- Submitting assignments on time

- Using Moodle and checking your university email regularly
- Meeting with tutors or supervisors

Engagement Monitoring

We use a traffic light system to help identify and support students:

- Green – All good! You're actively engaging.
- Amber – There may be a dip in engagement. We'll check in and offer support.
- Red – Low engagement. We'll work with you to explore your options and get you back on track.

Remember, the aim is always to support—not penalise—students.
