of issuance or last renewal, unless (1) each Appropriate Lender has approved of such expiration date or (2) the L/C Issuer thereof has approved of such expiration date and the Outstanding Amount of L/C Obligations in respect of such requested Letter of Credit has been cash collateralized or backstopped pursuant to arrangements reasonably satisfactory to such L/C Issuer;

(C) the expiry date of such requested Letter of Credit would occur after the Letter of Credit Expiration Date, unless all the Revolving Credit Lenders have approved such expiry date;

(D) the issuance of such Letter of Credit would violate any Laws binding upon such L/C Issuer;

(E) the L/C Issuer does not as of the issuance date of the requested Letter of Credit issue Letters of Credit in the requested currency; or

(F) any Revolving Credit Lender is at that time a Defaulting Lender, unless such L/C Issuer has entered into arrangements, including the delivery of Cash Collateral, satisfactory to such L/C Issuer (in its sole discretion) with the Borrower or such Lender to eliminate such L/C Issuer's actual or potential Fronting Exposure (after giving effect to Section 2.17(a)(iv)) with respect to the Defaulting Lender arising from either the Letter of Credit then proposed to be issued or that Letter of Credit and all other L/C Obligations as to which such L/C Issuer has actual or potential Fronting Exposure, as it may elect in its sole discretion.

(iii) An L/C Issuer shall be under no obligation to amend any Letter of Credit if (A) such L/C Issuer would have no obligation at such time to issue such Letter of Credit in its amended form under the terms hereof, or (B) the beneficiary of such Letter of Credit does not accept the proposed amendment to such Letter of Credit.

(iv) Each L/C Issuer shall act on behalf of the Lenders with respect to any Letters of Credit issued by it and the documents associated therewith, and each L/C Issuer shall have all of the benefits and immunities (A) provided to the Administrative Agent in

Article IX with respect to any acts taken or omissions suffered by such L/C Issuer in connection with Letters of Credit issued by it or proposed to be issued by it and any Letter of Credit Issuance Request (and any other document, agreement or instrument entered into by such L/C Issuer and the Borrower or in favor of such L/C Issuer) pertaining to such Letters of Credit as fully as if the term "Administrative Agent" as used in Article IX included such L/C Issuer with respect to such acts or omissions, and (B) as additionally provided herein with respect to each L/C Issuer.

(b) *Procedures for Issuance and Amendment of Letters of Credit; Auto-Extension Letters of Credit.* (i) Each Letter of Credit shall be issued or amended, as the case may be, upon the request of the Borrower delivered to an L/C Issuer (with a copy to the Administrative Agent) in the form of a Letter of Credit Issuance Request, appropriately completed and signed by a Responsible Officer of the Borrower or his/her delegate or designee. Such Letter of Credit Issuance Request must be received by the relevant L/C Issuer and the Administrative Agent not later than 1:00 p.m. (New York City time) at least two Business Days prior to the proposed issuance date or date of amendment, as the case may be; or, in each case, such other date and time as the relevant L/C Issuer may agree in a particular instance in its sole discretion. In the case of a request for an initial issuance of a Letter of Credit, such Letter of Credit Issuance Request shall specify in form and detail reasonably satisfactory to the relevant L/C Issuer: (a) the proposed issuance date of the requested Letter of Credit (which shall be a Business Day); (b) the amount thereof; (c) the relevant Approved Currency in which such Letter of Credit is to be denominated; (d) the expiry date thereof; (e) the name and address of the beneficiary thereof; (f) the documents to be presented by such beneficiary in case of any drawing thereunder; (g) the full text of any certificate to be presented by such beneficiary in case of any drawing thereunder; and (h) such other matters as the relevant L/C Issuer may reasonably request. In the case of a request for an amendment of any outstanding Letter of Credit, such Letter of Credit Issuance Request shall specify in form and detail reasonably satisfactory to the relevant L/C Issuer (1) the Letter of Credit to be amended; (2) the proposed date of amendment thereof (which shall be a Business Day); (3) the nature of the proposed amendment; and (4) such other matters as the relevant L/C Issuer may reasonably request.

(ii) Promptly after receipt of any Letter of Credit Issuance Request, the relevant L/C Issuer will confirm with the Administrative Agent (by telephone or in writing) that the Administrative Agent has received a copy of such Letter of Credit Issuance Request from the Borrower and, if not, such L/C Issuer will provide the Administrative Agent with a copy thereof. Upon receipt by the relevant L/C Issuer of confirmation from the Administrative Agent that the requested issuance or amendment is permitted in accordance with the terms hereof, then, subject to the terms and conditions hereof, such L/C Issuer shall, on the requested date, issue a Letter of Credit for the account of the Borrower or enter into the applicable amendment, as the case may be. Immediately upon the issuance of each Letter of Credit, each Revolving Credit Lender shall be deemed to, and hereby irrevocably and unconditionally agrees to, purchase from the relevant L/C Issuer a risk participation in such Letter of Credit in an amount equal to the product of such Lender's Pro Rata Share or other applicable share provided for under this Agreement times the amount of such Letter of Credit.

(iii) If the Borrower so requests in any applicable Letter of Credit Issuance Request, the relevant L/C Issuer shall agree to issue a Letter of Credit that has automatic extension provisions (each, an "**Auto-Extension Letter of Credit**"); *provided* that any such Auto-Extension Letter of Credit must permit the relevant L/C Issuer to prevent any such extension at least once in each twelve month period (commencing with the date of issuance of such Letter of Credit) by giving prior notice to the beneficiary thereof not later than a number of days (the "**Non-Extension Notice Date**") prior to the last day of such twelve month period to be agreed upon by the relevant L/C Issuer and the Borrower at the time such Letter of Credit is issued. Unless otherwise directed by the relevant L/C Issuer, the Borrower

shall not be required to make a specific request to the relevant L/C Issuer for any such extension. Once an Auto-Extension Letter of Credit has been issued, the applicable Lenders shall be deemed to have authorized (but may not require) the relevant L/C Issuer to permit the extension of such Letter of Credit at any time to an expiry date not later than the Letter of Credit Expiration Date; *provided* that the relevant L/C Issuer shall not permit any such extension if (A) the relevant L/C Issuer has determined that it would have no obligation at such time to issue such Letter of Credit in its extended form under the terms hereof (by reason of the provisions of Section 2.03(a)(ii) or otherwise), or (B) it has received notice (which may be by telephone or in writing) on or before the day that is five (5) Business Days before the Non-Extension Notice Date from the Administrative Agent, any Revolving Credit Lender or the Borrower that one or more of the applicable conditions specified in Section 4.02 is not then satisfied.

(iv) Promptl y after issuance of any Letter of Credit or any amendment to a Letter of Credit, the relevant L/C Issuer will also deliver to the Borrower and the Administrative Agent a true and complete copy of such Letter of Credit or amendment.

(c) *Drawings and Reimbursements; Funding of Participations.* (i) Upon receipt from the beneficiary of any Letter of Credit of any notice of a drawing under such Letter of Credit, the relevant L/C Issuer shall notify promptly the Borrower and the Administrative Agent thereof. In the case of a Letter of Credit denominated in an Approved Foreign Currency, the Borrower shall reimburse the L/C Issuer in such Approved Currency, unless the L/C Issuer (at its option) shall have specified in such notice that it will require reimbursement in Dollars. In the case of any such reimbursement in Dollars of a drawing under a Letter of Credit denominated in an Approved Foreign Currency, the L/C Issuer shall notify the Company of the Dollar Equivalent of the amount of the drawing promptly following the determination thereof. Not later than 1:00 p.m. (New York City time), in the case of a drawing in Dollars, or 2:00 p.m. (London time) (or, if earlier, 9:00 a.m. New York city time), in the case of a drawing in an Approved Foreign Currency, on (1) the next Business Day immediately following any payment by an L/C Issuer under a Letter of Credit that the Borrower receives notice thereof (each such date, an "**Honor Date**"), the Borrower shall reimburse such L/C Issuer through the Administrative Agent in an amount equal to the amount of such drawing in the relevant Approved Currency; *provided* that the Borrower may, subject to the conditions to borrowing set forth herein, request in accordance with Section 2.03 that such payment be financed with a Revolving Credit Borrowing under the Revolving Credit Facility or a Swing Line Borrowing under the Swing Line Facility in an equivalent amount and, to the extent so financed, the Borrower's obligation to make such payment shall be discharged and replaced by the resulting Revolving Credit Borrowing or Swing Line Borrowing, as applicable. In the event that (x) a drawing denominated in an Approved Foreign Currency is to be reimbursed in Dollars pursuant to the first sentence of this Section 2.03(c)(i) and (y) the Dollar amount paid by the Borrower, whether on or after the Honor Date, shall not be adequate on the date of that payment to purchase in accordance with normal banking procedures a sum denominated in the applicable Approved Foreign Currency equal to the drawing, the Borrower agrees, as a separate and independent obligation, to indemnify the L/C Issuer for the loss resulting from its inability on that date to purchase the Approved Currency in the full amount of the drawing. If the Borrower fails to so reimburse such L/C Issuer by such time, the Administrative Agent shall promptly notify each Appropriate Lender of the Honor Date, the amount of the unreimbursed drawing (expressed in Dollars in the amount of the Dollar Equivalent thereof) (the "**Unreimbursed Amount**"), and the amount of such Appropriate Lender's Pro Rata Share or other applicable share provided for under this Agreement thereof. In such event, the Borrower shall be deemed to have requested a Revolving Credit Borrowing of Base Rate Loans to be disbursed on the Honor Date in an amount equal to the Unreimbursed Amount, without regard to the minimum and multiples specified in Section 2.02 for the principal amount of Base Rate Loans or ~~Eurocurrency~~Benchmark Rate Loans, as applicable, but subject to the amount of the unutilized portion of the Revolving Credit Commitments of the Appropriate Lenders and the conditions set

forth in Section 4.02 (other than the delivery of a Committed Loan Notice). Any notice given by an L/C Issuer or the Administrative Agent pursuant to this Section 2.03(c)(i) may be given by telephone if immediately confirmed in writing; *provided* that the lack of such an immediate confirmation shall not affect the conclusiveness or binding effect of such notice.

(ii) Each Appropriate Lender (including any Lender acting as an L/C Issuer) shall upon any notice pursuant to Section 2.03(c)(i) make funds available to the Administrative Agent for the account of the relevant L/C Issuer in Dollars at the Administrative Agent's Office for Dollar-denominated payments in an amount equal to its Pro Rata Share or other applicable share provided for under this Agreement of the Unreimbursed Amount not later than 2:00 p.m. (New York City time) on the Business Day specified in such notice by the Administrative Agent, whereupon, subject to the provisions of Section 2.03(c)(iii), each Appropriate Lender that so makes funds available shall be deemed to have made a Revolving Credit Loan that is a Base Rate Loan or ~~Eurocurrency~~Benchmark Rate Loan, as applicable, to the Borrower in such amount. The Administrative Agent shall promptly remit the funds so received to the relevant L/C Issuer in Dollars.

(iii)With respect to any Unreimbursed Amount that is not fully refinanced by a Revolving Credit Borrowing of Base Rate Loans or ~~Eurocurrency~~Benchmark Rate Loans, as applicable, because the conditions set forth in Section 4.02 cannot be satisfied or for any other reason, the Borrower shall be deemed to have incurred from the relevant L/C Issuer an L/C Borrowing in the amount of the Unreimbursed Amount that is not so refinanced, which L/C Borrowing shall be due and payable on demand (together with interest) and shall bear interest (which begins to accrue upon funding by the L/C Issuer) at the Default Rate for Revolving Credit Loans. In such event, each Appropriate Lender's payment to the Administrative Agent for the account of the relevant L/C Issuer pursuant to Section 2.03(c)(ii) shall be deemed payment in respect of its participation in such L/C Borrowing and shall constitute an L/C Advance from such Lender in satisfaction of its participation obligation under this Section 2.03.

(iv)Until each Appropriate Lender funds its Revolving Credit Loan or L/C Advance pursuant to this Section 2.03(c) to reimburse the relevant L/C Issuer for any amount drawn under any Letter of Credit, interest in respect of such Lender's Pro Rata Share or other applicable share provided for under this Agreement of such amount shall be solely for the account of the relevant L/C Issuer.

(v) Each Revolving Credit Lender's obligation to make Revolving Credit Loans or L/C Advances to reimburse an L/C Issuer for amounts drawn under Letters of Credit, as contemplated by this Section 2.03(c), shall be absolute and unconditional and shall not be affected by any circumstance, including (A) any setoff, counterclaim, recoupment, defense or other right which such Lender may have against the relevant L/C Issuer, the Borrower or any other Person for any reason whatsoever, (B) the occurrence or continuance of a Default, or (C) any other occurrence, event or condition, whether or not similar to any of the foregoing; *provided* that each Revolving Credit Lender's obligation to make Revolving Credit Loans pursuant to this Section 2.03(c) is subject to the conditions set forth in Section 4.02 (other than delivery by the Borrower of a Committed Loan Notice). No such making of an L/C Advance shall relieve or otherwise impair the obligation of the Borrower to reimburse the relevant L/C Issuer for the amount of any payment made by such L/C Issuer under any Letter of Credit, together with interest as provided herein.

(vi)If any Revolving Credit Lender fails to make available to the Administrative Agent for the account of the relevant L/C Issuer any amount required to be paid by such Lender pursuant to the foregoing provisions of this Section 2.03(c) by the time specified in

Section 2.03(c)(ii), such L/C Issuer shall be entitled to recover from such Lender (acting through the Administrative Agent), on demand, such amount with interest thereon for the period from the date such payment is required to the date on which such payment is immediately available to such L/C Issuer at a rate per annum equal to the Federal Funds Rate from time to time in effect, plus any reasonable administrative, processing or similar fees customarily charged by such L/C Issuer in connection with the foregoing. A certificate of the relevant L/C Issuer submitted to any Revolving Credit Lender (through the Administrative Agent) with respect to any amounts owing under this Section 2.03(c)(vi) shall be conclusive absent manifest error.

(d) *Repayment of Participations.* (i) If, at any time after an L/C Issuer has made a payment under any Letter of Credit and has received from any Revolving Credit Lender such Lender's L/C Advance in respect of such payment in accordance with Section 2.03(c), the Administrative Agent receives for the account of such L/C Issuer any payment in respect of the related Unreimbursed Amount or interest thereon (whether directly from the Borrower or otherwise, including proceeds of Cash Collateral applied thereto by the Administrative Agent), the Administrative Agent will distribute to such Lender its Pro Rata Share or other applicable share provided for under this Agreement hereof (appropriately adjusted, in the case of interest payments, to reflect the period of time during which such Lender's L/C Advance was outstanding) in the same funds as those received by the Administrative Agent.

(ii) If any payment received by the Administrative Agent for the account of an L/C Issuer pursuant to Section 2.03(c)(i) is required to be returned under any of the circumstances described in Section 10.06 (including pursuant to any settlement entered into by such L/C Issuer in its discretion), each Appropriate Lender shall pay to the Administrative Agent for the account of such L/C Issuer its Pro Rata Share or other applicable share provided for under this Agreement thereof on demand of the Administrative Agent or the L/C Issuer, plus interest thereon from the date of such demand to the date such amount is returned by such Lender, at a rate per annum equal to the applicable Overnight Rate, plus any reasonable administrative, processing or similar fees customarily charged by the Administrative Agent in connection with the foregoing.

(e) *Obligations Absolute.* The obligation of the Borrower to reimburse the relevant L/C Issuer for each drawing under each Letter of Credit issued by it and to repay each L/C Borrowing shall be absolute, unconditional and irrevocable, and shall be paid strictly in accordance with the terms of this Agreement under all circumstances, including the following:

(i) any lack of validity or enforceability of such Letter of Credit, this Agreement, or any other agreement or instrument relating thereto;

(ii) the existence of any claim, counterclaim, setoff, defense or other right that any Loan Party may have at any time against any beneficiary or any transferee of such Letter of Credit (or any Person for whom any such beneficiary or any such transferee may be acting), the relevant L/C Issuer or any other Person, whether in connection with this Agreement, the transactions contemplated hereby or by such Letter of Credit or any agreement or instrument relating thereto, or any unrelated transaction;

(iii)any draft, demand, certificate or other document presented under such Letter of Credit proving to be forged, fraudulent, invalid or insufficient in any respect or any statement therein being untrue or inaccurate in any respect; or any loss or delay in the transmission or otherwise of any document required in order to make a drawing under such Letter of Credit;

(iv) any payment by the relevant L/C Issuer under such Letter of Credit against presentation of a draft or certificate that does not strictly comply with the terms of such Letter of Credit; or any payment made by the relevant L/C Issuer under such Letter of Credit to any Person purporting to be a trustee in bankruptcy, debtor-in-possession, assignee for the benefit of creditors, liquidator, receiver or other representative of or successor to any beneficiary or any transferee of such Letter of Credit, including any arising in connection with any proceeding under any Debtor Relief Law;

(v) any exchange, release or non-perfection of any Collateral, or any release or amendment or waiver of or consent to departure from the Guaranty or any other guarantee, for all or any of the Obligations of any Loan Party in respect of such Letter of Credit;

(vi) any adverse change in the relevant exchange rates or in the availability of the relevant Approved Foreign Currency to the Borrower or any Subsidiary or in the relevant currency markets generally; and

(vii) any other circumstance or happening whatsoever, whether or not similar to any of the foregoing, including any other circumstance that might otherwise constitute a defense available to, or a discharge of, any Loan Party;

provided that the foregoing shall not excuse any L/C Issuer from liability to the Borrower to the extent of any direct damages (as opposed to consequential damages, claims in respect of which are waived by the Borrower to the extent permitted by applicable Law) suffered by the Borrower that are caused by such L/C Issuer's gross negligence or willful misconduct as determined in a final and non-appealable judgment by a court of competent jurisdiction when determining whether drafts and other documents presented under a Letter of Credit comply with the terms thereof.

(f) *Role of L/C Issuers.* Each Lender and the Borrower agree that, in paying any drawing under a Letter of Credit, the relevant L/C Issuer shall not have any responsibility to obtain any document (other than any sight draft, certificates and documents expressly required by the Letter of Credit) or to ascertain or inquire as to the validity or accuracy of any such document or the authority of the Person executing or delivering any such document. None of the L/C Issuers, any Agent-Related Person nor any of the respective correspondents, participants or assignees of any L/C Issuer shall be liable to any Lender for (i) any action taken or omitted in connection herewith at the request or with the approval of the Lenders or the Lenders holding a majority of the Revolving Credit Commitments, as applicable; (ii) any action taken or omitted in the absence of gross negligence or willful misconduct as determined in a final and non-appealable judgment by a court of competent jurisdiction; or (iii) the due execution, effectiveness, validity or enforceability of any document or instrument related to any Letter of Credit or Letter of Credit Issuance Request. The Borrower hereby assumes all risks of the acts or omissions of any beneficiary or transferee with respect to its use of any Letter of Credit; *provided* that this assumption is not intended to, and shall not, preclude the Borrower's pursuing such rights and remedies as it may have against the beneficiary or transferee at law or under any other agreement. None of the L/C Issuers, any Agent-Related Person, nor any of the respective correspondents, participants or assignees of any L/C Issuer, shall be liable or responsible for any of the matters described in clauses (i) through (vii) of Section 2.03(e); *provided* that anything in such clauses to the contrary notwithstanding, the Borrower may have a claim against an L/C Issuer, and such L/C Issuer may be liable to the Borrower, to the extent, but only to the extent, of any direct, as opposed to consequential or exemplary, damages suffered by the Borrower which the Borrower proves were caused by such L/C Issuer's willful misconduct or gross negligence or such L/C Issuer's willful or grossly negligent failure to pay under any Letter of Credit after the presentation to it by the beneficiary of a sight draft and certificate(s) strictly complying with the terms and conditions of a Letter of Credit, in each case as determined in a final and non-appealable judgment by a court of competent jurisdiction. In furtherance and not in limitation of the foregoing,

each L/C Issuer may accept documents that appear on their face to be in order, without responsibility for further investigation, regardless of any notice or information to the contrary, and no L/C Issuer shall be responsible for the validity or sufficiency of any instrument transferring or assigning or purporting to transfer or assign a Letter of Credit or the rights or benefits thereunder or proceeds thereof, in whole or in part, which may prove to be invalid or ineffective for any reason.

(g) *Cash Collateral.* If (i) as of the Letter of Credit Expiration Date, any Letter of Credit may for any reason remain outstanding and partially or wholly undrawn, (ii) any Event of Default occurs and is continuing and the Administrative Agent or the Lenders holding a majority of the Revolving Credit Commitments, as applicable, require the Borrower to Cash Collateralize the L/C Obligations pursuant to Section 8.02 or (iii) an Event of Default set forth under Section 8.01(f) occurs and is continuing, the Borrower shall Cash Collateralize the then Outstanding Amount of all L/C Obligations (in an amount equal to such Outstanding Amount determined as of the date of such Event of Default or the Letter of Credit Expiration Date, as the case may be), and shall do so not later than 2:00 p.m., New York City time on (x) in the case of the immediately preceding clauses (i) and (ii), (1) the Business Day that the Borrower receives notice thereof, if such notice is received on such day prior to 12:00 noon, New York City time or (2) if clause (1) above does not apply, the Business Day immediately following the day that the Borrower receives such notice and (y) in the case of the immediately preceding clause (iii), the Business Day on which an Event of Default set forth under Section 8.01(f) occurs or, if such day is not a Business Day, the Business Day immediately succeeding such day. At any time that there shall exist a Defaulting Lender, immediately upon the request of the Administrative Agent, the L/C Issuer or the Swing Line Lender, the Borrower shall deliver to the Administrative Agent Cash Collateral in an amount sufficient to cover all Fronting Exposure (after giving effect to Section 2.17(a)(iv) and any Cash Collateral provided by the Defaulting Lender). For purposes hereof, "**Cash Collateralize**" means to pledge and deposit with or deliver to the Administrative Agent, for the benefit of the relevant L/C Issuer and the Appropriate Lenders, as collateral for the L/C Obligations, cash or deposit account balances ("**Cash Collateral**") pursuant to documentation in form and substance reasonably satisfactory to the Administrative Agent and the relevant L/C Issuer (which documents are hereby consented to by the Appropriate Lenders). Derivatives of such term have corresponding meanings. The Borrower hereby grants to the Administrative Agent, for the benefit of the L/C Issuers and the Revolving Credit Lenders of the applicable Facility, a security interest in all such cash, deposit accounts and all balances therein and all proceeds of the foregoing. Cash Collateral shall be maintained in a Cash Collateral Account and may be invested in readily available Cash Equivalents as directed by the Borrower. If at any time the Administrative Agent determines that any funds held as Cash Collateral are expressly subject to any right or claim of any Person other than the Administrative Agent (on behalf of the Secured Parties) or that the total amount of such funds is less than the aggregate Outstanding Amount of all L/C Obligations, the Borrower will, forthwith upon demand by the Administrative Agent, pay to the Administrative Agent, as additional funds to be deposited and held in the Cash Collateral Account, an amount equal to the excess of (a) such aggregate Outstanding Amount over (b) the total amount of funds, if any, then held as Cash Collateral that the Administrative Agent reasonably determines to be free and clear of any such right and claim. Upon the drawing of any Letter of Credit for which funds are on deposit as Cash Collateral, such funds shall be applied, to the extent permitted under applicable Law, to reimburse the relevant L/C Issuer. To the extent the amount of any Cash Collateral exceeds the then Outstanding Amount of such L/C Obligations and so long as no Event of Default has occurred and is continuing, the excess shall be refunded to the Borrower. To the extent any Event of Default giving rise to the requirement to Cash Collateralize any Letter of Credit pursuant to this Section 2.03(g) is cured or otherwise waived by the Required Lenders, then so long as no other Event of Default has occurred and is continuing, all Cash Collateral pledged to Cash Collateralize such Letter of Credit shall be refunded to the Borrower.

(h) *Letter of Credit Fees.* The Borrower shall pay to the Administrative Agent for the account of the Revolving Credit Lenders for the applicable Revolving Credit Facility (in accordance

with their Pro Rata Share or other applicable share provided for under this Agreement) a Letter of Credit fee in Dollars for each Letter of Credit issued pursuant to this Agreement equal to the Applicable Rate for Revolving Credit Loans times the Dollar Equivalent of the daily maximum amount then available to be drawn under such Letter of Credit (whether or not such maximum amount is then in effect under such Letter of Credit if such maximum amount increases periodically pursuant to the terms of such Letter of Credit); *provided*, *however*, any Letter of Credit fees otherwise payable for the account of a Defaulting Lender with respect to any Letter of Credit as to which such Defaulting Lender has not provided Cash Collateral satisfactory to the L/C Issuer pursuant to this Section 2.03 shall be payable, to the maximum extent permitted by applicable Law, to the other Lenders in accordance with the upward adjustments in their respective Pro Rata Shares allocable to such Letter of Credit pursuant to Section 2.17(a)(iv), with the balance of such fee, if any, payable to the L/C Issuer for its own account. Such Letter of Credit fees shall be computed on a quarterly basis in arrears. Such Letter of Credit fees shall be due and payable in Dollars on the first Business Day after the end of each March, June, September and December, commencing with the first such date to occur after the issuance of such Letter of Credit, on the Letter of Credit Expiration Date and thereafter on demand. If there is any change in any Applicable Rate for Revolving Credit Loans during any quarter, the daily maximum amount of each Letter of Credit shall be computed and multiplied by such Applicable Rate separately for each period during such quarter that such Applicable Rate was in effect.

(i) *Fronting Fee and Documentary and Processing Charges Payable to L/C Issuers.* The Borrower shall pay directly to each L/C Issuer for its own account, in Dollars, a fronting fee with respect to each Letter of Credit issued by it equal to 0.125% per annum of the Dollar Equivalent of the daily maximum amount then available to be drawn under such Letter of Credit (whether or not such maximum amount is then in effect under such Letter of Credit if such maximum amount increases periodically pursuant to the terms of such Letter of Credit). Such fronting fees shall be computed on a quarterly basis in arrears. Such fronting fees shall be due and payable in Dollars on the first Business Day after the end of each March, June, September and December, commencing with the first such date to occur after the issuance of such Letter of Credit, on the Letter of Credit Expiration Date and thereafter on demand. In addition, the Borrower shall pay directly to each L/C Issuer for its own account, in Dollars, with respect to each Letter of Credit issued by it the customary issuance, presentation, amendment and other processing fees, and other standard costs and charges, of such L/C Issuer relating to letters of credit as from time to time in effect. Such customary fees and standard costs and charges are due and payable within ten (10) Business Days of demand and are nonrefundable.

(j) *Conflict with Letter of Credit Issuance Request.* Notwithstanding anything else to the contrary in this Agreement or any Letter of Credit Issuance Request, in the event of any conflict between the terms hereof and the terms of any Letter of Credit Issuance Request, the terms hereof shall control.

(k) *Addition of an L/C Issuer.* A Revolving Credit Lender may become an additional L/C Issuer hereunder pursuant to a written agreement among the Borrower, the Administrative Agent and such Revolving Credit Lender. The Administrative Agent shall notify the Revolving Credit Lenders of any such additional L/C Issuer.

(l) *Letter of Credit Amounts*. Unless otherwise specified herein, the amount of a Letter of Credit at any time shall be deemed to be the Dollar Equivalent of the stated amount of such Letter of Credit in effect at such time; *provided*, *however*, that with respect to any Letter of Credit that, by its terms or the terms of any document related thereto, provides for one or more automatic increases in the stated amount thereof, the amount of such Letter of Credit shall be deemed to be the Dollar Equivalent of the maximum stated amount of such Letter of Credit after giving effect to all such increases, whether or not such maximum stated amount is in effect at such time.

(m) *Reporting*. Each L/C Issuer will report in writing to the Administrative Agent (i) on the first Business Day of each calendar month, the aggregate face amount of Letters of Credit issued by it and outstanding as of the last Business Day of the preceding calendar month (and on such other dates as the Administrative Agent may request), (ii) on or prior to each Business Day on which such L/C Issuer expects to issue, amend, renew or extend any Letter of Credit, the date of such issuance or amendment, and the aggregate face amount of Letters of Credit to be issued, amended, renewed or extended by it and outstanding after giving effect to such issuance, amendment, renewal or extension (and such L/C Issuer shall advise the Administrative Agent on such Business Day whether such issuance, amendment, renewal or extension occurred and whether the amount thereof changed), (iii) on each Business Day on which such L/C Issuer makes any L/C Disbursement, the date and amount of such L/C Disbursement and (iv) on any Business Day on which the Borrower fails to reimburse an L/C Disbursement required to be reimbursed to such L/C Issuer on such day, the date and amount of such failure.

(n) *Provisions Related to Letters of Credit in respect of Extended Revolving Credit Commitments*. If the Letter of Credit Expiration Date in respect of any tranche of Revolving Credit Commitments occurs prior to the expiry date of any Letter of Credit, then (i) if consented to by the L/C Issuer which issued such Letter of Credit, if one or more other tranches of Revolving Credit Commitments in respect of which the Letter of Credit Expiration Date shall not have so occurred are then in effect, such Letters of Credit for which consent has been obtained shall automatically be deemed to have been issued (including for purposes of the obligations of the Revolving Credit Lenders to purchase participations therein and to make Revolving Credit Loans and payments in respect thereof pursuant to Section 2.03(c) and (d)) under (and ratably participated in by Lenders pursuant to) the Revolving Credit Commitments in respect of such non-terminating tranches up to an aggregate amount not to exceed the aggregate amount of the unutilized Revolving Credit Commitments thereunder at such time (it being understood that no partial face amount of any Letter of Credit may be so reallocated) and (ii) to the extent not reallocated pursuant to immediately preceding clause (i), the Borrower shall Cash Collateralize any such Letter of Credit in accordance with Section 2.03(g). Upon the maturity date of any tranche of Revolving Credit Commitments, the sublimit for Letters of Credit may be reduced as agreed between the L/C Issuers and the Borrower, without the consent of any other Person.

(o) *Letters of Credit Issued for Subsidiaries*. Notwithstanding that a Letter of Credit issued or outstanding hereunder is in support of any obligations of, or is for the account of, a Restricted Subsidiary, the Borrower shall be obligated to reimburse the applicable L/C Issuer hereunder for any and all drawings under such Letter of Credit. The Borrower hereby acknowledges that the issuance of Letters of Credit for the account of Restricted Subsidiaries inures to the benefit of the Borrower, and that the Borrower's business derives substantial benefits from the businesses of such Restricted Subsidiaries.

SECTION 2.04 Swing Line Loans.

(a) *The Swing Line*. Subject to the terms and conditions set forth herein, Deutsche Bank AG New York Branch, in its capacity as Swing Line Lender, agrees to make loans in Dollars to the Borrower (each such loan, a "**Swing Line Loan**"), from time to time on any Business Day during the period beginning on the Business Day after the Closing Date and until the Maturity Date of the Revolving Credit Facility in an aggregate principal amount not to exceed at any time outstanding the amount of the Swing Line Sublimit, notwithstanding the fact that such Swing Line Loans, when aggregated with the Pro Rata Share or other applicable share provided for under this Agreement of the Outstanding Amount of Revolving Credit Loans and L/C Obligations of the Lender acting as Swing Line Lender, may exceed the amount of such Swing Line Lender's Revolving Credit Commitment; *provided* that, after giving effect to any Swing Line Loan, (i) the Revolving Credit Exposure shall not exceed the aggregate Revolving Credit Commitments and (ii) the aggregate

Outstanding Amount of the Revolving Credit Loans of any Lender, plus such Lender's Pro Rata Share or other applicable share provided for under this Agreement of the Outstanding Amount of all L/C Obligations, plus such Lender's Pro Rata Share or other applicable share provided for under this Agreement of the Outstanding Amount of all Swing Line Loans shall not exceed such Lender's Revolving Credit Commitment then in effect; *provided, further,* that the Borrower shall not use the proceeds of any Swing Line Loan to refinance any outstanding Swing Line Loan. Within the foregoing limits, and subject to the other terms and conditions hereof, the Borrower may borrow under this Section 2.04, prepay under Section 2.05, and reborrow under this Section 2.04. Each Swing Line Loan shall be a Base Rate Loan. Immediately upon the making of a Swing Line Loan, each Revolving Credit Lender shall be deemed to, and hereby irrevocably and unconditionally agrees to, purchase from the Swing Line Lender a risk participation in such Swing Line Loan in an amount equal to the product of such Lender's Pro Rata Share or other applicable share provided for under this Agreement times the amount of such Swing Line Loan.

(b) *Borrowing Procedures.* Each Swing Line Borrowing shall be made upon the Borrower's irrevocable notice to the Swing Line Lender and the Administrative Agent, which may be given by telephone. Each such notice must be received by the Swing Line Lender and the Administrative Agent not later than 1:00 p.m. New York City time on the requested borrowing date and shall specify (i) the principal amount to be borrowed, which principal amount shall be a minimum of $500,000 (and any amount in excess of $500,000 shall be in integral multiples of $100,000) and (ii) the requested borrowing date, which shall be a Business Day. Each such telephonic notice must be confirmed promptly by delivery to the Swing Line Lender and the Administrative Agent of a written Swing Line Loan Notice, appropriately completed and signed by a Responsible Officer of the Borrower. Promptly after receipt by the Swing Line Lender of any Swing Line Loan Notice (by telephone or in writing), the Swing Line Lender will confirm with the Administrative Agent (by telephone or in writing) that the Administrative Agent has also received such Swing Line Loan Notice and, if not, the Swing Line Lender will notify the Administrative Agent (by telephone or in writing) of the contents thereof. Unless the Swing Line Lender has received notice (by telephone or in writing) from the Administrative Agent (including at the request of any Revolving Credit Lender) prior to 2:00 p.m. New York City time on the date of the proposed Swing Line Borrowing (A) directing the Swing Line Lender not to make such Swing Line Loan as a result of the limitations set forth in the first proviso to the first sentence of Section 2.04(a), or (B) that one or more of the applicable conditions specified in Section 4.02 is not then satisfied, then, subject to the terms and conditions hereof, the Swing Line Lender will, not later than 3:00 p.m. New York City time on the borrowing date specified in such Swing Line Loan Notice, make the amount of its Swing Line Loan available to the Borrower. Notwithstanding anything to the contrary contained in this Section 2.04 or elsewhere in this Agreement, the Swing Line Lender shall not be obligated to make any Swing Line Loan at a time when a Revolving Credit Lender is a Defaulting Lender unless the Swing Line Lender has entered into arrangements reasonably satisfactory to it and the Borrower to eliminate the Swing Line Lender's Fronting Exposure (after giving effect to Section 2.17(a)(iv)) with respect to the Defaulting Lender's or Defaulting Lenders' participation in such Swing Line Loans, including by Cash Collateralizing, or obtaining a backstop letter of credit from an issuer reasonably satisfactory to the Swing Line Lender to support, such Defaulting Lender's or Defaulting Lenders' Pro Rata Share of the outstanding Swing Line Loans.

(c) *Refinancing of Swing Line Loans.* (i) The Swing Line Lender at any time in its sole and absolute discretion may request, on behalf of the Borrower (which hereby irrevocably authorizes such Swing Line Lender to so request on its behalf), that each Revolving Credit Lender make a Base Rate Loan in an amount equal to such Lender's Pro Rata Share or other applicable share provided for under this Agreement of the amount of Swing Line Loans then outstanding. Such request shall be made in writing (which written request shall be deemed to be a Committed Loan Notice for purposes hereof) and in accordance with the requirements of Section 2.02, without regard to the minimum and multiples specified therein for the principal amount of Base Rate Loans, but subject to the unutilized

portion of the aggregate Revolving Credit Commitments and the conditions set forth in Section 4.02. The Swing Line Lender shall furnish the Borrower with a copy of the applicable Committed Loan Notice promptly after delivering such notice to the Administrative Agent. Each Revolving Credit Lender shall make an amount equal to its Pro Rata Share or other applicable share provided for under this Agreement of the amount specified in such Committed Loan Notice available to the Administrative Agent in Same Day Funds for the account of the Swing Line Lender at the Administrative Agent's Office for Dollar-denominated payments not later than 1:00 p.m. New York City time on the day specified in such Committed Loan Notice, whereupon, subject to Section 2.04(c)(ii), each Revolving Credit Lender that so makes funds available shall be deemed to have made a Base Rate Loan to the Borrower in such amount. The Administrative Agent shall remit the funds so received to the Swing Line Lender.

(ii) If for any reason any Swing Line Loan cannot be refinanced by such a Revolving Credit Borrowing in accordance with Section 2.04(c)(i), the request for Base Rate Loans submitted by the Swing Line Lender as set forth herein shall be deemed to be a request by the Swing Line Lender that each of the Revolving Credit Lenders fund its risk participation in the relevant Swing Line Loan and each Revolving Credit Lender's payment to the Administrative Agent for the account of the Swing Line Lender pursuant to Section 2.04(c)(i) shall be deemed payment in respect of such participation.

(iii)If any Revolving Credit Lender fails to make available to the Administrative Agent for the account of the Swing Line Lender any amount required to be paid by the Lender pursuant to the foregoing provisions of this Section 2.04(c) by the time specified in Section 2.04(c)(i), the Swing Line Lender shall be entitled to recover from such Lender (acting through the Administrative Agent), on demand, such amount with interest thereon for the period from the date such payment is required to the date on which such payment is immediately available to the Swing Line Lender at a rate per annum equal to the applicable Overnight Rate from time to time in effect, plus any reasonable administrative, processing or similar fees customarily charged by the Swing Line Lender in connection with the foregoing. A certificate of the Swing Line Lender submitted to any Lender (through the Administrative Agent) with respect to any amounts owing under this clause (iii) shall be conclusive absent manifest error.

