Comments: This is a fairly well written essay which successfully utilises primary reading material, revealing knowledge & some understanding of the topic. You present some plausible criticisms, but in places further accuracy or precision is required. Consider, for eg, the Prisoners' dilemma - whether or not they know the interests of the other prisoners, it is still tempting to defect, so it doesn't necessarily show that human nature is cooperative, but it does show that individual decisions, taken considered together, can have a terrible outcome. You correctly draw attention to the
