

MARKING CRITERIA and STUDENT FEEDBACK

This section details the assessment criteria. The *extent* to which these are demonstrated by you determines your mark. The marks available for each criterion are shown. Lecturers will use the space provided to comment on the achievement of the task(s), including those areas in which you have performed well and areas that would benefit from development/improvement.

Common Assessment Criteria Applied	Marks Available	Marks Awarded
1. Engagement with Literature Skills		
2. Knowledge and Understanding Skills		
There is no evidence of user management within your solution. However you have provided good evidence of a menu system and data viewing solution via MS-ACCESS. Please read the rubric when attempting your solution to make sure you provide everything that is required.	25	8
3. Cognitive and Intellectual Skills		
While your tables look to be in 3NF you have provided no evidence on your process from 1NF to 3NF. You are missing a data dictionary from your solution as per rubric. Your ERD is very well presented however you are missing the supplier entity from your solution. PK and KF have been used throughout your solution. You could also increase the amount of fields in each entity. For example Customer address, contact details.	20	10
4. Practical Application Skills		
Tables have been generated and populated. However there is no evidence of a good amount of data being inputted. You are also missing a supplier entity from your solution. There is good evidence of using FK and PK throughout your solution. You are lacking enough evidence of SQL queries in order to provide a reporting function of the solution. Make sure you read the rubric in order to produce the required solution.	45	25
5. Transferable Skills for Life and Professional Practice		
Document well presented with sub headings and good structure. You have blank pages at the beginning of the document which you need to remove. The screenshots should be labelled with a number. For example figure 1. You also have blank sections at the end of your document. Conclusions and Bibliography. Make sure you proof read your work before submitting.	10	5

Assignment Mark (Assessment marks are subject to ratification at the Exam Board. These comments and marks are to give feedback on module work and are for guidance only until they are confirmed.)	Late Submission Penalties (tick if appropriate)		48
	Up to four weeks late
