INTRODUCTION

- My intended career
- Skills I have and need to improve
- Skills specifically for this job role
- How the tools I've learnt will help me
- Referring to published literature
- References

MY INTENDED CAREER

My intended career for the future will be a paramedic for the NHS

- Make a difference to your community.

- Multiple career pathways.

- Earn as you Learn.

- You're Part of a Team for Life

SKILLS I HAVE AND NEED TO IMPROVE

Academic skills can be defined as some core skills that can involve excellent academic, writing, presentation skills, digital skills, referencing skills, critical thinking, and reflective practice (Rabiner *et al.*, 2016).

Employability skills are the core skills and traits needed in nearly every job. These are the general skills that make someone desirable to an organization. Hiring managers almost always look for employees with these skills.

Skills I have:

Strong communication skills

Empathy and care for others

Navigational and driving skills

SKILLS SPECIFICALLY FOR THE JOB

- Skills I have which are looked for:

Strong communication skills

Empathy and care for others

Navigational and driving skills

Learning to strive from my mistakes

- Skills I need to work on:

Stamina

A good level of physical fitness

The ability to make swift decisions and stay calm under pressure

Time management

HOW THE TOOLS I HAVE LEARNED WILL HELP ME

- Time management
- Presentation skills
- Employability skills
