*Passion for cooking traditional
albanian food has made it clearer
to me what business I want to
open in the future*

How did i start dreaming about opening a restaurant?

When I was kid
I always
wanted to
cook.

Seeing my mom
I started
cooking very
well.

For me
cooking is
the best
relax.

Immigrantes
to feel like are
in their contry.

I cook
albanians
food even
im far away.

I feel I hsrve to
keep
traditions of
albanian food

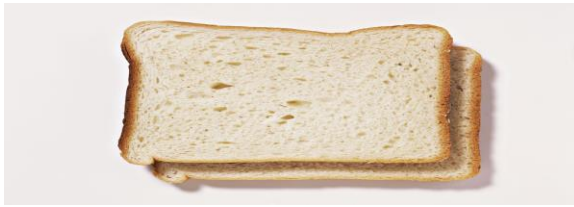

What I want to do before opening a restaurant?

- **1-I want to go to university for accounting and business so I can manage my own business**
- **2-To enter a course for cooking to be completed for my career**
- **3-To know more about strategies of business**
- **4-To know competition about other business near of me**

How I thought of opening a restaurant?

The title of the restaurant (Bread, salt & heart)

Location: in an area where there are more Albanian. (Wood Green)

Decoration inside: all old traditional objects. Any equipment should be made of wood

Staff search: All employers to be qualified and to dress with traditional albanian clothing

Menu design: The whole traditional Albanian menu

Music: I like to invite albanian singers like something attract for costumers

Swot and Weaknesses

Skills	What skills I have?	What skills I need to improve?
Leadership skills		X
Patience in stressful situation	X	
Ability to motivate stuff	X	
Costumer service skills		X
To be able to use a computer	X	
The ability to work well with other		X
Good comunication	X	

Conclusion

For a manage the perfect way my restaurant I always need to reminded this things:

To discipline monitoring

Socio-psychological climate in the team

Interaction with customers

Work organization

Clearly identify and use the skills of employees

Staff motivation

Quality marketing
