Sense of humor

(Cornell and Vaughn, 2020).

My skills

Academic qualification (in progress)
Experience (Partially)
Communication skills
Disposition with real commitment
Diligence
Detailed attention
Stamina
Empathy
Sense of humor

A SWOT analysis diagram consisting of four interlocking puzzle pieces arranged horizontally. The pieces are colored blue, green, orange, and red from left to right. Each piece contains a large white letter (S, W, O, T) and a corresponding label below it. The blue piece (Strengths) has a tab on its right side that fits into the green piece (Weaknesses). The green piece has a tab on its right side that fits into the orange piece (Opportunities). The orange piece has a tab on its right side that fits into the red piece (Threats).

S

Strengths

W

Weaknesses

O

Opportunities

T

Threats

SUMMARY

“He who fails to plan is planning to fail”

(Winston Churchill)

Career success do not just happen on its own, you must make sure your skills are always up to date in order to remain useful and competitive. (Eat Your Career, n.d.)

CONCLUSION

These analysis of academic and employability skills will enable you discover yourself, the potentials in you and opportunities that awaits you.

The use of SWOT will help identify your weaknesses, threats and provide ways of solving the problems.

Having the capability to unfold your potentials makes a successful
you(www.bing.com, n.d.).
