

Academic and Employability Skills

Student name - Andrzej Woloncewicz

Student number - 2020126

Module code - BMSW4001

Module name - Digital skills and Research

Lecturer - Joanna Walsh

My Skills

- Good teamwork
- Communication skills
- Quick learner
- Problem solving
- Leadership
- Mechanical knowledge
- My main aim for my future is to open my own workshop garage to repair and detail cars.

S.W.O.T

- Strengths – I have a lot of experience car detailing for myself.
- Weakness - My main weakness is that I can get carried away with my work and I need to learn to manage my time better.
- Opportunities - Hoping to learn to gain more skills in management and time management.
- Threats - Main threat is that I will not manage my time and my team and will lose customers and money.

- 
- I really enjoy dealing with cars, repairing them and polishing them to make the cars look like new as if they just came out of the car salon and to make them start and drive with no issues.
