

Steph Dalton

BACKGROUND

- BSc Business Management (1st class Honours)
- 4 years working in HE sector in Student Voice, Engagement and Empowerment, including training staff and students.

WHY TEACHING?

- I really enjoyed my time in primary school, as I had supportive, encouraging and engaging teachers. I want to be able to pass that experience on to others.
- Primary education is so important, the holistic development of the child, as well as academically.
- I feel I have the right enthusiasm, care and drive to be a teacher who can deliver that and inspire others to love learning.
