

Referencing: Managing your information

100% COMPLETE

- Introduction
- Collecting your references
- Library Catalogue
- Collections in Online Resource Lists
- Microsoft tools: OneNote
- Microsoft tools: Word
- Citation managers
- Summary
- Where next?

Where next?

NEXT

The next units will help you to explore why we reference and how to reference, according to the style recommended in your course handbook.

- Referencing: The basics
- Referencing: The mechanics

If you feel you would like further guidance or support, you can book an appointment with your Academic Liaison Librarian or Digital Skills Advisor to discuss further.

Remember: You can re-visit any of your completed units, or specific parts at any time.
