

This is the boy who wants to find
the treasure of Pirate Frank.

This is the map
that shows the way
to the treasure
of Pirate Frank.

This is the sea that must be sailed,

*It's on the map that shows the way
to the treasure of Pirate Frank.*

*There's the island of spice and gold
beyond the sea that must be sailed.*

*It's on the map that shows the way
to the treasure of Pirate Frank.*

These are the mountains snowy and cold
on the island of spice and gold
beyond the sea that must be sailed.

Here's the forest where monkeys swing
over the mountains snowy and cold
on the island of spice and gold
beyond the sea that must be sailed.

It's on the map that shows the way
to the treasure of Pirate Frank.

This is the swamp where bullfrogs sing
past the forest where monkeys swing
over the mountains snowy and cold
on the island of spice and gold
beyond the sea that must be sailed.

It's on the map
that shows the way
to the treasure
of Pirate Frank.

Here are the steps going higher and higher
above the swamp where bullfrogs sing
past the forest where monkeys swing
over the mountains snowy and cold
on the island of spice and gold
beyond the sea that must be sailed.

They're on the map that shows the way
to the treasure of Pirate Frank.

Here's the volcano that spits out fire
at the top of the steps going higher and higher
above the swamp where bullfrogs sing
past the forest where monkeys swing
over the mountains snowy and cold
on the island of spice and gold
beyond the sea that must be sailed.

It's on the map that shows the way

A large, dark brown tree trunk with a spiral staircase winding up its side. The trunk is partially obscured by a large, white, cloud-like shape.

There's the tall **tree** that marks the spot
beside the **volcano** that spits out fire
at the top of the **steps** going higher and higher
above the **swamp** where bullfrogs sing
past the **forest** where monkeys swing
over the **mountains** snowy and cold
on the **island** of spice and gold
beyond the **sea** that must be sailed.

A suspension bridge with a small figure walking across it. The bridge connects two green hills. The background features a blue sky with white clouds and a distant volcano.

It's on the **map** that shows the way
to the treasure of Pirate Frank.

And under the **tree** that marks the spot is . . .

... Pirate Frank!

She's not on the map!

Quick! Run!
Down the steps
going lower, not higher,
below the volcano
that spits out fire . . .

through the swamp
where bullfrogs sing . . .

through the forest
where monkeys swing . . .

over the mountains
snowy and cold . . .

... and off the island
of spice and gold,
into the ship, to sail away ...

... and dream of what was found today ...

... the treasure of Pirate Frank.

The End.
