

Lefkandi: The Curious Case of Tombs 1 and 3

2) Examine the plans of tombs 1 and 3 from Lefkandi and images of the associated finds.

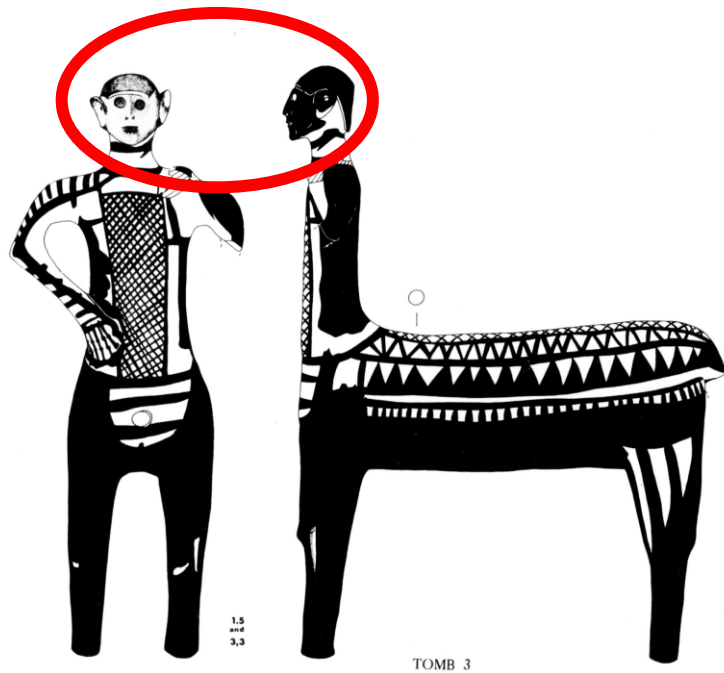

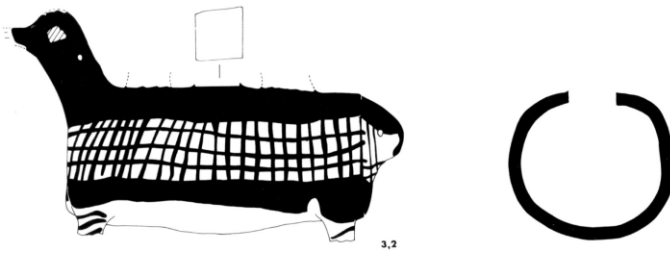

- Can you reconstruct the funerary rites from the remains? (think about burial facility, treatment of the body, actions of mourners etc.)
- What grave goods are there?
- What significance might these have had?
- What might your conclusions tell us about burials at Lefkandi?
