Warehouse Operator • Unipart Logistics Magna Park

I am currently in the RMA department, where I am working on a new project called Mid-bound Team. On this project, I was to take care of the following process:

- Put away stock in the aisle.
- Maintain stock accurately.
- Moving inventory physically and systematically using SAP.
- Counting the stock and compare it with SAP information, reporting to Stock Team (via Email or in-person) and Team-Leader any variances or any problems regarding Stock issues.
- Maintaining visual management.
- Input information's in Google Drive regarding Stock movements, stock issues.

I also know the following process:

- Put away Plus
- Creation for iPad/iPhone
- Audit for iPad/iPhone
- Picking requested stock for clients

10.07.2016–30.09.2016

Warehouse Operative • Argos Magna Park

I was a warehouse operative at Argos Magna Park. A typical day would be to unload the delivery truck and then take the products out of the delivery cages and put them all away in appropriate locations around the warehouse.

I learned to be able to work quickly and efficiently in the safest way possible within a team. I also learned the payoff of hard work by the end of every shift.

I was also doing the following process:

- Jackpot
- A-stock
- Picking

01.04.2016–30.06.2016

Labourer • Baginton Nurseries

I was working at Baginton Nurseries as a laborer. Baginton Nurseries is a company based on growing plants.

01.09.2015–15.03.2016

Warehouse Operator • Unipart Logistics Magna Park

I was working in the Screening department, and I was in RMA, Stock, Outbound departments for overtime.

I know the following process:

- Audit
 - Creation on iPhones
 - Fit (iPhones)
 - Sortation iPhones.
 - Picking iPhones/ iPads.
 - Putaway iPhones.
 - Audit Screening.
 - 1st VMI
 - 2nd VMI
 - Restore
 - Call Test
 - Charging
 - Clean & Pack
 - AST2
- 

I also trained new colleagues in different processes in the Screening department. I was working with Sap, File Maker, File Maker Pro advanced.

03.04.2015–01.08.2015

Cover Letter:

Dear Hiring Manager,

I saw the advertisement for the Operational Team Leader on our network website at www.millbrook-healthcare.co.uk and I am very keen to apply.

In my currently position I am always working close with all operational departments in our company, solving problems, focusing as well on numbers, and delivering quality services. I am a hard worker and I like to give my everything in any situation.

I am really enjoying my work; however, I need to look forward for a progress in my career and I think it is the perfect time to do so with this job opportunity. Therefore, I am applying for this position, because I can combine the drive that I have with the experience gathered along working for Millbrook Healthcare and put them together as an action plan into a much more challenging and responsible experience

I think that I am the best candidate for this position due to my vast experience with the company, my skills, my values, my attitude, and my enthusiasm.

I would be delighted to discuss my application further at interview. Please contact me on 07887785206 or badescustelianvictor@yahoo.com.

Attached you will also find my Curriculum Vitae.

Thank you for your consideration.

Best regards,
Stelian-Victor Badescu.

Warehouse Manager

We are currently recruiting for a **Warehouse Manager** to join the team at our Hertfordshire Wheelchair Service Centre based in Welwyn Garden City. This role is an integral part of the management team within the centre and you will be responsible for the day to day operations and contract management alongside the Customer Service Lead and Clinical Lead.

We are a fast growing business and leading provider of Healthcare Service solutions including Wheelchair Services. We work closely with NHS and Social Care Organisations providing a complete outsourced wheelchair service that significantly reduces costs, delivers better quality and an enhanced patient experience.

Our mission is to provide a unique service that will ensure all service users receive the care, assessment and mobility equipment at the time they require it to enable them to achieve theirs and their families' goals.

This role involves;

- Overseeing the warehouse operations including managing and monitoring the receipt, order, assembly and dispatch of wheelchair equipment.
- Assisting with the daily management of the 4 contracts operating from the centre.
- Liaising and attending meetings with the local commissioners.
- Efficient receipt, storage and dispatch of a range of wheelchair equipment.
- You will be responsible for the workplace health and safety standards in the warehouse, including the decontamination area and activities carried out by the field service engineers
- Managing and supervising the warehouse staff (warehouse operatives, workshop service and repair technicians as well as field service technicians)
- Taking ownership and accountability for the operation of the warehouse
- Constantly analyzing management information to make necessary decisions.
- Communication between the relevant departments
- Responsible for drivers regarding the overall maintenance of all vans operating and conduct regular checks of their vehicle, logging and reporting any faults.

About you;

- Managing multiple contracts all operating from one site
- Experience of stock control, Logistics (preferably experience controlling a fleet of vans) Administration and Customer Services is needed

- Communication between the relevant departments
- Responsible for drivers regarding the overall maintenance of all vans operating and conduct regular checks of their vehicle, logging and reporting any faults.

About you;

- Managing multiple contracts all operating from one site
- Experience of stock control, Logistics (preferably experience controlling a fleet of vans) Administration and Customer Services is needed
- A supervisory/managerial background, ideally though not essential within the Healthcare sector
- Excellent communication skills are required to interact with internal staff, prescribers and Service Users.
- Computer literate and good handwriting skills.
- Must be able to work off their own initiative as well as part of a team.
- Relevant experience for the role in a service environment
- Strong communication skills
- Enthusiastic motivated individual who strives to succeed
- Full UK Driving Licence

We recognise that hard work should be rewarded, so we offer;

- A competitive salary of up to £43,000 plus further benefits.
- 25 days holiday + bank holidays
- Quality Pension Scheme
- Life assurance
- Staff discounts on company products and further discounts across the high street

This role is working in a regulated activity and may be subjected to an enhanced DBS disclosure.

No terminology in the advert you have seen is intended to discriminate on the grounds of age, gender, race, colour, religion, disability or sexual orientation, and we will gladly accept applications from all sections of the community.
