| <b><u>First Marker's General Comments and Original Mark</u></b><br>Research Methodology, clear evaluation, and justification of your selected Research methodologies. Development methodology, choice evaluated and justified. Resource's choices evaluated with justification. The structure is very good with relevant topics included. Good use of a variety of secondary sources. The application is well written, robust and meets most objectives set from the findings from the literature review. A good structure with a Table of Contents and clear section headers. The style is also good with an appropriate use of fonts and font sizes. Your spelling and grammar is also good. Your academic writing skills have significantly improved. You have made use of a range of credible research-informed literature and have followed the referencing conventions correctly. The project report is written to a good standard. The program is well written and meets most of the objectives set from the findings from the literature review. | <b>66</b>     |
| <b><u>Second Marker's General Comments and Original Mark</u></b><br><br>A very detailed and well written report. The app met all objectives set.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                         | <b>64</b>     |
