

Kyle Garmey - Feedback

Common Assessment Criteria Applied	Marks Available	Marks Awarded
1. Engagement with Literature Skills		
You have produced a well laid out and structured document that includes the appropriate section and detail including a contents list. This is supported by a bibliography section with referencing included within the document.	5	5
2. Knowledge and Understanding Skills		
You have made use of a range web standard languages throughout your website giving it more features and a very non-standard layout. You have included Validation testing screenshots to show how standard your HTML and CSS code is and the curing of the errors identified. This is then supported with the accessibility features that you have included in your site.	20	15
3. Cognitive and Intellectual Skills		
You have include an accessibility evaluation of your website in your report stating its features and what it does not contain, this is supported by an evaluation of the website that covers the fetures it contains but this could have been in more detail. This is finished with a report on the SEO optimisation of the site that covers many features you have contained but again could have gone into more detail.	30	13
4. Practical Application Skills		
You have made the website using a range of web standard languages and included many features that make your websie stabd out in its layout and features. These features add an additional layer of interest to the user. You have validated you code successfully and include accessibilty features that make your website functional to its users.	40	30
5. Transferable Skills for Life and Professional Practice		
Your report makes use of a range of features to support its layout incuding structural features to make the report easily readable and accessible.	5	4