(iv)Each Revolving Credit Lender's obligation to make Revolving Credit Loans or to purchase and fund risk participations in Swing Line Loans pursuant to this Section 2.04(c) shall be absolute and unconditional and shall not be affected by any circumstance, including (A) any setoff, counterclaim, recoupment, defense or other right which such Lender may have against the Swing Line Lender, the Borrower or any other Person for any reason whatsoever, (B) the occurrence or continuance of a Default, or (C) any other occurrence, event or condition, whether or not similar to any of the foregoing; *provided* that each Revolving Credit Lender's obligation to make Revolving Credit Loans pursuant to this Section 2.04(c) (but not to purchase and fund risk participations in Swing Line Loans) is subject to the conditions set forth in Section 4.02. No such funding of risk participations shall relieve or otherwise impair the obligation of the Borrower to repay Swing Line Loans, together with interest as provided herein.

(d) *Repayment of Participations.* (i) At any time after any Revolving Credit Lender has purchased and funded a risk participation in a Swing Line Loan, if the Swing Line Lender receives any payment on account of such Swing Line Loan, the Swing Line Lender will distribute to such Lender its Pro Rata Share or other applicable share provided for under this Agreement of such payment (appropriately adjusted, in the case of interest payments, to reflect the period of time during which such Lender's risk participation was funded) in the same funds as those received by the Swing Line Lender.

(ii) If any payment received by the Swing Line Lender in respect of principal or interest on any Swing Line Loan is required to be returned by the Swing Line Lender under any of the circumstances described in Section 10.06 (including pursuant to any settlement entered into by the Swing Line Lender in its discretion), each Revolving Credit Lender shall pay to the Swing Line Lender its Pro Rata Share or other applicable share provided for under this Agreement thereof on demand of the Administrative Agent, plus interest thereon from the date of such demand to the date such amount is returned, at a rate per annum equal to the applicable Overnight Rate. The Administrative Agent will make such demand upon the request of the Swing Line Lender.

(e) *Interest for Account of Swing Line Lender.* The Swing Line Lender shall be responsible for invoicing the Borrower for interest on the Swing Line Loans. Until each Revolving Credit Lender funds its Base Rate Loan, ~~Eurocurrency~~Benchmark Rate Loan or risk participation pursuant to this Section 2.04 to refinance such Lender's Pro Rata Share of any Swing Line Loan, interest in respect of such Pro Rata Share shall be solely for the account of the Swing Line Lender.

(f) *Payments Directly to Swing Line Lender.* The Borrower shall make all payments of principal and interest in respect of the Swing Line Loans directly to the Swing Line Lender.

(g) *Provisions Related to Extended Revolving Credit Commitments*. If the maturity date shall have occurred in respect of any tranche of Revolving Credit Commitments (the "**Expiring Credit Commitment**") at a time when another tranche or tranches of Revolving Credit Commitments is or are in effect with a longer maturity date (each a "**Non-Expiring Credit Commitment**" and collectively, the "**Non-Expiring Credit Commitments**"), then with respect to each outstanding Swing Line Loan, if consented to by the applicable Swing Line Lender, on the earliest occurring maturity date such Swing Line Loan shall be deemed reallocated to the tranche or tranches of the Non-Expiring Credit Commitments on a pro rata basis; *provided* that (x) to the extent that the amount of such reallocation would cause the aggregate credit exposure to exceed the aggregate amount of such Non-Expiring Credit Commitments, immediately prior to such reallocation the amount of Swing Line Loans to be reallocated equal to such excess shall be repaid or Cash Collateralized and (y) notwithstanding the foregoing, if a Default or Event of Default has occurred and is continuing, the Borrower shall still be obligated to pay Swing Line Loans allocated to the Revolving Credit Lenders holding the Expiring Credit Commitments at the maturity date of the Expiring Credit Commitment or if the Loans have been accelerated prior to the maturity date of the Expiring Credit Commitment. Upon the maturity date of any tranche of Revolving Credit Commitments, the sublimit for Swing Line Loans may be reduced as agreed between the Swing Line Lender and the Borrower, without the consent of any other Person.

SECTION 2.05 Prepayments.

(a) *Optional.* (i) The Borrower may, upon, subject to clause (iii) below, written notice to the Administrative Agent by the Borrower, at any time or from time to time voluntarily prepay Term Loans and Revolving Credit Loans in whole or in part without premium or penalty (subject to Section 2.05(a)(iv); *provided* that (1) such notice must be received by the Administrative Agent not later than 1:00 p.m. New York City time (A) three Business Days prior to any date of prepayment of ~~Eurocurrency~~Benchmark Rate Loans denominated in a ~~LIBO~~Term Benchmark Currency, (B) five Business Days prior to any date of prepayment of ~~Eurocurrency~~Benchmark Rate Loans denominated in an RFR Currency and (C) one (1) Business Day prior to any prepayment of Base Rate Loans; (2) any prepayment of ~~Eurocurrency~~Benchmark Rate Loans shall be in a minimum Principal Amount of $2,000,000, or a whole multiple of $1,000,000 in excess thereof; and (3) any prepayment of Base Rate Loans shall be in a minimum Principal Amount of $1,000,000 or a whole multiple of $500,000 in excess thereof or, in each case, if less, the entire Principal Amount thereof then outstanding. Each such notice shall specify the date and amount of such prepayment and the Class(es) and Type(s) of

Loans to be prepaid. The Administrative Agent will promptly notify each Appropriate Lender of its receipt of each such notice, and of the amount of such Lender's Pro Rata Share or other applicable share provided for under this Agreement of such prepayment. If such notice is given by the Borrower, the Borrower shall make such prepayment and the payment amount specified in such notice shall be due and payable on the date specified therein. Any prepayment of a ~~Eurocurrency~~Benchmark Rate Loan shall be accompanied by all accrued interest thereon to such date, together with any additional amounts required pursuant to Section 3.05. In the case of each prepayment of the Loans pursuant to this Section 2.05(a), the Borrower may in its sole discretion select the Borrowing or Borrowings and, subject to the pro rata application within any Class of Loans, any Class to be repaid, and such payment shall be paid to the Appropriate Lenders in accordance with their respective Pro Rata Shares or other applicable share as provided for under this Agreement.

(ii) The Borrower may, upon, subject to clause (iii) below, written notice to the Swing Line Lender (with a copy to the Administrative Agent), at any time or from time to time, voluntarily prepay Swing Line Loans in whole or in part without premium or penalty; *provided* that (1) such notice must be received by the Swing Line Lender and the Administrative Agent not later than 1:00 p.m. noon New York City time on the date of the prepayment, and (2) any such prepayment shall be in a minimum Principal Amount of $500,000 or a whole multiple of $100,000 in excess thereof or, if less, the entire principal amount thereof then outstanding. Each such notice shall specify the date and amount of such prepayment. If such notice is given by the Borrower, the Borrower shall make such prepayment and the payment amount specified in such notice shall be due and payable on the date specified therein.

(iii)Notwithstanding anything to the contrary contained in this Agreement, subject to the payment of any amounts owing pursuant to Section 3.05, the Borrower may rescind any notice of prepayment under Sections 2.05(a)(i) or 2.05(a)(ii) if such prepayment would have resulted from a refinancing of all or a portion of the applicable Facility, which refinancing shall not be consummated or shall otherwise be delayed. Each prepayment of any Class of Term Loans pursuant to this Section 2.05(a) shall be applied to reduce the subsequent scheduled repayments as directed by the Borrower and, absent such direction, shall be applied in direct order of maturity to repayments thereof required pursuant to Section 2.07(a).

(iv)In the event that, on or prior to the six-month anniversary of the Amendment No. 6 Effective Date, the Borrower (x) prepays, refinances, substitutes or replaces any Series B-2 Term Loans pursuant to a Repricing Transaction (including, for avoidance of doubt, any prepayment made pursuant to Section 2.05(b)(iv) that constitutes a Repricing Transaction), or (y) effects any amendment, amendment and restatement or other modification of this Agreement resulting in a Repricing Transaction, the Borrower shall pay to the Administrative Agent, for the ratable account of each of the applicable Term Lenders, (I) in the case of clause (x), a prepayment premium of 1.00% of the aggregate principal amount of the Series B-2 Term Loans so prepaid, refinanced, substituted or replaced and (II) in the case of clause (y), a fee equal to 1.00% of the aggregate principal amount of the Series B-2 Term Loans outstanding immediately prior to such amendment. If, on or prior to the six-month anniversary of the Amendment No. 6 Effective Date, any Term Lender in respect of any Series B-2 Term Loans that is a Non-Consenting Lender and is replaced pursuant to Section 3.07(a) in connection with any amendment, amendment and restatement or other modification of this Agreement resulting in a Repricing Transaction, such Term Lender (and not any Person who replaces such Term Lender pursuant to Section 3.07(a)) shall receive its pro rata portion (as determined immediately prior to it being so replaced) of the prepayment

premium or fee described in the preceding sentence. Such amounts shall be due and payable on the date of effectiveness of such Repricing Transaction.

(v) Notwithstanding anything in any Loan Document to the contrary, so long as no Default or Event of Default has occurred and is continuing and no proceeds of Revolving Credit Borrowings are applied to fund any such repayment, any Company Party may prepay the outstanding Term Loans (which shall, for the avoidance of doubt, be automatically and permanently canceled immediately upon such prepayment) (or Holdings or any of its Subsidiaries may purchase such outstanding Loans and immediately cancel them) on the following basis:

(A) Any Company Party shall have the right to make a voluntary prepayment of Term Loans at a discount to par pursuant to a Borrower Offer of Specified Discount Prepayment, Borrower Solicitation of Discount Range Prepayment Offers or Borrower Solicitation of Discounted Prepayment Offers (any such prepayment, the "**Discounted Term Loan Prepayment**"), in each case made in accordance with this Section 2.05(a)(v); *provided* that no Company Party shall initiate any action under this Section 2.05(a)(v) in order to make a Discounted Term Loan Prepayment unless (I) at least ten (10) Business Days shall have passed since the consummation of the most recent Discounted Term Loan Prepayment as a result of a prepayment made by a Company Party on the applicable Discounted Prepayment Effective Date; or (II) at least three Business Days shall have passed since the date the Company Party was notified that no Term Lender was willing to accept any prepayment of any Term Loan at the Specified Discount, within the Discount Range or at any discount to par value, as applicable, or in the case of Borrower Solicitation of Discounted Prepayment Offers, the date of any Company Party's election not to accept any Solicited Discounted Prepayment Offers.

(B) (1) Subject to the proviso to subsection (A) above, any Company Party may from time to time offer to make a Discounted Term Loan Prepayment by providing the Auction Agent with five (5) Business Days' notice in the form of a Specified Discount Prepayment Notice; *provided* that (I) any such offer shall be made available, at the sole discretion of the Company Party, to (x) each Term Lender and/or (y) each Term Lender with respect to any Class of Term Loans on an individual tranche basis (II) any such offer shall specify the aggregate principal amount offered to be prepaid (the "**Specified Discount Prepayment Amount**") with respect to each applicable tranche, the tranche or tranches of Term Loans subject to such offer and the specific percentage discount to par (the "**Specified Discount**") of such Term Loans to be prepaid (it being understood that different Specified Discounts and/or Specified Discount Prepayment Amounts may be offered with respect to different tranches of Term Loans and, in such event, each such offer will be treated as a separate offer pursuant to the terms of this Section 2.05(a)(v)(B)), (III) the Specified Discount Prepayment Amount shall be in an aggregate amount not less than $10,000,000 and whole increments of $1,000,000 in excess thereof and (IV) each such offer shall remain outstanding through the Specified Discount Prepayment Response Date. The Auction Agent will promptly provide each Appropriate Lender with a copy of such Specified Discount Prepayment Notice and a form of the Specified Discount Prepayment Response to be completed and returned by each such Term Lender to the Auction Agent (or its delegate) by no later than 5:00 p.m., on the third Business Day after the date of delivery of such notice to such Lenders (the "**Specified Discount Prepayment Response Date**").

(2) Each Term Lender receiving such offer shall notify the Auction Agent (or its delegate) by the Specified Discount Prepayment Response Date whether or not it agrees to accept a prepayment of any of its applicable then outstanding Term Loans at the Specified Discount and, if so (such accepting Lender, a "**Discount Prepayment Accepting Lender**"), the amount and the tranches of such Lender's Term Loans to be prepaid at such offered discount. Each acceptance of a Discounted Term Loan Prepayment by a Discount Prepayment Accepting Lender shall be irrevocable. Any Term Lender whose Specified Discount Prepayment Response is not received by the Auction Agent by the Specified Discount Prepayment Response Date shall be deemed to have declined to accept the applicable Borrower Offer of Specified Discount Prepayment.

(3) If there is at least one Discount Prepayment Accepting Lender, the relevant Company Party will make a prepayment of outstanding Term Loans pursuant to this paragraph (B) to each Discount Prepayment Accepting Lender in accordance with the respective outstanding amount and tranches of Term Loans specified in such Lender's Specified Discount Prepayment Response given pursuant to subsection (2) above; *provided* that if the aggregate principal amount of Term Loans accepted for prepayment by all Discount Prepayment Accepting Lenders exceeds the Specified Discount Prepayment Amount, such prepayment shall be made pro rata among the Discount Prepayment Accepting Lenders in accordance with the respective principal amounts accepted to be prepaid by each such Discount Prepayment Accepting Lender and the Auction Agent (in consultation with such Company Party and subject to rounding requirements of the Auction Agent made in its reasonable discretion) will calculate such proration (the "**Specified Discount Proration**"). The Auction Agent shall promptly, and in any case within three Business Days following the Specified Discount Prepayment Response Date, notify (I) the relevant Company Party of the respective Term Lenders' responses to such offer, the Discounted Prepayment Effective Date and the aggregate principal amount of the Discounted Term Loan Prepayment and the tranches to be prepaid, (II) each Term Lender of the Discounted Prepayment Effective Date, and the aggregate principal amount and the tranches of Term Loans to be prepaid at the Specified Discount on such date and (III) each Discount Prepayment Accepting Lender of the Specified Discount Proration, if any, and confirmation of the principal amount, tranche and Type of Term Loans of such Lender to be prepaid at the Specified Discount on such date. Each determination by the Auction Agent of the amounts stated in the foregoing notices to the Company Party and such Term Lenders shall be conclusive and binding for all purposes absent manifest error. The payment amount specified in such notice to the Company Party shall be due and payable by such Company Party on the Discounted Prepayment Effective Date in accordance with subsection (F) below (subject to subsection (J) below).

(C) (1) Subject to the proviso to subsection (A) above, any Company Party may from time to time solicit Discount Range Prepayment Offers by providing the Auction Agent with five (5) Business Days' notice in the form of a Discount Range Prepayment Notice; *provided* that (I) any such solicitation shall be extended, at the sole discretion of such Company Party, to (x) each Term Lender and/or (y) each Term Lender with respect to any Class of Term Loans on an individual tranche basis, (II) any such notice shall specify the maximum aggregate principal amount of the relevant Term Loans (the "**Discount Range Prepayment Amount**"), the tranche or tranches of Term Loans subject to such offer and the maximum and minimum percentage discounts to par (the "**Discount Range**") of the principal amount of such Term Loans with respect to each relevant tranche of Term

Loans willing to be prepaid by such Company Party (it being understood that different Discount Ranges and/or Discount Range Prepayment Amounts may be offered with respect to different tranches of Term Loans and, in such event, each such offer will be treated as a separate offer pursuant to the terms of this Section 2.05(a)(v)(C)), (III) the Discount Range Prepayment Amount shall be in an aggregate amount not less than $10,000,000 and whole increments of $1,000,000 in excess thereof and (IV) each such solicitation by a Company Party shall remain outstanding through the Discount Range Prepayment Response Date. The Auction Agent will promptly provide each Appropriate Lender with a copy of such Discount Range Prepayment Notice and a form of the Discount Range Prepayment Offer to be submitted by a responding Lender to the Auction Agent (or its delegate) by no later than 5:00 p.m., on the third Business Day after the date of delivery of such notice to such Lenders (the "**Discount Range Prepayment Response Date"**). Each Term Lender's Discount Range Prepayment Offer shall be irrevocable and shall specify a discount to par within the Discount Range (the "**Submitted Discount**") at which such Lender is willing to allow prepayment of any or all of its then outstanding Term Loans of the applicable tranche or tranches and the maximum aggregate principal amount and tranches of such Lender's Term Loans (the "**Submitted Amount**") such Term Lender is willing to have prepaid at the Submitted Discount. Any Term Lender whose Discount Range Prepayment Offer is not received by the Auction Agent by the Discount Range Prepayment Response Date shall be deemed to have declined to accept a Discounted Term Loan Prepayment of any of its Term Loans at any discount to their par value within the Discount Range.

(2) The Auction Agent shall review all Discount Range Prepayment Offers received on or before the applicable Discount Range Prepayment Response Date and shall determine (in consultation with such Company Party and subject to rounding requirements of the Auction Agent made in its sole reasonable discretion) the Applicable Discount and Term Loans to be prepaid at such Applicable Discount in accordance with this subsection (C). The relevant Company Party agrees to accept on the Discount Range Prepayment Response Date all Discount Range Prepayment Offers received by Auction Agent by the Discount Range Prepayment Response Date, in the order from the Submitted Discount that is the largest discount to par to the Submitted Discount that is the smallest discount to par, up to and including the Submitted Discount that is the smallest discount to par within the Discount Range (such Submitted Discount that is the smallest discount to par within the Discount Range being referred to as the "**Applicable Discount**") which yields a Discounted Term Loan Prepayment in an aggregate principal amount equal to the lower of (I) the Discount Range Prepayment Amount and (II) the sum of all Submitted Amounts. Each Term Lender that has submitted a Discount Range Prepayment Offer to accept prepayment at a discount to par that is larger than or equal to the Applicable Discount shall be deemed to have irrevocably consented to prepayment of Term Loans equal to its Submitted Amount (subject to any required proration pursuant to the following subsection (3)) at the Applicable Discount (each such Term Lender, a "**Participating Lender**").

(3) If there is at least one Participating Lender, the relevant Company Party will prepay the respective outstanding Term Loans of each Participating Lender in the aggregate principal amount and of the tranches specified in such Lender's Discount Range Prepayment Offer at the Applicable Discount; *provided* that if the Submitted Amount by all Participating Lenders offered at a discount to par greater than the Applicable Discount exceeds the Discount Range Prepayment Amount, prepayment of the principal amount of the relevant Term Loans for those

Participating Lenders whose Submitted Discount is a discount to par greater than or equal to the Applicable Discount (the "**Identified Participating Lenders**") shall be made pro rata among the Identified Participating Lenders in accordance with the Submitted Amount of each such Identified Participating Lender and the Auction Agent (in consultation with such Company Party and subject to rounding requirements of the Auction Agent made in its sole reasonable discretion) will calculate such proration (the "**Discount Range Proration**"). The Auction Agent shall promptly, and in any case within five (5) Business Days following the Discount Range Prepayment Response Date, notify (I) the relevant Company Party of the respective Term Lenders' responses to such solicitation, the Discounted Prepayment Effective Date, the Applicable Discount, and the aggregate principal amount of the Discounted Term Loan Prepayment and the tranches to be prepaid, (II) each Term Lender of the Discounted Prepayment Effective Date, the Applicable Discount, and the aggregate principal amount and tranches of Term Loans to be prepaid at the Applicable Discount on such date, (III) each Participating Lender of the aggregate principal amount and tranches of such Term Lender to be prepaid at the Applicable Discount on such date, and (IV) if applicable, each Identified Participating Lender of the Discount Range Proration. Each determination by the Auction Agent of the amounts stated in the foregoing notices to the relevant Company Party and Term Lenders shall be conclusive and binding for all purposes absent manifest error. The payment amount specified in such notice to the Company Party shall be due and payable by such Company Party on the Discounted Prepayment Effective Date in accordance with subsection (F) below (subject to subsection (J) below).

(D) (1) Subject to the proviso to subsection (A) above, any Company Party may from time to time solicit Solicited Discounted Prepayment Offers by providing the Auction Agent with five (5) Business Days' notice in the form of a Solicited Discounted Prepayment Notice; *provided* that (I) any such solicitation shall be extended, at the sole discretion of such Company Party, to (x) each Term Lender and/or (y) each Lender with respect to any Class of Loans on an individual tranche basis, (II) any such notice shall specify the maximum aggregate amount of the Term Loans (the "**Solicited Discounted Prepayment Amount**") and the tranche or tranches of Term Loans the Borrower is willing to prepay at a discount (it being understood that different Solicited Discounted Prepayment Amounts may be offered with respect to different tranches of Term Loans and, in such event, each such offer will be treated as a separate offer pursuant to the terms of this Section 2.05(a)(v)(D)), (III) the Solicited Discounted Prepayment Amount shall be in an aggregate amount not less than $10,000,000 and whole increments of $1,000,000 in excess thereof and (IV) each such solicitation by a Company Party shall remain outstanding through the Solicited Discounted Prepayment Response Date. The Auction Agent will promptly provide each Appropriate Lender with a copy of such Solicited Discounted Prepayment Notice and a form of the Solicited Discounted Prepayment Offer to be submitted by a responding Lender to the Auction Agent (or its delegate) by no later than 5:00 p.m., on the third Business Day after the date of delivery of such notice to such Term Lenders (the "**Solicited Discounted Prepayment Response Date**"). Each Term Lender's Solicited Discounted Prepayment Offer shall (x) be irrevocable, (y) remain outstanding until the Acceptance Date, and (z) specify both a discount to par (the "**Offered Discount**") at which such Term Lender is willing to allow prepayment of its then outstanding Term Loan and the maximum aggregate principal amount and tranches of such Term Loans (the "**Offered Amount**") such Term Lender is willing to have prepaid at the Offered Discount. Any Term Lender whose Solicited Discounted Prepayment Offer is not received by the Auction Agent by the Solicited Discounted Prepayment

Response Date shall be deemed to have declined prepayment of any of its Term Loans at any discount.

(2) The Auction Agent shall promptly provide the relevant Company Party with a copy of all Solicited Discounted Prepayment Offers received on or before the Solicited Discounted Prepayment Response Date. Such Company Party shall review all such Solicited Discounted Prepayment Offers and select the largest of the Offered Discounts specified by the relevant responding Term Lenders in the Solicited Discounted Prepayment Offers that is acceptable to the Company Party (the "**Acceptable Discount**"), if any. If the Company Party elects to accept any Offered Discount as the Acceptable Discount, then as soon as practicable after the determination of the Acceptable Discount, but in no event later than by the third Business Day after the date of receipt by such Company Party from the Auction Agent of a copy of all Solicited Discounted Prepayment Offers pursuant to the first sentence of this subsection (2) (the "**Acceptance Date**"), the Company Party shall submit an Acceptance and Prepayment Notice to the Auction Agent setting forth the Acceptable Discount. If the Auction Agent shall fail to receive an Acceptance and Prepayment Notice from the Company Party by the Acceptance Date, such Company Party shall be deemed to have rejected all Solicited Discounted Prepayment Offers.

(3) Based upon the Acceptable Discount and the Solicited Discounted Prepayment Offers received by Auction Agent by the Solicited Discounted Prepayment Response Date, within three Business Days after receipt of an Acceptance and Prepayment Notice (the "**Discounted Prepayment Determination Date**"), the Auction Agent will determine (in consultation with such Company Party and subject to rounding requirements of the Auction Agent made in its sole reasonable discretion) the aggregate principal amount and the tranches of Term Loans (the "**Acceptable Prepayment Amount**") to be prepaid by the relevant Company Party at the Acceptable Discount in accordance with this Section 2.05(a)(v)(D). If the Company Party elects to accept any Acceptable Discount, then the Company Party agrees to accept all Solicited Discounted Prepayment Offers received by Auction Agent by the Solicited Discounted Prepayment Response Date, in the order from largest Offered Discount to smallest Offered Discount, up to and including the Acceptable Discount. Each Term Lender that has submitted a Solicited Discounted Prepayment Offer with an Offered Discount that is greater than or equal to the Acceptable Discount shall be deemed to have irrevocably consented to prepayment of Term Loans equal to its Offered Amount (subject to any required pro rata reduction pursuant to the following sentence) at the Acceptable Discount (each such Lender, a "**Qualifying Lender**"). The Company Party will prepay outstanding Term Loans pursuant to this subsection (D) to each Qualifying Lender in the aggregate principal amount and of the tranches specified in such Lender's Solicited Discounted Prepayment Offer at the Acceptable Discount; *provided* that if the aggregate Offered Amount by all Qualifying Lenders whose Offered Discount is greater than or equal to the Acceptable Discount exceeds the Solicited Discounted Prepayment Amount, prepayment of the principal amount of the Term Loans for those Qualifying Lenders whose Offered Discount is greater than or equal to the Acceptable Discount (the "**Identified Qualifying Lenders**") shall be made pro rata among the Identified Qualifying Lenders in accordance with the Offered Amount of each such Identified Qualifying Lender and the Auction Agent (in consultation with such Company Party and subject to rounding requirements of the Auction Agent made in its sole reasonable discretion) will calculate such proration (the "**Solicited Discount Proration**"). On or prior to the Discounted Prepayment Determination Date, the

Auction Agent shall promptly notify (I) the relevant Company Party of the Discounted Prepayment Effective Date and Acceptable Prepayment Amount comprising the Discounted Term Loan Prepayment and the tranches to be prepaid, (II) each Term Lender of the Discounted Prepayment Effective Date, the Acceptable Discount, and the Acceptable Prepayment Amount of all Term Loans and the tranches to be prepaid to be prepaid at the Applicable Discount on such date, (III) each Qualifying Lender of the aggregate principal amount and the tranches of such Term Lender to be prepaid at the Acceptable Discount on such date, and (IV) if applicable, each Identified Qualifying Lender of the Solicited Discount Proration. Each determination by the Auction Agent of the amounts stated in the foregoing notices to such Company Party and Term Lenders shall be conclusive and binding for all purposes absent manifest error. The payment amount specified in such notice to such Company Party shall be due and payable by such Company Party on the Discounted Prepayment Effective Date in accordance with subsection (F) below (subject to subsection (J) below).

(E) In connection with any Discounted Term Loan Prepayment, the Company Parties and the Term Lenders acknowledge and agree that the Auction Agent may require as a condition to any Discounted Term Loan Prepayment, the payment of customary fees and expenses from a Company Party in connection therewith.

(F) If any Term Loan is prepaid in accordance with paragraphs (B) through (D) above, a Company Party shall prepay such Term Loans on the Discounted Prepayment Effective Date. The relevant Company Party shall make such prepayment to the Administrative Agent, for the account of the Discount Prepayment Accepting Lenders, Participating Lenders, or Qualifying Lenders, as applicable, at the Administrative Agent's Office in immediately available funds not later than 11:00 a.m. on the Discounted Prepayment Effective Date and all such prepayments shall be applied to the remaining principal installments of the relevant tranche of Loans on a pro rata basis across such installments. The Term Loans so prepaid shall be accompanied by all accrued and unpaid interest on the par principal amount so prepaid up to, but not including, the Discounted Prepayment Effective Date. Each prepayment of the outstanding Term Loans pursuant to this Section 2.05(a)(v) shall be paid to the Discount Prepayment Accepting Lenders, Participating Lenders, or Qualifying Lenders, as applicable, and shall be applied to the relevant Loans of such Lenders in accordance with their respective Pro Rata Share. The aggregate principal amount of the tranches and installments of the relevant Term Loans outstanding shall be deemed reduced by the full par value of the aggregate principal amount of the tranches of Term Loans prepaid on the Discounted Prepayment Effective Date in any Discounted Term Loan Prepayment. In connection with each prepayment pursuant to this Section 2.05(a)(v), the relevant Company Party shall waive any right to bring any action against the Administrative Agent, in its capacity as such, in connection with any such Discounted Term Loan Prepayment.

(G) To the extent not expressly provided for herein, each Discounted Term Loan Prepayment shall be consummated pursuant to procedures consistent with the provisions in this Section 2.05(a)(v), established by the Auction Agent acting in its reasonable discretion and as reasonably agreed by the Borrower.

(H) Notwithstanding anything in any Loan Document to the contrary, for purposes of this Section 2.05(a)(v), each notice or other communication

required to be delivered or otherwise provided to the Auction Agent (or its delegate) shall be deemed to have been given upon Auction Agent's (or its delegate's) actual receipt during normal business hours of such notice or communication; *provided* that any notice or communication actually received outside of normal business hours shall be deemed to have been given as of the opening of business on the next Business Day.

(I) Each of the Company Parties and the Term Lenders acknowledge and agree that the Auction Agent may perform any and all of its duties under this Section 2.05(a)(v) by itself or through any Affiliate of the Auction Agent and expressly consents to any such delegation of duties by the Auction Agent to such Affiliate and the performance of such delegated duties by such Affiliate. The exculpatory provisions pursuant to this Agreement shall apply to each Affiliate of the Auction Agent and its respective activities in connection with any Discounted Term Loan Prepayment provided for in this Section 2.05(a)(v) as well as activities of the Auction Agent.

(J) Each Company Party shall have the right, by written notice to the Auction Agent, to revoke in full (but not in part) its offer to make a Discounted Term Loan Prepayment and rescind the applicable Specified Discount Prepayment Notice, Discount Range Prepayment Notice or Solicited Discounted Prepayment Notice therefor at its discretion at any time on or prior to the applicable Specified Discount Prepayment Response Date (and if such offer is revoked pursuant to the preceding clauses, any failure by such Company Party to make any prepayment to a Lender, as applicable, pursuant to this Section 2.05(a)(v) shall not constitute a Default or Event of Default under Section 8.01 or otherwise).

(b) *Mandatory*. (i) Within five (5) Business Days after financial statements have been delivered pursuant to Section 6.01(a) and the related Compliance Certificate has been delivered pursuant to Section 6.02(a), the Borrower shall cause to be offered to be prepaid in accordance with clause (b)(ix) below, an aggregate principal amount of Term Loans in an amount equal to (A) the Applicable ECF Percentage of Excess Cash Flow, if any, for the fiscal year covered by such financial statements minus (B) the sum of (1) all voluntary prepayments of Term Loans made during such fiscal year or after year-end and prior to when such Excess Cash Flow prepayment is due (including the aggregate principal amount of Term Loans prepaid pursuant to Section 2.05(a)(v) during such time) and (2) all voluntary prepayments of Revolving Credit Loans during such fiscal year or after year-end and prior to when such Excess Cash Flow prepayment is due to the extent the Revolving Credit Commitments are permanently reduced by the amount of such payments, in the case of each of the immediately preceding clauses (1) and (2), to the extent such prepayments are funded with the internally generated cash and, without duplication of any deduction from Excess Cash Flow in any prior period.

(ii) If (x) the Borrower or any Restricted Subsidiary of the Borrower Disposes of any property or assets (other than any Disposition of any property or assets permitted by Sections 7.05 (a), (b), (c), (d), (e), (g), (h), (i), (k), (l), (m) (except to the extent such property is subject to a Mortgage), (o), (p), (q), (s) or (t)), or (y) any Casualty Event occurs, which results in the realization or receipt by the Borrower or Restricted Subsidiary of Net Proceeds, the Borrower shall cause to be offered to be prepaid in accordance with clause (b)(ix) below, on or prior to the date which is ten (10) Business Days after the date of the realization or receipt by the Borrower or any Restricted Subsidiary of such Net Proceeds, subject to clause (b)(xi) below, an aggregate principal amount of Term Loans in an amount equal to 100% of all Net Proceeds received; *provided* that if at the time that any such prepayment would be required, the Borrower is required to offer to repurchase any Permitted First Priority

Refinancing Debt (or any Permitted Refinancing thereof that is secured on a *pari passu* basis with the Obligations) pursuant to the terms of the documentation governing such Indebtedness with the Net Proceeds of such Disposition or Casualty Event (such Indebtedness required to be offered to be so repurchased, "**Other Applicable Indebtedness**"), then the Borrower may apply such Net Proceeds on a pro rata basis (determined on the basis of the aggregate outstanding principal amount of the Term Loans and Other Applicable Indebtedness at such time); *provided, further,* that (A) the portion of such Net Proceeds allocated to the Other Applicable Indebtedness shall not exceed the amount of such Net Proceeds required to be allocated to the Other Applicable Indebtedness pursuant to the terms thereof, and the remaining amount, if any, of such Net Proceeds shall be allocated to the Term Loans in accordance with the terms hereof to the prepayment of the Term Loans and to the repurchase or prepayment of Other Applicable Indebtedness, and the amount of prepayment of the Term Loans that would have otherwise been required pursuant to this Section 2.05(b)(ii) shall be reduced accordingly and (B) to the extent the holders of Other Applicable Indebtedness decline to have such indebtedness repurchased or prepaid, the declined amount shall promptly (and in any event within ten (10) Business Days after the date of such rejection) be applied to prepay the Term Loans in accordance with the terms hereof.

(iii)[Reserved].

(iv)If the Borrower or any Restricted Subsidiary incurs or issues any Indebtedness after the Closing Date (other than Indebtedness not prohibited under Section 7.03 (excluding Section 7.03(t)), the Borrower shall cause to be offered to be prepaid in accordance with clause (b)(ix) below an aggregate principal amount of Term Loans in an amount equal to 100% of all Net Proceeds received therefrom on or prior to the date which is five (5) Business Days after the receipt by the Borrower or such Restricted Subsidiary of such Net Proceeds.

(v) If for any reason the aggregate Revolving Credit Exposures at any time exceeds the aggregate Revolving Credit Commitments then in effect (including, for the avoidance of doubt, as a result of the termination of any Class of Revolving Credit Commitments on the Maturity Date with respect thereto), the Borrower shall promptly prepay or cause to be promptly prepaid Revolving Credit Loans and Swing Line Loans and/or Cash Collateralize the L/C Obligations in an aggregate amount equal to such excess; *provided* that the Borrower shall not be required to Cash Collateralize the L/C Obligations pursuant to this Section 2.05(b)(v) unless after the prepayment in full of the Revolving Credit Loans and Swing Line Loans such aggregate Outstanding Amount exceeds the aggregate Revolving Credit Commitments then in effect.

(vi)Except with respect to Loans incurred in connection with any Refinancing Amendment, Term Loan Extension Request, Revolver Extension Request or any Incremental Amendment (which may be prepaid on a less than pro rata basis in accordance with its terms), (A) each prepayment of Term Loans pursuant to this Section 2.05(b) shall be applied ratably to each Class of Term Loans then outstanding (*provided* that (i) any prepayment of Term Loans with the Net Proceeds of Credit Agreement Refinancing Indebtedness shall be applied solely to each applicable Class of Refinanced Debt, and (ii) any Class of Incremental Term Loans may specify that one or more other Classes of Term Loans and Incremental Term Loans may be prepaid prior to such Class of Incremental Term Loans); (B) with respect to each Class of Term Loans, each prepayment pursuant to clauses (i) through (iv) of this Section 2.05(b) shall be applied to the scheduled installments of principal thereof following the date of prepayment pursuant to Section 2.07(a) in direct order of maturity; and (C) each

such prepayment shall be paid to the Lenders in accordance with their respective Pro Rata Shares of such prepayment.

(vii) The Borrower shall notify the Administrative Agent in writing of any mandatory prepayment of Term Loans required to be made pursuant to clauses (i) through (iv) of this Section 2.05(b) at least four (4) Business Days prior to the date of such prepayment. Each such notice shall specify the date of such prepayment and provide a reasonably detailed calculation of the amount of such prepayment. The Administrative Agent will promptly notify each Appropriate Lender of the contents of the Borrower's prepayment notice and of such Appropriate Lender's Pro Rata Share of the prepayment.

(viii) *Funding Losses, Etc.* All prepayments under this Section 2.05 shall be made together with, in the case of any such prepayment of a ~~Eurocurrency~~Benchmark Rate Loan denominated in a ~~LIBO~~Term Benchmark Currency on a date other than the last day of an Interest Period therefor, any amounts owing in respect of such ~~Eurocurrency~~Benchmark Rate Loan pursuant to Section 3.05. Notwithstanding any of the other provisions of Section 2.05(b), so long as no Event of Default shall have occurred and be continuing, if any prepayment of ~~Eurocurrency~~Benchmark Rate Loans denominated in a ~~LIBO~~Term Benchmark Currency is required to be made under this Section 2.05(b), prior to the last day of the Interest Period therefor, the Borrower may, in its sole discretion, deposit the amount of any such prepayment otherwise required to be made thereunder into a Cash Collateral Account until the last day of such Interest Period, at which time the Administrative Agent shall be authorized (without any further action by or notice to or from the Borrower or any other Loan Party) to apply such amount to the prepayment of such Loans in accordance with this Section 2.05(b). Upon the occurrence and during the continuance of any Event of Default, the Administrative Agent shall also be authorized (without any further action by or notice to or from the Borrower or any other Loan Party) to apply such amount to the prepayment of the outstanding Loans in accordance with this Section 2.05(b).

(ix) *Term Opt-out of Prepayment.* With respect to each prepayment of Term Loans required pursuant to Section 2.05(b), (A) each Lender of Term Loans will have the right to refuse such offer of prepayment by giving written notice of such refusal to the Administrative Agent within one (1) Business Day after such Lender's receipt of notice from the Administrative Agent of such offer of prepayment (and the Borrower shall not prepay any Term Loans of such Lender on the date that is specified in clause (B) below), (B) the Borrower will make all such prepayments not so refused upon the fourth Business Day after delivery of notice by the Borrower pursuant to Section 2.05(b)(vii) and (C) any prepayment refused by Lenders of Term Loans may be retained by the Borrower.

(x) In connection with any mandatory prepayments by the Borrower of the Term Loans pursuant to this Section 2.05(b), such prepayments shall be applied on a pro rata basis to the then outstanding Term Loans of the applicable Class or Classes being prepaid irrespective of whether such outstanding Term Loans are Base Rate Loans or ~~Eurocurrency~~Benchmark Rate Loans; *provided* that if no Lenders exercise the right to waive a given mandatory prepayment of the Term Loans pursuant to Section 2.05(b)(ix), then, with respect to such mandatory prepayment, the amount of such mandatory prepayment within any tranche of Term Loans shall be applied first to Term Loans of such tranche that are Base Rate Loans to the full extent thereof before application to Term Loans of such tranche that are ~~Eurocurrency~~Benchmark Rate Loans in a manner that minimizes the amount of any payments required to be made by the Borrower pursuant to Section 3.05.

