

LIFE IN LOCKDOWN

ANN DINEEN

A photograph of a man in a high-visibility yellow vest and a blue sign with social distancing instructions. The man is bald, has tattoos on his left arm, and is wearing a black t-shirt and a yellow high-visibility vest with reflective silver stripes. He is looking to the left. The sign is blue with white text. The background shows a large indoor space with a metal frame and a red wall with some signage.

We've introduced social distancing measures.

This is for everyone's safety, comfort and peace of mind.

When going through the checkouts, please follow signage and the marked areas in place to help you.

Please leave at least a **2m** gap between you and other customers and colleagues.
