

Yr 3 Infographic Project 2024/5 - Music

You have been commissioned to create a full page infographic design for **NME** (New Musical Express) magazine.

The proposal is to create a bi-monthly infographic on a specific band or artist.

You are free to propose any layout style you feel is appropriate for the task, and to decide on whether you want the infographic to be entirely typographic, or to include illustration, vector art, diagrams or graphs. The only restriction is that **no photographic content** is used.

Research your given artist thoroughly. The more information you can collect, and the deeper you dig, the better prepared you will be to produce an intriguing and interesting outcome.

Content could include information and facts about: **Origin of band name** Band members **Number of albums** Names of albums **Sleeve designer** Album sales **Touring history** Lyrics **When and where did band form?** What was going on in the world at this time? **Politics/protest?** Still together? **Original lineup?** Solo careers **Members in more than one band?** Best know hit **Music used in cinema/TV?** Part of a particular genre or movement? **Name of record label** Collaborations **Cover versions** Television Appearances **Interviews** Fashion/Clothing/Style **Fanbase** Famous photographs/locations **Instruments and equipment** Scandals/Controversy

The full page infographics will be **290mm (w) x 400mm (h)**.

Formative Deadline:

Have your infographic printed on A3, and ready to put on the wall for 2pm on Monday November 11th.