(xi) *Foreign Dispositions.* Notwithstanding any other provisions of this Section 2.05, (i) to the extent that any of or all the Net Proceeds of any Disposition by a Foreign

Subsidiary ("**Foreign Disposition**") or Excess Cash Flow attributable to Foreign Subsidiaries are prohibited or delayed by applicable local law from being repatriated to the United States, the portion of such Net Proceeds or Excess Cash Flow so affected will not be required to be applied to repay Term Loans at the times provided in this Section 2.05 but may be retained by the applicable Foreign Subsidiary so long, but only so long, as the applicable local law will not permit repatriation to the United States (the Borrower hereby agreeing to cause the applicable Foreign Subsidiary to promptly take all actions reasonably required by the applicable local law to permit such repatriation), and once such repatriation of any of such affected Net Proceeds or Excess Cash Flow that, in each case, would otherwise be required to be used to make an offer of prepayment pursuant to Sections 2.05(b)(i) or 2.05(b)(ii), is permitted under the applicable local law, such repatriation will be immediately effected and such repatriated Net Proceeds or Excess Cash Flow will be promptly (and in any event not later than two Business Days after such repatriation) applied (net of additional taxes payable or reserved against as a result thereof) to the repayment of the Term Loans pursuant to this Section 2.05 and (ii) to the extent that the Borrower has determined in good faith that repatriation of any of or all the Net Proceeds of any Foreign Disposition or Foreign Subsidiary Excess Cash Flow would have material adverse tax cost consequences with respect to such Net Proceeds or Excess Cash Flow, such Net Proceeds or Excess Cash Flow so affected may be retained by the applicable Foreign Subsidiary; *provided* that in the case of this clause (ii), on or before the date on which any such Net Proceeds so retained would otherwise have been required to be applied to reinvestments or prepayments pursuant to Section 2.05(b) or any such Excess Cash Flow would have been required to be applied to prepayments pursuant to Section 2.05(b), the Borrower applies an amount equal to such Net Proceeds or Excess Cash Flow to such reinvestments or prepayments, as applicable, as if such Net Proceeds or Excess Cash Flow had been received by the Borrower rather than such Foreign Subsidiary, less the amount of additional taxes that would have been payable or reserved against if such Net Proceeds or Excess Cash Flow had been repatriated (or, if less, the Net Proceeds or Excess Cash Flow that would be calculated if received by such Foreign Subsidiary).

SECTION 2.06 Termination or Reduction of Commitments.

(a) *Optional.* The Borrower may, upon written notice to the Administrative Agent, terminate the unused Commitments of any Class, or from time to time permanently reduce the unused Commitments of any Class, in each case without premium or penalty; *provided* that (i) any such notice shall be received by the Administrative Agent three Business Days prior to the date of termination or reduction, (ii) any such partial reduction shall be in a minimum aggregate amount of $5,000,000, or any whole multiple of $1,000,000, in excess thereof or, if less, the entire amount thereof and (iii) if, after giving effect to any reduction of the Commitments, the Letter of Credit Sublimit or the Swing Line Sublimit exceeds the amount of the Revolving Credit Facility, such sublimit shall be automatically reduced by the amount of such excess. The amount of any such Commitment reduction shall not otherwise be applied to the Letter of Credit Sublimit or the Swing Line Sublimit unless otherwise specified by the Borrower. Notwithstanding the foregoing, the Borrower may rescind or postpone any notice of termination of the Commitments if such termination would have resulted from a refinancing of all of the applicable Facility, which refinancing shall not be consummated or otherwise shall be delayed.

(b) *Mandatory.* The Series B-2 Term Commitment of each Term Lender of each Class shall be automatically and permanently reduced to $0 upon the conversions or deemed conversions of Term Loans of such Class as set forth in Section 2.01(a). The Revolving Credit Commitment of each Class shall automatically and permanently terminate on the Maturity Date with respect to such Class of Revolving Credit Commitments.

(c) *Application of Commitment Reductions; Payment of Fees.* The Administrative Agent will promptly notify the Appropriate Lenders of any termination or reduction of unused portions of the Letter of Credit Sublimit or the Swing Line Sublimit or the unused Commitments of any Class under this Section 2.06. Upon any reduction of unused Commitments of any Class, the Commitment of each Lender of such Class shall be reduced by such Lender's Pro Rata Share of the amount by which such Commitments are reduced (other than the termination of the Commitment of any Lender as provided in Section 3.07). All commitment fees accrued until the effective date of any termination of the Aggregate Commitments shall be paid on the effective date of such termination.

SECTION 2.07 Repayment of Loans.

(a) *Term Loans.* The Borrower shall repay to the Administrative Agent for the ratable account of the Term Lenders, (i) with respect to Series B-2 Term Loans, on the last Business Day of each March, June, September and December, commencing with June 30, 2019, an aggregate principal amount equal to 0.25% of the aggregate principal amount of all Series B-2 Term Loans outstanding on the Amendment No. 6 Effective Date (which payments shall be reduced as a result of the application of prepayments in accordance with the order of priority set forth in Section 2.05) and (ii) on the applicable Maturity Date for the Series B-2 Term Loans, the aggregate principal amount of all Series B-2 Term Loans outstanding on such date. In the event any Incremental Term Loans, Refinancing Term Loans or Extended Term Loans are made, such Incremental Term Loans, Refinancing Term Loans or Extended Term Loans, as applicable, shall be repaid by the Borrower in the amounts and on the dates set forth in the Incremental Amendment, Refinancing Amendment or Extension Amendment with respect thereto and on the applicable Maturity Date thereof.

(b) *Revolving Credit Loans.* The Borrower shall repay to the Administrative Agent for the ratable account of the Appropriate Lenders on the applicable Maturity Date for the Revolving Credit Facilities of a given Class the aggregate principal amount of all of its Revolving Credit Loans of such Class outstanding on such date.

(c) *Swing Line Loans.* The Borrower shall repay each Swing Line Loan on the earlier to occur of (i) the date five (5) Business Days after such Loan is made and (ii) the Maturity Date for the Revolving Credit Facility (although Swing Line Loans may thereafter be reborrowed, in accordance with the terms and conditions hereof, if there are one or more Classes of Revolving Credit Commitments which remain in effect).

SECTION 2.08 Interest.

(a) Subject to the provisions of Section 2.08(b), (i) each ~~Eurocurrency~~Benchmark Rate Loan shall bear interest on the outstanding principal amount thereof for each Interest Period (if applicable) at a rate per annum equal to the ~~Eurocurrency~~Benchmark Rate for such Interest Period (if applicable) plus the Applicable Rate; (ii) each Base Rate Loan (other than a Swing Line Loan) shall bear interest on the outstanding principal amount thereof from the applicable borrowing date at a rate per annum equal to the Base Rate plus the Applicable Rate; and (iii) each Swing Line Loan shall bear interest on the outstanding principal amount thereof from the applicable borrowing date at a rate per annum equal to the Base Rate plus the Applicable Rate for Revolving Credit Loans.

(b) During the continuance of a Default under Section 8.01(a), the Borrower shall pay interest on past due amounts owing by it hereunder at a fluctuating interest rate per annum at all times equal to the Default Rate to the fullest extent permitted by applicable Laws; *provided* that no interest at the Default Rate shall accrue or be payable to a Defaulting Lender so long as such Lender shall be a Defaulting Lender. Accrued and unpaid interest on such amounts (including interest on past due interest) shall be due and payable upon demand.

(c) Interest on each Loan shall be due and payable in arrears on each Interest Payment Date applicable thereto and at such other times as may be specified herein. Interest hereunder shall be due and payable in accordance with the terms hereof before and after judgment, and before and after the commencement of any proceeding under any Debtor Relief Law.

SECTION 2.09 Fees.

In addition to certain fees described in Sections 2.03(h) and (i):

(a) *Commitment Fee.* The Borrower agrees to pay to the Administrative Agent for the account of each Revolving Credit Lender under each Facility in accordance with its Pro Rata Share or other applicable share provided for under this Agreement, a commitment fee in Dollars equal to the Applicable Rate with respect to Revolving Credit Loan commitment fees, times the actual daily amount by which the aggregate Revolving Credit Commitment for the applicable Facility exceeds the sum of (A) the Outstanding Amount of Revolving Credit Loans for such Facility and (B) the Outstanding Amount of L/C Obligations for such Facility; *provided* that any commitment fee accrued with respect to any of the Commitments of a Defaulting Lender during the period prior to the time such Lender became a Defaulting Lender and unpaid at such time shall not be payable by the Borrower so long as such Lender shall be a Defaulting Lender, except to the extent that such commitment fee shall otherwise have been due and payable by the Borrower prior to such time; and *provided*, *further*, that no commitment fee shall accrue on any of the Commitments of a Defaulting Lender so long as such Lender shall be a Defaulting Lender. The commitment fee on each Revolving Credit Facility shall accrue at all times from the Closing Date until the Maturity Date for the Revolving Credit Commitments, including at any time during which one or more of the conditions in Article IV is not met, and shall be due and payable quarterly in arrears on the last Business Day of each March, June, September and December, commencing with the first such date during the first full fiscal quarter to occur after the Closing Date and on the Maturity Date for the Revolving Credit Commitments. The commitment fee shall be calculated quarterly in arrears, and if there is any change in the Applicable Rate during any quarter, the actual daily amount shall be computed and multiplied by the Applicable Rate separately for each period during such quarter that such Applicable Rate was in effect.

(b) *Other Fees.* The Borrower shall pay to the Agents such fees as shall have been separately agreed upon in writing in the amounts and at the times so specified. Such fees shall be fully earned when paid and shall not be refundable for any reason whatsoever (except as expressly agreed between the Borrower and the applicable Agent).

SECTION 2.10 Computation of Interest and Fees.

All computations of interest computed by reference to SONIA and interest for Base Rate Loans when the Base Rate is determined by the Prime Rate shall be made on the basis of a year of three hundred and sixty-five (365) days, or three hundred and sixty-six (366) days, as applicable, and actual days elapsed. All other computations of fees and interest shall be made on the basis of a three hundred and sixty (360) day year and actual days elapsed. Interest shall accrue on each Loan for the day on which the Loan is made, and shall not accrue on a Loan, or any portion thereof, for the day on which the Loan or such portion is paid; *provided* that any Loan that is repaid on the same day on which it is made shall, subject to Section 2.12(a), bear interest for one (1) day. Each determination by the Administrative Agent of an interest rate or fee hereunder shall be conclusive and binding for all purposes, absent manifest error.

SECTION 2.11 Evidence of Indebtedness.

(a) The Credit Extensions made by each Lender shall be evidenced by one or more accounts or records maintained by such Lender and evidenced by one or more entries in the Register maintained by the Administrative Agent, acting solely for purposes of Treasury Regulation Section 5f.103-1(c), as agent for the Borrower, in each case in the ordinary course of business. The accounts or records maintained by the Administrative Agent and each Lender shall be *prima facie* evidence absent manifest error of the amount of the Credit Extensions made by the Lenders to the Borrower and the interest and payments thereon. Any failure to so record or any error in doing so shall not, however, limit or otherwise affect the obligation of the Borrower hereunder to pay any amount owing with respect to the Obligations. In the event of any conflict between the accounts and records maintained by any Lender and the accounts and records of the Administrative Agent in respect of such matters, the accounts and records of the Administrative Agent shall control in the absence of manifest error. Upon the request of any Lender made through the Administrative Agent, the Borrower shall execute and deliver to such Lender (through the Administrative Agent) a Note payable to such Lender, which shall evidence such Lender's Loans in addition to such accounts or records. Each Lender may attach schedules to its Note and endorse thereon the date, Type (if applicable), amount, currency and maturity of its Loans and payments with respect thereto.

(b) In addition to the accounts and records referred to in Section 2.11(a), each Lender and the Administrative Agent shall maintain in accordance with its usual practice accounts or records and, in the case of the Administrative Agent, entries in the Register, evidencing the purchases and sales by such Lender of participations in Letters of Credit and Swing Line Loans. In the event of any conflict between the accounts and records maintained by the Administrative Agent and the accounts and records of any Lender in respect of such matters, the accounts and records of the Administrative Agent shall control in the absence of manifest error.

(c) Entries made in good faith by the Administrative Agent in the Register pursuant to Sections 2.11(a) and (b), and by each Lender in its account or accounts pursuant to Sections 2.11(a) and (b), shall be *prima facie* evidence of the amount of principal and interest due and payable or to become due and payable from the Borrower to, in the case of the Register, each Lender and, in the case of such account or accounts, such Lender, under this Agreement and the other Loan Documents, absent manifest error; *provided* that the failure of the Administrative Agent or such Lender to make an entry, or any finding that an entry is incorrect, in the Register or such account or accounts shall not limit or otherwise affect the obligations of the Borrower under this Agreement and the other Loan Documents.

SECTION 2.12 Payments Generally.

(a) All payments to be made by the Borrower shall be made without condition or deduction for any counterclaim, defense, recoupment or setoff. Except as otherwise expressly provided herein and except with respect to an Approved Foreign Currency, all payments by the Borrower hereunder shall be made to the Administrative Agent, for the account of the respective Lenders to which such payment is owed, at the applicable Administrative Agent's Office for Dollar-denominated payments and in Same Day Funds not later than 1:00 p.m. New York City time on the date specified herein. Except as otherwise expressly provided herein, all payments by the Borrower hereunder in an Approved Foreign Currency shall be made to the Administrative Agent, for the account of the respective Lenders to which such payment is owed, at the applicable Administrative Agent's Office in such Approved Foreign Currency and in Same Day Funds not later than 2:00 p.m. (London time) (or, if earlier, 9:00 a.m. New York city time) on the dates specified herein. If, for any reason, the Borrower is prohibited by any Law from making any required payment hereunder in an Approved Foreign Currency, the Borrower shall make such payment in Dollars in an amount equal to the Dollar Equivalent of such Approved Foreign Currency payment amount. The Administrative Agent will promptly distribute to each Appropriate Lender its Pro Rata Share (or other applicable share as provided herein) of such payment in like funds as received by wire transfer to such Lender's

applicable Lending Office. All payments received by the Administrative Agent after the time specified above shall in each case be deemed received on the next succeeding Business Day and any applicable interest or fee shall continue to accrue.

(b) Except as otherwise provided herein, if any payment to be made by the Borrower shall come due on a day other than a Business Day, payment shall be made on the next following Business Day, and such extension of time shall be reflected in computing interest or fees, as the case may be; *provided* that if such extension would cause payment of interest on or principal of ~~Eurocurrency~~Benchmark Rate Loans to be made in the next succeeding calendar month, such payment shall be made on the immediately preceding Business Day.

(c) Unless the Borrower or any Lender has notified the Administrative Agent, prior to the date any payment is required to be made by it to the Administrative Agent hereunder, that the Borrower or such Lender, as the case may be, will not make such payment, the Administrative Agent may assume that the Borrower or such Lender, as the case may be, has timely made such payment and may (but shall not be so required to), in reliance thereon, make available a corresponding amount to the Person entitled thereto. If and to the extent that such payment was not in fact made to the Administrative Agent in Same Day Funds, then:

(i) if the Borrower failed to make such payment, each Lender shall forthwith on demand repay to the Administrative Agent the portion of such assumed payment that was made available to such Lender in Same Day Funds, together with interest thereon in respect of each day from and including the date such amount was made available by the Administrative Agent to such Lender to the date such amount is repaid to the Administrative Agent in Same Day Funds at the applicable Overnight Rate, plus any reasonable administrative, processing or similar fees customarily charged by the Administrative Agent in connection with the foregoing; and

(ii) if any Lender failed to make such payment (including, without limitation, failure to fund participations in respect of any Letter of Credit or Swing Line Loan), such Lender shall forthwith on demand pay to the Administrative Agent the amount thereof in Same Day Funds, together with interest thereon for the period from the date such amount was made available by the Administrative Agent to the Borrower to the date such amount is recovered by the Administrative Agent (the "**Compensation Period**") at a rate per annum equal to the applicable Overnight Rate, plus any reasonable administrative, processing or similar fees customarily charged by the Administrative Agent in connection with the foregoing. When such Lender makes payment to the Administrative Agent (together with all accrued interest thereon), then such payment amount (excluding the amount of any interest which may have accrued and been paid in respect of such late payment) shall constitute such Lender's Loan included in the applicable Borrowing. If such Lender does not pay such amount (including, without limitation, failure to fund participations in respect of any Letter of Credit or Swing Line Loan) forthwith upon the Administrative Agent's demand therefor, the Administrative Agent may make a demand therefor upon the Borrower, and the Borrower shall pay such amount to the Administrative Agent, together with interest thereon for the Compensation Period at a rate per annum equal to the rate of interest applicable to the applicable Borrowing. Nothing herein shall be deemed to relieve any Lender from its obligation to fulfill its Commitment or to prejudice any rights which the Administrative Agent or the Borrower may have against any Lender as a result of any default by such Lender hereunder.

A notice of the Administrative Agent to any Lender or the Borrower with respect to any amount owing under this Section 2.12(c) shall be conclusive, absent manifest error.

(d) If any Lender makes available to the Administrative Agent funds for any Loan to be made by such Lender as provided in the foregoing provisions of this Article II, and such funds are not made available to the Borrower by the Administrative Agent because the conditions to the applicable Credit Extension set forth in Article IV or in the applicable Incremental Amendment, Extension Amendment or Refinancing Amendment are not satisfied or waived in accordance with the terms hereof, the Administrative Agent shall return such funds (in like funds as received from such Lender) to such Lender, without interest.

(e) The obligations of the Lenders hereunder to make Loans and to fund participations in Letters of Credit and Swing Line Loans are several and not joint. The failure of any Lender to make any Loan or to fund any such participation on any date required hereunder shall not relieve any other Lender of its corresponding obligation to do so on such date, and no Lender shall be responsible for the failure of any other Lender to so make its Loan or purchase its participation.

(f) Nothing herein shall be deemed to obligate any Lender to obtain the funds for any Loan in any particular place or manner or to constitute a representation by any Lender that it has obtained or will obtain the funds for any Loan in any particular place or manner.

(g) Whenever any payment received by the Administrative Agent under this Agreement or any of the other Loan Documents is insufficient to pay in full all amounts due and payable to the Administrative Agent and the Lenders under or in respect of this Agreement and the other Loan Documents on any date, such payment shall be distributed by the Administrative Agent and applied by the Administrative Agent and the Lenders in the order of priority set forth in Section 8.04. If the Administrative Agent receives funds for application to the Obligations of the Loan Parties under or in respect of the Loan Documents under circumstances for which the Loan Documents do not specify the manner in which such funds are to be applied, the Administrative Agent may (to the fullest extent permitted by mandatory provisions of applicable Law), but shall not be obligated to, elect to distribute such funds to each of the Lenders in accordance with such Lender's Pro Rata Share of the sum of (a) the Outstanding Amount of all Loans outstanding at such time and (b) the Outstanding Amount of all L/C Obligations outstanding at such time, in repayment or prepayment of such of the outstanding Loans or other Obligations then owing to such Lender.

SECTION 2.13 Sharing of Payments.

If, other than as expressly provided elsewhere herein, any Lender shall obtain on account of the Loans made by it, or the participations in L/C Obligations and Swing Line Loans held by it, any payment (whether voluntary, involuntary, through the exercise of any right of setoff, or otherwise) in excess of its ratable share (or other share contemplated hereunder) thereof, such Lender shall immediately (a) notify the Administrative Agent of such fact, and (b) purchase from the other Lenders such participations in the Loans made by them and/or such subparticipations in the participations in L/C Obligations or Swing Line Loans held by them, as the case may be, as shall be necessary to cause such purchasing Lender to share the excess payment in respect of such Loans or such participations, as the case may be, pro rata with each of them; *provided* that if all or any portion of such excess payment is thereafter recovered from the purchasing Lender under any of the circumstances described in Section 10.06 (including pursuant to any settlement entered into by the purchasing Lender in its discretion), such purchase shall to that extent be rescinded and each other Lender shall repay to the purchasing Lender the purchase price paid therefor, together with an amount equal to such paying Lender's ratable share (according to the proportion of (i) the amount of such paying Lender's required repayment to (ii) the total amount so recovered from the purchasing Lender) of any interest or other amount paid or payable by the purchasing Lender in respect of the total amount so recovered, without further interest thereon. For avoidance of doubt, the provisions of this paragraph shall not be construed to apply to (A) any payment made by the Borrower pursuant to and in accordance with the express terms of this Agreement as in effect from time to time (including the application of funds arising from the existence of a Defaulting Lender) or (B) any payment

obtained by a Lender as consideration for the assignment of or sale of a participation in any of its Loans to any assignee or participant permitted hereunder. The Borrower agrees that any Lender so purchasing a participation from another Lender may, to the fullest extent permitted by applicable Law, exercise all its rights of payment (including the right of setoff, but subject to Section 10.09) with respect to such participation as fully as if such Lender were the direct creditor of the Borrower in the amount of such participation. The Administrative Agent will keep records (which shall be conclusive and binding in the absence of manifest error) of participations purchased under this Section 2.13 and will in each case notify the Lenders following any such purchases or repayments. Each Lender that purchases a participation pursuant to this Section 2.13 shall from and after such purchase have the right to give all notices, requests, demands, directions and other communications under this Agreement with respect to the portion of the Obligations purchased to the same extent as though the purchasing Lender were the original owner of the Obligations purchased.

SECTION 2.14 Incremental Credit Extensions.

(a) *Incremental Commitments*. The Borrower may at any time or from time to time after the Closing Date, by notice to the Administrative Agent (an "**Incremental Loan Request**"), request (A) one or more new commitments which may be in the same Facility as any outstanding Term Loans of an existing Class of Term Loans (a "**Term Loan Increase**") or a new Class of term loans (collectively with any Term Loan Increase, the "**Incremental Term Commitments**") and/or (B) one or more increases in the amount of the Revolving Credit Commitments (a "**Revolving Commitment Increase**") or the establishment of one or more new revolving credit commitments (any such new commitments, collectively with any Revolving Commitment Increases, the "**Incremental Revolving Credit Commitments**" and the Incremental Revolving Credit Commitments, collectively with any Incremental Term Commitments, the "**Incremental Commitments**"), whereupon the Administrative Agent shall promptly deliver a copy to each of the Lenders.

(b) *Incremental Loans*. Any Incremental Commitments effected through the establishment of one or more new revolving credit commitments or new Term Loans made on an Incremental Facility Closing Date shall be designated a separate Class of Incremental Commitments for all purposes of this Agreement. On any Incremental Facility Closing Date on which any Incremental Term Commitments of any Class are effected (including through any Term Loan Increase), subject to the satisfaction of the terms and conditions in this Section 2.14, (i) each Incremental Term Lender of such Class shall make a Loan to the Borrower (or any Loan Party organized under the laws of the United States, any state thereof, the District of Columbia or any territory thereof, may be designated as a borrower in respect thereof) (an "**Incremental Term Loan**") in an amount equal to its Incremental Term Commitment of such Class and (ii) each Incremental Term Lender of such Class shall become a Lender hereunder with respect to the Incremental Term Commitment of such Class and the Incremental Term Loans of such Class made pursuant thereto. On any Incremental Facility Closing Date on which any Incremental Revolving Credit Commitments of any Class are effected through the establishment of one or more new revolving credit commitments (including through any Revolving Commitment Increase), subject to the satisfaction of the terms and conditions in this Section 2.14, (i) each Incremental Revolving Credit Lender of such Class shall make its Commitment available to the Borrower (or any Loan Party organized under the laws of the United States, any state thereof, the District of Columbia or any territory thereof, that may be designated as a borrower in respect thereof) (when borrowed, an "**Incremental Revolving Credit Loan**" and collectively with any Incremental Term Loan, an "**Incremental Loan**") in an amount equal to its Incremental Revolving Credit Commitment of such Class and (ii) each Incremental Revolving Credit Lender of such Class shall become a Lender hereunder with respect to the Incremental Revolving Credit Commitment of such Class and the Incremental Revolving Credit Loans of such Class made pursuant thereto. Notwithstanding the foregoing, Incremental Term Loans may have identical terms to any of the Term Loans and be treated as the same Class as any of such Term Loans.

(c) *Incremental Loan Request*. Each Incremental Loan Request from the Borrower pursuant to this Section 2.14 shall set forth the requested amount, the Approved Currency and proposed terms of the relevant Incremental Term Loans or Incremental Revolving Credit Commitments. Incremental Term Loans may be made, and Incremental Revolving Credit Commitments may be provided, by any existing Lender (but each existing Lender will not have an obligation to make any Incremental Commitment, nor will the Borrower have any obligation to approach any existing lenders to provide any Incremental Commitment) or by any other bank or other financial institution (any such other bank or other financial institution being called an "**Additional Lender**") (each such existing Lender or Additional Lender providing such, an "**Incremental Revolving Credit Lender**" or "**Incremental Term Lender**," as applicable, and, collectively, the "**Incremental Lenders**"); *provided* that (i) the Administrative Agent, each Swing Line Lender and each L/C Issuer shall have consented (not to be unreasonably withheld or delayed) to such Lender's or Additional Lender's making such Incremental Term Loans or providing such Revolving Commitment Increases to the extent such consent, if any, would be required under Section 10.07(b) for an assignment of Loans or Revolving Credit Commitments, as applicable, to such Lender or Additional Lender, (ii) with respect to Incremental Term Commitments, any Affiliated Lender providing an Incremental Term Commitment shall be subject to the same restrictions set forth in Section 10.07(l) as they would otherwise be subject to with respect to any purchase by or assignment to such Affiliated Lender of Term Loans and (iii) Affiliated Lenders may not provide Incremental Revolving Credit Commitments.

(d) *Effectiveness of Incremental Amendment*. The effectiveness of any Incremental Amendment, and the Incremental Commitments thereunder, shall be subject to the satisfaction on the date thereof (the "**Incremental Facility Closing Date**") of each of the following conditions:

(i) (x) if the proceeds of such Incremental Commitments are being used to finance a Permitted Acquisition, no Event of Default under Sections 8.01(a) or (f) shall have occurred and be continuing or would exist after giving effect to such Incremental Commitments, or (y) if otherwise, no Event of Default shall have occurred and be continuing or would exist after giving effect to such Incremental Commitments;

(ii) after giving effect to such Incremental Commitments, the conditions of Sections 4.02(i) and (ii) shall be satisfied (it being understood that all references to "the date of such Credit Extension" or similar language in such Section 4.02 shall be deemed to refer to the effective date of such Incremental Amendment); *provided* that if the proceeds of such Incremental Commitments are being used to finance a Permitted Acquisition, (x) the reference in 4.02(i) to the accuracy of the representations and warranties shall refer to the accuracy of the representations and warranties that would constitute Specified Representations and (y) the reference to "Material Adverse Effect" in the Specified Representations shall be understood for this purpose to refer to "Material Adverse Effect" or similar definition as defined in the main transaction agreement governing such Permitted Acquisition;

(iii)the Borrower and its Restricted Subsidiaries shall be in compliance with the covenant set forth in Section 7.11 if such covenant is then in effect, determined on a Pro Forma Basis as of the Incremental Facility Closing Date and the last day of the most recently ended Test Period, as if any Incremental Term Loans or Incremental Revolving Credit Commitments, as applicable, available under such Incremental Commitments had been outstanding on the last day of such fiscal quarter of the Borrower for testing compliance therewith, and, in each case (x) with respect to any Incremental Revolving Credit Commitment, assuming a borrowing of the maximum amount of Loans available thereunder, and (y) without netting the cash proceeds of any such Incremental Loans;

(iv) each Incremental Term Commitment shall be in an aggregate principal amount that is not less than $20,000,000 and shall be in an increment of $1,000,000 (*provided* that such amount may be less than $20,000,000 if such amount represents all remaining availability under the limit set forth in the next sentence) and each Incremental Revolving Credit Commitment shall be in an aggregate principal amount that is not less than $5,000,000 and shall be in an increment of $1,000,000 (*provided* that such amount may be less than $5,000,000 if such amount represents all remaining availability under the limit set forth in the next sentence);

(v) the aggregate amount of the Incremental Term Loans and the Incremental Revolving Credit Commitments shall not exceed the sum of (A) $1,500,000,000 less the aggregate principal amount of Indebtedness incurred pursuant to Section 7.03(q) at or prior to such time plus (B) all voluntary prepayments of Term Loans and voluntary commitment reductions of Revolving Credit Commitments prior to or simultaneous with the Incremental Facility Closing Date (excluding voluntary prepayments of Incremental Term Loans and voluntary commitment reductions of Incremental Revolving Credit Commitments, to the extent such Incremental Term Loans and Incremental Revolving Credit Commitments were obtained pursuant to clause (C) below), plus (C) additional amounts so long as the Consolidated First Lien Net Leverage Ratio, determined on a Pro Forma Basis as of the last day of the most recently ended period of four consecutive fiscal quarters for which financial statements are internally available, as if any Incremental Term Loans or Incremental Revolving Credit Commitments, as applicable, available under such Incremental Commitments had been outstanding on the last day of such period, and, in each case (x) with respect to any Incremental Revolving Credit Commitment, assuming a borrowing of the maximum amount of Loans available thereunder, and (y) without netting the cash proceeds of any such Incremental Loans, does not exceed 3.75 to 1.00; and

(vi) such other conditions as the Borrower, each Incremental Lender providing such Incremental Commitments and the Administrative Agent shall agree.

(e) *Required Terms*. The terms, provisions and documentation of the Incremental Term Loans and Incremental Term Commitments or the Incremental Revolving Credit Loans and Incremental Revolving Credit Commitments, as the case may be, of any Class shall be as agreed between the Borrower and the applicable Incremental Lenders providing such Incremental Commitments, and except as otherwise set forth herein, to the extent not identical to the Term Loans or Revolving Credit Commitments, as applicable, each existing on the Incremental Facility Closing Date, shall be reasonably satisfactory to Administrative Agent (it being understood that to the extent any financial maintenance covenant is added for the benefit of any Incremental Term Loans and Incremental Term Commitments or the Incremental Revolving Credit Loans and Incremental Revolving Credit Commitments, no consent shall be required from the Administrative Agent or any of the Lenders to the extent that such financial maintenance covenant is also added for the benefit of any corresponding existing Facility). In any event:

(i) the Incremental Term Loans:

(A) shall rank *pari passu* in right of payment and of security with the Revolving Credit Loans and the Term Loans,

(B) subject to the Permitted Earlier Maturity Indebtedness Exception, shall not mature earlier than the Latest Maturity Date of any Term Loans outstanding at the time of incurrence of such Incremental Term Loans,

(C) subject to the Permitted Earlier Maturity Indebtedness Exception, shall have a Weighted Average Life to Maturity not shorter than the remaining Weighted Average Life to Maturity of the Series B-2 Term Loans,

(D) shall have an Applicable Rate, and subject to clauses (e)(i)(B) and (e)(i)(C) above and clause (e)(iii) below, amortization determined by the Borrower and the applicable Incremental Term Lenders, and

(E) the Incremental Term Loans may participate on a pro rata basis or less than pro rata basis (but not on a greater than pro rata basis) in any voluntary or mandatory prepayments of Term Loans hereunder, as specified in the applicable Incremental Amendment.

(ii) the Incremental Revolving Credit Commitments and Incremental Revolving Credit Loans shall be identical to the Revolving Credit Commitments and the Revolving Credit Loans, other than the Maturity Date and as set forth in this Section 2.14(e)(ii); *provided* that notwithstanding anything to the contrary in this Section 2.14 or otherwise:

(A) any such Incremental Revolving Credit Commitments or Incremental Revolving Credit Loans shall rank *pari passu* in right of payment and of security with the Revolving Credit Loans and the Term Loans,

(B) any such Incremental Revolving Credit Commitments or Incremental Revolving Credit Loans shall not mature earlier than the Latest Maturity Date of any Revolving Credit Loans outstanding at the time of incurrence of such Incremental Revolving Credit Commitments,

(C) the borrowing and repayment (except for (1) payments of interest and fees at different rates on Incremental Revolving Credit Commitments (and related outstandings), (2) repayments required upon the maturity date of the Incremental Revolving Credit Commitments and (3) repayment made in connection with a permanent repayment and termination of commitments (subject to clause (E) below)) of Loans with respect to Incremental Revolving Credit Commitments after the associated Incremental Facility Closing Date shall be made on a pro rata basis with all other Revolving Credit Commitments on the Incremental Facility Closing Date,

(D) subject to the provisions of Sections 2.03(n) and 2.04(g) to the extent dealing with Swing Line Loans and Letters of Credit which mature or expire after a maturity date when there exists Incremental Revolving Credit Commitments with a longer maturity date, all Swing Line Loans and Letters of Credit shall be participated on a pro rata basis by all Lenders with Commitments in accordance with their percentage of the Revolving Credit Commitments on the Incremental Facility Closing Date (and except as provided in Section 2.03(n) and Section 2.04(g), without giving effect to changes thereto on an earlier maturity date with respect to Swing Line Loans and Letters of Credit theretofore incurred or issued),

(E) the permanent repayment of Revolving Credit Loans with respect to, and termination of, Incremental Revolving Credit Commitments after the associated Incremental Facility Closing Date shall be made on a pro rata basis with all other Revolving Credit Commitments on the Incremental Facility Closing Date, except that the Borrower shall be permitted to permanently repay and terminate

commitments of any such Class on a better than a pro rata basis as compared to any other Class with a later maturity date than such Class,

(F) assignments and participations of Incremental Revolving Credit Commitments and Incremental Revolving Credit Loans shall be governed by the same assignment and participation provisions applicable to Revolving Credit Commitments and Revolving Credit Loans on the Incremental Facility Closing Date, and

(G) any Incremental Revolving Credit Commitments may constitute a separate Class or Classes, as the case may be, of Commitments from the Classes constituting the applicable Revolving Credit Commitments prior to the Incremental Facility Closing Date.

(iii)the amortization schedule applicable to any Incremental Loans and the All-In Yield applicable to the Incremental Term Loans or Incremental Revolving Credit Loans of each Class shall be determined by the Borrower and the applicable new Lenders and shall be set forth in each applicable Incremental Amendment; *provided*, *however*, that with respect to any Loans under Incremental Term Loan Commitments or Incremental Revolving Credit Commitments made on or prior to the date that is 12 months after the Amendment No. 1 Effective Date, if the All-In Yield applicable to such Incremental Term Loans or Incremental Revolving Credit Loans shall be greater than the applicable All-In Yield payable pursuant to the terms of this Agreement as amended through the date of such calculation with respect to Series B-2 Term Loans by more than 50 basis points per annum (the amount of such excess, the "**Yield Differential**") then the interest rate (together with, as provided in the proviso below, the ~~Eurocurrency~~Benchmark or Base Rate floor) with respect to the Series B-2 Term Loans shall be increased by the applicable Yield Differential; *provided, further* that, if any Incremental Term Loans include a ~~Eurocurrency~~Benchmark or Base Rate floor that is greater than the ~~Eurocurrency~~Benchmark or Base Rate floor applicable to the Series B-2 Term Loans, such differential between interest rate floors shall be included in the calculation of All-In Yield for purposes of this clause (iii) but only to the extent an increase in the ~~Eurocurrency~~Benchmark or Base Rate Floor applicable to the existing Series B-2 Term Loans would cause an increase in the interest rate then in effect thereunder, and in such case the ~~Eurocurrency~~Benchmark and Base Rate floors (but not the Applicable Rate) applicable to the Series B-2 Term Loans shall be increased to the extent of such differential between interest rate floors.

(f) *Incremental Amendment*. Commitments in respect of Incremental Term Loans and Incremental Revolving Credit Commitment shall become Commitments (or in the case of an Incremental Revolving Credit Commitment to be provided by an existing Revolving Credit Lender, an increase in such Lender's applicable Revolving Credit Commitment), under this Agreement pursuant to an amendment (an "**Incremental Amendment**") to this Agreement and, as appropriate, the other Loan Documents, executed by the Borrower, any Loan Party organized under the laws of the United States, any state thereof, the District of Columbia or any territory thereof, that may be designated as a borrower in respect thereof (if any), each Incremental Lender providing such Commitments and the Administrative Agent. The Incremental Amendment may, without the consent of any other Loan Party, Agent or Lender, effect such amendments to this Agreement and the other Loan Documents as may be necessary or appropriate, in the reasonable opinion of the Administrative Agent and the Borrower, to effect the provisions of this Section 2.14. The Borrower (or any Loan Party organized under the laws of the United States, any state thereof, the District of Columbia or any territory thereof, that may be designated as a borrower in respect thereof) will use the proceeds of the Incremental Term Loans and Incremental Revolving Credit Commitments for any purpose not

prohibited by this Agreement. No Lender shall be obligated to provide any Incremental Term Loans or Incremental Revolving Credit Commitments, unless it so agrees.

(g) *Reallocation of Revolving Credit Exposure*. Upon any Incremental Facility Closing Date on which Incremental Revolving Credit Commitments are effected through an increase in the Revolving Credit Commitments pursuant to this Section 2.14, (a) if the increase relates to the Revolving Credit Facility, each of the Revolving Credit Lenders shall assign to each of the Incremental Revolving Credit Lenders, and each of the Incremental Revolving Credit Lenders shall purchase from each of the Revolving Credit Lenders, at the principal amount thereof, such interests in the Incremental Revolving Credit Loans outstanding on such Incremental Facility Closing Date as shall be necessary in order that, after giving effect to all such assignments and purchases, such Revolving Credit Loans will be held by existing Revolving Credit Lenders and Incremental Revolving Credit Lenders ratably in accordance with their Revolving Credit Commitments after giving effect to the addition of such Incremental Revolving Credit Commitments to the Revolving Credit Commitments, (b) each Incremental Revolving Credit Commitment shall be deemed for all purposes a Revolving Credit Commitment and each Loan made thereunder shall be deemed, for all purposes, a Revolving Credit Loan and (c) each Incremental Revolving Credit Lender shall become a Lender with respect to the Incremental Revolving Credit Commitments and all matters relating thereto. The Administrative Agent and the Lenders hereby agree that the minimum borrowing and prepayment requirements in Sections 2.02 and 2.05(a) of this Agreement shall not apply to the transactions effected pursuant to the immediately preceding sentence.

