- Patience

My Personal Develop Plan

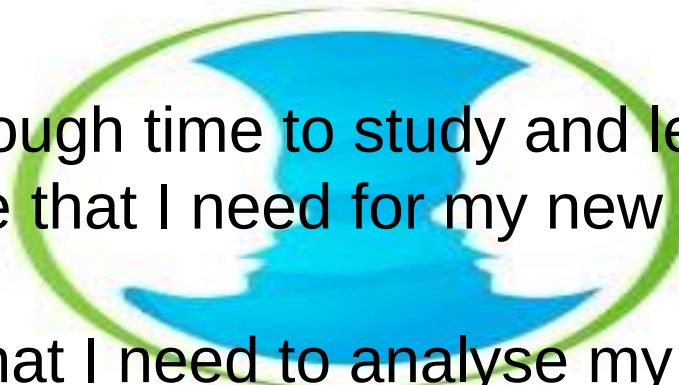

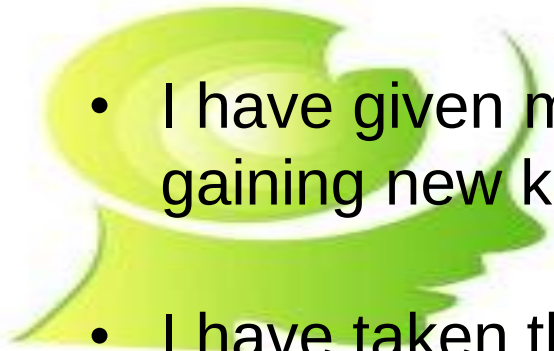

- My plans are over the next 4-5 years allowing myself enough time to enrol into a University of my choice and study Counselling.
- As well as my on research such as reading books and research on the internet.
- Improve my Opportunities and Threats.

Conclusion

- I have given myself enough time to study and learn the skills as well as gaining new knowledge that I need for my new Career path.
- I have taken the time that I need to analyse my Swots, so that I know what are my strengths as well as my weakness that need to be worked on.
