

Underneath the Stars

O, go gently
O, go gently

Underneath the stars I'll meet you,
Underneath the stars I'll greet you
And there beneath the stars I'll leave you
Before you go on your own free will

Go gently
Go gently

Underneath the stars you met me,
Underneath the stars you left me
I wonder if the stars regret me
At least you'll go on your own free will

Go gently
Go gently

Here beneath the stars I'm landing
And here beneath the stars not ending
Oh why on earth am I pretending?
I'm here again, the stars befriending
they come and go of their own free will

Go gently
Go gently

David

An interesting day
In a curious way
The people I met
I'm not sure about yet

An interesting day
In a smashed up kind of way
Where traces of faces and memorable places were few

But I now realise
If I open my eyes
There's something evolving, involving a something that's new

A prerecorded voice speaks to David in Welsh.

Dafydd: Ti'm yn delio efo hyn nag wyt?

David: what?

Dafydd: Ma'n ormod. Sbia arnat ti. Ti ar chwal.

David: Is this...?

Insomniac: What's he saying?

Nervous Soldier: Who is it?

Dafydd : Ti yn gwybod pwy dwi. Ti'n nabod fi. A ti'n gwbod yn iawn bo ti ddim di gwrando.
Ti byth yn gwrando.

David: Listening? Listening to what?

Insomniac: What's he saying?

Dafydd: Ti'n gwbod be dwi'n ei ddeud

David: He's saying I've switched off?

Insomniac: Who says he's switched off?

Nervous Soldier: I didn't know he'd switched on.

Dafydd: Ti di anghofio

David: What have I forgotten?

Insomniac: What has he forgotten?

Dafydd: You need to find it Dafydd

Nervous Soldier: What does he need to find?

Insomniac: I don't know, I think he's forgotten?

David

An interesting day
In a curious way
The people I met
I'm not sure about yet

But I now realise
If I open my eyes
There's something evolving, involving a something that's new

But I'm not sure what to make, what to take,
what's at stake, what's the name of it

I don't know if to go and to show
And to throw my heart into it

Its an interesting day

There's something evolving, involving a something that's new
There's something evolving, involving a something that's new