(h) This Section 2.14 shall supersede any provisions in Section 2.13 or 10.01 to the contrary.

SECTION 2.15 Refinancing Amendments.

(a) On one or more occasions after the Closing Date, the Borrower may obtain, from any Lender or any other bank, financial institution or other institutional lender or investor that agrees to provide any portion of Refinancing Term Loans pursuant to a Refinancing Amendment in accordance with this Section 2.15 (each, an "**Additional Refinancing Lender**") (*provided* that (i) the Administrative Agent, each Swing Line Lender and each L/C Issuer shall have consented (not to be unreasonably withheld or delayed) to such Lender's or Additional Refinancing Lender's making such Refinancing Term Loans or providing such Other Revolving Credit Commitments to the extent such consent, if any, would be required under Section 10.07(b) for an assignment of Loans or Revolving Credit Commitments, as applicable, to such Lender or Additional Refinancing Lender, (ii) with respect to Refinancing Term Loans, any Affiliated Refinancing Lender providing an Refinancing Term Loans shall be subject to the same restrictions set forth in Section 10.07(l) as they would otherwise be subject to with respect to any purchase by or assignment to such Affiliated Lender of Term Loans and (iii) Affiliated Lenders may not provide Other Revolving Credit Commitments), Credit Agreement Refinancing Indebtedness in respect of all or any portion of any Class of Term Loans or Revolving Credit Loans (or unused Revolving Credit Commitments) then outstanding under this Agreement, in the form of Refinancing Term Loans, Refinancing Term Commitments, Other Revolving Credit Commitments, or Other Revolving Credit Loans pursuant to a Refinancing Amendment; *provided* that notwithstanding anything to the contrary in this Section 2.15 or otherwise, (1) the borrowing and repayment (except for (A) payments of interest and fees at different rates on Other Revolving Credit Commitments (and related outstandings), (B) repayments required upon the maturity date of the Other Revolving Credit Commitments and (C) repayment made in connection with a permanent repayment and termination of commitments (subject to clause (3) below)) of Loans with respect to Other Revolving Credit Commitments after the date of obtaining any Other Revolving Credit Commitments shall be made on a pro rata basis with all other Revolving Credit Commitments, (2) subject to the provisions of Section 2.03(n) and 2.04(g) to the extent dealing with Swing Line Loans and Letters of Credit which mature or expire after a maturity date

when there exist Other Revolving Credit Commitments with a longer maturity date, all Swing Line Loans and Letters of Credit shall be participated on a pro rata basis by all Lenders with Commitments in accordance with their percentage of the Revolving Credit Commitments (and except as provided in Section 2.03(n) and Section 2.04(g), without giving effect to changes thereto on an earlier maturity date with respect to Swing Line Loans and Letters of Credit theretofore incurred or issued), (3) the permanent repayment of Revolving Credit Loans with respect to, and termination of, Other Revolving Credit Commitments after the date of obtaining any Other Revolving Credit Commitments shall be made on a pro rata basis with all other Revolving Credit Commitments, except that the Borrower shall be permitted to permanently repay and terminate commitments of any such Class on a better than a pro rata basis as compared to any other Class with a later maturity date than such Class and (4) assignments and participations of Other Revolving Credit Commitments and Other Revolving Credit Loans shall be governed by the same assignment and participation provisions applicable to Revolving Credit Commitments and Revolving Credit Loans.

(b) The effectiveness of any Refinancing Amendment shall be subject to the satisfaction on the date thereof of each of the conditions set forth in Section 4.02 and, to the extent reasonably requested by the Administrative Agent, receipt by the Administrative Agent of (i) customary legal opinions, board resolutions and officers' certificates consistent with those delivered on the Closing Date other than changes to such legal opinion resulting from a change in law, change in fact or change to counsel's form of opinion reasonably satisfactory to the Administrative Agent and (ii) reaffirmation agreements and/or such amendments to the Collateral Documents as may be reasonably requested by the Administrative Agent in order to ensure that such Credit Agreement Refinancing Indebtedness is provided with the benefit of the applicable Loan Documents.

(c) Each issuance of Credit Agreement Refinancing Indebtedness under Section 2.15(a) shall be in an aggregate principal amount that is (x) not less than $20,000,000 and (y) an integral multiple of $1,000,000 in excess thereof.

(d) Each of the parties hereto hereby agrees that this Agreement and the other Loan Documents may be amended pursuant to a Refinancing Amendment, without the consent of any other Lenders, to the extent (but only to the extent) necessary to (i) reflect the existence and terms of the Credit Agreement Refinancing Indebtedness incurred pursuant thereto and (ii) make such other changes to this Agreement and the other Loan Documents consistent with the provisions and intent of the third paragraph of Section 10.01 (without the consent of the Required Lenders called for therein) and (iii) effect such other amendments to this Agreement and the other Loan Documents as may be necessary or appropriate, in the reasonable opinion of the Administrative Agent and the Borrower, to effect the provisions of this Section 2.15, and the Required Lenders hereby expressly authorize the Administrative Agent to enter into any such Refinancing Amendment.

SECTION 2.16 Extension of Term Loans; Extension of Revolving Credit Loans.

(a) *Extension of Term Loans.* The Borrower may at any time and from time to time request that all or a portion of the Term Loans of a given Class (each, an "**Existing Term Loan Tranche**") be amended to extend the scheduled maturity date(s) with respect to all or a portion of any principal amount of such Term Loans (any such Term Loans which have been so amended, "**Extended Term Loans**") and to provide for other terms consistent with this Section 2.16. In order to establish any Extended Term Loans, the Borrower shall provide a notice to the Administrative Agent (who shall provide a copy of such notice to each of the Lenders under the applicable Existing Term Loan Tranche) (each, a "**Term Loan Extension Request**") setting forth the proposed terms of the Extended Term Loans to be established, which shall (x) be identical as offered to each Lender under such Existing Term Loan Tranche (including as to the proposed interest rates and fees payable) and offered pro rata to each Lender under such Existing Term Loan Tranche and (y) be identical to the Term Loans under the Existing Term Loan Tranche from which such Extended Term Loans are

to be amended, except that: (i) all or any of the scheduled amortization payments of principal of the Extended Term Loans may be delayed to later dates than the scheduled amortization payments of principal of the Term Loans of such Existing Term Loan Tranche, to the extent provided in the applicable Extension Amendment; (ii) the Effective Yield with respect to the Extended Term Loans (whether in the form of interest rate margin, upfront fees, original issue discount or otherwise) may be different than the Effective Yield for the Term Loans of such Existing Term Loan Tranche, in each case, to the extent provided in the applicable Extension Amendment; (iii) the Extension Amendment may provide for other covenants and terms that apply solely to any period after the Latest Maturity Date that is in effect on the effective date of the Extension Amendment (immediately prior to the establishment of such Extended Term Loans); and (iv) Extended Term Loans may have call protection as may be agreed by the Borrower and the Lenders thereof; *provided* that no Extended Term Loans may be optionally prepaid prior to the date on which the Term Loans under the Existing Term Loan Tranche from which such Extended Term Loans were amended are repaid in full, unless such optional prepayment is accompanied by at least a pro rata optional prepayment of such Existing Term Loan Tranche; *provided*, *however*, that (A) no Default shall have occurred and be continuing at the time a Term Loan Extension Request is delivered to Lenders, (B) subject to the Permitted Earlier Maturity Indebtedness Exception, in no event shall the final maturity date of any Extended Term Loans of a given Term Loan Extension Series at the time of establishment thereof be earlier than the then Latest Maturity Date of any then existing Term Loans hereunder, (C) subject to the Permitted Earlier Maturity Indebtedness Exception, the Weighted Average Life to Maturity of any Extended Term Loans of a given Term Loan Extension Series at the time of establishment thereof shall be no shorter (other than by virtue of amortization or prepayment of such Indebtedness prior to the time of incurrence of such Extended Term Loans) than the remaining Weighted Average Life to Maturity of any Existing Term Loan Tranche, (D) any such Extended Term Loans (and the Liens securing the same) shall be permitted by the terms of the Intercreditor Agreements (to the extent any Intercreditor Agreement is then in effect), (E) all documentation in respect of such Extension Amendment shall be consistent with the foregoing and (F) any Extended Term Loans may participate on a pro rata basis or less than a pro rata basis (but not greater than a pro rata basis) in any voluntary or mandatory repayments or prepayments hereunder, in each case as specified in the respective Term Loan Extension Request. Any Extended Term Loans amended pursuant to any Term Loan Extension Request shall be designated a series (each, a "**Term Loan Extension Series**") of Extended Term Loans for all purposes of this Agreement;*provided* that any Extended Term Loans amended from an Existing Term Loan Tranche may, to the extent provided in the applicable Extension Amendment, be designated as an increase in any previously established Term Loan Extension Series with respect to such Existing Term Loan Tranche. Each Term Loan Extension Series of Extended Term Loans incurred under this Section 2.16 shall be in an aggregate principal amount that is not less than $20,000,000.

(b) *Extension of Revolving Credit Commitments*. The Borrower may at any time and from time to time request that all or a portion of the Revolving Credit Commitments of a given Class (each, an "**Existing Revolver Tranche**") be amended to extend the Maturity Date with respect to all or a portion of any principal amount of such Revolving Credit Commitments (any such Revolving Credit Commitments which have been so amended, "**Extended Revolving Credit Commitments**") and to provide for other terms consistent with this Section 2.16. In order to establish any Extended Revolving Credit Commitments, the Borrower shall provide a notice to the Administrative Agent (who shall provide a copy of such notice to each of the Lenders under the applicable Existing Revolver Tranche) (each, a "**Revolver Extension Request**") setting forth the proposed terms of the Extended Revolving Credit Commitments to be established, which shall (x) be identical as offered to each Lender under such Existing Revolver Tranche (including as to the proposed interest rates and fees payable) and offered pro rata to each Lender under such Existing Revolver Tranche and (y) be identical to the Revolving Credit Commitments under the Existing Revolver Tranche from which such Extended Revolving Credit Commitments are to be amended, except that: (i) the Maturity Date of the Extended Revolving Credit Commitments may be delayed to a later date than the Maturity

Date of the Revolving Credit Commitments of such Existing Revolver Tranche, to the extent provided in the applicable Extension Amendment; (ii) the Effective Yield with respect to extensions of credit under the Extended Revolving Credit Commitments (whether in the form of interest rate margin, upfront fees, commitment fees, original issue discount or otherwise) may be different than the Effective Yield for extensions of credit under the Revolving Credit Commitments of such Existing Revolver Tranche, in each case, to the extent provided in the applicable Extension Amendment; (iii) the Extension Amendment may provide for other covenants and terms that apply solely to any period after the Latest Maturity Date that is in effect on the effective date of the Extension Amendment (immediately prior to the establishment of such Extended Revolving Credit Commitments); and (iv) all borrowings under the applicable Revolving Credit Commitments (*i.e.*, the Existing Revolver Tranche and the Extended Revolving Credit Commitments of the applicable Revolver Extension Series) and repayments thereunder shall be made on a pro rata basis (except for (I) payments of interest and fees at different rates on Extended Revolving Credit Commitments (and related outstandings) and (II) repayments required upon the Maturity Date of the non-extending Revolving Credit Commitments); *provided*, *further*, that (A) no Default shall have occurred and be continuing at the time a Revolver Extension Request is delivered to Lenders, (B) in no event shall the final maturity date of any Extended Revolving Credit Commitments of a given Revolver Extension Series at the time of establishment thereof be earlier than the then Latest Maturity Date of any other Revolving Credit Commitments hereunder, (C) any such Extended Revolving Credit Commitments (and the Liens securing the same) shall be permitted by the terms of the Intercreditor Agreements (to the extent any Intercreditor Agreement is then in effect) and (D) all documentation in respect of such Extension Amendment shall be consistent with the foregoing. Any Extended Revolving Credit Commitments amended pursuant to any Revolver Extension Request shall be designated a series (each, a "**Revolver Extension Series**") of Extended Revolving Credit Commitments for all purposes of this Agreement; *provided* that any Extended Revolving Credit Commitments amended from an Existing Revolver Tranche may, to the extent provided in the applicable Extension Amendment, be designated as an increase in any previously established Revolver Extension Series with respect to such Existing Revolver Tranche. Each Revolver Extension Series of Extended Revolving Credit Commitments incurred under this Section 2.16 shall be in an aggregate principal amount that is not less than $5,000,000.

(c) *Extension Request*. The Borrower shall provide the applicable Extension Request at least three (3) Business Days prior to the date on which Lenders under the Existing Term Loan Tranche or Existing Revolver Tranche, as applicable, are requested to respond, and shall agree to such procedures, if any, as may be established by, or acceptable to, the Administrative Agent, in each case acting reasonably to accomplish the purposes of this Section 2.16. No Lender shall have any obligation to agree to have any of its Term Loans of any Existing Term Loan Tranche amended into Extended Term Loans or any of its Revolving Credit Commitments amended into Extended Revolving Credit Commitments, as applicable, pursuant to any Extension Request. Any Lender holding a Loan under an Existing Term Loan Tranche (each, an "**Extending Term Lender**") wishing to have all or a portion of its Term Loans under the Existing Term Loan Tranche subject to such Extension Request amended into Extended Term Loans and any Revolving Credit Lender (each, an "**Extending Revolving Credit Lender**") wishing to have all or a portion of its Revolving Credit Commitments under the Existing Revolver Tranche subject to such Extension Request amended into Extended Revolving Credit Commitments, as applicable, shall notify the Administrative Agent (each, an "**Extension Election**") on or prior to the date specified in such Extension Request of the amount of its Term Loans under the Existing Term Loan Tranche or Revolving Credit Commitments under the Existing Revolver Tranche, as applicable, which it has elected to request be amended into Extended Term Loans or Extended Revolving Credit Commitments, as applicable (subject to any minimum denomination requirements imposed by the Administrative Agent). In the event that the aggregate principal amount of Term Loans under the Existing Term Loan Tranche or Revolving Credit Commitments under the Existing Revolver Tranche, as applicable, in respect of which applicable Term Lenders or Revolving Credit Lenders, as the case may be, shall have accepted the

relevant Extension Request exceeds the amount of Extended Term Loans or Extended Revolving Credit Commitments, as applicable, requested to be extended pursuant to the Extension Request, Term Loans or Revolving Credit Commitments, as applicable, subject to Extension Elections shall be amended to Extended Term Loans or Revolving Credit Commitments, as applicable, on a pro rata basis (subject to rounding by the Administrative Agent, which shall be conclusive) based on the aggregate principal amount of Term Loans or Revolving Credit Commitments, as applicable, included in each such Extension Election.

(d) *Extension Amendment*. Extended Term Loans and Extended Revolving Credit Commitments shall be established pursuant to an amendment (each, an "**Extension Amendment**") to this Agreement among the Borrower, the Administrative Agent and each Extending Term Lender or Extending Revolving Credit Lender, as applicable, providing an Extended Term Loan or Extended Revolving Credit Commitment, as applicable, thereunder, which shall be consistent with the provisions set forth in Sections 2.16(a) or (b) above, respectively (but which shall not require the consent of any other Lender). The effectiveness of any Extension Amendment shall be subject to the satisfaction on the date thereof of each of the conditions set forth in Section 4.02 and, to the extent reasonably requested by the Administrative Agent, receipt by the Administrative Agent of (i) legal opinions, board resolutions and officers' certificates consistent with those delivered on the Closing Date other than changes to such legal opinion resulting from a change in law, change in fact or change to counsel's form of opinion reasonably satisfactory to the Administrative Agent and (ii) reaffirmation agreements and/or such amendments to the Collateral Documents as may be reasonably requested by the Administrative Agent in order to ensure that the Extended Term Loans or Extended Revolving Credit Commitments, as applicable, are provided with the benefit of the applicable Loan Documents. The Administrative Agent shall promptly notify each Lender as to the effectiveness of each Extension Amendment. Each of the parties hereto hereby agrees that this Agreement and the other Loan Documents may be amended pursuant to an Extension Amendment, without the consent of any other Lenders, to the extent (but only to the extent) necessary to (i) reflect the existence and terms of the Extended Term Loans or Extended Revolving Credit Commitments, as applicable, incurred pursuant thereto, (ii) modify the scheduled repayments set forth in Section 2.07 with respect to any Existing Term Loan Tranche subject to an Extension Election to reflect a reduction in the principal amount of the Term Loans thereunder in an amount equal to the aggregate principal amount of the Extended Term Loans amended pursuant to the applicable Extension (with such amount to be applied ratably to reduce scheduled repayments of such Term Loans required pursuant to Section 2.07), (iii) modify the prepayments set forth in Section 2.05 to reflect the existence of the Extended Term Loans and the application of prepayments with respect thereto, (iv) make such other changes to this Agreement and the other Loan Documents consistent with the provisions and intent of the second paragraph of Section 10.01 (without the consent of the Required Lenders called for therein) and (v) effect such other amendments to this Agreement and the other Loan Documents as may be necessary or appropriate, in the reasonable opinion of the Administrative Agent and the Borrower, to effect the provisions of this Section 2.16, and the Required Lenders hereby expressly authorize the Administrative Agent to enter into any such Extension Amendment.

(e) No conversion of Loans pursuant to any Extension in accordance with this Section 2.16 shall constitute a voluntary or mandatory payment or prepayment for purposes of this Agreement.

SECTION 2.17 Defaulting Lenders.

(f) *Adjustments*. Notwithstanding anything to the contrary contained in this Agreement, if any Lender becomes a Defaulting Lender, then, until such time as that Lender is no longer a Defaulting Lender, to the extent permitted by applicable Law:

(i) Waivers and Amendments. That Defaulting Lender's right to approve or disapprove any amendment, waiver or consent with respect to this Agreement shall be restricted as set forth in Section 10.01.

(ii) Reallocation of Payments. Any payment of principal, interest, fees or other amounts received by the Administrative Agent for the account of that Defaulting Lender (whether voluntary or mandatory, at maturity, pursuant to Article VIII or otherwise), shall be applied at such time or times as may be determined by the Administrative Agent as follows: *first*, to the payment of any amounts owing by that Defaulting Lender to the Administrative Agent hereunder; *second*, to the payment on a pro rata basis of any amounts owing by that Defaulting Lender to L/C Issuers or Swing Line Lender hereunder; *third*, if so determined by the Administrative Agent or requested by any L/C Issuer or Swing Line Lender, to be held as Cash Collateral for future funding obligations of that Defaulting Lender of any participation in any Swing Line Loan or Letter of Credit; *fourth*, as the Borrower may request (so long as no Default or Event of Default has occurred and is continuing), to the funding of any Loan in respect of which that Defaulting Lender has failed to fund its portion thereof as required by this Agreement, as determined by the Administrative Agent; *fifth*, if so determined by the Administrative Agent and the Borrower, to be held in a non-interest bearing deposit account and released in order to satisfy obligations of that Defaulting Lender to fund Loans under this Agreement; *sixth*, to the payment of any amounts owing to the Lenders, the L/C Issuers or the Swing Line Lender as a result of any judgment of a court of competent jurisdiction obtained by any Lender, any L/C Issuer or the Swing Line Lender against that Defaulting Lender as a result of that Defaulting Lender's breach of its obligations under this Agreement; *seventh*, so long as no Default or Event of Default has occurred and is continuing, to the payment of any amounts owing to the Borrower as a result of any judgment of a court of competent jurisdiction obtained by the Borrower against that Defaulting Lender as a result of that Defaulting Lender's breach of its obligations under this Agreement; and *eighth*, to that Defaulting Lender or as otherwise directed by a court of competent jurisdiction; *provided* that if (x) such payment is a payment of the principal amount of any Loans or L/C Borrowings in respect of which that Defaulting Lender has not fully funded its appropriate share and (y) such Loans or L/C Borrowings were made at a time when the conditions set forth in Section 4.02 were satisfied or waived, such payment shall be applied solely to pay the Loans of, and L/C Borrowings owed to, all Non-Defaulting Lenders on a pro rata basis prior to being applied to the payment of any Loans of, or L/C Borrowings owed to, that Defaulting Lender. Any payments, prepayments or other amounts paid or payable to a Defaulting Lender that are applied (or held) to pay amounts owed by a Defaulting Lender or to post Cash Collateral pursuant to this Section 2.17(a)(ii) shall be deemed paid to and redirected by that Defaulting Lender, and each Lender irrevocably consents hereto.

(iii)Certain Fees. That Defaulting Lender (x) shall not be entitled to receive any commitment fee pursuant to Section 2.09(a) for any period during which that Lender is a Defaulting Lender (and the Borrower shall not be required to pay any such fee that otherwise would have been required to have been paid to that Defaulting Lender) and (y) shall be limited in its right to receive Letter of Credit fees as provided in Section 2.03(h).

(iv)Reallocation of Pro Rata Share to Reduce Fronting Exposure. During any period in which there is a Defaulting Lender, for purposes of computing the amount of the obligation of each Non-Defaulting Lender to acquire, refinance or fund participations in Letters of Credit or Swing Line Loans pursuant to Sections 2.03 and 2.04, the Pro Rata Share of each Non-Defaulting Lender's Revolving Credit Loans and L/C Obligations shall be computed without giving effect to the Commitment of that Defaulting Lender; *provided* that (i) each such reallocation shall be given effect only if, at the date the applicable Lender becomes a Defaulting Lender, no Default or Event of Default has occurred and is continuing;

and (ii) the aggregate obligation of each Non-Defaulting Lender to acquire, refinance or fund participations in Letters of Credit and Swing Line Loans shall not exceed the positive difference, if any, of (1) the Revolving Credit Commitment of that Non-Defaulting Lender minus (2) the aggregate Outstanding Amount of the Loans of that Lender. Subject to Section 10.23, no reallocation hereunder shall constitute a waiver or release of any claim of any party hereunder against a Defaulting Lender arising from that Lender having become a Defaulting Lender, including any claim of a Non-Defaulting Lender as a result of such Non-Defaulting Lender's increased exposure following such reallocation.

(g) *Defaulting Lender Cure*. If the Borrower, the Administrative Agent, Swing Line Lender and the L/C Issuers agree in writing in their sole discretion that a Defaulting Lender should no longer be deemed to be a Defaulting Lender, the Administrative Agent will so notify the parties hereto, whereupon as of the effective date specified in such notice and subject to any conditions set forth therein (which may include arrangements with respect to any Cash Collateral), that Lender will, to the extent applicable, purchase that portion of outstanding Loans of the other Lenders or take such other actions as the Administrative Agent may determine to be necessary to cause the Revolving Credit Loans and funded and unfunded participations in Letters of Credit and Swing Line Loans to be held on a pro rata basis by the Lenders in accordance with their Pro Rata Share (without giving effect to Section 2.17(a)(iv)), whereupon that Lender will cease to be a Defaulting Lender; *provided* that no adjustments will be made retroactively with respect to fees accrued or payments made by or on behalf of the Borrower while that Lender was a Defaulting Lender; and *provided*, *further*, that except to the extent otherwise expressly agreed by the affected parties, no change hereunder from Defaulting Lender to Lender will constitute a waiver or release of any claim of any party hereunder arising from that Lender's having been a Defaulting Lender.

ARTICLE III
Taxes, Increased Costs Protection and Illegality

SECTION 3.01 Taxes.

(a) Except as provided in this Section 3.01, any and all payments made by or on account of the Borrower (the term Borrower under Article III being deemed to include any Subsidiary for whose account a Letter of Credit is issued) or any Guarantor under any Loan Document shall be made free and clear of and without deduction for any and all present or future taxes, duties, levies, imposts, assessments or withholdings (including backup withholding) or similar charges imposed by any Governmental Authority including interest, penalties and additions to tax (collectively "**Taxes**"), except as required by applicable Law. If the Borrower, any Guarantor or other applicable withholding agent shall be required by any Laws to deduct any Taxes from or in respect of any sum payable under any Loan Document to any Agent or any Lender, (A) to the extent the Tax in question is an Indemnified Tax, the sum payable by the Borrower or such Guarantor shall be increased as necessary so that after making all required deductions (including deductions applicable to additional sums payable under this Section 3.01), each of such Agent and such Lender receives an amount equal to the sum it would have received had no such deductions been made, (B) the applicable withholding agent shall make such deductions, (C) the applicable withholding agent shall pay the full amount deducted to the relevant Governmental Authority in accordance with applicable Laws, and (D) within thirty (30) days after the date of such payment (or, if receipts or evidence are not available within thirty (30) days, as soon as possible thereafter), if the Borrower or any Guarantor is the applicable withholding agent, shall furnish to such Agent or Lender (as the case may be) the original or a copy of a receipt evidencing payment thereof or other evidence reasonably acceptable to such Agent or Lender.

(b) In addition, each Loan Party agrees to pay any and all present or future stamp, court or documentary taxes and any other excise, property, intangible or mortgage recording taxes, or charges or levies of the same character, imposed by any Governmental Authority, which arise from any payment made under any Loan Document or from the execution, delivery, performance, enforcement or registration of, or otherwise with respect to, any Loan Document (including additions to tax, penalties and interest related thereto) excluding, in each case, such amounts that result from an Agent or Lender's Assignment and Assumption, grant of a participation, transfer or assignment to or designation of a new applicable Lending Office or other office for receiving payments under any Loan Document (collectively, "**Assignment Taxes**") to the extent such Assignment Taxes result from a connection that the Agent or Lender has with the taxing jurisdiction other than the connection arising out of the Loan Documents or the transactions therein, except for such Assignment Taxes resulting from assignment or participation that is requested or required in writing by the Borrower (all such non-excluded Taxes described in this Section 3.01(b) being hereinafter referred to as "**Other Taxes**").

(c) Each Loan Party agrees to indemnify each Agent and each Lender for (i) the full amount of Indemnified Taxes and Other Taxes payable by such Agent or such Lender and (ii) any reasonable expenses arising therefrom or with respect thereto, in each case whether or not such Taxes were correctly or legally imposed or asserted by the relevant Governmental Authority. A certificate as to the amount of such payment or liability prepared in good faith by such Agent or Lender (or by an Agent on behalf of such Lender), accompanied by a written statement thereof setting forth in reasonable detail the basis and calculation of such amounts shall be conclusive absent manifest error.

(d) Each Lender shall, at such times as are reasonably requested by the Borrower or the Administrative Agent, provide the Borrower and the Administrative Agent with any documentation prescribed by Law certifying as to any entitlement of such Lender to an exemption from, or reduction in, withholding Tax with respect to any payments to be made to such Lender under the Loan Documents. Each such Lender shall, whenever a lapse in time or change in circumstances renders such documentation obsolete or inaccurate in any material respect, deliver promptly to the Borrower and the Administrative Agent updated or other appropriate documentation (including any new documentation reasonably requested by the applicable withholding agent) or promptly notify the Borrower and the Administrative Agent in writing of its inability to do so. Unless the applicable withholding agent has received forms or other documents satisfactory to it indicating that payments under any Loan Document to or for a Lender are not subject to withholding Tax or are subject to such Tax at a rate reduced by an applicable tax treaty, the Borrower, the Administrative Agent or other applicable withholding agent shall withhold amounts required to be withheld by applicable Law from such payments at the applicable statutory rate. Notwithstanding any other provision of this clause (d), a Lender shall not be required to deliver any form pursuant to this clause (d) that such Lender is not legally able to deliver. Without limiting the foregoing:

(i) Each Lender that is a United States person (as defined in Section 7701(a)(30) of the Code) shall deliver to the Borrower and the Administrative Agent on or before the date on which it becomes a party to this Agreement two properly completed and duly signed original copies of Internal Revenue Service Form W-9 (or any successor form) certifying that such Lender is exempt from federal backup withholding.

(ii) Each Lender that is not a United States person (as defined in Section 7701(a)(30) of the Code) shall deliver to the Borrower and the Administrative Agent on or before the date on which it becomes a party to this Agreement whichever of the following is applicable:

(A) two properly completed and duly signed original copies of Internal Revenue Service Form W-8BEN (or any successor forms) claiming

eligibility for the benefits of an income tax treaty to which the United States is a party, and such other documentation as required under the Code,

(B) two properly completed and duly signed original copies of Internal Revenue Service Form W-8ECI (or any successor forms),

(C) in the case of a Lender claiming the benefits of the exemption for portfolio interest under Section 881(c) of the Code, (a) a United States Tax Compliance Certificate and (b) two properly completed and duly signed original copies of Internal Revenue Service Form W-8BEN (or any successor form), or

(D) to the extent a Lender is not the beneficial owner (for example, where the Lender is a partnership or a participating Lender), Internal Revenue Service Form W-8IMY (or any successor forms) of the Lender, accompanied by a Form W-8ECI, W-8BEN, United States Tax Compliance Certificate, Form W-9, Form W-8IMY and/or any other required information from each beneficial owner, as applicable (*provided* that if the Lender is a partnership, and one or more beneficial partners of such Lender are claiming the portfolio interest exemption, the United States Tax Compliance Certificate may be provided by such Lender on behalf of such partner).

(iii)If a payment made to a Lender under any Loan Document would be subject to U.S. federal withholding Tax imposed by FATCA if such Lender were to fail to comply with the applicable reporting requirements of FATCA (including those contained in Section 1471(b) or 1472(b) of the Code, as applicable), such Lender shall deliver to the Borrower and the Administrative Agent, at the time or times prescribed by law and at such time or times reasonably requested by the Borrower or the Administrative Agent, such documentation prescribed by applicable law (including as prescribed by Section 1471(b)(3)(C)(i) of the Code) and such additional documentation reasonably requested by the Borrower or the Administrative Agent as may be necessary for the Borrower and the Administrative Agent to comply with their obligations under FATCA, to determine whether such Lender has or has not complied with such Lender's obligations under FATCA and, as necessary, to determine the amount to deduct and withhold from such payment. Solely for purposes of this Section 3.01(d)(iii), "FATCA" shall include any amendments made to FATCA after the Closing Date.

(e) Any Lender claiming any additional amounts payable pursuant to this Section 3.01 and Section 3.04(a) shall, if requested by the Borrower, use its reasonable efforts to change the jurisdiction of its Lending Office (or take any other measures reasonably requested by the Borrower) if such a change or other measures would reduce any such additional amounts (including any such additional amounts that may thereafter accrue) and would not, in the sole determination of such Lender, result in any unreimbursed cost or expense or be otherwise materially disadvantageous to such Lender.

(f) If any Lender or Agent receives a refund in respect of any Indemnified Taxes or Other Taxes as to which indemnification or additional amounts have been paid to it by any Loan Party pursuant to this Section 3.01, it shall promptly remit such refund to such Loan Party (but only to the extent of indemnification or additional amounts paid by such Loan Party under this Section 3.01 with respect to Indemnified Taxes or Other Taxes giving rise to such refund), net of all out-of-pocket expenses (including any Taxes) of the Lender or Agent, as the case may be, and without interest (other than any interest paid by the relevant taxing authority with respect to such refund); *provided* that such Loan Party, upon the request of the Lender or Agent, as the case may be, agrees promptly to return such refund (plus any penalties, interest or other charges imposed by the relevant

taxing authority) to such party in the event such party is required to repay such refund to the relevant taxing authority. This section shall not be construed to require the Administrative Agent or any Lender to make available its tax returns (or any other information relating to Taxes that it deems confidential) to the Borrower or any other person.

(g) For the avoidance of doubt, the term "Lender" for purposes of this Section 3.01 shall include each L/C Issuer and Swing Line Lender.

(h) For purposes of determining withholding Taxes imposed under FATCA, from and after the Amendment No. 1 Effective Date, the Administrative Agent shall treat (and the Lenders hereby authorize the Administrative Agent to treat) the Agreement as not qualifying as a "grandfathered obligation" within the meaning of Treasury Regulation Section 1.1471-2(b)(2)(i).

SECTION 3.02 Illegality.

If any Lender determines that any Law has made it unlawful, or that any Governmental Authority has asserted that it is unlawful, for any Lender or its applicable Lending Office to make, maintain or fund ~~Eurocurrency~~Benchmark Rate Loans (whether denominated in Dollars or any other Approved Currency), or to determine or charge interest rates based upon the ~~Eurocurrency~~Benchmark Rate, then, on notice thereof by such Lender to the Borrower through the Administrative Agent, any obligation of such Lender to make or continue ~~Eurocurrency~~Benchmark Rate Loans in the affected currency or currencies, or, in the case of ~~Eurocurrency~~Benchmark Rate Loans denominated in Dollars, to convert Base Rate Loans to ~~Eurocurrency~~Benchmark Rate Loans shall be suspended until such Lender notifies the Administrative Agent and the Borrower that the circumstances giving rise to such determination no longer exist. Upon receipt of such notice, the Borrower shall, upon demand from such Lender (with a copy to the Administrative Agent), prepay or, if applicable and such Loans are denominated in Dollars, convert all applicable ~~Eurocurrency~~Benchmark Rate Loans of such Lender to Base Rate Loans, either on the last day of the Interest Period therefor, if such Lender may lawfully continue to maintain such ~~Eurocurrency~~Benchmark Rate Loans to such day, or promptly, if such Lender may not lawfully continue to maintain such ~~Eurocurrency~~Benchmark Rate Loans. Upon any such prepayment or conversion, the Borrower shall also pay accrued interest on the amount so prepaid or converted and all amounts due, if any, in connection with such prepayment or conversion under Section 3.05. Each Lender agrees to designate a different Lending Office if such designation will avoid the need for such notice and will not, in the good faith judgment of such Lender, otherwise be materially disadvantageous to such Lender.

SECTION 3.03 Inability to Determine Rates.

(a) If the Required Lenders determine that for any reason adequate and reasonable means do not exist for determining the applicable ~~Eurocurrency~~Benchmark Rate for any requested Interest Period, as applicable, with respect to a proposed~~Eurocurrency~~Benchmark Rate Loan in a given Approved Currency, or that the ~~Eurocurrency~~Benchmark Rate for any requested Interest Period, as applicable, with respect to a proposed ~~Eurocurrency~~Benchmark Rate Loan in such Approved Currency does not adequately and fairly reflect the cost to such Lenders of funding such Loan, or that deposits in the applicable Approved Currency in which such proposed ~~Eurocurrency~~Benchmark Rate Loan is to be denominated are not being offered to banks in the applicable offshore interbank market for the applicable amount and the Interest Period, as applicable, of such ~~Eurocurrency~~Benchmark Rate Loan in the applicable Approved Currency, the Administrative Agent will promptly so notify the Borrower and each Lender. Thereafter, the obligation of the Lenders to make or maintain ~~Eurocurrency~~Benchmark Rate Loans in the affected Approved Currency shall be suspended until the Administrative Agent (upon the instruction of the Required Lenders) revokes such notice. Upon receipt of such notice, the Borrower may revoke any pending request for a Borrowing of, conversion to or continuation of ~~Eurocurrency~~Benchmark Rate Loans denominated in the affected Approved

Currency or, failing that, will be deemed to have converted such request, if applicable, into a request for a Borrowing of Base Rate Loan in the amount specified therein.

(b) If prior to the commencement of any Interest Period, as applicable, for a ~~Eurocurrency~~Benchmark Rate Loan, the Borrower and the Administrative Agent reasonably determine in good faith that adequate and reasonable means do not exist for ascertaining the ~~Eurocurrency Rate or LIBOR, as applicable,~~applicable Benchmark Rate for such Interest Period and that (i) such circumstances are unlikely to be temporary or (ii) such circumstances have not arisen but the supervisor for the administrator of ~~LIBOR~~such Benchmark Rate or a Governmental Authority having jurisdiction over the Administrative Agent has made a public statement identifying a specific date after which ~~LIBOR or the applicable RFR~~such Benchmark Rate shall no longer be used for determining interest rates for loans, then the Administrative Agent and the Borrower shall endeavor to establish an alternate rate of interest to ~~LIBOR or~~ such ~~RFR~~Benchmark Rate, as applicable, that gives due consideration to the then prevailing market convention for determining a rate of interest for syndicated loans in the United States at such time, and shall enter into an amendment to this Agreement to reflect such alternate rate of interest and such other related changes to this Agreement as may be applicable which shall include a method for determining adjustments to such alternate rate of interest and this Agreement to not increase or decrease pricing in effect for the Interest Period on the Business Day immediately preceding the Business Day on which such alternate rate is selected pursuant to this provision (but for the avoidance of doubt, such related changes shall not include a reduction of the Applicable Rate). Notwithstanding anything to the contrary in Section 10.01, such amendment shall become effective without any further action or consent of any other party to this Agreement so long as the Administrative Agent shall not have received, within five Business Days of the date that such amendment is provided to the Lenders, a written notice from the Required Lenders of each Class stating that such Required Lenders object to such amendment. Until an alternate rate of interest shall be determined in accordance with this clause (b), (x) any Committed Loan Notice that requests the conversion of any Borrowing to, or continuation of any Borrowing as, a ~~Eurocurrency~~Benchmark Rate Loan shall be ineffective and (y) if any Committed Loan Notice requests a ~~Eurocurrency~~Benchmark Rate Loan, such Borrowing shall be made as a Base Rate Loan;provided that, if such alternate rate of interest shall be less than zero, such rate shall be deemed to be zero for the purposes of this Agreement.

SECTION 3.04 Increased Cost and Reduced Return; Capital Adequacy; Reserves on ~~Eurocurrency~~Benchmark Rate Loans.

