What is the topic?

The example is about Athens in the classical period and the title of the work to be structured is:

In your considered opinion, why is Athens considered to be the most powerful polity in the classical period?

Cyn i chi gyrraedd y cam hwn, byddwch chi wedi cynnal eich ymchwil a phenderfynu mai:

- Athen oedd y mwyaf pwerus oherwydd ei chryfder milwrol, gan fod ganddi lynges fawr, a'i grym economaidd gan fod ganddi fwyngloddiau arian
- Bydd angen i chi ddiffinio ystyr y term allweddol 'pwerus' yn yr achos hwn

Strwythur gyda Deallusrwydd Artiffisial

- Bydd angen i chi ddarparu tystiolaeth i gefnogi'ch honiad mai Athen oedd y wladwriaeth fwyaf pwerus

“My essay title is ‘In your considered opinion, why is Athens considered to be the most powerful polity in the classical period?’ My main points are that Athens was powerful because of its superior navy and its economic power because of its silver mines. I also want to discuss what “powerful” means in this case and explain why Athens can be considered the most powerful polity in the period. Can you suggest a good structure?

Yn ogystal, gallwch chi ofyn am help wrth strwythuro **paragraff**, nid y traethawd cyfan.

Edrychwch ar y blychau isod i weld beth i'w roi, a'r ymateb, gan ddefnyddio **Claude.ai**. Nodwch sut mae'r ymateb yn rhestru agweddau cadarnhaol y paragraff cyn rhoi rhai awgrymiadau ar gyfer gwella.

Please can you check the structure of the following paragraph?"

Claude.ai says.....

"Here is my analysis of the structure of the provided paragraph:

Topic sentence:

- Clearly establishes Athens as a powerful city-state in Ancient Greece due to its navy.

Flow and transitions:

- The frog pond analogy provides a smooth transition to explaining the importance of naval power
- "This meant..." connects the large navy to Athens' ability to defend against rivals.

- “and” joins the ideas about Persia/Carthage and Athens having the biggest navy.

Evidence:

- Effective use of examples like Persia and Carthage as naval threats which builds the case for Athens’ naval power.

Closing sentence:

- Connects back to the main idea by showing how the navy gave Athens power over other city-states seeking protection.

Overall structure:

- Well organized with logical flow from opening topic sentences to closing sentence.
- Smooth transitions between ideas
- Strong topic focus throughout the paragraph

Suggestions:

- Consider adding more specifics or examples to demonstrate Athens’ naval power.
- The conclusion could be strengthened by elaborating on the implications of Athens’ power over other polities.

Overall, the paragraph has a clear structure and stays focused on supporting the central topic sentence. The ideas flow logically, and the evidence is relevant. Just some minor tweaks could make it even more compelling.”

Yr hyn na allwch ei wneud wrth ddefnyddio offer deallusrwydd artiffisial ar gyfer strwythur

Yn union fel na fydddech yn llên-ladrata llyfr neu erthygl, felly ni allwch llên-ladrata gan ddefnyddio offeryn deallusrwydd artiffisial trwy ofyn iddo ysgrifennu'r cyfan, neu unrhyw ran o'ch asesiad ar eich rhan.

Mae'r enghraifft yn y blwch isod yn dangos yr hyn **na ddylech** ei wneud wrth fewnbynnu anogwr i offeryn deallusrwydd artiffisial yn gofyn am help ar sut i strwythuro traethawd neu hyd yn oed baragraff yn unig.

Edrychwch yn ofalus ar sut mae'r awgrymiadau hyn yn gofyn i'r offeryn deallusrwydd artiffisial gynhyrchu'r gwaith mewn gwirionedd yn hytrach na rhoi'r hyn sydd eisoes wedi'i ymchwilio, meddwl amdano a/neu ysgrifennu iddo:

Assessment title: *In your considered opinion, why is Athens considered to be the most powerful polity in the classical period?*

You must not input:

- Tell me why Athens was the most powerful polity in the classical period
- Write a paragraph on why Athens was powerful

Pam na ddylech ddefnyddio anogwyr fel hyn

- Os ydych chi'n mewnbynnu'r anogwyr hyn, bydd yr offeryn deallusrwydd artiffisial yn y bôn yn gwneud yr asesiad i chi a ni chaniateir hyn
- Os gwnaethoch gyflwyno'r hyn a gynhyrchwyd gan yr offeryn AI gan ddefnyddio'r awgrymiadau hyn yna nid eich gwaith chi ydyw a byddwch yn cyflawni **camymddwyn academiaidd**, yn union fel y byddech petaech wedi copïo o lyfr neu fyfyrwr arall.
-

Dyma un o'r rhesymau pam mae'n rhaid i chi gofio cadw'r holl ddrafftiau, nodiadau, ac adnoddau a ddefnyddiwyd cyn ac ar ôl i chi ddefnyddio offer deallusrwydd artiffisial wrth ymchwilio ac ysgrifennu eich asesiad.

Efallai y bydd angen i'ch tiwtor eu gwirio i wneud yn siŵr nad ydych wedi mynd y tu hwnt i'r hyn y caniateir i chi ei wneud.
