WORKFORCE MANAGEMENT AGENCY

FIND THE JOB THAT MAKES YOU HAPPY

“These are very difficult times for all workers, particularly those on low pay who are often undertaking critical tasks in a variety of key sectors including care.” (Sanderson, Chair of the Low Pay Commission, 2021)

“Low skilled” workers are treated unfair

- Zero-hour contracts
- Difficult working conditions
- Insufficient pay

MY SOLUTION

- 
- Set up a charity shop
 - Hire “low skilled” and vulnerable adults
 - Discover and nurture their skills
 - Promote them to other employees

Strengths

- Personal experience, Various jobs

Weaknesses

- Time management, Public Speaking, Leadership

Opportunities

- A lot of unhappy workers, DWP and RESTART are not fit for purpose

Threats

- Bad employers, unemployable people

MY PLAN

- **Finish this year's course**

- **Get a BA in Leadership**

An important aspect of the course will be the that the graduate will have the ability to make an impact in the workplace (uwtsdlondon.ac.uk, 2021)

- **Improve my time management skills**

Creative procrastination is life changing ((Tracy, 2017))

- **Overcome my public speaking issues**

To learn the skill of speaking to larger audiences you must repeatedly rehearse and reinforce with any opportunity ((O'Rourke, 2019)

Concept

Distressed vegetables were blamed for a big percent of wasted fruit and vegetables in 2013
(Dobson and Edmonson, 2021)