(a) If any Lender reasonably determines that as a result of the introduction of or any change in or in the interpretation of any Law, in each case after the Closing Date, or such Lender's compliance therewith, there shall be any increase in the cost to such Lender of agreeing to make or making, funding or maintaining any ~~Eurocurrency~~Benchmark Rate Loans or (as the case may be) issuing or participating in Letters of Credit, or a reduction in the amount received or receivable by such Lender in connection with any of the foregoing (excluding for purposes of this Section 3.04(a) any such increased costs or reduction in amount resulting from (i) Indemnified Taxes or Other Taxes, or any Taxes excluded from the definition of Indemnified Taxes under exceptions (i)(B) through (vi) thereof or (ii) reserve requirements contemplated by Section 3.04(c)) and the result of any of the foregoing shall be to increase the cost to such Lender of making or maintaining the ~~Eurocurrency~~Benchmark Rate Loan (or of maintaining its obligations to make any Loan), or to reduce the amount of any sum received or receivable by such Lender, then from time to time within fifteen (15) days after demand by such Lender setting forth in reasonable detail such increased costs (with a copy of such demand to the Administrative Agent given in accordance with Section 3.06), the Borrower shall pay to such Lender such additional amounts as will compensate such Lender for such increased cost or reduction. Notwithstanding anything herein to the contrary, for all purposes under this Agreement, (x) the Dodd-Frank Wall Street Reform and Consumer Protection Act and all requests, rules, guidelines or directives thereunder or issued in connection therewith and (y) all

requests, rules, guidelines or directives promulgated by the Bank for International settlements, the Basel Committee on Banking Supervision (or any successor or similar authority) or the United States or foreign regulatory authorities, in each case pursuant to Basel III, shall in each case be deemed to be a change in law, regardless of the date enacted, adopted or issued; *provided* that to the extent any increased costs or reductions are incurred by any Lender as a result of any requests, rules, guidelines or directives promulgated under the Dodd-Frank Wall Street Reform and Consumer Protection Act or pursuant to Basel III after the Closing Date, then such Lender shall be compensated pursuant to this Section 3.04 only if such Lender imposes such charges under other syndicated credit facilities involving similarly situated borrowers that such Lender is a lender under.

(b) If any Lender determines that the introduction of any Law regarding capital adequacy or any change therein or in the interpretation thereof, in each case after the Closing Date, or compliance by such Lender (or its Lending Office) therewith, has the effect of reducing the rate of return on the capital of such Lender or any corporation controlling such Lender as a consequence of such Lender's obligations hereunder (taking into consideration its policies with respect to capital adequacy and such Lender's desired return on capital), then from time to time upon demand of such Lender setting forth in reasonable detail the charge and the calculation of such reduced rate of return (with a copy of such demand to the Administrative Agent given in accordance with Section 3.06), the Borrower shall pay to such Lender such additional amounts as will compensate such Lender for such reduction within fifteen (15) days after receipt of such demand.

(c) The Borrower shall pay to each Lender, (i) as long as such Lender shall be required to maintain reserves, capital or liquidity with respect to any liabilities or assets ~~consisting of or including Eurocurrency funds or deposits~~, additional interest on the unpaid principal amount of each applicable ~~Eurocurrency~~Benchmark Rate Loan of the Borrower equal to the actual costs of such reserves, capital or liquidity allocated to such Loan by such Lender (as determined by such Lender in good faith, which determination shall be conclusive in the absence of manifest error), and (ii) as long as such Lender shall be required to comply with any reserve ratio, capital or liquidity requirement or analogous requirement of any other central banking or financial regulatory authority imposed in respect of the maintenance of the Commitments or the funding of any ~~Eurocurrency~~Benchmark Rate Loans of the Borrower, such additional costs (expressed as a percentage per annum and rounded upwards, if necessary, to the nearest five decimal places) equal to the actual costs allocated to such Commitment or Loan by such Lender (as determined by such Lender in good faith, which determination shall be conclusive absent manifest error) which in each case shall be due and payable on each date on which interest is payable on such Loan; *provided* the Borrower shall have received at least fifteen (15) days' prior notice (with a copy to the Administrative Agent) of such additional interest or cost from such Lender. If a Lender fails to give notice fifteen (15) days prior to the relevant Interest Payment Date, such additional interest or cost shall be due and payable fifteen (15) days from receipt of such notice.

(d) Failure or delay on the part of any Lender to demand compensation pursuant to this Section 3.04 shall not constitute a waiver of such Lender's right to demand such compensation.

(e) If any Lender requests compensation under this Section 3.04, then such Lender will, if requested by the Borrower, use commercially reasonable efforts to designate another Lending Office for any Loan or Letter of Credit affected by such event; *provided* that such efforts are made on terms that, in the reasonable judgment of such Lender, cause such Lender and its Lending Office(s) to suffer no material economic, legal or regulatory disadvantage, and *provided, further,* that nothing in this Section 3.04(e) shall affect or postpone any of the Obligations of the Borrower or the rights of such Lender pursuant to Sections 3.04(a), (b), (c) or (d).

SECTION 3.05 Funding Losses.

Upon written demand of any Lender (with a copy to the Administrative Agent) from time to time, the Borrower shall promptly compensate such Lender for and hold such Lender harmless from any loss, cost or expense actually incurred by it as a result of:

(a) any continuation, conversion, payment or prepayment of any ~~Eurocurrency~~Benchmark Rate Loan denominated in a ~~LIBO~~Term Benchmark Currency of the Borrower on a day other than the last day of the Interest Period for such Loan;

(b) any failure by the Borrower (for a reason other than the failure of such Lender to make a Loan) to prepay, borrow, continue or convert any ~~Eurocurrency~~Benchmark Rate Loan of the Borrower on the date or in the amount notified by the Borrower, including any loss or expense (excluding loss of anticipated profits) arising from the liquidation or reemployment of funds obtained by it to maintain such Loan or from fees payable to terminate the deposits from which such funds were obtained; or

(c) any failure by the Borrower to make payment of any Loan or drawing under any Letter of Credit (or interest due thereon) denominated in an Approved Foreign Currency on its scheduled due date or any payment thereof in a difference currency.

For purposes of calculating amounts payable by the Borrower to the Lenders under this Section 3.05, each Lender shall be deemed to have funded each ~~Eurocurrency~~Benchmark Rate Loan made by it at the ~~Eurocurrency~~Benchmark Rate for such Loan by a matching deposit or other borrowing in the offshore interbank market for the applicable currency for a comparable amount and for a comparable period if applicable, whether or not such ~~Eurocurrency~~Benchmark Rate Loan was in fact so funded.

SECTION 3.06 Matters Applicable to All Requests for Compensation.

(a) Any Agent or any Lender claiming compensation under this Article III shall deliver a certificate to the Borrower setting forth the additional amount or amounts to be paid to it hereunder which shall be conclusive in the absence of manifest error. In determining such amount, such Agent or such Lender may use any reasonable averaging and attribution methods.

(b) With respect to any Lender's claim for compensation under Sections 3.01, 3.02, 3.03 or 3.04, the Borrower shall not be required to compensate such Lender for any amount incurred more than one hundred and eighty (180) days prior to the date that such Lender notifies the Borrower of the event that gives rise to such claim; *provided* that if the circumstance giving rise to such claim is retroactive, then such 180-day period referred to above shall be extended to include the period of retroactive effect thereof. If any Lender requests compensation by the Borrower under Section 3.04, the Borrower may, by notice to such Lender (with a copy to the Administrative Agent), suspend the obligation of such Lender to make or continue from one Interest Period to another applicable ~~Eurocurrency~~Benchmark Rate Loans denominated in a ~~LIBO~~Term Benchmark Currency, or, if applicable, to convert Base Rate Loans into ~~Eurocurrency~~Benchmark Rate Loans, until the event or condition giving rise to such request ceases to be in effect (in which case the provisions of Section 3.06(c) shall be applicable); *provided* that such suspension shall not affect the right of such Lender to receive the compensation so requested.

(c) If the obligation of any Lender to make or continue any ~~Eurocurrency~~Benchmark Rate Loan, or to convert Base Rate Loans into ~~Eurocurrency~~Benchmark Rate Loans shall be suspended pursuant to Section 3.06(b) hereof, such Lender's applicable ~~Eurocurrency~~Benchmark Rate Loans shall be automatically converted into Base Rate Loans (or, if such conversion is not possible, repaid) on the last day(s) of the then current Interest Period(s) for such ~~Eurocurrency~~Benchmark Rate Loans denominated in a ~~LIBO~~Term Benchmark Currency (or, in the

case of an immediate conversion required by Section 3.02, on such earlier date as required by Law) and, unless and until such Lender gives notice as provided below that the circumstances specified in Sections 3.02, 3.03 or 3.04 hereof that gave rise to such conversion no longer exist:

(i) to the extent that such Lender's ~~Eurocurrency~~Benchmark Rate Loans have been so converted, all payments and prepayments of principal that would otherwise be applied to such Lender's applicable ~~Eurocurrency~~Benchmark Rate Loans shall be applied instead to its Base Rate Loans; and

(ii) all Loans that would otherwise be made or continued from one Interest Period to another by such Lender as ~~Eurocurrency~~Benchmark Rate Loans denominated in a ~~LIBO~~Term Benchmark Currency shall be made or continued instead as Base Rate Loans (if possible), and all Base Rate Loans of such Lender that would otherwise be converted into ~~Eurocurrency~~Benchmark Rate Loans shall remain as Base Rate Loans.

(d) If any Lender gives notice to the Borrower (with a copy to the Administrative Agent) that the circumstances specified in Sections 3.02, 3.03 or 3.04 hereof that gave rise to the conversion of any of such Lender's ~~Eurocurrency~~Benchmark Rate Loans pursuant to this Section 3.06 no longer exist (which such Lender agrees to do promptly upon such circumstances ceasing to exist) at a time when ~~Eurocurrency~~Benchmark Rate Loans denominated in a ~~LIBO currency~~Term Benchmark Currency made by other Lenders under the applicable Facility are outstanding, if applicable, such Lender's Base Rate Loans shall be automatically converted, on the first day(s) of the next succeeding Interest Period(s) for such outstanding ~~Eurocurrency~~Benchmark Rate Loans, to the extent necessary so that, after giving effect thereto, all Loans held by the Lenders holding ~~Eurocurrency~~Benchmark Rate Loans under such Facility and by such Lender are held pro rata (as to principal amounts, interest rate basis, and Interest Periods) in accordance with their respective Commitments for the applicable Facility.

SECTION 3.07 Replacement of Lenders under Certain Circumstances.

(a) If at any time (i) the Borrower becomes obligated to pay additional amounts or indemnity payments described in Section 3.01 (with respect to Indemnified Taxes) or 3.04 as a result of any condition described in such Sections or any Lender ceases to make any ~~Eurocurrency~~Benchmark Rate Loans as a result of any condition described in Section 3.02 or Section 3.04, (ii) any Lender becomes a Defaulting Lender or (iii) any Lender becomes a Non-Consenting Lender, then the Borrower may so long as no Event of Default has occurred and is continuing, at its sole cost and expense, on ten (10) Business Days' prior written notice to the Administrative Agent and such Lender, (x) replace such Lender by causing such Lender to (and such Lender shall be obligated to) assign pursuant to Section 10.07(b) (with the assignment fee to be paid by the Borrower in such instance) all of its rights and obligations under this Agreement (in respect of any applicable Facility only in the case of clause (i) or, with respect to a Class vote, clause (iii)) to one or more Eligible Assignees; *provided* that neither the Administrative Agent nor any Lender shall have any obligation to the Borrower to find a replacement Lender or other such Person; and *provided, further,* that (A) in the case of any such assignment resulting from a claim for compensation under Section 3.04 or payments required to be made pursuant to Section 3.01 (with respect to Indemnified Taxes), such assignment will result in a reduction in such compensation or payments and (B) in the case of any such assignment resulting from a Lender becoming a Non-Consenting Lender, the applicable Eligible Assignees shall have agreed to, and shall be sufficient (together with all other consenting Lenders) to cause the adoption of, the applicable departure, waiver or amendment of the Loan Documents; or (y) terminate the Commitment of such Lender or L/C Issuer (in respect of any applicable Facility only in the case of clause (i) or clause (iii)), as the case may be, and (1) in the case of a Lender (other than an L/C Issuer), repay all Obligations of the Borrower owing to such Lender relating to the Loans and participations held by such Lender as of such termination date and (2) in the

case of an L/C Issuer, repay all Obligations of the Borrower owing to such L/C Issuer relating to the Loans and participations held by the L/C Issuer as of such termination date and cancel or backstop on terms satisfactory to such L/C Issuer any Letters of Credit issued by it; *provided* that in the case of any such termination of a Non-Consenting Lender such termination shall be sufficient (together with all other consenting Lenders) to cause the adoption of the applicable departure, waiver or amendment of the Loan Documents and such termination shall be in respect of any applicable Facility only in the case of clause (i) or, with respect to a Class vote, clause (iii).

(b) Any Lender being replaced pursuant to Section 3.07(a)(x) above shall (i) execute and deliver an Assignment and Assumption with respect to such Lender's applicable Commitment and outstanding Loans and participations in L/C Obligations and Swing Line Loans in respect thereof, and (ii) deliver any Notes evidencing such Loans to the Borrower or Administrative Agent. Pursuant to such Assignment and Assumption, (A) the assignee Lender shall acquire all or a portion, as the case may be, of the assigning Lender's Commitment and outstanding Loans and participations in L/C Obligations and Swing Line Loans, (B) all obligations of the Borrower owing to the assigning Lender relating to the Loans, Commitments and participations so assigned shall be paid in full by the assignee Lender to such assigning Lender concurrently with such Assignment and Assumption and (C) upon such payment and, if so requested by the assignee Lender, delivery to the assignee Lender of the appropriate Note or Notes executed by the Borrower, the assignee Lender shall become a Lender hereunder and the assigning Lender shall cease to constitute a Lender hereunder with respect to such assigned Loans, Commitments and participations, except with respect to indemnification provisions under this Agreement, which shall survive as to such assigning Lender. In connection with any such replacement, if any such Non-Consenting Lender or Defaulting Lender does not execute and deliver to the Administrative Agent a duly executed Assignment and Assumption reflecting such replacement within five (5) Business Days of the date on which the assignee Lender executes and delivers such Assignment and Assumption to such Non-Consenting Lender or Defaulting Lender, then such Non-Consenting Lender or Defaulting Lender shall be deemed to have executed and delivered such Assignment and Assumption without any action on the part of the Non-Consenting Lender or Defaulting Lender.

(c) Notwithstanding anything to the contrary contained above, any Lender that acts as an L/C Issuer may not be replaced hereunder at any time that it has any Letter of Credit outstanding hereunder unless arrangements reasonably satisfactory to such L/C Issuer (including the furnishing of a backup standby letter of credit in form and substance, and issued by an issuer reasonably satisfactory to such L/C Issuer or the depositing of cash collateral into a cash collateral account in amounts and pursuant to arrangements reasonably satisfactory to such L/C Issuer) have been made with respect to each such outstanding Letter of Credit and the Lender that acts as the Administrative Agent may not be replaced hereunder except in accordance with the terms of Section 9.09.

(d) In the event that (i) the Borrower or the Administrative Agent has requested that the Lenders consent to a departure or waiver of any provisions of the Loan Documents or agree to any amendment thereto, (ii) the consent, waiver or amendment in question requires the agreement of each Lender, each affected Lender or each affected Lender of a certain Class in accordance with the terms of Section 10.01 or all the Lenders with respect to a certain Class of the Loans and (iii) the Required Lenders (or, in the case of a consent, waiver or amendment involving all affected Lenders of a certain Class, the Required Class Lenders as applicable) have agreed to such consent, waiver or amendment, then any Lender who does not agree to such consent, waiver or amendment shall be deemed a "**Non-Consenting Lender**."

SECTION 7.12 Accounting Changes.

The Borrower shall not make any change in its fiscal year; *provided*, *however*, that the Borrower may, upon written notice to the Administrative Agent, change its fiscal year to any other fiscal year reasonably acceptable to the Administrative Agent, in which case, the Borrower and the Administrative Agent will, and are hereby authorized by the Lenders to, make any adjustments to this Agreement that are necessary to reflect such change in fiscal year.

SECTION 7.13 Prepayments, Etc. of Indebtedness.

(a) The Borrower shall not, nor shall the Borrower permit any of the Restricted Subsidiaries to, directly or indirectly, prepay, redeem, purchase, defease or otherwise satisfy prior to the scheduled maturity thereof in any manner (it being understood that payments of regularly scheduled principal and interest shall be permitted), any subordinated Indebtedness incurred under Section 7.03(g) or any other Indebtedness that is or is required to be subordinated, in right of payment or as to Collateral, to the Obligations pursuant to the terms of the Loan Documents (collectively, "**Junior Financing**") or make any payment in violation of any subordination terms of any Junior Financing Documentation, except (i) the refinancing thereof with the Net Proceeds of any Indebtedness (to the extent such Indebtedness constitutes a Permitted Refinancing and, if such Indebtedness was originally incurred under Section 7.03(g), is permitted pursuant to Section 7.03(g)), to the extent not required to prepay any Loans pursuant to Section 2.05(b), (ii) the conversion of any Junior Financing to Equity Interests (other than Disqualified Equity Interests) of Holdings or any of its direct or indirect parents, (iii) the prepayment of Indebtedness of the Borrower or any Restricted Subsidiary to the Borrower or any Restricted Subsidiary to the extent not prohibited by the subordination provisions contained in the Intercompany Note, (iv) prepayments, redemptions, purchases, defeasances and other payments in respect of Junior Financings in an aggregate amount not to exceed, when combined with the amount of Restricted Payments pursuant to Section 7.06(h), (x) 3.00% of Total Assets plus (y) so long as the Fixed Charge Coverage Ratio on a consolidated basis for the Borrower and its Restricted Subsidiaries' most recently ended four fiscal quarters for which internal financial statements are available immediately preceding such date is at least 2.00 to 1.00, determined on a pro forma basis, the portion, if any, of the Cumulative Credit on such date that the Borrower elects to apply to this paragraph and (v) so long as no Event of Default has occurred and is continuing or would result therefrom, the Borrower and its Restricted Subsidiaries may make prepayments, redemptions, purchases, defeasances and other payments in respect of Junior Financings in an unlimited amount so long as the Consolidated Total Net Leverage Ratio calculated on a Pro Forma Basis is less than or equal to 4.00 to 1.00.

(b) The Borrower shall not, nor shall it permit any of the Restricted Subsidiaries to amend, modify or change in any manner materially adverse to the interests of the Lenders any term or condition of any Junior Financing Documentation without the consent of the Administrative Agent (which consent shall not be unreasonably withheld, conditioned or delayed).

SECTION 7.14 Permitted Activities.

Holdings shall not engage in any material operating or business activities; *provided* that the following and activities incidental thereto shall be permitted in any event: (i) its ownership of the Equity Interests of Borrower and activities incidental thereto, (ii) the maintenance of its legal existence (including the ability to incur fees, costs and expenses relating to such maintenance), (iii) the performance of its obligations with respect to the Loan Documents, the Senior Notes Documents, the Opco Senior Notes Documents and any other Indebtedness, (iv) any public offering

of its common stock or any other issuance or sale of its Equity Interests, (v) financing activities, including the issuance of securities, incurrence of debt, payment of dividends, making contributions to the capital of the Borrower, guaranteeing the obligations of the Borrower and guaranteeing the obligations of any Securitization Subsidiary in an amount not to exceed $450,000,000, (vi) participating in tax, accounting and other administrative matters as owner of the Borrower, (vii) holding any cash incidental to any activities permitted under this Section 7.14, (viii) providing indemnification to officers, managers and directors and (ix) any activities incidental to the foregoing. Holdings shall not incur any Liens on Equity Interests of the Borrower other than those for the benefit of the Obligations or any comparable term in any Permitted Refinancing thereof and Holdings shall not own any Equity Interests other than those of the Borrower.

Notwithstanding anything to the contrary in Article VII of this Agreement, if on any date (i) the Loans have an Investment Grade Rating from both of the Rating Agencies and (ii) no Default has occurred and is continuing (the occurrence of the events described in the foregoing clauses (i) and (ii) being collectively referred to as a "***Covenant Termination Event***"), then, beginning on such date and continuing at all times thereafter regardless of any subsequent change in the rating of the Loans, Sections 7.03, 7.06 and 7.08 (the "***Terminated Covenants***") will no longer be applicable to the Loans. Upon and after such Covenant Termination Event, the Borrower and its Restricted Subsidiaries will be entitled to consummate transactions to the extent not prohibited hereunder without giving effect to the Terminated Covenants; *provided* that the covenants that are not Terminated Covenants shall be interpreted as though the Terminated Covenants continue to be applicable during such period. For illustrative purposes only, even though Section 7.03 will not be in effect during a period, Section 7.01(dd) will be interpreted as though Section 7.03(q) were still in effect during such period.

ARTICLE VIII
Events of Default and Remedies

SECTION 8.01 Events of Default.

Any of the following from and after the Closing Date shall constitute an event of default (an "**Event of Default**"):

(a) *Non-Payment.* Any Loan Party fails to pay (i) when and as required to be paid herein, any amount of principal of any Loan, or (ii) within five (5) Business Days after the same becomes due, any interest on any Loan or any other amount payable hereunder or with respect to any other Loan Document; or

(b) *Specific Covenants.* The Borrower, any Restricted Subsidiary or, in the case of Section 7.14, Holdings, fails to perform or observe any term, covenant or agreement contained in any of Section 6.03(a) or 6.05(a) (solely with respect to the Borrower) or Article VII; *provided* that a Default as a result of a breach of Section 7.11 (a "**Financial Covenant Event of Default**") is subject to cure pursuant to Section 8.05; *provided*, *further*, that a Financial Covenant Event of Default shall not constitute an Event of Default with respect to any Term Loans unless and until the Revolving Credit Lenders have declared all amounts outstanding under the Revolving Credit Facility to be immediately due and payable and all outstanding Revolving Credit Commitments to be immediately terminated, in each case in accordance with this Agreement and such declaration has not been rescinded on or before such date (the "**Term Loan Standstill Period**"); or

(c) *Other Defaults.* Any Loan Party fails to perform or observe any other covenant or agreement (not specified in Sections 8.01(a) or (b) above) contained in any Loan Document on its part to be performed or observed and such failure continues for thirty (30) days after written notice thereof by the Administrative Agent to the Borrower; or

(d) *Representations and Warranties.* Any representation, warranty, certification or statement of fact made or deemed made by or on behalf of the Borrower or any other Loan Party herein, in any other Loan Document, or in any document required to be delivered in connection herewith or therewith shall be incorrect in any material respect when made or deemed made; or

(e) *Cross-Default*. Any Loan Party or any Restricted Subsidiary (A) fails to make any payment beyond the applicable grace period with respect thereto, if any, (whether by scheduled maturity, required prepayment, acceleration, demand, or otherwise) in respect of any Indebtedness (other than Indebtedness hereunder) having an outstanding aggregate principal amount of not less than the Threshold Amount, or (B) fails to observe or perform any other agreement or condition relating to any such Indebtedness, or any other event occurs (other than, with respect to Indebtedness consisting of Swap Agreement, termination events or equivalent events pursuant to the terms of such Swap Agreements), the effect of which default or other event is to cause, or to permit the holder or holders of such Indebtedness (or a trustee or agent on behalf of such holder or holders or beneficiary or beneficiaries) to cause, with the giving of notice if required, such Indebtedness to become due or to be repurchased, prepaid, defeased or redeemed (automatically or otherwise), or an offer to repurchase, prepay, defease or redeem such Indebtedness to be made, prior to its stated maturity; *provided* that this clause (e)(B) shall not apply to secured Indebtedness that becomes due as a result of the voluntary sale or transfer of the property or assets securing such Indebtedness, if such sale or transfer is permitted hereunder and under the documents providing for such Indebtedness; or

(f) *Insolvency Proceedings, Etc.* Any Loan Party or any Restricted Subsidiary institutes or consents to the institution of any proceeding under any Debtor Relief Law, or makes an assignment for the benefit of creditors; or applies for or consents to the appointment of any receiver, trustee, custodian, conservator, liquidator, rehabilitator, administrator, administrative receiver or similar officer for it or for all or any material part of its property; or any receiver, trustee, custodian, conservator, liquidator, rehabilitator, administrator, administrative receiver or similar officer is appointed without the application or consent of such Person and the appointment continues undischarged or unstayed for sixty (60) calendar days; or any proceeding under any Debtor Relief Law relating to any such Person or to all or any material part of its property is instituted without the consent of such Person and continues undismissed or unstayed for sixty (60) calendar days, or an order for relief is entered in any such proceeding; or

(g) *Inability to Pay Debts; Attachment.* (i) Any Loan Party or any Restricted Subsidiary becomes unable or admits in writing its inability or fails generally to pay its debts as they become due, or (ii) any writ or warrant of attachment or execution or similar process is issued or levied against all or any material part of the property of the Loan Parties, taken as a whole, and is not released, vacated or fully bonded within sixty (60) days after its issue or levy; or

(h) *Judgments*. There is entered against any Loan Party or any Restricted Subsidiary a final judgment or order for the payment of money in an aggregate amount exceeding the Threshold Amount (to the extent not covered by independent third-party insurance as to which the insurer has been notified of such judgment or order and has not denied coverage) and such judgment or order shall not have been satisfied, vacated, discharged or stayed or bonded pending an appeal for a period of sixty (60) consecutive days; or

(i) *Invalidity of Loan Documents.* Any material provision of any Loan Document, at any time after its execution and delivery and for any reason other than as expressly permitted hereunder or thereunder (including as a result of a transaction permitted under Sections 7.04 or 7.05) or as a result of acts or omissions by the Administrative Agent or Collateral Agent or any Lender or the satisfaction in full of all the Obligations, ceases to be in full force and effect; or any Loan Party contests in writing the validity or enforceability of any provision of any Loan Document or the validity or priority of a Lien as required by the Collateral Documents on a material portion of the

Collateral; or any Loan Party denies in writing that it has any or further liability or obligation under any Loan Document (other than as a result of repayment in full of the Obligations and termination of the Aggregate Commitments), or purports in writing to revoke or rescind any Loan Document; or

(j) *Change of Control.* There occurs any Change of Control; or

(k) *Collateral Documents*. (i) Any Collateral Document after delivery thereof pursuant to Section 4.01 or Sections 6.11 or 6.13 shall for any reason (other than pursuant to the terms thereof including as a result of a transaction not prohibited under this Agreement) cease to create a valid and perfected Lien, with the priority required by the Collateral Documents and the Intercreditor Agreements on and security interest in any material portion of the Collateral purported to be covered thereby, subject to Liens permitted under Section 7.01, (x) except to the extent that any such perfection or priority is not required pursuant to the Collateral and Guarantee Requirement or any loss thereof results from the failure of the Administrative Agent or the Collateral Agent to maintain possession of certificates actually delivered to it representing securities pledged under the Collateral Documents or to file Uniform Commercial Code continuation statements and (y) except as to Collateral consisting of Real Property to the extent that such losses are covered by a lender's title insurance policy and such insurer has not denied coverage, or (ii) any of the Equity Interests of the Borrower shall for any reason cease to be pledged pursuant to the Collateral Documents; or

(l) *ERISA.* (i) An ERISA Event occurs which has resulted or could reasonably be expected to result in liability of a Loan Party or a Restricted Subsidiary or any ERISA Affiliate in an aggregate amount which could reasonably be expected to result in a Material Adverse Effect, or (ii) a Loan Party, any Restricted Subsidiary or any ERISA Affiliate fails to pay when due, after the expiration of any applicable grace period, any installment payment with respect to its withdrawal liability under Section 4201 of ERISA under a Multiemployer Plan in an aggregate amount which could reasonably be expected to result in a Material Adverse Effect; or

(m) *Junior Financing Documentation*. (i) Any of the Obligations of the Loan Parties under the Loan Documents for any reason shall cease to be (A) "Senior Debt," "Senior Indebtedness," "Guarantor Senior Debt" or "Senior Secured Financing" (or any comparable term) under, and as defined in, any Junior Financing Documentation and (B) "First Lien Obligations" (or any comparable term) under, and as defined in, the Junior Lien Intercreditor Agreement under, and as defined in any Junior Financing Documentation or (ii) the subordination provisions set forth in any Junior Financing Documentation shall, in whole or in part, cease to be effective or cease to be legally valid, binding and enforceable against the holders of any Junior Financing, if applicable.

SECTION 8.02 Remedies Upon Event of Default.

If any Event of Default occurs and is continuing, the Administrative Agent may and, at the request of the Required Lenders, shall take any or all of the following actions (or, if a Financial Covenant Event of Default occurs and is continuing and prior to the expiration of the Term Loan Standstill Period, at the request of the Required Revolving Credit Lenders under the Revolving Credit Facility only, and in such case only with respect to the Revolving Credit Commitments, Swing Line Loans, and any Letters of Credit):

(i) declare the commitment of each Lender to make Loans and any obligation of the L/C Issuers to make L/C Credit Extensions to be terminated, whereupon such commitments and obligation shall be terminated;

(ii) declare the unpaid principal amount of all outstanding Loans, all interest accrued and unpaid thereon, and all other amounts owing or payable hereunder or under any

other Loan Document to be immediately due and payable, without presentment, demand, protest or other notice of any kind, all of which are hereby expressly waived by the Borrower;

(iii)require that the Borrower Cash Collateralize the L/C Obligations (in an amount equal to the then Outstanding Amount thereof); and

(iv)exercise on behalf of itself and the Lenders all rights and remedies available to it and the Lenders under the Loan Documents or applicable Law;

provided that upon the occurrence of an actual or deemed entry of an order for relief with respect to Borrower under the Bankruptcy Code of the United States, the obligation of each Lender to make Loans and any obligation of the L/C Issuers to make L/C Credit Extensions shall automatically terminate, the unpaid principal amount of all outstanding Loans and all interest and other amounts as aforesaid shall automatically become due and payable and the obligation of the Borrower to Cash Collateralize the L/C Obligations as aforesaid shall automatically become effective, in each case without further act of the Administrative Agent or any Lender.

SECTION 8.03 Exclusion of Immaterial Subsidiaries.

Solely for the purpose of determining whether a Default or Event of Default has occurred under clause (f) or (g) of Section 8.01, any reference in any such clause to any Restricted Subsidiary or Loan Party shall be deemed not to include any Restricted Subsidiary (an "**Immaterial Subsidiary**") affected by any event or circumstances referred to in any such clause that did not, as of the last day of the most recent completed fiscal quarter of the Borrower, have assets with a fair market value in excess of 2.5% of Total Assets (it being agreed that all Restricted Subsidiaries affected by any event or circumstance referred to in any such clause shall be considered together, as a single consolidated Restricted Subsidiary, for purposes of determining whether the condition specified above is satisfied).

SECTION 8.04 Application of Funds.

After the exercise of remedies provided for in Section 8.02 (or after the Loans have automatically become immediately due and payable and the L/C Obligations have automatically been required to be Cash Collateralized as set forth in the proviso to Section 8.02), any amounts received on account of the Obligations shall be applied by the Administrative Agent in the following order (to the fullest extent permitted by mandatory provisions of applicable Law):

First, to payment of that portion of the Obligations constituting fees, indemnities, expenses and other amounts (other than principal and interest, but including Attorney Costs payable under Section 10.04 and amounts payable under Article III) payable to the Administrative Agent or the Collateral Agent in its capacity as such;

Second, to payment of that portion of the Obligations constituting fees, indemnities and other amounts (other than principal and interest) payable to the Lenders (including Attorney Costs payable under Section 10.04 and amounts payable under Article III), ratably among them in proportion to the amounts described in this clause *Second* payable to them;

Third, to payment of that portion of the Obligations constituting accrued and unpaid interest on the Loans and L/C Borrowings, and any fees, premiums and scheduled periodic payments due under Treasury Services Agreements or Secured Hedge Agreements, ratably among the Secured Parties in proportion to the respective amounts described in this clause *Third* payable to them;

Fourth, to payment of that portion of the Obligations constituting unpaid principal of the Loans and L/C Borrowings (including to Cash Collateralize that portion of L/C Obligations comprised of the aggregate undrawn amount of Letters of Credit), and any breakage, termination or other payments under Treasury Services Agreements or Secured Hedge Agreements, ratably among the Secured Parties in proportion to the respective amounts described in this clause *Fourth* held by them;

Fifth, to the payment of all other Obligations of the Borrower that are due and payable to the Administrative Agent and the other Secured Parties on such date, ratably based upon the respective aggregate amounts of all such Obligations owing to the Administrative Agent and the other Secured Parties on such date; and

Last, the balance, if any, after all of the Obligations have been paid in full, to the Borrower or as otherwise required by Law.

Subject to Section 2.03(c), amounts used to Cash Collateralize the aggregate undrawn amount of Letters of Credit pursuant to clause *Fifth* above shall be applied to satisfy drawings under such Letters of Credit as they occur. If any amount remains on deposit as Cash Collateral after all Letters of Credit have either been fully drawn or expired, such remaining amount shall be applied to the other Obligations, if any, in the order set forth above and, if no Obligations remain outstanding, to the Borrower as applicable. Notwithstanding the foregoing, no amounts received from any Guarantor shall be applied to any Excluded Swap Obligation of such Guarantor.

SECTION 8.05 Borrower's Right to Cure.

(a) Notwithstanding anything to the contrary contained in Sections 8.01 or 8.02, if the Borrower determines that an Event of Default under the covenant set forth in Section 7.11 has occurred or may occur, during the period commencing after the beginning of the last fiscal quarter included in such Test Period and ending ten (10) Business Days after the date on which financial statements are required to be delivered hereunder with respect to such fiscal quarter, the Investors may make a Specified Equity Contribution to Holdings (a "**Designated Equity Contribution**"), and the amount of the net cash proceeds thereof shall be deemed to increase Consolidated EBITDA with respect to such applicable quarter; *provided* that such net cash proceeds (i) are actually received by the Borrower as cash common equity (including through capital contribution of such net cash proceeds to the Borrower) during the period commencing after the beginning of the last fiscal quarter included in such Test Period by the Borrower and ending ten (10) Business Days after the date on which financial statements are required to be delivered with respect to such fiscal quarter hereunder and (ii) are Not Otherwise Applied. The parties hereby acknowledge that this Section 8.05(a) may not be relied on for purposes of calculating any financial ratios other than as applicable to Section 7.11 and shall not result in any adjustment to any baskets or other amounts other than the amount of the Consolidated EBITDA for the purpose of Section 7.11.

(b) (i) In each period of four consecutive fiscal quarters, there shall be at least two fiscal quarters in which no Designated Equity Contribution is made, (ii) no more than five Designated Equity Contributions may be made in the aggregate during the term of this Agreement, (iii) the amount of any Designated Equity Contribution shall be no more than the amount required to cause the Borrower to be in Pro Forma Compliance with Section 7.11 for any applicable period and (iv) there shall be no pro forma reduction in Indebtedness with the proceeds of any Designated Equity Contribution for determining compliance with Section 7.11 for the fiscal quarter with respect to which such Designated Equity Contribution was made.

ARTICLE IX

Administrative Agent and Other Agents

SECTION 9.01 Appointment and Authorization of Agents.

(a) Each Lender hereby irrevocably appoints, designates and authorizes each of the Administrative Agent and the Collateral Agent to take such action on its behalf under the provisions of this Agreement and each other Loan Document and to exercise such powers and perform such duties as are expressly delegated to it by the terms of this Agreement or any other Loan Document, together with such powers as are reasonably incidental thereto. Notwithstanding any provision to the contrary contained elsewhere herein or in any other Loan Document, neither the Administrative Agent nor the Collateral Agent shall have any duties or responsibilities, except those expressly set forth herein, nor shall the Administrative Agent or the Collateral Agent have or be deemed to have any fiduciary relationship with any Lender or Participant, and no implied covenants, functions, responsibilities, duties, obligations or liabilities shall be read into this Agreement or any other Loan Document or otherwise exist against the Administrative Agent or the Collateral Agent. Without limiting the generality of the foregoing sentence, the use of the term "agent" herein and in the other Loan Documents with reference to any Agent is not intended to connote any fiduciary or other implied (or express) obligations arising under agency doctrine of any applicable Law. Instead, such term is used merely as a matter of market custom, and is intended to create or reflect only an administrative relationship between independent contracting parties.

(b) Each L/C Issuer shall act on behalf of the Lenders with respect to any Letters of Credit issued by it and the documents associated therewith, and each such L/C Issuer shall have all of the benefits and immunities (i) provided to the Agents in this Article IX with respect to any acts taken or omissions suffered by such L/C Issuer in connection with Letters of Credit issued by it or proposed to be issued by it and the applications and agreements for letters of credit pertaining to such Letters of Credit as fully as if the term "Agent" as used in this Article IX and in the definition of "Agent-Related Person" included such L/C Issuer with respect to such acts or omissions, and (ii) as additionally provided herein with respect to such L/C Issuer.

(c) Each of the Secured Parties hereby irrevocably appoints and authorizes the Collateral Agent to act as the agent of (and to hold any security interest created by the Collateral Documents for and on behalf of or on trust for) such Secured Party for purposes of acquiring, holding and enforcing any and all Liens on Collateral granted by the Loan Parties to secure any of the Obligations, together with such powers and discretion as are reasonably incidental thereto. In this connection, the Collateral Agent (and any co-agents, sub-agents and attorneys-in-fact appointed by the Administrative Agent pursuant to Section 9.02 for purposes of holding or enforcing any Lien on the Collateral (or any portion thereof) granted under the Collateral Documents, or for exercising any rights and remedies thereunder at the direction of the Collateral Agent), shall be entitled to the benefits of all provisions of this Article IX (including Section 9.07, as though such co-agents, sub-agents and attorneys-in-fact were the Collateral Agent under the Loan Documents) as if set forth in full herein with respect thereto.

