Assignment 2

Surveillance a way to ‘keep us safe’ or a way to ‘control’.
Explore, in depth, the **tensions** of surveillance in a modern world.

Introduction

You can give examples/images as long as these are publicly available and you can reference them.

Main Points

1) Define:

- Surveillance – and different types of surveillance
- Crime
- Victim
- Power and Control – social control and governmental control

2) Choose a type of surveillance and focus on how this works in practice (apply the definitions/information from the bullet points above)

3) Implications for liberate and living a full life.

Conclusion

Define **Surveillance** as a concept – victims of crime – the law says that some crimes are victimless – critique.

Make Links between Surveillance and Crime plus where is the victim of crime.

Power and control in society and who wields the power and how

What is considered a crime and why?

- Link it to criminal justice theories
 - Foucault Theories
 - Jeremy Bentham panopticon
 - What is it for?
 - Criminal justice theories -
 - Why we use them?
 - How?
 - Implications
- Link it to the structures of society/political and partner/family/economic shopping malls.
 - How? – What does this look like politically
 - What is it for?
 - Why we use them?
 - How?
 - Implications
 - - Maybe . . . look at the UK specifically and legislation/policy etc which links with Surveillance (CCTV eg [Guidance on the use of domestic CCTV - GOV.UK \(www.gov.uk\)](https://www.gov.uk/guidance/on-the-use-of-domestic-cctv))
 - Include GPDR Data Protection – looking beyond that in regard to society, crime and individual rights!
 - Public sphere
 - Private sphere
 - Familial or partner sphere – iPhones etc have tracker devices
 - prevention and tracking of crime versus personal rights and liberties.
 - Shopping Malls, door bells as safety
