Important Notes:

- Students are strongly recommended to achieve 100% attendance in Research Methodology Workshops and SPSS workshop. It is a pre-requisite of the Dissertation module.
- The above time schedule is designed based on the assumption that the dissertation is to be completed in 6 months. The timeline is recommended only. Students are strongly advised to schedule with your supervisor at the beginning of dissertation stage.
- Please read the Dissertation handbook and observe the submission requirements.
- The confirmed results will be available only after the Examining Boards in Feb 2021.
- Dissertations must be submitted by and no later than **(30 October 2020, Friday)**

¹ The result of mapping between supervisor and students will be released by end of the same week.