(d) Each Lender hereby (i) acknowledges that it has received a copy of the Intercreditor Agreements, (ii) agrees that it will be bound by and will take no actions contrary to the provisions of the Intercreditor Agreements to the extent then in effect, and (iii) authorizes and instructs the Collateral Agent to enter into each Intercreditor Agreement as Collateral Agent and on behalf of such Lender.

(e) Except as provided in Sections 9.09 and 9.11, the provisions of this Article IX are solely for the benefit of the Administrative Agent, the Lenders and the L/C Issuer, and neither the

Borrower nor any other Loan Party shall have rights as a third-party beneficiary of any of such provisions.

SECTION 9.02 Delegation of Duties.

Each of the Administrative Agent and the Collateral Agent may execute any of its duties under this Agreement or any other Loan Document (including for purposes of holding or enforcing any Lien on the Collateral (or any portion thereof) granted under the Collateral Documents or of exercising any rights and remedies thereunder) by or through agents, employees or attorneys-in-fact and shall be entitled to advice of counsel and other consultants or experts concerning all matters pertaining to such duties. The Administrative Agent, the Collateral Agent and any such sub-agent may perform any and all of its duties and exercise its rights and powers by or through their respective Agent-Related Persons. The exculpatory provisions of this Article shall apply to any such sub-agent and to the Agent-Related Persons of the Administrative Agent, the Collateral Agent and any such sub-agent, and shall apply to their respective activities in connection with the syndication of the Facilities as well as activities as Administrative Agent or Collateral Agent. The Administrative Agent shall not be responsible for the negligence or misconduct of any agent or sub-agent or attorney-in-fact that it selects in the absence of gross negligence or willful misconduct (as determined in the final non-appealable judgment of a court of competent jurisdiction).

SECTION 9.03 Liability of Agents.

No Agent-Related Person shall (a) be liable for any action taken or omitted to be taken by any of them under or in connection with this Agreement or any other Loan Document or the transactions contemplated hereby (except for its own gross negligence or willful misconduct, as determined by the final non-appealable judgment of a court of competent jurisdiction, in connection with its duties expressly set forth herein), or (b) be responsible in any manner to any Lender or Participant for any recital, statement, representation or warranty made by any Loan Party or any officer thereof, contained herein or in any other Loan Document, or in any certificate, report, statement or other document referred to or provided for in, or received by the Administrative Agent or the Collateral Agent under or in connection with, this Agreement or any other Loan Document, or the validity, effectiveness, genuineness, enforceability or sufficiency of this Agreement or any other Loan Document, the existence, value or collectability of the Collateral, any failure to monitor or maintain any part of the Collateral, or the perfection or priority of any Lien or security interest created or purported to be created under the Collateral Documents, or for any failure of any Loan Party or any other party to any Loan Document to perform its obligations hereunder or thereunder. No Agent-Related Person shall be under any obligation to any Lender or participant to ascertain or to inquire as to the observance or performance of any of the agreements contained in, or conditions of, this Agreement or any other Loan Document, or to inspect the properties, books or records of any Loan Party or any Affiliate thereof. Notwithstanding the foregoing, neither the Administrative Agent nor the Collateral Agent shall have any duty to take any discretionary action or exercise any discretionary powers, except discretionary rights and powers expressly contemplated hereby or by the other Loan Documents that the Administrative Agent or Collateral Agent (as applicable) is required to exercise as directed in writing by the Required Lenders (or such other number or percentage of the Lenders as shall be expressly provided for herein or in the other Loan Documents); *provided* that the Administrative Agent or Collateral Agent (as applicable) shall not be required to take any action that, in its opinion or the opinion of its counsel, may expose the Administrative Agent or Collateral Agent (as applicable) to liability or that is contrary to any Loan Document or applicable Law, including for the avoidance of doubt any action that may be in violation of the automatic stay under any Debtor Relief Law or that may effect a forfeiture, modification or termination of property of a Defaulting Lender in violation of any Debtor Relief Law.

SECTION 9.04 Reliance by Agents.

Each Agent shall be entitled to rely, and shall be fully protected in relying, upon any writing, communication, signature, resolution, representation, notice, consent, certificate, affidavit, letter, telegram, facsimile, telex or telephone message, electronic mail message, statement or other document or conversation believed by it to be genuine and correct and to have been signed, sent or made by the proper Person or Persons, and upon advice and statements of legal counsel (including counsel to any Loan Party), independent accountants and other experts selected by such Agent. Each Agent shall be fully justified in failing or refusing to take any action under any Loan Document unless it shall first receive such advice or concurrence of the Required Lenders as it deems appropriate and, if it so requests, it shall first be indemnified to its satisfaction by the Lenders against any and all liability and expense which may be incurred by it by reason of taking or continuing to take any such action. Each Agent shall in all cases be fully protected in acting, or in refraining from acting, under this Agreement or any other Loan Document in accordance with a request or consent of the Required Lenders (or such greater number of Lenders as may be expressly required hereby in any instance) and such request and any action taken or failure to act pursuant thereto shall be binding upon all the Lenders.

SECTION 9.05 Notice of Default.

The Administrative Agent shall not be deemed to have knowledge or notice of the occurrence of any Default, except with respect to defaults in the payment of principal, interest and fees required to be paid to the Administrative Agent for the account of the Lenders, unless the Administrative Agent shall have received written notice from a Lender or the Borrower referring to this Agreement, describing such Default and stating that such notice is a "notice of default." The Administrative Agent will notify the Lenders of its receipt of any such notice. The Administrative Agent shall take such action with respect to any Event of Default as may be directed by the Required Lenders in accordance with Article VIII; *provided* that unless and until the Administrative Agent has received any such direction, the Administrative Agent may (but shall not be obligated to) take such action, or refrain from taking such action, with respect to such Event of Default as it shall deem advisable or in the best interest of the Lenders.

SECTION 9.06 Credit Decision; Disclosure of Information by Agents.

Each Lender acknowledges that no Agent-Related Person has made any representation or warranty to it, and that no act by any Agent hereafter taken, including any consent to and acceptance of any assignment or review of the affairs of any Loan Party or any Affiliate thereof, shall be deemed to constitute any representation or warranty by any Agent-Related Person to any Lender as to any matter, including whether Agent-Related Persons have disclosed material information in their possession. Each Lender represents to each Agent that it has, independently and without reliance upon any Agent-Related Person and based on such documents and information as it has deemed appropriate, made its own appraisal of and investigation into the business, prospects, operations, property, financial and other condition and creditworthiness of the Loan Parties and their Subsidiaries, and all applicable bank or other regulatory Laws relating to the transactions contemplated hereby, and made its own decision to enter into this Agreement and to extend credit to the Borrower hereunder. Each Lender also represents that it will, independently and without reliance upon any Agent-Related Person and based on such documents and information as it shall deem appropriate at the time, continue to make its own credit analysis, appraisals and decisions in taking or not taking action under this Agreement and the other Loan Documents, and to make such investigations as it deems necessary to inform itself as to the business, prospects, operations, property, financial and other condition and creditworthiness of the Loan Parties. Except for notices, reports and other documents expressly required to be furnished to the Lenders by any Agent herein, such Agent shall not have any duty or responsibility to provide any Lender with any credit or other information concerning the business, prospects, operations, property, financial and other condition or creditworthiness of any of the Loan Parties or any of their Affiliates which may come into the possession of any Agent-Related Person.

SECTION 9.07 Indemnification of Agents.

Whether or not the transactions contemplated hereby are consummated, the Lenders shall indemnify upon demand each Agent-Related Person (to the extent not reimbursed by or on behalf of any Loan Party and without limiting the obligation of any Loan Party to do so), pro rata, and hold harmless each Agent-Related Person from and against any and all Indemnified Liabilities incurred by it; *provided* that no Lender shall be liable for the payment to any Agent-Related Person of any portion of such Indemnified Liabilities resulting from such Agent-Related Person's own gross negligence or willful misconduct, as determined by the final non-appealable judgment of a court of competent jurisdiction; *provided* that no action taken in accordance with the directions of the Required Lenders (or such other number or percentage of the Lenders as shall be required by the Loan Documents) shall be deemed to constitute gross negligence or willful misconduct for purposes of this Section 9.07; *provided, further,* that any obligation to indemnify an L/C Issuer pursuant to this Section 9.07 shall be limited to Revolving Credit Lenders only. In the case of any investigation, litigation or proceeding giving rise to any Indemnified Liabilities, this Section 9.07 applies whether any such investigation, litigation or proceeding is brought by any Lender or any other Person. Without limitation of the foregoing, each Lender shall reimburse each of the Administrative Agent and the Collateral Agent upon demand for its ratable share of any costs or out-of-pocket expenses (including Attorney Costs) incurred by the Administrative Agent or the Collateral Agent, as the case may be, in connection with the preparation, execution, delivery, administration, modification, amendment or enforcement (whether through negotiations, legal proceedings or otherwise) of, or legal advice in respect of rights or responsibilities under, this Agreement, any other Loan Document, or any document contemplated by or referred to herein, to the extent that the Administrative Agent or the Collateral Agent, as the case may be, is not reimbursed for such expenses by or on behalf of the Loan Parties. The undertaking in this Section 9.07 shall survive termination of the Aggregate Commitments, the payment of all other Obligations and the resignation of the Administrative Agent or the Collateral Agent, as the case may be.

SECTION 9.08 Agents in Their Individual Capacities.

Deutsche Bank AG New York Branch and its Affiliates may make loans to, issue letters of credit for the account of, accept deposits from, acquire Equity Interests in and generally engage in any kind of banking, trust, financial advisory, underwriting or other business with the Borrower and its respective Affiliates as though Deutsche Bank AG New York Branch were not the Administrative Agent, the Collateral Agent or Swing Line Lender hereunder and without notice to or consent of the Lenders. The Lenders acknowledge that, pursuant to such activities, Deutsche Bank AG New York Branch or its Affiliates may receive information regarding the Borrower or its Affiliates (including information that may be subject to confidentiality obligations in favor of the Borrower or such Affiliate) and acknowledge that neither the Administrative Agent nor the Collateral Agent shall be under any obligation to provide such information to them. With respect to its Loans, Deutsche Bank AG New York Branch and its Affiliates shall have the same rights and powers under this Agreement as any other Lender and may exercise such rights and powers as though it were not the Administrative Agent, the Collateral Agent or a Swing Line Lender, and the terms "Lender" and "Lenders" include Deutsche Bank AG New York Branch in its individual capacity. Any successor to Deutsche Bank AG New York Branch as the Administrative Agent or the Collateral Agent shall also have the rights attributed to Deutsche Bank AG New York Branch under this paragraph.

SECTION 9.09 Successor Agents.

Each of the Administrative Agent and the Collateral Agent may resign as the Administrative Agent or the Collateral Agent, as applicable upon thirty (30) days' notice to the Lenders and the Borrower and if either the Administrative Agent or the Collateral Agent is a Defaulting Lender, the Borrower may remove such Defaulting Lender from such role upon ten (10) days' notice to the Lenders. If the Administrative Agent or the Collateral Agent resigns under this Agreement or is removed by the Borrower, the Required Lenders shall appoint from among the Lenders a successor

agent for the Lenders, which successor agent shall be consented to by the Borrower at all times other than during the existence of an Event of Default under Sections 8.01(f) or (g) (which consent of the Borrower shall not be unreasonably withheld or delayed). If no successor agent is appointed prior to the effective date of the resignation or removal of the Administrative Agent or the Collateral Agent, as applicable, the Administrative Agent or the Collateral Agent, as applicable, in the case of a resignation, and the Borrower, in the case of a removal may appoint, after consulting with the Lenders and the Borrower (in the case of a resignation), a successor agent from among the Lenders. Upon the acceptance of its appointment as successor agent hereunder, the Person acting as such successor agent shall succeed to all the rights, powers and duties of the retiring Administrative Agent or retiring Collateral Agent and the term "Administrative Agent" or "Collateral Agent" shall mean such successor administrative agent or collateral agent and/or Supplemental Agent, as the case may be, and the retiring Administrative Agent's or Collateral Agent's appointment, powers and duties as the Administrative Agent or Collateral Agent shall be terminated. After the retiring Administrative Agent's or the Collateral Agent's resignation or removal hereunder as the Administrative Agent or Collateral Agent, the provisions of this Article IX and the provisions of Sections 10.04 and 10.05 shall inure to its benefit as to any actions taken or omitted to be taken by it while it was the Administrative Agent or Collateral Agent under this Agreement. If no successor agent has accepted appointment as the Administrative Agent or the Collateral Agent by the date which is thirty (30) days following the retiring Administrative Agent's or Collateral Agent's notice of resignation or ten (10) days following the Borrower's notice of removal, the retiring Administrative Agent's or the retiring Collateral Agent's resignation shall nevertheless thereupon become effective and the Lenders shall perform all of the duties of the Administrative Agent or Collateral Agent hereunder until such time, if any, as the Required Lenders appoint a successor agent as provided for above. Upon the acceptance of any appointment as the Administrative Agent or Collateral Agent hereunder by a successor and upon the execution and filing or recording of such financing statements, or amendments thereto, and such other instruments or notices, as may be necessary or desirable, or as the Required Lenders may request, in order to (a) continue the perfection of the Liens granted or purported to be granted by the Collateral Documents or (b) otherwise ensure that Section 6.11 is satisfied, the Administrative Agent or Collateral Agent shall thereupon succeed to and become vested with all the rights, powers, discretion, privileges, and duties of the retiring Administrative Agent or Collateral Agent, and the retiring Administrative Agent or Collateral Agent shall be discharged from its duties and obligations under the Loan Documents. After the retiring Administrative Agent's or Collateral Agent's resignation hereunder as the Administrative Agent or the Collateral Agent, the provisions of this Article IX and Sections 10.04 and 10.05 shall continue in effect for its benefit in respect of any actions taken or omitted to be taken by it while it was acting as the Administrative Agent or the Collateral Agent.

SECTION 9.10 Administrative Agent May File Proofs of Claim.

In case of the pendency of any receivership, insolvency, liquidation, bankruptcy, reorganization, arrangement, adjustment, composition or other judicial proceeding relative to any Loan Party, the Administrative Agent (irrespective of whether the principal of any Loan or L/C Obligation shall then be due and payable as herein expressed or by declaration or otherwise and irrespective of whether the Administrative Agent shall have made any demand on the Borrower or the Collateral Agent) shall be (to the fullest extent permitted by mandatory provisions of applicable Law) entitled and empowered, by intervention in such proceeding or otherwise:

(a) to file and prove a claim for the whole amount of the principal and interest owing and unpaid in respect of the Loans, L/C Obligations and all other Obligations that are owing and unpaid and to file such other documents as may be necessary or advisable in order to have the claims of the Lenders, the Collateral Agent and the Administrative Agent (including any claim for the reasonable compensation, expenses, disbursements and advances of the Lenders, the Collateral Agent and the Administrative Agent and their respective agents and counsel and all other amounts due to the Lenders, the Collateral Agent and the Administrative Agent under Sections 2.03(h) and (i), 2.09, 10.04 and 10.05) allowed in such judicial proceeding; and

(b) to collect and receive any monies or other property payable or deliverable on any such claims and to distribute the same;

and any custodian, curator, receiver, assignee, trustee, liquidator, sequestrator or other similar official in any such judicial proceeding is hereby authorized by each Lender to make such payments to the Administrative Agent or the Collateral Agent and, in the event that the Administrative Agent shall consent to the making of such payments directly to the Lenders, to pay to the Administrative Agent or the Collateral Agent any amount due for the reasonable compensation, expenses, disbursements and advances of the Agents and their respective agents and counsel, and any other amounts due the Administrative Agent or the Collateral Agent under Sections 2.09, 10.04 and 10.05.

Nothing contained herein shall be deemed to authorize the Administrative Agent to authorize or consent to or accept or adopt on behalf of any Lender any plan of reorganization, arrangement, adjustment or composition affecting the Obligations or the rights of any Lender or to authorize the Administrative Agent to vote in respect of the claim of any Lender in any such proceeding.

SECTION 9.11 Collateral and Guaranty Matters.

The Lenders irrevocably agree:

(a) that any Lien on any property granted to or held by the Administrative Agent or the Collateral Agent under any Loan Document shall be automatically released (i) upon termination of the Aggregate Commitments and payment in full of all Obligations (other than (x) obligations under Secured Hedge Agreements and Treasury Services Agreements not yet due and payable and (y) contingent indemnification obligations not yet accrued and payable) and the expiration or termination or cash collateralization of all Letters of Credit, (ii) at the time the property subject to such Lien is Disposed or to be Disposed as part of or in connection with any Disposition permitted hereunder or under any other Loan Document to any Person other than a Person required to grant a Lien to the Administrative Agent or the Collateral Agent under the Loan Documents (or, if such transferee is a Person required to grant a Lien to the Administrative Agent or the Collateral Agent on such asset, at the option of the applicable Loan Party, such Lien on such asset may still be released in connection with the transfer so long as (x) the transferee grants a new Lien to the Administrative Agent or Collateral Agent on such asset substantially concurrently with the transfer of such asset, (y) the transfer is between parties organized under the laws of different jurisdictions and at least one of such parties is a Foreign Subsidiary and (z) the priority of the new Lien is the same as that of the original Lien), (iii) subject to Section 10.01, if the release of such Lien is approved, authorized or ratified in writing by the Required Lenders or (iv) if the property subject to such Lien is owned by a Guarantor, upon release of such Guarantor from its obligations under its Guaranty pursuant to clause (c) below;

(b) To release or subordinate any Lien on any property granted to or held by the Administrative Agent or the Collateral Agent under any Loan Document to the holder of any Lien on such property that is permitted by Sections 7.01(u) or (w) (in the case of clause (w), to the extent required by the terms of the obligations secured by such Liens);

(c) That any Subsidiary Guarantor shall be automatically released from its obligations under the Guaranty if such Person ceases to be a Restricted Subsidiary or becomes an Excluded Subsidiary as a result of a transaction or designation permitted hereunder; *provided* that no such release shall occur if such Guarantor continues to be a guarantor in respect of the 5 5/8% Senior Notes, Opco Senior Notes or any Junior Financing;

(d) At the sole option of the Borrower, Parent, Intermediate Parent or any existing entity constituting “Holdings” shall be released from its obligations under the Guaranty if such entity ceases to be the direct parent of the Borrower as a result of a transaction or designation permitted pursuant

to the definition thereof and otherwise permitted hereunder, subject to the assumption of obligations of "Holdings" under the Loan Documents by such other Domestic Subsidiary of Parent or Intermediate Parent that directly owns 100% of the issued and outstanding Equity Interests in the Borrower pursuant to the definition thereof; and

(e) the Collateral Agent may, without any further consent of any Lender, enter into (i) a First Lien Intercreditor Agreement with the collateral agent or other representatives of holders of Permitted Ratio Debt that is intended to be secured on a pari passu basis with the Obligations and/or (ii) a Junior Lien Intercreditor Agreement with the collateral agent or other representatives of the holders of Indebtedness permitted under Section 7.03, in each case, where such Indebtedness is secured by Liens permitted under Section 7.01. The Collateral Agent may rely exclusively on a certificate of a Responsible Officer of the Borrower as to whether any such other Liens are permitted. Any First Lien Intercreditor Agreement or Junior Lien Intercreditor Agreement entered into by the Collateral Agent in accordance with the terms of this Agreement shall be binding on the Secured Parties.

Upon request by the Administrative Agent or the Collateral Agent at any time, the Required Lenders will confirm in writing the Administrative Agent's or the Collateral Agent's authority to release or subordinate its interest in particular types or items of property, or to release any Guarantor from its obligations under the Guaranty pursuant to this Section 9.11. In each case as specified in this Section 9.11, the Administrative Agent or the Collateral Agent will promptly (and each Lender irrevocably authorizes the Administrative Agent and the Collateral Agent to), at the Borrower's expense, execute and deliver to the applicable Loan Party such documents as the Borrower may reasonably request to evidence the release or subordination of such item of Collateral from the assignment and security interest granted under the Collateral Documents, or to evidence the release of such Guarantor from its obligations under the Guaranty, in each case in accordance with the terms of the Loan Documents and this Section 9.11.

SECTION 9.12 Other Agents; Lead Arrangers and Managers.

None of the Lenders or other Persons identified on the facing page or signature pages of this Agreement as a "joint bookrunner", "lead arranger", "co-syndication agent" or "co-documentation agent" shall have any right, power, obligation, liability, responsibility or duty under this Agreement other than those applicable to all Lenders as such. Without limiting the foregoing, none of the Lenders or other Persons so identified shall have or be deemed to have any fiduciary relationship with any Lender. Each Lender acknowledges that it has not relied, and will not rely, on any of the Lenders or other Persons so identified in deciding to enter into this Agreement or in taking or not taking action hereunder.

SECTION 9.13 Withholding Tax Indemnity.

To the extent required by any applicable Law, the Administrative Agent may withhold from any payment to any Lender an amount equivalent to any applicable withholding Tax. If the Internal Revenue Service or any other authority of the United States or other jurisdiction asserts a claim that the Administrative Agent did not properly withhold Tax from amounts paid to or for the account of any Lender for any reason (including, without limitation, because the appropriate form was not delivered or not properly executed, or because such Lender failed to notify the Administrative Agent of a change in circumstance that rendered the exemption from, or reduction of withholding Tax ineffective), such Lender shall, within 10 days after written demand therefor, indemnify and hold harmless the Administrative Agent (to the extent that the Administrative Agent has not already been reimbursed by the Borrower pursuant to Section 3.01 and Section 3.04 and without limiting or expanding the obligation of the Borrower to do so) for all amounts paid, directly or indirectly, by the Administrative Agent as Taxes or otherwise, together with all expenses incurred, including legal expenses and any other out-of-pocket expenses, whether or not such Tax was correctly or legally

imposed or asserted by the relevant Governmental Authority. A certificate as to the amount of such payment or liability delivered to any Lender by the Administrative Agent shall be conclusive absent manifest error. Each Lender hereby authorizes the Administrative Agent to set off and apply any and all amounts at any time owing to such Lender under this Agreement or any other Loan Document against any amount due the Administrative Agent under this Section 9.13. The agreements in this Section 9.13 shall survive the resignation and/or replacement of the Administrative Agent, any assignment of rights by, or the replacement of, a Lender and the repayment, satisfaction or discharge of all other Obligations. For the avoidance of doubt, the term "Lender" for purposes of this Section 9.13 shall include each L/C Issuer and Swing Line Lender.

SECTION 9.14 Appointment of Supplemental Agents.

(a) It is the purpose of this Agreement and the other Loan Documents that there shall be no violation of any Law of any jurisdiction denying or restricting the right of banking corporations or associations to transact business as agent or trustee in such jurisdiction. It is recognized that in case of litigation under this Agreement or any of the other Loan Documents, and in particular in case of the enforcement of any of the Loan Documents, or in case the Administrative Agent or the Collateral Agent deems that by reason of any present or future Law of any jurisdiction it may not exercise any of the rights, powers or remedies granted herein or in any of the other Loan Documents or take any other action which may be desirable or necessary in connection therewith, the Administrative Agent and the Collateral Agent are hereby authorized to appoint an additional individual or institution selected by the Administrative Agent or the Collateral Agent in its sole discretion as a separate trustee, co-trustee, administrative agent, collateral agent, administrative sub-agent or administrative co-agent (any such additional individual or institution being referred to herein individually as a "**Supplemental Agent**" and collectively as "**Supplemental Agents**").

(b) In the event that the Collateral Agent appoints a Supplemental Agent with respect to any Collateral, (i) each and every right, power, privilege or duty expressed or intended by this Agreement or any of the other Loan Documents to be exercised by or vested in or conveyed to the Collateral Agent with respect to such Collateral shall be exercisable by and vest in such Supplemental Agent to the extent, and only to the extent, necessary to enable such Supplemental Agent to exercise such rights, powers and privileges with respect to such Collateral and to perform such duties with respect to such Collateral, and every covenant and obligation contained in the Loan Documents and necessary to the exercise or performance thereof by such Supplemental Agent shall run to and be enforceable by either the Collateral Agent or such Supplemental Agent, and (ii) the provisions of this Article IX and of Sections 10.04 and 10.05 that refer to the Administrative Agent shall inure to the benefit of such Supplemental Agent and all references therein to the Collateral Agent shall be deemed to be references to the Collateral Agent and/or such Supplemental Agent, as the context may require.

Should any instrument in writing from any Loan Party be required by any Supplemental Agent so appointed by the Administrative Agent or the Collateral Agent for more fully and certainly vesting in and confirming to him or it such rights, powers, privileges and duties, such Loan Party shall execute, acknowledge and deliver any and all such instruments promptly upon request by the Administrative Agent or the Collateral Agent. In case any Supplemental Agent, or a successor thereto, shall die, become incapable of acting, resign or be removed, all the rights, powers, privileges and duties of such Supplemental Agent, to the extent permitted by Law, shall vest in and be exercised by the Administrative Agent until the appointment of a new Supplemental Agent.

SECTION 9.15 Certain ERISA Matters.

(a) Each Lender (x) represents and warrants, as of the date such Person became a Lender party hereto, to, and (y) covenants, from the date such Person became a Lender party hereto to the

date such Person ceases being a Lender party hereto, for the benefit of the Administrative Agent and the Borrower, that at least one of the following is and will be true:

(i) such Lender is not using "plan assets" (within the meaning of Section 3(42) of ERISA or otherwise) of one or more Benefit Plans with respect to such Lender's entrance into, participation in, administration of and performance of the Loans, the Letters of Credit, the Commitments or this Agreement,

(ii) the transaction exemption set forth in one or more PTEs, such as PTE 84-14 (a class exemption for certain transactions determined by independent qualified professional asset managers), PTE 95-60 (a class exemption for certain transactions involving insurance company general accounts), PTE 90-1 (a class exemption for certain transactions involving insurance company pooled separate accounts), PTE 91-38 (a class exemption for certain transactions involving bank collective investment funds) or PTE 96-23 (a class exemption for certain transactions determined by in-house asset managers), is applicable with respect to such Lender's entrance into, participation in, administration of and performance of the Loans, the Letters of Credit, the Commitments and this Agreement,

(iii)(A) such Lender is an investment fund managed by a "Qualified Professional Asset Manager" (within the meaning of Part VI of PTE 84-14), (B) such Qualified Professional Asset Manager made the investment decision on behalf of such Lender to enter into, participate in, administer and perform the Loans, the Letters of Credit, the Commitments and this Agreement, (C) the entrance into, participation in, administration of and performance of the Loans, the Letters of Credit, the Commitments and this Agreement satisfies the requirements of sub-sections (b) through (g) of Part I of PTE 84-14 and (D) to the best knowledge of such Lender, the requirements of subsection (a) of Part I of PTE 84-14 are satisfied with respect to such Lender's entrance into, participation in, administration of and performance of the Loans, the Letters of Credit, the Commitments and this Agreement, or

(iv)such other representation, warranty and covenant as may be agreed in writing between the Administrative Agent, the Borrower and such Lender, which agreement will not be unreasonably withheld.

(b) In addition, unless either (1) sub-clause (i) in the immediately preceding clause (a) is true with respect to a Lender or (2) a Lender has provided another representation, warranty and covenant in accordance with sub-clause (iv) in the immediately preceding clause (a), such Lender further (x) represents and warrants, as of the date such Person became a Lender party hereto, to, and (y) covenants, from the date such Person became a Lender party hereto to the date such Person ceases being a Lender party hereto, for the benefit of the Administrative Agent and the Borrower, that the Administrative Agent is not a fiduciary with respect to the assets of such Lender involved in such Lender's entrance into, participation in, administration of and performance of the Loans, the Letters of Credit, the Commitments and this Agreement (including in connection with the reservation or exercise of any rights by the Administrative Agent under this Agreement, any Loan Document or any documents related hereto or thereto).

ARTICLE X
Miscellaneous

SECTION 10.01 Amendments, Etc.

Except as otherwise set forth in this Agreement, no amendment or waiver of any provision of this Agreement or any other Loan Document, and no consent to any departure by any Loan Party

therefrom, shall be effective unless in writing signed by the Required Lenders, or by the Administrative Agent with the consent of the Required Lenders, and such Loan Party and each such waiver or consent shall be effective only in the specific instance and for the specific purpose for which given; *provided* that any amendment or waiver contemplated in clauses (g) or (i) below, shall only require the consent of such Loan Party and the Required Revolving Credit Lenders or the Required Facility Lenders under the applicable Facility, as applicable; *provided, further,* that no such amendment, waiver or consent shall:

(a) extend or increase the Commitment of any Lender without the written consent of each Lender holding such Commitment (it being understood that a waiver of any condition precedent or of any Default, mandatory prepayment or mandatory reduction of the Commitments shall not constitute an extension or increase of any Commitment of any Lender);

(b) postpone any date scheduled for, or reduce or forgive the amount of, any payment of principal or interest under Sections 2.07 or 2.08 without the written consent of each Lender holding the applicable Obligation (it being understood that the waiver of (or amendment to the terms of) any mandatory prepayment of the Term Loans shall not constitute a postponement of any date scheduled for the payment of principal or interest and it being understood that any change to the definition of "Consolidated First Lien Net Leverage Ratio" or "Consolidated Total Net Leverage Ratio" or, in each case, in the component definitions thereof shall not constitute a reduction or forgiveness in any rate of interest);

(c) reduce or forgive the principal of, or the rate of interest specified herein on, any Loan, or L/C Borrowing, or (subject to clause (iii) of the second proviso to this Section 10.01) any fees or other amounts payable hereunder or under any other Loan Document (or change the timing of payments of such fees or other amounts) without the written consent of each Lender holding such Loan, L/C Borrowing or to whom such fee or other amount is owed (it being understood that any change to the definition of "Consolidated First Lien Net Leverage Ratio" or "Consolidated Total Net Leverage Ratio" or, in each case, in the component definitions thereof shall not constitute a reduction or forgiveness in any rate of interest); *provided* that only the consent of the Required Lenders shall be necessary to amend the definition of "Default Rate" or to waive any obligation of the Borrower to pay interest at the Default Rate;

(d) change any provision of Sections 8.04 or 10.01 or the definition of "Required Revolving Credit Lenders," "Required Lenders," "Required Facility Lenders," "Required Class Lenders" or any other provision specifying the number of Lenders or portion of the Loans or Commitments required to take any action under the Loan Documents, without the written consent of each Lender directly affected thereby;

"Consolidated First Lien Net Leverage Ratio" for the purposes of Section 7.11), in each case, without the written consent of the Required Facility Lenders under such applicable Revolving Credit Facility or Facilities (and in the case of multiple Facilities which are affected, with respect to any such Facility, such consent shall be effected by the Required Facility Lenders of such Facility); *provided*, *however*, that the waivers described in this clause (g) shall not require the consent of any Lenders other than the Required Facility Lenders under such Facility or Facilities;

(h) amend, waive or otherwise modify the portion of the definition of "Interest Period" that provides for one, two, three or six month intervals to automatically allow intervals in excess of six months, without the written consent of each Lender affected thereby; or

(i) amend, waive or otherwise modify any term or provision (including the availability and conditions to funding under Section 2.14 with respect to Incremental Term Loans and Incremental Revolving Credit Commitments, under Section 2.15 with respect to Refinancing Term Loans and Other Revolving Credit Commitments and under Section 2.16 with respect to Extended Term Loans or Extended Revolving Credit Commitments and, in each case, the rate of interest applicable thereto) which directly affects Lenders of one or more Incremental Term Loans, Incremental Revolving Credit Commitments, Refinancing Term Loans, Other Revolving Credit Commitments, Extended Term Loans or Extended Revolving Credit Commitments and does not directly affect Lenders under any other Facility, in each case, without the written consent of the Required Facility Lenders under such applicable Incremental Term Loans, Incremental Revolving Credit Commitments, Refinancing Term Loans, Other Revolving Credit Commitments, Extended Term Loans or Extended Revolving Credit Commitments (and in the case of multiple Facilities which are affected, with respect to any such Facility, such consent shall be effected by the Required Facility Lenders of such Facility); *provided*, *however*, that the waivers described in this clause (i) shall not require the consent of any Lenders other than the Required Facility Lenders under such applicable Incremental Term Loans, Incremental Revolving Credit Commitments, Refinancing Term Loans, Other Revolving Credit Commitments, Extended Term Loans or Extended Revolving Credit Commitments, as the case may be;

and *provided*, *further*, that (i) no amendment, waiver or consent shall, unless in writing and signed by each L/C Issuer in addition to the Lenders required above, affect the rights or duties of an L/C Issuer under this Agreement or any Letter of Credit Issuance Request relating to any Letter of Credit issued or to be issued by it; (ii) no amendment, waiver or consent shall, unless in writing and signed by a Swing Line Lender in addition to the Lenders required above, affect the rights or duties of such Swing Line Lender under this Agreement; *provided*, *however*, that this Agreement may be amended to adjust the borrowing mechanics related to Swing Line Loans with only the written consent of the Administrative Agent, the Swing Line Lender and the Borrower so long as the obligations of the Revolving Credit Lenders are not affected thereby; (iii) no amendment, waiver or consent shall, unless in writing and signed by the Administrative Agent or the Collateral Agent, as applicable, in addition to the Lenders required above, affect the rights or duties of, or any fees or other amounts payable to, the Administrative Agent or the Collateral Agent, as applicable, under this Agreement or any other Loan Document; (iv) Section 10.07(h) may not be amended, waived or otherwise modified without the consent of each Granting Lender all or any part of whose Loans are being funded by an SPC at the time of such amendment, waiver or other modification; and (v) the consent of Lenders holding more than 50% of any Class of Commitments or Loans shall be required with respect to any amendment that by its terms adversely affects the rights of such Class in respect of payments or Collateral hereunder in a manner different than such amendment affects other Classes. Notwithstanding anything to the contrary herein, no Defaulting Lender shall have any right to approve or disapprove any amendment, waiver or consent hereunder (and any amendment, waiver or consent which by its terms requires the consent of all Lenders or each affected Lender may be effected with the consent of the applicable Lenders other than Defaulting Lenders), except that (x) the Commitment of any Defaulting Lender may not be increased or extended without the consent of such Lender and (y) any waiver, amendment or modification requiring the consent of all Lenders or

each affected Lender that by its terms materially and adversely affects any Defaulting Lender (if such Lender were not a Defaulting Lender) to a greater extent than other affected Lenders shall require the consent of such Defaulting Lender.

Notwithstanding the foregoing, no Lender consent is required to effect any amendment or supplement to any First Lien Intercreditor Agreement, any Junior Lien Intercreditor Agreement or other intercreditor agreement or arrangement permitted under this Agreement that is for the purpose of adding the holders of Permitted First Priority Refinancing Debt, or Permitted Second Priority Refinancing Debt, as expressly contemplated by the terms of such First Lien Intercreditor Agreement, such Junior Lien Intercreditor Agreement or such other intercreditor agreement or arrangement permitted under this Agreement, as applicable (it being understood that any such amendment or supplement may make such other changes to the applicable intercreditor agreement as, in the good faith determination of the Administrative Agent, are required to effectuate the foregoing and *provided* that such other changes are not adverse, in any material respect, to the interests of the Lenders); *provided*, *further*, that no such agreement shall amend, modify or otherwise affect the rights or duties of the Administrative Agent hereunder or under any other Loan Document without the prior written consent of the Administrative Agent.

Notwithstanding the foregoing, this Agreement and any other Loan Document may be amended solely with the consent of the Administrative Agent and the Borrower without the need to obtain the consent of any other Lender if such amendment is delivered in order (x) to correct or cure ambiguities, errors, omissions, defects, (y) to effect administrative changes of a technical or immaterial nature or (z) to fix incorrect cross references or similar inaccuracies in this Agreement or the applicable Loan Document. The Collateral Documents and related documents in connection with this Agreement and the other Loan Documents may be in a form reasonably determined by the Administrative Agent and may be, together with this Agreement, amended, supplemented and waived with the consent of the Administrative Agent at the request of the Borrower without the need to obtain the consent of any other Lender if such amendment, supplement or waiver is delivered in order (i) to comply with local Law or advice of local counsel, (ii) to cure ambiguities, omissions, mistakes or defects or (iii) to cause such Collateral Documents or other document to be consistent with this Agreement and the other Loan Documents.

Notwithstanding anything in this Agreement or any other Loan Document to the contrary, the Borrower and the Administrative Agent may enter into any Incremental Amendment in accordance with Section 2.14, Refinancing Amendment in accordance with Section 2.15 and Extension Amendment in accordance with Section 2.16 and such Incremental Amendments, Refinancing Amendments and Extension Amendments shall be effective to amend the terms of this Agreement and the other applicable Loan Documents, in each case, without any further action or consent of any other party to any Loan Document.

Notwithstanding anything in this Agreement or any other Loan Document to the contrary, the Borrower and the Administrative Agent may enter into any amendment, waiver, consent or supplement to this Agreement and such other related changes to this Agreement as may be applicable to amend the definition of "~~Eurocurrency~~Benchmark Rate" with the consents, if any, and in the manner, as set forth in Section 3.03(b).

SECTION 10.02 Notices and Other Communications; Facsimile Copies.

(a) *General*. Unless otherwise expressly provided herein, all notices and other communications provided for hereunder or under any other Loan Document shall be in writing (including by facsimile transmission). All such written notices shall be mailed, faxed or delivered to the applicable address, facsimile number or electronic mail address, and all notices and other communications expressly permitted hereunder to be given by telephone shall be made to the applicable telephone number, as follows:

(i) if to the Borrower (or any other Loan Party) or the Administrative Agent, the Collateral Agent, an L/C Issuer or the Swing Line Lender, to the address, facsimile number, electronic mail address or telephone number specified for such Person on Schedule 10.02 or to such other address, facsimile number, electronic mail address or telephone number as shall be designated by such party in a notice to the other parties; and

(ii) if to any other Lender, to the address, facsimile number, electronic mail address or telephone number specified in its Administrative Questionnaire or to such other address, facsimile number, electronic mail address or telephone number as shall be designated by such party in a notice to the Borrower and the Administrative Agent, the Collateral Agent, an L/C Issuer or the Swing Line Lender.

All such notices and other communications shall be deemed to be given or made upon the earlier to occur of (i) actual receipt by the relevant party hereto and (ii) (A) if delivered by hand or by courier, when signed for by or on behalf of the relevant party hereto; (B) if delivered by mail, four (4) Business Days after deposit in the mails, postage prepaid; (C) if delivered by facsimile, when sent and receipt has been confirmed by telephone; and (D) if delivered by electronic mail (which form of delivery is subject to the provisions of Section 10.02(c)), when delivered; *provided* that notices and other communications to the Administrative Agent, the Collateral Agent, an L/C Issuer and the Swing Line Lender pursuant to Article II shall not be effective until actually received by such Person. In no event shall a voice mail message be effective as a notice, communication or confirmation hereunder.

(b) *Effectiveness of Facsimile Documents and Signatures.* Loan Documents may be transmitted and/or signed by facsimile or other electronic communication. The effectiveness of any such documents and signatures shall, subject to applicable Law, have the same force and effect as manually signed originals and shall be binding on all Loan Parties, the Agents and the Lenders.

(c) *Reliance by Agents and Lenders.* The Administrative Agent, the Collateral Agent and the Lenders shall be entitled to rely and act upon any notices (including telephonic Committed Loan Notices and Swing Line Loan Notices) purportedly given by or on behalf of the Borrower even if (i) such notices were not made in a manner specified herein, were incomplete or were not preceded or followed by any other form of notice specified herein, or (ii) the terms thereof, as understood by the recipient, varied from any confirmation thereof. The Borrower shall indemnify each Agent-Related Person and each Lender from all losses, costs, expenses and liabilities resulting from the reliance by such Person on each notice purportedly given by or on behalf of the Borrower in the absence of gross negligence or willful misconduct as determined in a final and non-appealable judgment by a court of competent jurisdiction. All telephonic notices to the Administrative Agent or Collateral Agent may be recorded by the Administrative Agent or the Collateral Agent, and each of the parties hereto hereby consents to such recording.

SECTION 10.03 No Waiver; Cumulative Remedies.

No failure by any Lender or the Administrative Agent or the Collateral Agent to exercise, and no delay by any such Person in exercising, any right, remedy, power or privilege hereunder or under any other Loan Document shall operate as a waiver thereof; nor shall any single or partial exercise of any right, remedy, power or privilege hereunder preclude any other or further exercise thereof or the exercise of any other right, remedy, power or privilege. The rights, remedies, powers and privileges herein provided, and provided under each other Loan Document, are cumulative and not exclusive of any rights, remedies, powers and privileges provided by Law.

SECTION 10.04 Attorney Costs and Expenses.

The Borrower agrees (a) if the Closing Date occurs, to pay or reimburse the Administrative Agent, the Collateral Agent, the Lead Arrangers and the Joint Bookrunners for all reasonable and documented out-of-pocket costs and expenses incurred in connection with the preparation, negotiation, syndication and execution of this Agreement and the other Loan Documents, and any amendment, waiver, consent or other modification of the provisions hereof and thereof (whether or not the transactions contemplated thereby are consummated), and the consummation and administration of the transactions contemplated hereby and thereby (including all Attorney Costs, which shall be limited to Davis Polk & Wardwell LLP and one local counsel as reasonably necessary in each relevant jurisdiction material to the interests of the Lenders taken as a whole) and (b) from and after the Closing Date, to pay or reimburse the Administrative Agent, the Collateral Agent, the Lead Arrangers, the Joint Bookrunners and each Lender for all reasonable and documented out-of-pocket costs and expenses incurred in connection with the enforcement (whether through negotiations, legal proceedings or otherwise) of any rights or remedies under this Agreement or the other Loan Documents (including all such costs and expenses incurred during any legal proceeding, including any proceeding under any Debtor Relief Law, and including all respective Attorney Costs which shall be limited to Attorney Costs of one counsel to the Administrative Agent and the Lead Arrangers (and one local counsel as reasonably necessary in each relevant jurisdiction material to the interests of the Lenders taken as a whole)). The foregoing costs and expenses shall include all reasonable search, filing, recording and title insurance charges and fees related thereto, and other reasonable and documented out-of-pocket expenses incurred by any Agent. The agreements in this Section 10.04 shall survive the termination of the Aggregate Commitments and repayment of all other Obligations. All amounts due under this Section 10.04 shall be paid within thirty (30) days of receipt by the Borrower of an invoice relating thereto setting forth such expenses in reasonable detail including, if requested by the Borrower and to the extent reasonably available, backup documentation supporting such reimbursement request; *provided* that with respect to the Closing Date, all amounts due under this Section 10.04 shall be paid on the Closing Date solely to the extent invoiced to the Borrower within three Business Days of the Closing Date. If any Loan Party fails to pay when due any costs, expenses or other amounts payable by it hereunder or under any Loan Document, such amount may be paid on behalf of such Loan Party by the Administrative Agent in its sole discretion. For the avoidance of doubt, this Section 10.04 shall not apply to Taxes, except any Taxes that represent liabilities, obligations, losses, damages, penalties, claims, demands, actions, prepayments, suits, costs, expenses and disbursements arising from any non-Tax claims.

SECTION 10.05 Indemnification by the Borrower.

The Borrower shall indemnify and hold harmless each Agent-Related Person, each Lender and their respective Affiliates, and their respective officers, directors, employees, partners, agents, advisors and other representatives of each of the foregoing (collectively the "**Indemnitees**") from and against any and all liabilities (including Environmental Liabilities), obligations, losses, damages, penalties, claims, demands, actions, judgments, suits, costs, expenses and disbursements (including Attorney Costs but limited in the case of legal fees and expenses to the reasonable and documented out-of-pocket fees, disbursements and other charges of one counsel to all Indemnitees taken as a whole and, if reasonably necessary, one local counsel for all Indemnitees taken as a whole in each relevant jurisdiction that is material to the interests of the Lenders, and solely in the case of a conflict of interest, one additional counsel in each relevant jurisdiction to each group of similarly situated affected Indemnitees) of any kind or nature whatsoever which may at any time be imposed on, incurred by or asserted against any such Indemnitee in any way relating to or arising out of or in connection with (a) the execution, delivery, enforcement, performance or administration of any Loan Document or any other agreement, letter or instrument delivered in connection with the transactions contemplated thereby or the consummation of the transactions contemplated thereby, (b) any Commitment, Loan or Letter of Credit or the use or proposed use of the proceeds therefrom including any refusal by an L/C Issuer to honor a demand for payment under a Letter of Credit if the documents presented in connection with such demand do not strictly comply with the terms of such Letter of Credit or (c) any actual or prospective claim, litigation, investigation or proceeding relating to any of the foregoing, whether based on contract, tort or any other theory (including any

investigation of, preparation for, or defense of any pending or threatened claim, investigation, litigation or proceeding) and regardless of whether any Indemnitee is a party thereto (all the foregoing, collectively, the "**Indemnified Liabilities**") in all cases, whether or not caused by or arising, in whole or in part, out of the negligence of the Indemnitee; *provided* that, notwithstanding the foregoing, such indemnity shall not, as to any Indemnitee, be available to the extent that such liabilities, obligations, losses, damages, penalties, claims, demands, actions, judgments, suits, costs, expenses or disbursements resulted from (x) the gross negligence, bad faith or willful misconduct of such Indemnitee or of any of its Affiliates or their respective directors, officers, employees, partners, agents, advisors or other representatives, as determined by a final non-appealable judgment of a court of competent jurisdiction, (y) a material breach of any obligations under any Loan Document by such Indemnitee or of any of its Affiliates or their respective directors, officers, employees, partners, advisors or other representatives, as determined by a final non-appealable judgment of a court of competent jurisdiction or (z) any dispute solely among Indemnitees (other than any claims against an Indemnitee in its capacity or in fulfilling its role as an agent or arranger or any similar role or as a letter of credit issuer or swing line bank under any Facility and other than any claims arising out of any act or omission of Holdings, the Borrower, the Investors or any of their Affiliates). No Indemnitee shall be liable for any damages arising from the use by others of any information or other materials obtained through IntraLinks or other similar information transmission systems in connection with this Agreement, nor shall any Indemnitee, Loan Party or any Subsidiary have any liability for any special, punitive, indirect or consequential damages relating to this Agreement or any other Loan Document or arising out of its activities in connection herewith or therewith (whether before or after the Closing Date) (other than, in the case of any Loan Party, in respect of any such damages incurred or paid by an Indemnitee to a third party and for any out-of-pocket expenses); it being agreed that this sentence shall not limit the indemnification obligations of Holdings, the Borrower or any Subsidiary. In the case of an investigation, litigation or other proceeding to which the indemnity in this Section 10.05 applies, such indemnity shall be effective whether or not such investigation, litigation or proceeding is brought by any Loan Party, any Subsidiary of any Loan Party, its directors, stockholders or creditors or an Indemnitee or any other Person, whether or not any Indemnitee is otherwise a party thereto and whether or not any of the transactions contemplated hereunder or under any of the other Loan Documents are consummated. All amounts due under this Section 10.05 shall be paid within thirty (30) days after written demand therefor (together with backup documentation supporting such reimbursement request); *provided*, *however*, that such Indemnitee shall promptly refund the amount of any payment to the extent that there is a final judicial or arbitral determination that such Indemnitee was not entitled to indemnification rights with respect to such payment pursuant to the express terms of this Section 10.05. The agreements in this Section 10.05 shall survive the resignation of the Administrative Agent or Collateral Agent, the replacement of any Lender, the termination of the Aggregate Commitments and the repayment, satisfaction or discharge of all the other Obligations. For the avoidance of doubt, this Section 10.05 shall not apply to Taxes, except any Taxes that represent liabilities, obligations, losses, damages, penalties, claims, demands, actions, prepayments, suits, costs, expenses and disbursements arising from any non-Tax claims.

SECTION 10.06 Payments Set Aside.

To the extent that any payment by or on behalf of the Borrower is made to any Agent or any Lender, or any Agent or any Lender exercises its right of setoff, and such payment or the proceeds of such setoff or any part thereof is subsequently invalidated, declared to be fraudulent or preferential, set aside or required (including pursuant to any settlement entered into by such Agent or such Lender in its discretion) to be repaid to a trustee, receiver or any other party, in connection with any proceeding under any Debtor Relief Law or otherwise, then (a) to the extent of such recovery, the obligation or part thereof originally intended to be satisfied shall, to the fullest extent possible under provisions of applicable Law, be revived and continued in full force and effect as if such payment had not been made or such setoff had not occurred, and (b) each Lender severally agrees to pay to the Administrative Agent upon demand its applicable share of any amount so recovered from or repaid by any Agent, plus interest thereon from the date of such demand to the date such payment is made at

a rate per annum equal to the applicable Overnight Rate from time to time in effect, in the applicable currency of such recovery or payment.

SECTION 10.07 Successors and Assigns.

(a) The provisions of this Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective successors and assigns permitted hereby, except that the Borrower may not assign or otherwise transfer any of its rights or obligations hereunder without the prior written consent of each Lender (except as permitted by Section 7.04) and no Lender may assign or otherwise transfer any of its rights or obligations hereunder except (i) to an Assignee pursuant to an assignment made in accordance with the provisions of Section 10.07(b) (such an assignee, an "**Eligible Assignee**") and (A) in the case of any Assignee that, immediately prior to or upon giving effect to such assignment, is an Affiliated Lender, Section 10.07(l), (B) in the case of any Assignee that is Holdings or any of its Subsidiaries, Section 10.07(m), or (C) in the case of any Assignee that, immediately prior to or upon giving effect to such assignment, is a Debt Fund Affiliate, Section 10.07(p), (ii) by way of participation in accordance with the provisions of Section 10.07(f), (iii) by way of pledge or assignment of a security interest subject to the restrictions of Section 10.07(h) or (iv) to an SPC in accordance with the provisions of Section 10.07(i) (and any other attempted assignment or transfer by any party hereto shall be null and void); *provided*, *however*, that notwithstanding anything to the contrary, (x) no Lender may assign or transfer by participation any of its rights or obligations hereunder to (i) any Person that is a Defaulting Lender or a Disqualified Lender, (ii) a natural Person or (iii) to Holdings, the Borrower or any of their respective Subsidiaries (except pursuant to Section 2.05(a)(v) or Section 10.07(m)) and (y) no Lender may assign or transfer by participation any of its rights or obligations under the Revolving Credit Facility hereunder without the consent of the Borrower (not to be unreasonably withheld) unless (i) such assignment or transfer is to a Revolving Credit Lender or (ii) an Event of Default under Section 8.01(a) or, solely with respect to the Borrower, Section 8.01(f) has occurred and is continuing; *provided* that the Borrower shall be deemed to have consented to any assignment of Term Loans or participations in respect of the Revolving Credit Facility unless the Borrower shall have objected thereto within fifteen (15) Business Days after having received written notice thereof. Nothing in this Agreement, expressed or implied, shall be construed to confer upon any Person (other than the parties hereto, their respective successors and assigns permitted hereby, Participants to the extent provided in Section 10.07(f) and, to the extent expressly contemplated hereby, the Indemnitees) any legal or equitable right, remedy or claim under or by reason of this Agreement.

(b) (i) Subject to the conditions set forth in paragraph (b)(ii) below, any Lender may assign to one or more assignees (**Assignees**") all or a portion of its rights and obligations under this Agreement (including all or a portion of its Commitment and the Loans (including for purposes of this Section 10.07(b), participations in L/C Obligations and in Swing Line Loans) at the time owing to it) with the prior written consent (such consent not to be unreasonably withheld) of:

(A) the Borrower; *provided* that no consent of the Borrower shall be required for (i) any assignment of Term Loans with an aggregate principal amount below $10,000,000 unless the effect of such assignment will result in the Assignee holding more than 1.00% of the Term Loans outstanding at such time, (ii) an assignment of all or any portion of the Term Loans to a Lender, an Affiliate of a Lender or an Approved Fund, (iii) an assignment related to Revolving Credit Commitments or Revolving Credit Exposure to a Revolving Credit Lender, (iv) if an Event of Default under Section 8.01(a) or, solely with respect to the Borrower, Section 8.01(f) has occurred and is continuing or (v) an assignment of all or a portion of the Loans pursuant to Section 10.07(l), Section 10.07(m) or Section 10.07(p);

(B) the Administrative Agent; *provided* that no consent of the Administrative Agent shall be required for an assignment (i) of all or any portion of a Term Loan to a Lender, an Affiliate of a Lender or an Approved Fund or (ii) all or any portion of the Loans pursuant to Section 10.07(l) or Section 10.07(m);

(C) each L/C Issuer at the time of such assignment; *provided* that no consent of the L/C Issuers shall be required for any assignment not related to Revolving Credit Commitments or Revolving Credit Exposure; and

(D) the Swing Line Lender; *provided* that no consent of the Swing Line Lender shall be required for any assignment not related to Revolving Credit Commitments or Revolving Credit Exposure.

(i) Assignments shall be subject to the following additional conditions:

(A) except in the case of an assignment to a Lender, an Affiliate of a Lender or an Approved Fund or an assignment of the entire remaining amount of the assigning Lender's Commitment or Loans of any Class, the amount of the Commitment or Loans of the assigning Lender subject to each such assignment (determined as of the date the Assignment and Assumption with respect to such assignment is delivered to the Administrative Agent) shall not be less than an amount of $5,000,000 (in the case of each Revolving Credit Loan), $1,000,000 (in the case of a Term Loan), and shall be in increments of an amount of $1,000,000 (in the case of each Revolving Credit Loan) or $1,000,000 (in the case of Term Loans) in excess thereof (*provided* that simultaneous assignments to or from two or more Approved Funds shall be aggregated for purposes of determining compliance with this Section 10.07(b)(ii)(A)), unless each of the Borrower and the Administrative Agent otherwise consents; *provided* that such amounts shall be aggregated in respect of each Lender and its Affiliates or Approved Funds, if any;

(B) the parties to each assignment shall execute and deliver to the Administrative Agent an Assignment and Assumption via an electronic settlement system acceptable to the Administrative Agent (or if previously agreed with the Administrative Agent, manually), together with a processing and recordation fee of $3,500 (which fee may be waived or reduced in the sole discretion of the Administrative Agent); *provided* that only one such fee shall be payable in the event of simultaneous assignments to or from two or more Approved Funds; and

(C) other than in the case of assignments pursuant to Section 10.07(m), the Assignee, if it shall not be a Lender, shall deliver to the Administrative Agent an Administrative Questionnaire (in which the Assignee shall designate one or more credit contacts to whom all syndicate-level information (which may contain material non-public information about the Loan Parties and their Affiliates or their respective securities) will be made available and who may receive such information in accordance with the Assignee's compliance procedures and applicable laws, including federal and state securities laws) and all applicable tax forms required pursuant to Section 3.01(d).

This paragraph (b) shall not prohibit any Lender from assigning all or a portion of its rights and obligations among separate Facilities on a non-pro rata basis among such Facilities.

In connection with any assignment of rights and obligations of any Defaulting Lender hereunder, no such assignment shall be effective unless and until, in addition to the other conditions

thereto set forth herein, the parties to the assignment shall make such additional payments to the Administrative Agent in an aggregate amount sufficient, upon distribution thereof as appropriate (which may be outright payment, purchases by the assignee of participations or subparticipations, or other compensating actions, including funding, with the consent of the Borrower and the Administrative Agent, the applicable pro rata share of Loans previously requested but not funded by the Defaulting Lender, to each of which the applicable assignee and assignor hereby irrevocably consent), to (x) pay and satisfy in full all payment liabilities then owed by such Defaulting Lender to the Administrative Agent or any Lender hereunder (and interest accrued thereon) and (y) acquire (and fund as appropriate) its full pro rata share of all Loans and participations in Letters of Credit and Swing Line Loans in accordance with its Pro Rata Share. Notwithstanding the foregoing, in the event that any assignment of rights and obligations of any Defaulting Lender hereunder shall become effective under applicable Law without compliance with the provisions of this paragraph, then the assignee of such interest shall be deemed to be a Defaulting Lender for all purposes of this Agreement until such compliance occurs.

(c) Subject to acceptance and recording thereof by the Administrative Agent pursuant to Sections 10.07(d) and (e), from and after the effective date specified in each Assignment and Assumption, (1) other than in connection with an assignment pursuant to Section 10.07(m), the Eligible Assignee thereunder shall be a party to this Agreement and, to the extent of the interest assigned by such Assignment and Assumption, have the rights and obligations of a Lender under this Agreement, and (2) the assigning Lender thereunder shall, to the extent of the interest assigned by such Assignment and Assumption, be released from its obligations under this Agreement (and, in the case of an Assignment and Assumption covering all of the assigning Lender's rights and obligations under this Agreement, such Lender shall cease to be a party hereto but shall continue to be entitled to the benefits of Sections 3.01, 3.04, 3.05, 10.04 and 10.05 with respect to facts and circumstances occurring prior to the effective date of such assignment). Upon request, and the surrender by the assigning Lender of its Note, the Borrower (at its expense) shall execute and deliver a Note to the assignee Lender. Any assignment or transfer by a Lender of rights or obligations under this Agreement that does not comply with this clause (c) shall be treated for purposes of this Agreement as a sale by such Lender of a participation in such rights and obligations in accordance with Section 10.07(f).

(d) The Administrative Agent, acting solely for this purpose as an agent of the Borrower, shall maintain at the Administrative Agent's Office a copy of each Assignment and Assumption, each Affiliated Lender Assignment and Assumption delivered to it, and each notice of cancellation of any Loans delivered by the Borrower pursuant to Section 10.07(m) and a register for the recordation of the names and addresses of the Lenders, and the Commitments of, and principal amounts (and related interest amounts) of the Loans, L/C Obligations (specifying the Unreimbursed Amounts), L/C Borrowings and the amounts due under Section 2.03, owing to, each Lender pursuant to the terms hereof from time to time (the "**Register**"). The entries in the Register shall be conclusive, absent manifest error, and the Borrower, the Agents and the Lenders shall treat each Person whose name is recorded in the Register pursuant to the terms hereof as a Lender hereunder for all purposes of this Agreement, notwithstanding notice to the contrary. The Register shall be available for inspection by the Borrower, any Agent and, with respect to such Lender's own interest only, any Lender, at any reasonable time and from time to time upon reasonable prior notice. This Section 10.07(d) and Section 2.11 shall be construed so that all Loans are at all times maintained in "registered form" within the meaning of Sections 163(f), 871(h)(2) and 881(c)(2) of the Code and any related Treasury regulations (or any other relevant or successor provisions of the Code or of such Treasury regulations). Notwithstanding the foregoing, in no event shall the Administrative Agent be obligated to ascertain, monitor or inquire as to whether any Lender is an Affiliated Lender nor shall the Administrative Agent be obligated to monitor the aggregate amount of Term Loans or Incremental Term Loans held by Affiliated Lenders. Upon request by the Administrative Agent, the Borrower shall (i) promptly (and in any case, not less than five (5) Business Days (or shorter period as agreed

to by the Administrative Agent) prior to the proposed effective date of any amendment, consent or waiver pursuant to Section 10.01) provide to the Administrative Agent, a complete list of all Affiliated Lenders holding Term Loans or Incremental Term Loans at such time and (ii) not less than five (5) Business Days (or shorter period as agreed to by the Administrative Agent) prior to the proposed effective date of any amendment, consent or waiver pursuant to Section 10.01, provide to the Administrative Agent, a complete list of all Debt Fund Affiliates holding Term Loans or Incremental Term Loans at such time.

(e) Upon its receipt of, and consent to, a duly completed Assignment and Assumption executed by an assigning Lender and an Assignee, an Administrative Questionnaire completed in respect of the assignee (unless the Assignee shall already be a Lender hereunder), the processing and recordation fee referred to in paragraph (b) above, if applicable, and the written consent of the Administrative Agent, if required, and, if required, the Borrower, the Swing Line Lender and each L/C Issuer to such assignment and any applicable tax forms required pursuant to Section 3.01(d), the Administrative Agent shall promptly (i) accept such Assignment and Assumption and (ii) record the information contained therein in the Register. No assignment shall be effective unless it has been recorded in the Register as provided in this paragraph (e).

(f) Any Lender may at any time sell participations to any Person, subject to the proviso to Section 10.07(a) (each, a **Participant**"), in all or a portion of such Lender's rights and/or obligations under this Agreement (including all or a portion of its Commitment and/or the Loans (including such Lender's participations in L/C Obligations and/or Swing Line Loans) owing to it); *provided* that (i) such Lender's obligations under this Agreement shall remain unchanged, (ii) such Lender shall remain solely responsible to the other parties hereto for the performance of such obligations and (iii) the Borrower, the Agents and the other Lenders shall continue to deal solely and directly with such Lender in connection with such Lender's rights and obligations under this Agreement. Any agreement or instrument pursuant to which a Lender sells such a participation shall provide that such Lender shall retain the sole right to enforce this Agreement and the other Loan Documents and to approve any amendment, modification or waiver of any provision of this Agreement or the other Loan Documents; *provided* that such agreement or instrument may provide that such Lender will not, without the consent of the Participant, agree to any amendment, waiver or other modification described in the first proviso to Section 10.01 that requires the affirmative vote of such Lender. Subject to Section 10.07(g), the Borrower agrees that each Participant shall be entitled to the benefits of Sections 3.01, 3.04 and 3.05 (subject to the requirements and limitations of such Sections) to the same extent as if it were a Lender and had acquired its interest by assignment pursuant to Section 10.07(c). To the extent permitted by applicable Law, each Participant also shall be entitled to the benefits of Section 10.09 as though it were a Lender; *provided* that such Participant agrees to be subject to Section 2.13 as though it were a Lender. Each Lender that sells a participation shall, acting solely for this purpose as an agent of the Borrower, maintain a register on which it enters the name and address of each Participant and the principal amounts (and stated interest) of each participant's interest in the Loans or other obligations under this Agreement (the "**Participant Register**"); *provided* that no Lender shall have any obligation to disclose all or any portion of the Participant Register to any Person (including the identity of any Participant or any information relating to a Participant's interest in any Commitments, Loans or Letters of Credit or its other obligations under any Loan Document) except to the extent that such disclosure is necessary in connection with an audit or other proceeding to establish that such Commitment, Loan, Letter of Credit or other obligation is in registered form under Section 5f.103-1(c) of the United States Treasury Regulations. The entries in the Participant Register shall be conclusive and such Lender shall treat each person whose name is recorded in the Participant Register as the owner of such participation for all purposes of this Agreement notwithstanding any notice to the contrary.

(g) A Participant shall not be entitled to receive any greater payment under Sections 3.01, 3.04 or 3.05 than the applicable Lender would have been entitled to receive with respect to the

participation sold to such Participant, unless the sale of the participation to such Participant is made with the Borrower's prior written consent, not to be unreasonably withheld or delayed.

(h) Any Lender may, without the consent of the Borrower or the Administrative Agent, at any time pledge or assign a security interest in all or any portion of its rights under this Agreement (including under its Note, if any) to secure obligations of such Lender, including any pledge or assignment to secure obligations to a Federal Reserve Bank; *provided* that no such pledge or assignment shall release such Lender from any of its obligations hereunder or substitute any such pledgee or assignee for such Lender as a party hereto.

(i) Notwithstanding anything to the contrary contained herein, any Lender (a "**Granting Lender**") may grant to a special purpose funding vehicle identified as such in writing from time to time by the Granting Lender to the Administrative Agent and the Borrower (an "**SPC**") the option to provide all or any part of any Loan that such Granting Lender would otherwise be obligated to make pursuant to this Agreement; *provided* that (i) nothing herein shall constitute a commitment by any SPC to fund any Loan, (ii) if an SPC elects not to exercise such option or otherwise fails to make all or any part of such Loan, the Granting Lender shall be obligated to make such Loan pursuant to the terms hereof and (iii) such SPC and the applicable Loan or any applicable part thereof, shall be appropriately reflected in the Participant Register. Each party hereto hereby agrees that (i) an SPC shall be entitled to the benefit of Sections 3.01, 3.04 and 3.05 (subject to the requirements and the limitations of such Section), but neither the grant to any SPC nor the exercise by any SPC of such option shall increase the costs or expenses or otherwise increase or change the obligations of the Borrower under this Agreement except in the case of Sections 3.01 or 3.04, to the extent that the grant to the SPC was made with the prior written consent of the Borrower (not to be unreasonably withheld or delayed; for the avoidance of doubt, the Borrower shall have reasonable basis for withholding consent if an exercise by SPC immediately after the grant would result in materially increased indemnification obligations to the Borrower at such time), (ii) no SPC shall be liable for any indemnity or similar payment obligation under this Agreement for which a Lender would be liable, and (iii) the Granting Lender shall for all purposes, including the approval of any amendment, waiver or other modification of any provision of any Loan Document, remain the lender of record hereunder. The making of a Loan by an SPC hereunder shall utilize the Commitment of the Granting Lender to the same extent, and as if, such Loan were made by such Granting Lender. Notwithstanding anything to the contrary contained herein, any SPC may (i) with notice to, but without prior consent of the Borrower and the Administrative Agent and with the payment of a processing fee of $3,500, assign all or any portion of its right to receive payment with respect to any Loan to the Granting Lender and (ii) disclose on a confidential basis any non-public information relating to its funding of Loans to any rating agency, commercial paper dealer or provider of any surety or Guarantee or credit or liquidity enhancement to such SPC.

(j) Notwithstanding anything to the contrary contained herein, without the consent of the Borrower or the Administrative Agent, (1) any Lender may in accordance with applicable Law create a security interest in all or any portion of the Loans owing to it and the Note, if any, held by it and (2) any Lender that is a Fund may create a security interest in all or any portion of the Loans owing to it and the Note, if any, held by it to the trustee for holders of obligations owed, or securities issued, by such Fund as security for such obligations or securities; *provided* that unless and until such trustee actually becomes a Lender in compliance with the other provisions of this Section 10.07, (i) no such pledge shall release the pledging Lender from any of its obligations under the Loan Documents and (ii) such trustee shall not be entitled to exercise any of the rights of a Lender under the Loan Documents even though such trustee may have acquired ownership rights with respect to the pledged interest through foreclosure or otherwise.

(k) Notwithstanding anything to the contrary contained herein, any L/C Issuer or Swing Line Lender may, upon thirty (30) days' notice to the Borrower and the Lenders, resign as an L/C

Issuer or Swing Line Lender, respectively; *provided* that on or prior to the expiration of such 30-day period with respect to such resignation, the relevant L/C Issuer or Swing Line Lender shall have identified a successor L/C Issuer or Swing Line Lender reasonably acceptable to the Borrower willing to accept its appointment as successor L/C Issuer or Swing Line Lender, as applicable. In the event of any such resignation of an L/C Issuer or Swing Line Lender, the Borrower shall be entitled to appoint from among the Lenders willing to accept such appointment a successor L/C Issuer or Swing Line Lender hereunder; *provided* that no failure by the Borrower to appoint any such successor shall affect the resignation of the relevant L/C Issuer or the Swing Line Lender, as the case may be, except as expressly provided above. If an L/C Issuer resigns as an L/C Issuer, it shall retain all the rights and obligations of an L/C Issuer hereunder with respect to all Letters of Credit outstanding as of the effective date of its resignation as an L/C Issuer and all L/C Obligations with respect thereto (including the right to require the Lenders to make Base Rate Loans or fund risk participations in Unreimbursed Amounts pursuant to Section 2.03(c)). If the Swing Line Lender resigns as Swing Line Lender, it shall retain all the rights of the Swing Line Lender provided for hereunder with respect to Swing Line Loans made by it and outstanding as of the effective date of such resignation, including the right to require the Lenders to make Base Rate Loans, ~~Eurocurrency~~Benchmark Rate Loans or fund risk participations in outstanding Swing Line Loans pursuant to Section 2.04(c).

(l) Any Lender may, so long as no Default or Event of Default has occurred and is continuing, at any time, assign all or a portion of its rights and obligations with respect to Term Loans under this Agreement to a Person who is or will become, after such assignment, an Affiliated Lender through (x) Dutch auctions open to all Lenders on a pro rata basis in accordance with procedures of the type described in Section 2.05(a)(v) or (y) open market purchases on a non-pro rata basis, in each case subject to the following limitations:

(i) the assigning Lender and the Affiliated Lender purchasing such Lender's Term Loans shall execute and deliver to the Administrative Agent an assignment agreement substantially in the form of Exhibit M-1 hereto (an "**Affiliated Lender Assignment and Assumption**");

(ii) Affiliated Lenders will not receive information provided solely to Lenders by the Administrative Agent or any Lender and will not be permitted to attend or participate in conference calls or meetings attended solely by the Lenders and the Administrative Agent, other than the right to receive notices of prepayments and other administrative notices in respect of its Loans or Commitments required to be delivered to Lenders pursuant to Article II;

(iii)the aggregate principal amount of Term Loans held at any one time by Affiliated Lenders shall not exceed 30% of the original principal amount of all Term Loans at such time outstanding (such percentage, the "**Affiliated Lender Cap**")*; provided* that to the extent any assignment to an Affiliated Lender would result in the aggregate principal amount of all Loans held by Affiliated Lenders exceeding the Affiliated Lender Cap, the assignment of such excess amount will be void *ab initio*; and

(iv)as a condition to each assignment pursuant to this clause (l), the Administrative Agent shall have been provided a notice in the form of Exhibit M-2 to this Agreement in connection with each assignment to an Affiliated Lender or a Person that upon effectiveness of such assignment would constitute an Affiliated Lender pursuant to which such Affiliated Lender shall waive any right to bring any action in connection with such Term Loans against the Administrative Agent, in its capacity as such.

Each Affiliated Lender agrees to notify the Administrative Agent promptly (and in any event within ten (10) Business Days) if it acquires any Person who is also a Lender, and each Lender agrees to notify the Administrative Agent promptly (and in any event within ten (10) Business Days) if it becomes an Affiliated Lender. Such notice shall contain the type of information required and be delivered to the same addressee as set forth in Exhibit M-2.

(m) Any Lender may, so long as no Default or Event of Default has occurred and is continuing and no proceeds of Revolving Credit Borrowings are applied to fund the consideration for any such assignment, at any time, assign all or a portion of its rights and obligations with respect to Term Loans under this Agreement to Holdings or the Borrower through (x) Dutch auctions open to all Lenders on a pro rata basis in accordance with procedures of the type described in Section 2.05(a)(v) or (y) notwithstanding Sections 2.12 and 2.13 or any other provision in this Agreement, open market purchase on a non-pro rata basis; *provided* that in connection with assignments pursuant to clause (y) above:

(i) if Holdings is the assignee, upon such assignment, transfer or contribution, Holdings shall automatically be deemed to have contributed the principal amount of such Term Loans, plus all accrued and unpaid interest thereon, to the Borrower; or

(ii) if the assignee is the Borrower (including through contribution or transfers set forth in clause (i) above), (A) the principal amount of such Term Loans, along with all accrued and unpaid interest thereon, so contributed, assigned or transferred to the Borrower shall be deemed automatically cancelled and extinguished on the date of such contribution, assignment or transfer, (B) the aggregate outstanding principal amount of Term Loans of the remaining Lenders shall reflect such cancellation and extinguishing of the Term Loans then held by the Borrower and (C) the Borrower shall promptly provide notice to the Administrative Agent of such contribution, assignment or transfer of such Term Loans, and the Administrative Agent, upon receipt of such notice, shall reflect the cancellation of the applicable Term Loans in the Register.

(n) Notwithstanding anything in Section 10.01 or the definition of "Required Lenders," "Required Class Lenders," or "Required Facility Lenders" to the contrary, for purposes of determining whether the Required Lenders, the Required Class Lenders (in respect of a Class of Term Loans) or the Required Facility Lenders have (i) consented (or not consented) to any amendment, modification, waiver, consent or other action with respect to any of the terms of any Loan Document or any departure by any Loan Party therefrom unless the action in question affects any Non-Debt Affiliate in a disproportionately adverse manner than its effect on the other Lenders, or subject to Section 10.07(o), any plan of reorganization pursuant to the U.S. Bankruptcy Code, (ii) otherwise acted on any matter related to any Loan Document, or (iii) directed or required the Administrative Agent or any Lender to undertake any action (or refrain from taking any action) with respect to or under any Loan Document, no Affiliated Lender shall have any right to consent (or not consent), otherwise act or direct or require the Administrative Agent or any Lender to take (or refrain from taking) any such action and:

(A) all Term Loans held by any Affiliated Lenders shall be deemed to be not outstanding for all purposes of calculating whether the Required Lenders, the Required Class Lenders (in respect of a Class of Term Loans) or the Required Facility Lenders have taken any actions; and

(B) all Term Loans held by Affiliated Lenders shall be deemed to be not outstanding for all purposes of calculating whether all Lenders have taken any action unless the action in question affects such Affiliated Lender in a disproportionately adverse manner than its effect on other Lenders.

(o) Notwithstanding anything in this Agreement or the other Loan Documents to the contrary, each Affiliated Lender hereby agrees that and each Affiliated Lender Assignment and Assumption shall provide a confirmation that, if a proceeding under any Debtor Relief Law shall be commenced by or against the Borrower or any other Loan Party at a time when such Lender is an Affiliated Lender, such Affiliated Lender irrevocably authorizes and empowers the Administrative Agent to vote on behalf of such Affiliated Lender with respect to the Term Loans held by such Affiliated Lender in any manner in the Administrative Agent's sole discretion, unless the Administrative Agent instructs such Affiliated Lender to vote, in which case such Affiliated Lender shall vote with respect to the Term Loans held by it as the Administrative Agent directs; *provided* that such Affiliated Lender shall be entitled to vote in accordance with its sole discretion (and not in accordance with the direction of the Administrative Agent) in connection with any plan of reorganization to the extent any such plan of reorganization proposes to treat any Obligations held by such Affiliated Lender in a disproportionately adverse manner to such Affiliated Lender than the proposed treatment of similar Obligations held by Term Lenders that are not Affiliated Lenders.

(p) Notwithstanding anything in Section 10.01 or the definition of "Required Lenders" to the contrary, for purposes of determining whether the Required Lenders have (i) consented (or not consented) to any amendment, modification, waiver, consent or other action with respect to any of the terms of any Loan Document or any departure by any Loan Party therefrom, (ii) otherwise acted on any matter related to any Loan Document or (iii) directed or required the Administrative Agent or any Lender to undertake any action (or refrain from taking any action) with respect to or under any Loan Document, all Term Loans, Revolving Credit Commitments and Revolving Credit Loans held by Debt Fund Affiliates may not account for more than 50% (pro rata among such Debt Fund Affiliates) of the Term Loans, Revolving Credit Commitments and Revolving Credit Loans of consenting Lenders included in determining whether the Required Lenders have consented to any action pursuant to Section 10.01.

SECTION 10.08 Confidentiality.

Each of the Agents and the Lenders agrees to maintain the confidentiality of the Information and not to disclose such information, except that Information may be disclosed (a) to its Affiliates and its and its Affiliates' managers, administrators, directors, officers, employees, trustees, partners, investors, investment advisors and agents, including accountants, legal counsel and other advisors (it being understood that the Persons to whom such disclosure is made will be informed of the confidential nature of such Information and instructed to keep such Information confidential); (b) to the extent requested by any Governmental Authority or self-regulatory authority having or asserting jurisdiction over such Person (including any Governmental Authority or examiner (including the National Association of Insurance Commissioners or any other similar organization) regulating any Lender or its Affiliates); *provided* that the Administrative Agent or such Lender, as applicable, agrees that it will notify the Borrower as soon as practicable in the event of any such disclosure by such Person (other than at the request of a regulatory authority or examiner) unless such notification is prohibited by law, rule or regulation; (c) to the CUSIP Service Bureau or any similar agency in connection with the issuance and monitoring of CUSIP numbers with respect to the Facilities or market data collectors, similar services providers to the lending industry and service providers to the Administrative Agent in connection with the administration and management of this Agreement and the Loan Documents; (d) to the extent required by applicable Laws or regulations or by any subpoena or similar legal process; *provided* that the Administrative Agent or such Lender, as applicable, agrees that it will notify the Borrower as soon as practicable in the event of any such disclosure by such Person (other than at the request of a regulatory authority or examiner) unless such notification is prohibited by law, rule or regulation; (e) to any other party to this Agreement; (f) subject to an agreement containing provisions at least as restrictive as those set forth in this Section 10.08 (or as may otherwise be reasonably acceptable to the Borrower), to any pledgee referred to in Section 10.07(h), counterparty to a Swap Contract, Eligible Assignee of or Participant in, or any prospective Eligible Assignee of or Participant in any of its rights or obligations under this Agreement (*provided*

that the disclosure of any such Information to any Lenders or Eligible Assignees or Participants shall be made subject to the acknowledgement and acceptance by such Lender, Eligible Assignee or Participant that such Information is being disseminated on a confidential basis (on substantially the terms set forth in this Section 10.08 or as otherwise reasonably acceptable to the Borrower, including, without limitation, as agreed in any Borrower Materials) in accordance with the standard processes of the Administrative Agent or customary market standards for dissemination of such type of Information; (g) with the written consent of the Borrower; (h) to the extent such Information becomes publicly available other than as a result of a breach of this Section 10.08 or becomes available to the Administrative Agent, the Lead Arrangers, any Lender, the L/C Issuer or any of their respective Affiliates on a nonconfidential basis from a source other than a Loan Party or any Investor or their respective Affiliates (so long as such source is not known to the Administrative Agent, the Lead Arrangers, such Lender, such L/C Issuer or any of their respective Affiliates to be bound by confidentiality obligations to any Loan Party); (i) to any Governmental Authority or examiner (including the National Association of Insurance Commissioners or any other similar organization) regulating any Lender; (j) to any rating agency when required by it (it being understood that, prior to any such disclosure, such rating agency shall undertake to preserve the confidentiality of any Information relating to Loan Parties and their Subsidiaries received by it from such Lender) or to the CUSIP Service Bureau or any similar organization; (k) in connection with the exercise of any remedies hereunder, under any other Loan Document or the enforcement of its rights hereunder or thereunder or (l) to the extent such Information is independently developed by the Administrative Agent, the Lead Arrangers, such Lender, such L/C Issuer or any of their respective Affiliates; *provided* that no disclosure shall be made to any Disqualified Lender. In addition, the Agents and the Lenders may disclose the existence of this Agreement and publicly available information about this Agreement to market data collectors, similar service providers to the lending industry, and service providers to the Agents and the Lenders in connection with the administration and management of this Agreement, the other Loan Documents, the Commitments, and the Credit Extensions. For the purposes of this Section 10.08, "**Information**" means all information received from the Loan Parties relating to any Loan Party, its Affiliates or its Affiliates' directors, managers, officers, employees, trustees, investment advisors or agents, relating to Holdings, the Borrower or any of their Subsidiaries or its business, other than any such information that is publicly available to any Agent, any L/C Issuer or any Lender prior to disclosure by any Loan Party other than as a result of a breach of this Section 10.08; *provided* that all information received after the Closing Date from Parent, Intermediate Parent, Holdings, the Borrower or any of its Subsidiaries shall be deemed confidential unless such information is clearly identified at the time of delivery as not being confidential.

SECTION 10.09 Setoff.

In addition to any rights and remedies of the Lenders provided by Law, upon the occurrence and during the continuance of any Event of Default, each Lender and its Affiliates (and the Collateral Agent, in respect of any unpaid fees, costs and expenses payable hereunder) is authorized at any time and from time to time, without prior notice to the Borrower, any such notice being waived by the Borrower (on its own behalf and on behalf of each Loan Party and each of its Subsidiaries) to the fullest extent permitted by applicable Law, to set off and apply any and all deposits (general or special, time or demand, provisional or final) at any time held by, and other Indebtedness at any time owing by, such Lender and its Affiliates or the Collateral Agent to or for the credit or the account of the respective Loan Parties and their Subsidiaries against any and all Obligations owing to such Lender and its Affiliates or the Collateral Agent hereunder or under any other Loan Document, now or hereafter existing, irrespective of whether or not such Agent or such Lender or Affiliate shall have made demand under this Agreement or any other Loan Document and although such Obligations may be contingent or unmatured or denominated in a currency different from that of the applicable deposit or Indebtedness; *provided* that in the event that any Defaulting Lender shall exercise any such right of setoff, (x) all amounts so set off shall be paid over immediately to the Administrative Agent for further application in accordance with the provisions of Section 2.17 and, pending such payment, shall be segregated by such Defaulting Lender from its other funds and deemed held in trust for the benefit of the Administrative Agent, the L/C Issuers, and the Lenders, and (y) the Defaulting Lender

shall provide promptly to the Administrative Agent a statement describing in reasonable detail the Obligations owing to such Defaulting Lender as to which it exercised such right of setoff. Each Lender agrees promptly to notify the Borrower and the Administrative Agent after any such set off and application made by such Lender; *provided* that the failure to give such notice shall not affect the validity of such setoff and application. The rights of the Administrative Agent, the Collateral Agent and each Lender under this Section 10.09 are in addition to other rights and remedies (including other rights of setoff) that the Administrative Agent, the Collateral Agent and such Lender may have. No amounts set off from any Guarantor shall be applied to any Excluded Swap Obligations of such Guarantor.

SECTION 10.10 Interest Rate Limitation.

Notwithstanding anything to the contrary contained in any Loan Document, the interest paid or agreed to be paid under the Loan Documents shall not exceed the maximum rate of non-usurious interest permitted by applicable Law (the "**Maximum Rate**"). If any Agent or any Lender shall receive interest in an amount that exceeds the Maximum Rate, the excess interest shall be applied to the principal of the Loans or, if it exceeds such unpaid principal, refunded to the Borrower. In determining whether the interest contracted for, charged, or received by an Agent or a Lender exceeds the Maximum Rate, such Person may, to the extent permitted by applicable Law, (a) characterize any payment that is not principal as an expense, fee, or premium rather than interest, (b) exclude voluntary prepayments and the effects thereof, and (c) amortize, prorate, allocate, and spread in equal or unequal parts the total amount of interest throughout the contemplated term of the Obligations hereunder.

SECTION 10.11 Counterparts.

This Agreement and each other Loan Document may be executed in one or more counterparts, each of which shall be deemed an original, but all of which together shall constitute one and the same instrument. Delivery by telecopier or other electronic transmission of an executed counterpart of a signature page to this Agreement and each other Loan Document shall be effective as delivery of an original executed counterpart of this Agreement and such other Loan Document. The Agents may also require that any such documents and signatures delivered by telecopier or other electronic transmission be confirmed by a manually signed original thereof; *provided* that the failure to request or deliver the same shall not limit the effectiveness of any document or signature delivered by telecopier or other electronic transmission.

SECTION 10.12 Integration; Termination.

This Agreement, together with the other Loan Documents, comprises the complete and integrated agreement of the parties on the subject matter hereof and thereof and supersedes all prior agreements, written or oral, on such subject matter. In the event of any conflict between the provisions of this Agreement and those of any other Loan Document, the provisions of this Agreement shall control; *provided* that the inclusion of supplemental rights or remedies in favor of the Agents or the Lenders in any other Loan Document shall not be deemed a conflict with this Agreement. Each Loan Document was drafted with the joint participation of the respective parties thereto and shall be construed neither against nor in favor of any party, but rather in accordance with the fair meaning thereof.

SECTION 10.13 Survival of Representations and Warranties.

All representations and warranties made hereunder and in any other Loan Document or other document delivered pursuant hereto or thereto or in connection herewith or therewith shall survive the execution and delivery hereof and thereof. Such representations and warranties have been or will be relied upon by each Agent and each Lender, regardless of any investigation made by any Agent or any Lender or on their behalf and notwithstanding that any Agent or any Lender may have had notice

or knowledge of any Default at the time of any Credit Extension, and shall continue in full force and effect as long as any Loan or any other Obligation hereunder shall remain unpaid or unsatisfied or any Letter of Credit shall remain outstanding.

SECTION 10.14 Severability.

If any provision of this Agreement or the other Loan Documents is held to be illegal, invalid or unenforceable, the legality, validity and enforceability of the remaining provisions of this Agreement and the other Loan Documents shall not be affected or impaired thereby. The invalidity of a provision in a particular jurisdiction shall not invalidate or render unenforceable such provision in any other jurisdiction. Without limiting the foregoing provisions of this Section 10.14, if and to the extent that the enforceability of any provisions in this Agreement relating to Defaulting Lenders shall be limited by Debtor Relief Laws, as determined in good faith by the Administrative Agent, the L/C Issuer or the Swing Line Lender, as applicable, then such provisions shall be deemed to be in effect only to the extent not so limited. Without limiting the foregoing provisions of this Section 10.14, if and to the extent that the enforceability of any provisions in this Agreement relating to Defaulting Lenders shall be limited by Debtor Relief Laws, as determined in good faith by the Administrative Agent, the L/C Issuer or the Swing Line Lender, as applicable, then such provisions shall be deemed to be in effect only to the extent not so limited.

SECTION 10.15 GOVERNING LAW.

(a) THIS AGREEMENT AND EACH OTHER LOAN DOCUMENT SHALL BE GOVERNED BY, AND CONSTRUED IN ACCORDANCE WITH, THE LAW OF THE STATE OF NEW YORK.

(b) ANY LEGAL ACTION OR PROCEEDING ARISING UNDER ANY LOAN DOCUMENT OR IN ANY WAY CONNECTED WITH OR RELATED OR INCIDENTAL TO THE DEALINGS OF THE PARTIES HERETO OR ANY OF THEM WITH RESPECT TO ANY LOAN DOCUMENT, OR THE TRANSACTIONS RELATED THERETO, IN EACH CASE WHETHER NOW EXISTING OR HEREAFTER ARISING, SHALL BE BROUGHT IN THE COURTS OF THE STATE OF NEW YORK SITTING IN NEW YORK CITY OR OF THE UNITED STATES FOR THE SOUTHERN DISTRICT OF SUCH STATE, AND BY EXECUTION AND DELIVERY OF THIS AGREEMENT, EACH LOAN PARTY, EACH AGENT AND EACH LENDER CONSENTS, FOR ITSELF AND IN RESPECT OF ITS PROPERTY, TO THE EXCLUSIVE JURISDICTION OF THOSE COURTS AND AGREES THAT IT WILL NOT COMMENCE OR SUPPORT ANY SUCH ACTION OR PROCEEDING IN ANOTHER JURISDICTION. EACH LOAN PARTY, EACH AGENT AND EACH LENDER IRREVOCABLY WAIVES ANY OBJECTION, INCLUDING ANY OBJECTION TO THE LAYING OF VENUE OR BASED ON THE GROUNDS OF *FORUM NON CONVENIENS*, WHICH IT MAY NOW OR HEREAFTER HAVE TO THE BRINGING OF ANY ACTION OR PROCEEDING IN SUCH JURISDICTION IN RESPECT OF ANY LOAN DOCUMENT OR OTHER DOCUMENT RELATED THERETO. EACH PARTY HERETO IRREVOCABLY CONSENTS TO SERVICE OF PROCESS IN ANY ACTION OR PROCEEDING ARISING OUT OF OR RELATING TO ANY LOAN DOCUMENTS IN THE MANNER PROVIDED FOR NOTICES (OTHER THAN TELECOPIER OR OTHER ELECTRONIC TRANSMISSION) IN SECTION 10.02. NOTHING IN THIS AGREEMENT OR ANY OTHER LOAN DOCUMENT WILL AFFECT THE RIGHT OF ANY PARTY HERETO TO SERVE PROCESS IN ANY OTHER MANNER PERMITTED BY APPLICABLE LAW.

SECTION 10.16 WAIVER OF RIGHT TO TRIAL BY JURY.

TO THE EXTENT PERMITTED BY APPLICABLE LAW, EACH PARTY TO THIS AGREEMENT HEREBY EXPRESSLY WAIVES ANY RIGHT TO TRIAL BY JURY OF ANY

CLAIM, DEMAND, ACTION OR CAUSE OF ACTION ARISING UNDER ANY LOAN DOCUMENT OR IN ANY WAY CONNECTED WITH OR RELATED OR INCIDENTAL TO THE DEALINGS OF THE PARTIES HERETO OR ANY OF THEM WITH RESPECT TO ANY LOAN DOCUMENT, OR THE TRANSACTIONS RELATED THERETO, IN EACH CASE WHETHER NOW EXISTING OR HEREAFTER ARISING, AND WHETHER FOUNDED IN CONTRACT OR TORT OR OTHERWISE; AND EACH PARTY HEREBY AGREES AND CONSENTS THAT ANY SUCH CLAIM, DEMAND, ACTION OR CAUSE OF ACTION SHALL BE DECIDED BY COURT TRIAL WITHOUT A JURY, AND THAT ANY PARTY TO THIS AGREEMENT MAY FILE AN ORIGINAL COUNTERPART OR A COPY OF THIS SECTION 10.16 WITH ANY COURT AS WRITTEN EVIDENCE OF THE CONSENT OF THE SIGNATORIES HERETO TO THE WAIVER OF THEIR RIGHT TO TRIAL BY JURY.

SECTION 10.17 Binding Effect.

This Agreement shall become effective when it shall have been executed by the Loan Parties, the Administrative Agent, the Collateral Agent, the L/C Issuers, and the Administrative Agent shall have been notified by each Lender, the Swing Line Lender and the L/C Issuers that each Lender, the Swing Line Lender and the L/C Issuers have executed it and thereafter shall be binding upon and inure to the benefit of the Loan Parties, each Agent and each Lender and their respective successors and assigns, in each case in accordance with Section 10.07 (if applicable) and except that no Loan Party shall have the right to assign its rights hereunder or any interest herein without the prior written consent of the Lenders except as permitted by Section 7.04.

SECTION 10.18 USA PATRIOT Act.

Each Lender that is subject to the USA PATRIOT Act and the Administrative Agent (for itself and not on behalf of any Lender) hereby notifies the Borrower that pursuant to the requirements of the USA PATRIOT Act and the Beneficial Ownership Regulation, it is required to obtain, verify and record information that identifies each Loan Party, which information includes the name, address and tax identification number of such Loan Party and other information regarding such Loan Party that will allow such Lender or the Administrative Agent, as applicable, to identify, such Loan Party in accordance with the USA PATRIOT Act, and the Borrower in accordance with the Beneficial Ownership Regulation. This notice is given in accordance with the requirements of the USA PATRIOT Act and the Beneficial Ownership Regulation and is effective as to the Lenders and the Administrative Agent.

SECTION 10.19 No Advisory or Fiduciary Responsibility.

(a) In connection with all aspects of each transaction contemplated hereby, each Loan Party acknowledges and agrees, and acknowledges its Affiliates' understanding, that (i) the facilities provided for hereunder and any related arranging or other services in connection therewith (including in connection with any amendment, waiver or other modification hereof or of any other Loan Document) are an arm's-length commercial transaction between the Borrower and its Affiliates, on the one hand, and the Agents, the Lead Arrangers and the Lenders, on the other hand, and the Borrower is capable of evaluating and understanding and understands and accepts the terms, risks and conditions of the transactions contemplated hereby and by the other Loan Documents (including any amendment, waiver or other modification hereof or thereof), (ii) in connection with the process leading to such transaction, each of the Agents, the Lead Arrangers and the Lenders is and has been acting solely as a principal and is not the financial advisor, agent or fiduciary, for the Borrower or any of its Affiliates, stockholders, creditors or employees or any other Person, (iii) none of the Agents, the Lead Arrangers or the Lenders has assumed or will assume an advisory, agency or fiduciary responsibility in favor of the Borrower with respect to any of the transactions contemplated hereby or the process leading thereto, including with respect to any amendment, waiver or other modification hereof or of any other Loan Document (irrespective of whether any Agent or Lender

has advised or is currently advising the Borrower or any of its Affiliates on other matters) and none of the Agents, the Lead Arrangers or the Lenders has any obligation to the Borrower or any of its Affiliates with respect to the financing transactions contemplated hereby except those obligations expressly set forth herein and in the other Loan Documents, (iv) the Agents, the Lead Arrangers and the Lenders and their respective Affiliates may be engaged in a broad range of transactions that involve interests that differ from, and may conflict with, those of the Borrower and its Affiliates, and none of the Agents, the Lead Arrangers or the Lenders has any obligation to disclose any of such interests by virtue of any advisory, agency or fiduciary relationship and (v) the Agents, the Lead Arrangers and the Lenders have not provided and will not provide any legal, accounting, regulatory or tax advice with respect to any of the transactions contemplated hereby (including any amendment, waiver or other modification hereof or of any other Loan Document) and the Loan Parties have consulted their own legal, accounting, regulatory and tax advisors to the extent they have deemed appropriate. Each Loan Party hereby waives and releases, to the fullest extent permitted by law, any claims that it may have against the Agents, the Lead Arrangers and the Lenders with respect to any breach or alleged breach of agency or fiduciary duty under applicable law relating to agency and fiduciary obligations.

Each Loan Party acknowledges and agrees that each Lender, the Lead Arrangers and any affiliate thereof may lend money to, invest in, and generally engage in any kind of business with, any of the Borrower, Holdings, any Investor, any Affiliate thereof or any other person or entity that may do business with or own securities of any of the foregoing, all as if such Lender, the Lead Arrangers or Affiliate thereof were not an Lender or the Lead Arrangers (or an agent or any other person with any similar role under the Facilities) and without any duty to account therefor to any other Lender, the Lead Arrangers, Holdings, the Borrower, any Investor or any Affiliate of the foregoing. Each Lender, the Lead Arrangers and any affiliate thereof may accept fees and other consideration from Holdings, the Borrower, any Investor or any Affiliate thereof for services in connection with this Agreement, the Facilities or otherwise without having to account for the same to any other Lender, the Lead Arrangers, Holdings, the Borrower, any Investor or any Affiliate of the foregoing. Some or all of the Lenders and the Lead Arrangers may have directly or indirectly acquired certain equity interests (including warrants) in Holdings, the Borrower, an Investor or an Affiliate thereof or may have directly or indirectly extended credit on a subordinated basis to Holdings, the Borrower, an Investor or an Affiliate thereof. Each party hereto, on its behalf and on behalf of its affiliates, acknowledges and waives the potential conflict of interest resulting from any such Lender, the Lead Arrangers or an Affiliate thereof holding disproportionate interests in the extensions of credit under the Facilities or otherwise acting as arranger or agent thereunder and such Lender, the Lead Arrangers or Affiliate thereof directly or indirectly holding equity interests in or subordinated debt issued by Holdings, the Borrower, an Investor or an Affiliate thereof.

SECTION 10.20 Electronic Execution of Assignments.

The words “execution,” “signed,” “signature,” and words of like import in any Assignment and Assumption shall be deemed to include electronic signatures or the keeping of records in electronic form, each of which shall be of the same legal effect, validity or enforceability as a manually executed signature or the use of a paper-based record keeping system, as the case may be, to the extent and as provided for in any applicable law, including the Federal Electronic Signatures in Global and National Commerce Act, the New York State Electronic Signatures and Records Act, or any other similar state laws based on the Uniform Electronic Transactions Act.

SECTION 10.21 Effect of Certain Inaccuracies.

In the event that any financial statement or Compliance Certificate previously delivered pursuant to Section 6.02 was inaccurate (regardless of whether this Agreement or the Commitments are in effect when such inaccuracy is discovered), and such inaccuracy, if corrected, would have led to the application of a higher Applicable Rate for any period (an “**Applicable Period**”) than the

Applicable Rate applied for such Applicable Period, then (i) the Borrower shall as soon as practicable deliver to the Administrative Agent a corrected financial statement and a corrected Compliance Certificate for such Applicable Period, (ii) the Applicable Rate shall be determined based on the corrected Compliance Certificate for such Applicable Period, and (iii) the Borrower shall within 15 days after the delivery of the corrected financial statements and Compliance Certificate pay to the Administrative Agent the accrued additional interest or fees owing as a result of such increased Applicable Rate for such Applicable Period. This Section 10.21 shall not limit the rights of the Administrative Agent or the Lenders with respect to Sections 2.08(b) and 8.01.

SECTION 10.22 Judgment Currency.

If for the purposes of obtaining judgment in any court it is necessary to convert a sum due from the Borrower hereunder in the currency expressed to be payable herein (the "**specified currency**") into another currency, the parties hereto agree, to the fullest extent that they may effectively do so, that the rate of exchange used shall be that at which in accordance with normal banking procedures any Lender could purchase the specified currency with such other currency at such Lender's New York office on the Business Day preceding that on which final judgment is given. The obligations of the Borrower in respect of any sum due to any Lender hereunder shall, notwithstanding any judgment in a currency other than the specified currency, be discharged only to the extent that on the Business Day following receipt by such Lender of any sum adjudged to be so due in such other currency such Lender may in accordance with normal banking procedures purchase the specified currency with such other currency; if the amount of the specified currency so purchased is less than the sum originally due to such Lender in the specified currency, the Borrower agrees, to the fullest extent that it may effectively do so, as a separate obligation and notwithstanding any such judgment, to indemnify the Lender against such loss, and if the amount of the specified currency so purchased exceeds the sum originally due to such Lender in the specified currency, such Lender agrees to remit such excess to the Borrower.

SECTION 10.23 Acknowledgement and Consent to Bail-In of EEA Financial Institutions.

Notwithstanding anything to the contrary in any Loan Document or in any other agreement, arrangement or understanding among any such parties, each party hereto acknowledges that any liability of any Lender that is an EEA Financial Institution arising under any Loan Document, to the extent such liability is unsecured, may be subject to the Write-Down and Conversion Powers of an EEA Resolution Authority and agrees and consents to, and acknowledges and agrees to be bound by:

(a) the application of any Write-Down and Conversion Powers by an EEA Resolution Authority to any such liabilities arising hereunder which may be payable to it by any party hereto to any Lender that is an EEA Financial Institution; and

(b) the effects of any Bail-in Action on any such liability, including, if applicable:

(i) a reduction in full or in part or cancellation of any such liability;

(ii) a conversion of all, or a portion of, such liability into shares or other instruments of ownership in such EEA Financial Institution, its parent undertaking, or a bridge institution that may be issued to it or otherwise conferred on it, and that such shares or other instruments of ownership will be accepted by it in lieu of any rights with respect to any such liability under this Agreement or any other Loan Document; or

(iii)the variation of the terms of such liability in connection with the exercise of the Write-Down and Conversion Powers of any EEA Resolution Authority.

SECTION 10.24 Acknowledgement Regarding Any Supported QFCs.

To the extent that the Loan Documents provide support, through a guarantee or otherwise, for Swap Contracts or any other agreement or instrument that is a QFC (such support, "**QFC Credit Support**", and each such QFC, a "**Supported QFC**"), the parties acknowledge and agree as follows with respect to the resolution power of the Federal Deposit Insurance Corporation under the Federal Deposit Insurance Act and Title II of the Dodd-Frank Wall Street Reform and Consumer Protection Act (together with the regulations promulgated thereunder, the "**U.S. Special Resolution Regimes**") in respect of such Supported QFC and QFC Credit Support (with the provisions below applicable notwithstanding that the Loan Documents and any Supported QFC may in fact be stated to be governed by the laws of the State of New York and/or of the United States or any other state of the United States):

(a) In the event a Covered Entity that is party to a Supported QFC (each, a "**Covered Party**") becomes subject to a proceeding under a U.S. Special Resolution Regime, the transfer of such Supported QFC and the benefit of such QFC Credit Support (and any interest and obligation in or under such Supported QFC and such QFC Credit Support, and any rights in property securing such Supported QFC or such QFC Credit Support) from such Covered Party will be effective to the same extent as the transfer would be effective under the U.S. Special Resolution Regime if the Supported QFC and such QFC Credit Support (and any such interest, obligation and rights in property) were governed by the laws of the United States or a state of the United States. In the event a Covered Party or a BHC Act Affiliate of a Covered Party becomes subject to a proceeding under a U.S. Special Resolution Regime, Default Rights under the Loan Documents that might otherwise apply to such Supported QFC or any QFC Credit Support that may be exercised against such Covered Party are permitted to be exercised to no greater extent than such Default Rights could be exercised under the U.S. Special Resolution Regime if the Supported QFC and the Loan Documents were governed by the laws of the United States or a state of the United States. Without limitation of the foregoing, it is understood and agreed that rights and remedies of the parties with respect to a Defaulting Lender shall in no event affect the rights of any Covered Party with respect to a Supported QFC or any QFC Credit Support.

(b) As used in this Section 10.24, the following terms have the following meanings:

"**BHC Act Affiliate**" of a party means an "affiliate" (as such term is defined under, and interpreted in accordance with, 12 U.S.C. 1841(k)) of such party.

"**Covered Entity**" means any of the following: (i) a "covered entity" as that term is defined in, and interpreted in accordance with, 12 C.F.R. § 252.82(b); (ii) a "covered bank" as that term is defined in, and interpreted in accordance with, 12 C.F.R. § 47.3(b); or (iii) a "covered FSI" as that term is defined in, and interpreted in accordance with, 12 C.F.R. § 382.2(b).

"**Default Right**" has the meaning assigned to that term in, and shall be interpreted in accordance with, 12 C.F.R. §§ 252.81, 47.2 or 382.1, as applicable.

"**QFC**" has the meaning assigned to the term "qualified financial contract" in, and shall be interpreted in accordance with, 12 U.S.C. 5390(c)(8)(D).

ARTICLE XI
Guaranty

SECTION 11.01 The Guaranty.

Each Guarantor hereby jointly and severally with the other Guarantors guarantees, as a primary obligor and not merely as a surety to each Secured Party and their respective successors and assigns, the prompt payment in full when due (whether at stated maturity, by required prepayment, declaration, demand, by acceleration or otherwise) of the principal of and interest (including any interest, fees, costs or charges that would accrue but for the provisions of (i) Title 11 of the United States Code after any bankruptcy or insolvency petition under Title 11 of the United States Code and (ii) any other Debtor Relief Laws) on the Loans made by the Lenders to, and the Notes held by each Lender of, the Borrower, and all other Obligations (other than with respect to any Guarantor, Excluded Swap Obligations of such Guarantor) from time to time owing to the Secured Parties by any Loan Party under any Loan Document or any Secured Hedge Agreement or any Treasury Services Agreement, in each case strictly in accordance with the terms thereof (such obligations being herein collectively called the "**Guaranteed Obligations**"). The Guarantors hereby jointly and severally agree that if the Borrower or other Guarantor(s) shall fail to pay in full when due (whether at stated maturity, by acceleration or otherwise) any of the Guaranteed Obligations, the Guarantors will promptly pay the same in cash, without any demand or notice whatsoever, and that in the case of any extension of time of payment or renewal of any of the Guaranteed Obligations, the same will be promptly paid in full when due (whether at extended maturity, by acceleration or otherwise) in accordance with the terms of such extension or renewal.

SECTION 11.02 Obligations Unconditional.

The obligations of the Guarantors under Section 11.01 shall constitute a guarantee of payment and to the fullest extent permitted by applicable Law, are absolute, irrevocable and unconditional, joint and several, irrespective of the value, genuineness, validity, regularity or enforceability of the Guaranteed Obligations of the Borrower under this Agreement, the Notes, if any, or any other agreement or instrument referred to herein or therein, or any substitution, release or exchange of any other guarantee of or security for any of the Guaranteed Obligations, and, irrespective of any other circumstance whatsoever that might otherwise constitute a legal or equitable discharge or defense of a surety or Guarantor (except for payment in full). Without limiting the generality of the foregoing, it is agreed that the occurrence of any one or more of the following shall not alter or impair the liability of the Guarantors hereunder which shall remain absolute, irrevocable and unconditional under any and all circumstances as described above:

(i) at any time or from time to time, without notice to the Guarantors, to the extent permitted by Law, the time for any performance of or compliance with any of the Guaranteed Obligations shall be extended, or such performance or compliance shall be waived;

(ii) any of the acts mentioned in any of the provisions of this Agreement or the Notes, if any, or any other agreement or instrument referred to herein or therein shall be done or omitted;

(iii)the maturity of any of the Guaranteed Obligations shall be accelerated, or any of the Guaranteed Obligations shall be amended in any respect, or any right under the Loan Documents or any other agreement or instrument referred to herein or therein shall be amended or waived in any respect or any other guarantee of any of the Guaranteed Obligations or except as permitted pursuant to Section 11.10 any security therefor shall be released or exchanged in whole or in part or otherwise dealt with;

(iv)any Lien or security interest granted to, or in favor of, an L/C Issuer or any Lender or Agent as security for any of the Guaranteed Obligations shall fail to be perfected; or

(v) the release of any other Guarantor pursuant to Section 11.10.

The Guarantors hereby expressly waive diligence, presentment, demand of payment, protest and, to the extent permitted by Law, all notices whatsoever, and any requirement that any Secured Party exhaust any right, power or remedy or proceed against the Borrower under this Agreement or the Notes, if any, or any other agreement or instrument referred to herein or therein, or against any other person under any other guarantee of, or security for, any of the Guaranteed Obligations. The Guarantors waive, to the extent permitted by Law, any and all notice of the creation, renewal, extension, waiver, termination or accrual of any of the Guaranteed Obligations and notice of or proof of reliance by any Secured Party upon this Guaranty or acceptance of this Guaranty, and the Guaranteed Obligations, and any of them, shall conclusively be deemed to have been created, contracted or incurred in reliance upon this Guaranty, and all dealings between the Borrower and the Secured Parties shall likewise be conclusively presumed to have been had or consummated in reliance upon this Guaranty. This Guaranty shall be construed as a continuing, absolute, irrevocable and unconditional guarantee of payment without regard to any right of offset with respect to the Guaranteed Obligations at any time or from time to time held by Secured Parties, and the obligations and liabilities of the Guarantors hereunder shall not be conditioned or contingent upon the pursuit by the Secured Parties or any other person at any time of any right or remedy against the Borrower or against any other person which may be or become liable in respect of all or any part of the Guaranteed Obligations or against any collateral security or guarantee therefor or right of offset with respect thereto. This Guaranty shall remain in full force and effect and be binding in accordance with and to the extent of its terms upon the Guarantors and the successors and assigns thereof, and shall inure to the benefit of the Lenders, and their respective successors and assigns, notwithstanding that from time to time during the term of this Agreement there may be no Guaranteed Obligations outstanding.

SECTION 11.03 Reinstatement.

The obligations of the Guarantors under this Article XI shall be automatically reinstated if and to the extent that for any reason any payment by or on behalf of the Borrower or other Loan Party in respect of the Guaranteed Obligations is rescinded or must be otherwise restored by any holder of any of the Guaranteed Obligations, whether as a result of any proceedings in insolvency, bankruptcy or reorganization or otherwise.

SECTION 11.04 Subrogation; Subordination.

Each Guarantor hereby agrees that until the payment and satisfaction in full in cash of all Guaranteed Obligations and the expiration and termination of the Commitments of the Lenders under this Agreement, it shall waive any claim and shall not exercise any right or remedy, direct or indirect, arising by reason of any performance by it of its guarantee in Section 11.01, whether by subrogation or otherwise, against the Borrower or any other Guarantor of any of the Guaranteed Obligations or any security for any of the Guaranteed Obligations. Any Indebtedness of any Loan Party permitted pursuant to Sections 7.03(b)(ii) or 7.03(d) shall be subordinated to such Loan Party's Obligations in the manner set forth in the Intercompany Note evidencing such Indebtedness.

SECTION 11.05 Remedies.

The Guarantors jointly and severally agree that, as between the Guarantors and the Lenders, the obligations of the Borrower under this Agreement and the Notes, if any, may be declared to be forthwith due and payable as provided in Section 8.02 (and shall be deemed to have become automatically due and payable in the circumstances provided in Section 8.02) for purposes of Section 11.01, notwithstanding any stay, injunction or other prohibition preventing such declaration (or such obligations from becoming automatically due and payable) as against the Borrower and that, in the event of such declaration (or such obligations being deemed to have become automatically due and payable), such obligations (whether or not due and payable by the Borrower) shall forthwith become due and payable by the Guarantors for purposes of Section 11.01.

SECTION 11.06 Instrument for the Payment of Money.

Each Guarantor hereby acknowledges that the guarantee in this Article XI constitutes an instrument for the payment of money, and consents and agrees that any Lender or Agent, at its sole option, in the event of a dispute by such Guarantor in the payment of any moneys due hereunder, shall have the right to bring a motion-action under New York CPLR Section 3213.

SECTION 11.07 Continuing Guaranty.

The guarantee in this Article XI is a continuing guarantee of payment, and shall apply to all Guaranteed Obligations whenever arising.

SECTION 11.08 General Limitation on Guarantee Obligations.

In any action or proceeding involving any state corporate limited partnership or limited liability company law, or any applicable state, federal or foreign bankruptcy, insolvency, reorganization or other Law affecting the rights of creditors generally, if the obligations of any Guarantor under Section 11.01 would otherwise be held or determined to be void, voidable, invalid or unenforceable, or subordinated to the claims of any other creditors, on account of the amount of its liability under Section 11.01, then, notwithstanding any other provision to the contrary, the amount of such liability shall, without any further action by such Guarantor, any Loan Party or any other person, be automatically limited and reduced to the highest amount (after giving effect to the right of contribution established in Section 11.11) that is valid and enforceable and not subordinated to the claims of other creditors as determined in such action or proceeding.

SECTION 11.09 Information.

Each Guarantor assumes all responsibility for being and keeping itself informed of the Borrower's financial condition and assets, and of all other circumstances bearing upon the risk of nonpayment of the Guaranteed Obligations and the nature, scope and extent of the risks that each Guarantor assumes and incurs under this Guaranty, and agrees that none of any Agent, any L/C Issuer or any Lender shall have any duty to advise any Guarantor of information known to it regarding those circumstances or risks.

SECTION 11.10 Release of Guarantors.

If, in compliance with the terms and provisions of the Loan Documents, (i) all or substantially all of the Equity Interests or property of any Guarantor are sold or otherwise transferred (a "**Transferred Guarantor**") to a person or persons, none of which is a Loan Party or (ii) any Subsidiary Guarantor becomes an Excluded Subsidiary, such Transferred Guarantor shall, upon the consummation of such sale or transfer, be automatically released from its obligations under this Agreement (including under Section 10.05 hereof) and its obligations to pledge and grant any Collateral owned by it pursuant to any Collateral Document and, in the case of a sale of all or substantially all of the Equity Interests of the Transferred Guarantor, the pledge of such Equity Interests to the Collateral Agent pursuant to the Collateral Documents shall be automatically released, and, so long as the Borrower shall have provided the Agents such certifications or documents as any Agent shall reasonably request, the Administrative Agent and the Collateral Agent shall, at such Transferred Guarantor's expense, take such actions as are necessary to effect each release described in this Section 11.10 in accordance with the relevant provisions of the Collateral Documents.

When all Commitments hereunder have terminated, and all Loans or other Obligation (other than obligations under Treasury Services Agreements or Secured Hedge Agreements) hereunder which are accrued and payable have been paid or satisfied, and no Letter of Credit remains outstanding (except any Letter of Credit the Outstanding Amount of which the Obligations related

thereto has been Cash Collateralized or for which a backstop letter of credit reasonably satisfactory to the applicable L/C Issuer has been put in place), this Agreement and the guarantees made herein shall terminate with respect to all Obligations, except with respect to Obligations that expressly survive such repayment pursuant to the terms of this Agreement. The Collateral Agent shall, at each Guarantor's expense, take such actions as are necessary to release any Collateral owned by such Guarantor in accordance with the relevant provisions of the Collateral Documents.

SECTION 11.11 Right of Contribution.

Each Guarantor hereby agrees that to the extent that a Subsidiary Guarantor shall have paid more than its proportionate share of any payment made hereunder, such Subsidiary Guarantor shall be entitled to seek and receive contribution from and against any other Guarantor hereunder which has not paid its proportionate share of such payment. Each Subsidiary Guarantor's right of contribution shall be subject to the terms and conditions of Section 11.04. The provisions of this Section 11.11 shall in no respect limit the obligations and liabilities of any Subsidiary Guarantor to the Administrative Agent, the L/C Issuer, the Swing Line Lender and the Lenders, and each Subsidiary Guarantor shall remain liable to the Administrative Agent, the L/C Issuer, the Swing Line Lender and the Lenders for the full amount guaranteed by such Subsidiary Guarantor hereunder.

SECTION 11.12 Cross-Guaranty.

Each Qualified ECP Guarantor hereby jointly and severally, absolutely, unconditionally and irrevocably undertakes to provide such funds or other support to each Specified Guarantor as may be needed by such Specified Guarantor from time to time to honor all of its obligations under its Guaranty and the other Loan Documents in respect of any Swap Obligation (*provided, however*, that each Qualified ECP Guarantor shall only be liable under this Section 11.12 for up to the maximum amount of such liability that can be hereby incurred without rendering such Qualified ECP Guarantor's obligations and undertakings under this Section 11.12 voidable under applicable law relating to fraudulent conveyance or fraudulent transfer, and not for any greater amount). The obligations and undertakings of each Qualified ECP Guarantor under this Section 11.12 shall remain in full force and effect until the Obligations have been indefeasibly paid and performed in full and all Commitments have been terminated. Each Qualified ECP Guarantor intends that this Section 11.12 constitute, and this Section 11.12 shall be deemed to constitute, an agreement for the benefit of each Specified Guarantor for all purposes of the Commodity Exchange Act.
